The ACC By The Numbers

0 - Wake Forest **P Alex Kinal**, who is averaging 43.8 yards per punt with a net of 42.62 that ranks fourth nationally, has not had a punt result in a touchback this year. Kinal has placed 26 of his punts inside Wake's opponents' 20-yard line.

1 - Louisville junior **S Gerod Holliman** leads the nation in pass interceptions with 13 in 11 games, an average of 1.18 per contest. His total of 13 picks ties the best single-season total in ACC history set by former NC State CB David Amerson (2011) and is one short of the NCAA record. Al Worley of Washington had 14 in 1968.

2 - Both Pitt sophomore **James Conner** and Miami junior **Duke Johnson** were named semifinalists for the Doak Walker award which is presented annually to the nation's best running back. Boston College's Andre Williams was last year's recipient.

3 - **Clemson** leads the nation in three important defensive categories. The Tigers are first on total defense, allowing just 252.4 yards per game. They are first in tackles for loss, averaging 9.9 TFLs a game and they are first in third-down conversion percentage defense, allowing their opponents to gain a first down only 27.1 percent of the time.

4 - The number of **ACC teams** listed in the most recent rankings released by the College Football Playoff Committee last Tuesday. **Florida State** was ranked third followed by **Georgia Tech** (18th), **Clemson** (22nd) and **Louisville** (24th).

6 - **Georgia Tech** has six defensive touchdowns this year, returning five interceptions and one fumble for scores. That ties for second nationally. Washington leads with seven defensive returns for TDs.

7.16 - The average yards per carry this year for **Miami's Duke Johnson**. He ranks sixth among all players in the nation in the NCAA's FBS.

10 - The number of bowl eligible teams in the **ACC's bowl mix** with Notre Dame joining the selection process this year. That total will be 11 as Virginia and Vir-

ginia Tech, both 5-6, play each other this Friday and one is guaranteed to emerge eligible for postseason. Pitt, at 5-6, could make it an even dozen with a win at Miami.

22 - The number of rushing touchdowns this year for Pitt sophomore **RB James Conner**. That is an ACC single-season record, breaking the old mark of 21 set in 2009 by Virginia Tech's Ryan Williams.

24 - Florida State **QB Jameis Winston** has led the Seminoles to a 24-0 record as their starting quarterback since the start of the 2013 season, missing only the Noles' overtime win this year against Clemson due to a suspension.

27 - **Florida State** has won 27 consecutive games, the nation's longest current winning streak and the 17th-longest of all time. The streak is also the ACC's longest winning streak, breaking a mark set by the Seminoles during the 1999 and 2000 seasons. FSU has also won 23 consecutive ACC games, dating back to a 17-16 loss at NC State in 2012.

30.0 - The number of career sacks for Clemson All-American **DE Vic Beasley**. He leads the nation among all active FBS players in career QB sacks, and, after recording one against Georgia State last week, he is tied for 10th nationally this year, averaging 0.81 per game. Beasley is tied with Wake Forest's Mike McCrary for 8th place on the all-time ACC sack list.

56 - The number of victories to which Florida State head coach **Jimbo Fisher** has led the Seminoles now in his fifth season as head coach in Tallahassee. His winning percentage of .848 is the best of any ACC coach with three or more seasons.

96.2 - The per-game rushing average for Boston College **QB Tyler Murphy**. Murphy needs just three yards to break the ACC single-season mark of rushing yardage for a quarterback (1,061 yards) set in 2001 by Clemson's Woodrow Dantzler. Murphy leads all quarterbacks in the FBS in total rushing yards with 1,059.

107.0 - In his last three games, Miami **TE Clive Walford** has averaged 107 receiving yards per game. During that time, Walford, who is one of two ACC players

named semifinalists for the John Mackey Award, is averaging 18.8 yards a catch on 17 receptions.

138.8 - Since returning to action from a preseason injury, Louisville **WR DeVante Parker** has topped 100 yards in receiving in three of his four games and is averaging 138.8 yards per game while also averaging 7.3 catches per game. Despite playing only four games, Parker leads Louisville in receiving yardage (555).

161.22 - The pass efficiency rating for Georgia Tech **QB Justin Thomas**. Thomas would lead the ACC and rank sixth nationally if he had enough attempts to qualify. With 827 rushing yards, he also ranks fourth in the ACC in rushing.

268 - The number of career receptions for Duke senior **WR Jamison Crowder**. Crowder is in second place on the ACC career receptions list and now trails only former Duke standout Conner Vernon (283, 2009-12).

362.2 - North Carolina **QB Marquise Williams** is second in the ACC in total offense this week by just three-tenths of a yard per game to FSU Jameis Winston. The Charlotte, N.C., native has been impressive in his last six games. During that time, Williams has averaged 362.2 yards per game of total offense with 21 TDR.

1,077 - The number of pass receiving yards Pitt sophomore **Tyler Boyd** has this season. Boyd becomes the first receiver in ACC history to top 1,000 receiving yards in each of his freshmen and sophomore seasons. Boyd had 1,174 yards last year as a true freshman. Only one other ACC freshman--Clemson's Sammy Watkins--has ever had a 1,000-yard receiving season as a first-year player.

3,613 - The number of career pass receiving yards for Florida State senior **WR Rashad Greene**. With 106 yards against Boston College, Greene became Florida State's all-time leader in career receiving yards passing Peter Warrick for the school record and second place on the ACC's career list. He now needs 137 yards to break the ACC career mark of 3,749 yards set by former Duke standout Conner Vernon.

NC STATE'S BYRD BECOMES 6TH FROM ACC TO BE NOMINATED FOR

THE ORANGE BOWL-FWAA COURAGE AWARD

DALLAS (FWAA) – North Carolina State defensive back **Jarvis Byrd** is the 10th weekly nominee for the 2014 Orange Bowl-FWAA Courage Award. Byrd, a 5-foot-10, 190-pound graduate student, was granted a sixth year of eligibility by the NCAA last spring. Byrd missed all of the 2010 and 2011 seasons with separate anterior cruciate ligament tears and then suffered a third torn ACL in the fifth game of the 2013 season and had to sit out the final seven games. The Pahokee, Florida native started the first five games of 2013 at free safety before the season-ending injury. During the 2014 season, Byrd, 24, has appeared in eight of the Wolfpack's 11 games, registering six tackles (five unassisted) and two pass breakups. He's wearing the No. 1 jersey that Wolfpack coach Dave Doeren gave him before the 2014 season because of his commitment.

The Courage Award was first presented by the FWAA in 2002. A select group of writers from the FWAA vote on the winner each year. The requirements for nomination include displaying courage on or off the field, including overcoming an injury or physical handicap, preventing a disaster or living through hardship. The winner of the award will be included in festivities during Orange Bowl week and receive his trophy at an on-field presentation. Byrd becomes the sixth ACC player to be nominated for the award this year. The 2014 nominees are:

WR Darius Jennings recorded his first career rushing touchdown on a one-yard run in the third quarter, and WR Canaan Severin hauled in a 23-yard touchdown pass from QB Greyson Lambert. PK Ian Frye kicked three field goals to round out a complete Virginia offensive effort. Virginia's defense held Miami RB Duke Johnson to a season-low 88 rushing yards, well shy of his season average of 134.3 yards per game, and snapped the junior standout's six-game streak of rushing for at least 100 yards. The Hurricanes (6-5, 3-4) scored the first touchdown of the game on QB Brad Kaaya's 47-yard strike to WR Phillip Dorsett. But the Cavaliers responded with 30 unanswered points, and Miami did not score again until Hugo Delapenha Jr. returned a blocked punt 13 yards for a touchdown with 1:24 remaining in the game.

Pitt 30, Syracuse 7

Pitt sophomore RB James Conner set a new ACC record with his 22nd rushing touchdown of the season before leaving the game in the second quarter with a right hip injury. Backup RB Chris James ran for a career-high 122 yards, and QB Chad Voytik threw a pair of touchdown passes as Pitt (5-6, 3-4) remained in contention for a post-season bowl bid. WR Tyler Boyd caught seven passes for 126 yards, including a 49-yard catch-and-run score early in the fourth quarter. Defensively, Pitt forced three turnovers (two interceptions and one fumble) to tie a season high. Panthers junior CB Lafayette Pitts picked off a pass in the end zone in the first quarter for the team's first interception since Oct. 4. Sophomore LB Bam Bradley came up with his first career interception in the second quarter to give Pitt multiple interceptions in a game for the first time since its Sept. 5 win at Boston College. Junior DT Ron Thompson tallied Syracuse's only touchdown when he entered the game early in the second half as part of the team's goal-line package. The Southfield, Michigan, product dove into the end zone from 1-yard out on his first career carry to trim the Pitt lead to 17-7 with 11:04 left in the third quarter.

Wake Forest 6, Virginia Tech 3 (2 OT)

PK Mike Weaver kicked a 39-yard field goal in double overtime as the Demon Deacons won a defensive struggle for their first ACC victory under first-year head coach Dave Clawson. Wake Forest (3-8, 1-6) and Virginia Tech (5-6, 2-5) were scoreless after four quarters before each team traded field goals in the first overtime. The Hokies missed a 53-yard field goal in the second overtime, setting up Weaver's game-winner. The Deacons held Virginia Tech to three points, the least amount scored by an opponent since 2008. Wake Forest snapped a five-game losing streak against Virginia Tech, beating the Hokies for the first time since 1983, and the first time at home since 1970. Wake Forest QB John Wolford completed 18 of 32 passes for 160 yards. Cam Serigne had six catches for 74 yards to lead all players. Deacon ILB Marquel Lee had 12 tackles including seven solo stops and 2.5 sacks for 24 yards with a forced fumble. The loss leaves the Hokies needing a win next Friday night against rival Virginia to become bowl eligible for the 22nd straight season. Virginia Tech held Wake Forest to just 234 yards, but the Hokies' offense struggled to get anything going against the Deacons' defense, only getting into the red zone once – in the first overtime after taking over at the 25-yard line.

#24 /-/- Louisville 31, Notre Dame 28

Freshman QB Reggie Bonnafon ran for a pair of touchdowns and threw a 21-yard scoring pass to WR DeVante Parker as the Cardinals (8-3) won on the road at South Bend in the first-ever meeting between the programs. RB Brandon Radcliff rushed for a game-high 136 yards -- 127 in the second half -- as Louisville amassed 229 yards rushing while holding the Fighting Irish (7-4) to 99 yards on the ground. Notre Dame QB Everett Golson was 16-of-24 passing for 236 yards and two touchdowns and drove Irish within range of a game-tying field goal in the game's final minute. But Notre Dame PK Kyle Brindza missed on a 32-yard attempt, and the Cardinals held on. The victory gave Louisville a chance to post double-digit wins for a third straight season if it wins next weekend's regular-season finale against rival Kentucky and is victorious in its postseason bowl game.

#22/-/- Clemson 28, Georgia State 0

Saturday's win marked the eighth straight at home for the Tigers to (8-3). Clemson recorded its second shutout of the season, the first time since 1998 that the Tigers have had multiple shutouts in one year. RB Tyshon Dye was the star on offense, scoring twice and rushing for 124 yards, the most by a Clemson running back this season. RB D.J. Howard had 43 yards on eight carries, and Wayne Gallman added 30 rushing yards and a touchdown. On the other side of the ball, Clemson's defense limited Georgia State (1-10) to 155 total yards, including just 40 rushing yards. The Tigers came away with three turnovers, with interceptions by S Korrin Wiggins, S Jayron Kearse and CB Garry Peters -- all of which ended potential Georgia State scoring drives. DE Vic Beasley, a Lombardi Award finalist, recorded his ninth sack of the year in the third quarter to extend his career total to 30.

Clemson's Swinney, Georgia Tech's Johnson In Good Company As ACC Head Coaches

After their first six seasons at Clemson and Georgia Tech, head coaches **Dabo Swinney** and **Paul Johnson** have recorded excellent numbers. Only five other coaches in league history have had a better winning percentage after six seasons than Swinney (.689) and only three have won more games. Only seven other coaches in league history have won more games (47) than has Johnson after his first six seasons in the league and he ranks 14th in winning percentage.

Home Sweet Home for Noles' Fisher, Tigers' Swinney

Florida State head coach **Jimbo Fisher** and Clemson head coach **Dabo Swinney** have both enjoyed coaching in the cozy and imposing confines of the Seminoles' Doak Campbell Stadium and the Tigers' Memorial Stadium, also known

as Death Valley. Now, in his fifth season as head coach of the Seminoles, Fisher's teams have won 17 of 19 ACC games at home, a winning percentage of .895, the best by any ACC coach with a minimum of four years on the job. Swinney, whose teams have won 23 of the first 26 home ACC games, a winning percentage of .885, which is third-best among ACC coaches trails only former Tiger coach Ken Hatfield, who posted a 12-1-1 mark in four seasons (.893) and Fisher. They are both just ahead of legendary FSU coach Bobby Bowden, who also won more ACC home games than any other coach, with 62 triumphs in his 18 years in the league.

Program Builder Clawson Begins New Era at Wake Forest

Wake Forest new head coach Dave Clawson is in his first year as the Demon Deacons' head coach, but he is no rookie leading a program. Clawson, now in his 15th season as a head coach, has already re-built three football programs. He ranks fourth in years of experience among head coaches in the ACC, behind only Frank Beamer (34) and Paul Johnson (18). His overall, 92-84-1 (.523) record is more impressive when you take into account that he had to rebuild programs at Fordham, Richmond and Bowling Green, where his combined mark in his final three seasons (nine years total) at each stop was 75-37, a .670 winning percentage.

Duke Experiencing Success Under National and ACC Coach of the Year David Cutcliffe

David Cutcliffe, the ACC's 2012 and 2013 Coach of the Year, has led the Blue Devils to 39 victories since coming to Durham in 2008. That may not sound like a great record, except when you consider that it is more wins than the Blue Devils totalled in the 15 seasons before Cutcliffe came to Durham.

■ Duke's 2014 team is 8-3, and will be going to its third straight bowl game for the first time in school history. The Blue Devils have won 16 of their last 21 games.

■ Duke's 2013 team had 10 wins, the most in school history. Duke was Coastal Division champions for the first time since the ACC went to Divisional play in 2005 and the Blue Devils went to back-to-back bowl games for the first time in school history, dropping a last-second contest (52-48) to Texas A&M in the Chick-fil-A Bowl.

■ Duke made its first appearance in the BCS Standings on Nov. 25, 2013, getting ranked 24th. They also appeared in the inaugural College Football Playoff Committee Rankings on Oct. 28 at No. 24.

■ In the five-plus years that Cutcliffe has been in Durham, he has mentored a pair of quarterbacks who finished their careers ranked in the ACC's top seven of career passing yardage. **Thaddeus Lewis** (2006-09) threw for 10,065 yards, the second-highest total in league history and **Sean Renfree** (2009-12), threw for 9,465 career yards, the 7th-best total by an ACC player.

■ Also, under his guidance, the Blue Devils have produced three of the top nine career receivers in league history in record holder Conner Vernon (283), 2nd-place Jamison Crowder (268) and ninth-place Donovan Varner (207).

■ Cutcliffe was honored in 2013 by being named National Coach of the Year by five different outlets--the American Football Coaches Association (AFCA), The Maxwell Football Club, The Bobby Dodd Foundation, the Walter Camp Foundation and The Sporting News (Co-Coach of the Year).

Under Steve Addazio Boston College Becomes One of the Top Five Most Improved Teams

Under head coach **Steve Addazio**, Boston College in 2013 became on the nation's most improved football teams. Inheriting a program which had posted a 6-18 record over the past two seasons, including a 2-10 mark in 2012, Addazio led the Eagles to a 7-6 record and into the Independence Bowl in his first season on The Heights.

Addazio's physical style of football and a veteran offensive line allowed TB Andre Williams to set ACC single-game, multi game and single-season rushing records and to win the Doak Walker Award as the nation's top running back. Williams became the first running back in ACC history to top 2,000 rushing yards in a season (2,177).

The four-and-a-half win improvement from 2012 was the fifth-best turnaround in the FBS last year, bettered only by Auburn (8), Missouri (6) and Michigan State and UNLV (5 each).

UNC Has An Offensive and Special Teams Mindset Under Larry Fedora

North Carolina Head Coach **Larry Fedora's**

fast-paced offense had his team scoring at a school-record pace in his first year in Chapel Hill. UNC ranked 8th nationally in scoring offense in 2012, averaging 40.6 points a game while also ranked 14th nationally in total offense,

■ Now in his third season as head coach at UNC, North Carolina has topped the 40-point mark 15 times and bettered 30 points 24 times in 36 games. His Tar Heel teams have averaged 36.6 points per game. In the previous 13 seasons before Fedora came to Chapel Hill, UNC had averaged just 23.3 points per game, a 14-point difference.

■ Also, in his first two-plus seasons, UNC has averaged 451.6 yards per game of total offense. That compares with the previous 13 seasons when the Tar Heels averaged just 349.25 yards per game of offense.

■ Fedora's first two Tar Heel teams both bettered the previous school mark for scoring. UNC scored a school-record 487 points in 2012 and tallied 425 points in 2013. Previously, the school had only topped 400 points once (1993) in its history when it scored 421 points.

■ Fedora's 2013 team set a school record for most touchdowns by returns with eight, including five by punt return, two by kickoff return and one interception runback.

■ Now in his third season in Chapel Hill, Fedora's teams have had 15 returns for touchdowns including eight by punt return and three by kickoff return.

■ In 2012 and 2013 UNC returned 65 punts, averaging 16.0 per return. As a freshman in 2013, Ryan Switzer tied an NCAA FBS single-season record and set an ACC standard when he returned five punts for scores last year.

■ Now in his third season at Chapel Hill, UNC has scored 60 or more points three times, including an 80-point outburst against Old Dominion.

■ By posting records of 8-4 and 7-6 in his two years in Chapel Hill, he becomes the first UNC coach since Ray Wolf in 1936-37 to post winning records in each of his first two seasons.

Florida State Has Nation's Longest Current Win Streak

Florida State has the nation's longest current winning streak of 27 games which began in the 2012 ACC Championship. This streak is the longest in ACC history surpassing FSU's previous mark of 17 set during the 1999-2000 seasons and is the 17th-longest win streak nationally. With a win over Florida this week, FSU would tie Alabama, Oklahoma and Michigan State for the 14th longest streak in NCAA history.

Current ACC members Miami and Pitt both had longer winning streaks before they joined the Conference. Miami, in fact, had two separate, longer streaks. The Canes won 34 straight games from 2000-03, which ties for the sixth-longest winning streak. Miami also won 29 straight games from 1990 through 1993, which ties for the 12th-longest winning streak.

ACC 2014 Football Championship Game Legends Class

Legendary Virginia Coach George Welsh; National Football Foundation College Hall of Famers Derrick Brooks, Hugh Green and Art Monk Headline 2014 Class

Led by three members of the National Football Foundation and College Hall of Fame, two members of the Pro Football Hall of Fame and one of the most successful coaches in Atlantic Coast Conference history, the ACC announced the 2014 Class of Legends for its 10th Annual Dr Pepper Football Championship Game, which will be played in Charlotte, N.C. on December 6. Leading this year's class are former Virginia and Navy head coach George Welsh (Coaldale Pa.), Florida State's two-time consensus All-American linebacker Derrick Brooks (Pensacola, Fla.), four-time Pitt All-American defensive end Hugh Green (Natchez, Miss.), and Syracuse All-American wide receiver Art Monk (White Plains, N.Y.).

Welsh finished his coaching career as the winningest coach in league history, compiling a 189-132-4 record which included reclamation projects at the U.S. Naval Academy and at Virginia. In his near two-decade stint in Charlottesville, Welsh, a 2004 inductee into the College Hall of Fame, built the Cavaliers into one of the nation's premier football programs, winning seven or more games for 13 consecutive seasons. Brooks, a 2014 inductee into the Pro Football Hall of Fame, is considered one of the greatest players in college and professional football history. The 1993 ACC Defensive Player of the Year, he was named to the NFL's Pro Bowl an astounding 11 times and led FSU to a national championship and Tampa Bay to the NFL title. Green, a 1996 inductee into the National Football Foundation and College Hall of Fame, is also considered by many to be one of the greatest collegiate players in history. He was a three-time consensus All-American and earned All-America honors in all four of his collegiate seasons for the Panthers. Monk is one of the few players to earn selection to both the College Football Hall of Fame (2012) and the Pro Football Hall of Fame (2008). He ended his 15-year professional career as the first wide receiver in NFL history to top 900 receptions, finishing with 940 career catches.

The group of 14 former gridiron standouts from current ACC schools includes a former ACC Football Player of the Year, an ACC Defensive Player of the Year, 12 former All-Americans, including 10 first-team and six consensus All-American honorees, and 12 players who combined for 118 years in the National Football League.

Joining Welsh, Brooks, Green and Monk are Boston College offensive lineman Chris Snee (Montrose, Pa.), who earned second-team All-America honors (AP) as a senior at guard; Clemson cornerback Donnell Woolford (Fayetteville, N.C.), a consensus All-America and key defensive figure for the Danny Ford-coached Tiger teams in the late 1980s; Duke wide receiver Chris Castor (Cary, N.C.), the first wide receiver to earn Player of the Year honors in ACC history; Georgia Tech offensive lineman John Davis (Ellijay, Ga.), who earned first-team All-America honors as a tackle and as a center for the Yellow Jackets; and Louisville cornerback Frank Minnifield (Lexington, Ky.), who led the nation in kickoff returns and was an excellent cover cornerback for the Cardinals.

Completing the ACC Football Legends Class of 2014 are Miami's Darrin Smith (Miami, Fla.), one of one-third of the famed Hurricane linebacker trio dubbed the "Bermuda Triangle" that helped lead "the U" to a pair of national championships in 1989 and 1991; North Carolina defensive end Greg Ellis (Wendell, N.C.), a two-time All-American who earned consensus All-America honors in 1997 playing for the Mack Brown-coached Tar Heel teams of the mid-1990s; NC State safety Jesse Campbell (Vanceboro, N.C.), a three-time All-ACC and two-time All-America defensive back for Coach Dick Sheridan's teams of the 1980s and 90s; Virginia Tech center Jake Grove (Forest, Va.), a unanimous first-team All-America in 2003 who was the winner of the Rimington Trophy, given annually to the nation's top pivotman; and Wake Forest running back Alan White (Elm City, N.C.), the runner-up for 1961 ACC Player of the Year who led the conference in rushing that year and went on to an award-winning career in athletic administration as director of athletics at Elon University.

ACC Divisional Tiebreaker

If more than one team in the same division is tied for the best winning percentage in its Conference games, the procedures listed below will be followed to determine the division's representative in the ACC Championship Game:

Two-Team Tie:

1. Head-to-head competition between the two tied teams.
2. Win percentage of the tied teams within the division.
3. Head-to-head competition versus the team within the division with the best overall win percentage. (Divisional and non-divisional) and proceeding through the division. Multiple ties within the division will be broken from first-to-last using the league's tiebreaking procedures.
4. Overall win percentage versus all common non-divisional opponents.
5. Combined win percentage vs. all non-divisional opponents.
6. Win percentage versus common non-divisional opponents based on their order of finish (overall conference win percentage) and proceeding through other common non-divisional teams based upon their divisional order of finish.
7. The tied team with the higher ranking by the College Football Playoff Selection Committee following the conclusion of regular season games. (If both tied teams are not ranked in the ranking by the College Football Playoff Selection Committee, the higher ranked team in the Amway Coaches Poll (including others receiving votes).
8. The representative shall be chosen by a draw. (as administered by the Commissioner or the Commissioner's designee.)

Three-Team (or More) Team Tie

(Once a team is eliminated from the tie, the tie-breaker procedures restart for the remaining teams. If the three (or more) team tie can be reduced to two teams, the two-team tiebreaker format will then be applied.)

1. Combined head-to-head win percentage among the tied teams.
2. Win percentage of the tied teams within the division.
3. Head-to-head competition versus the team within the division with the best overall (divisional and non-divisional) Conference win percentage, and proceeding through the division. Multiple ties within the division will be broken first to last, using the league's tie-breaker policies.
4. Combined win percentage versus all common non-divisional opponents.
5. Overall win percentage versus non-divisional opponents.
6. Win percentage versus common non-divisional opponents based upon their order of finish (overall win percentage) and proceeding through other common non-divisional opponents based upon their divisional order of finish.
7. The tied team with the highest ranking by the College Football Playoff Selection Committee following the conclusion of regular season games, unless the second of the tied teams is ranked within five or fewer places of the highest ranked tied team. In this case, the two-team tiebreaker procedure shall be applied between the top two ranked tied teams. If none of the tied teams are ranked in the rankings of the College Football Playoff Committee, the higher ranked team in the officially released Amway Coaches poll (including others receiving votes), following the conclusion of regular season games, unless the second of the tied teams is within five or fewer places of the highest ranked team. (For the sake of clarity, the team receiving the second-most votes but not ranked in the Top 25 would be ranked 27th.) In this case the two-team tiebreaker procedure shall be applied between the top ranked tied teams.
8. The representative shall be chosen by a draw as administered by the Commissioner or the Commissioner's designee.

The College Football Playoff; ACC Bowl Lineup

COLLEGE FOOTBALL PLAYOFF

Beginning with the 2014-15 season, college football enters a new era when a postseason playoff will begin. The format includes the top four teams, two semifinals played in bowl games, and a national championship game played in a different city each year. Each semifinal will be played during the New Year's holiday with the national championship game in prime time on a Monday night at least a week later.

A selection committee will choose the four teams for the playoff based on their performance during the regular season, including, strength of schedule, head-to-head results, championships won, and other factors. The teams will be seeded so that #1 will play #4 in one semifinal and #2 will meet #3 in the other, with the winners advancing to the national championship game. The selection committee will announce its rankings each week on Tuesdays beginning on Oct. 28. The final rankings, though, will be announced on Sunday, Dec. 7.

The semifinals will rotate among six different bowls: the Chick-fil-A Peach, Cotton, Fiesta and Capital One Orange Bowls; the Rose Bowl presented by Northwestern Mutual and the Sugar Bowl. In the years when the bowls are not hosting semifinals, the bowls will feature eight other teams in four compelling matchups.

ACC Bowl Quick Selection Order

(The ACC is in the first year of six-year contracts with its current bowl partners. The current College Football Playoff format is a 12-year agreement)

College Football Playoff (four teams)

If the ACC Champion is not in one of the semifinal games it will appear in the Capital One Orange Bowl, or, if the Capital One Orange Bowl is a semifinal or national championship site, one of the Playoff "host" bowls, either the Fiesta of Chick-fil-A Peach.

There is no limit on how many teams the College Football Playoff may choose from a particular conference.

Capital One Orange

Opponent will be a team from the SEC, Big Ten or Notre Dame. If ACC Champion is in the College Football Playoff, a second ACC team will take its place in the Orange Bowl.

Buffalo Wild Wings Citrus

Only if the ACC opponent in the Orange Bowl, in a non-semifinal year, is a team from the Big Ten, which can occur a maximum of three times in six years.

Russell Athletic

Tier One Bowls

All have equal selection status

Belk /Hyundai Sun/New Era Pinstripe/Franklin American Mortgage Music City or Taxslayer

Tier Two Bowls

Military Bowl Presented by Northrop Grumman
Duck Commander Independence
Quick Lane Bowl

Bitcoin St. Petersburg

After the 2014 and 2016 seasons; all others as conditional selection if not filled by Conference USA or American Athletic.

Birmingham

Conditional all years if not filled by SEC or American Athletic Conference

The One-Win Rule Applies Only to Notre Dame

The ACC's bowl selection will no longer be bound by the rigidity of a "one-win rule" but will have a general list of criteria to emphasize regionality and quality matchups on the field. A one-win rule does apply to Notre Dame's participation in the ACC Bowl structure. Notre Dame is now eligible for ACC Bowl selection beginning with the Capital One Bowl and continuing through the league's bowl selections. However, Notre Dame must be within one win of the ACC available team which has the best overall record, in order to be chosen. In other words, if an ACC team was 9-3, a 7-5 Notre Dame team could not be chosen in its place. Notre Dame would have to be 8-4 to be chosen over a 9-3 league team.

ACC Bowl Expenses And Revenue

The Atlantic Coast Conference shares all bowl revenues. Each school is provided an initial expense allotment. The Conference will share in the cost of unsold tickets for participating bowl institutions. After all bowl expense allotments and ticket reimbursements are subtracted from the total bowl revenue, the remaining revenue is distributed evenly among the ACC schools.
