**BYU 38, VIRGINIA 35 (1-OT)  
SCOTT STADIUM  
SEPT. 2, 2000**

**COACHES' QUOTES**

***BYU HEAD COACH Lavell Edwards:***

"I was getting a little bit frustrated at halftime. We got off to a sluggish start. I don't know what it was. Maybe it was the two trips east. It was like we were running in sand. We got beat on a couple of cutback runs. We were out of position."

"We were moving the ball [in the first half], but we kept making mistakes. I felt that if we could just settle down we would be all right."

"The defense really game back in the second half. Virginia scored on a long run and after an interception, but other than that the defense played pretty well."

"Our ability to run the ball was very important, and we pass protected pretty well all day. This line is going to be pretty good."

***BYU QUARTERBACK Bret Engemann:***

"We drove the ball in the first half, but we didn't finish the drive. We cleaned things up in the second half and executed like we knew we could."

"I have to give credit to the line today. They gave me all kinds of time and opened up huge holes. They won the game today."

"They tried to stop us from going deep, so we threw underneath and kept chipping away and chipping away. Then they brought their safeties up some, and that's when we went deep. All that underneath throwing allowed us to go deep."

## COACHES' QUOTES--page two

### ***VIRGINIA HEAD COACH George Welsh:***

"The last thing I said to them this morning after the pregame meal was no matter what happens in the first quarter and first half it is a 60-minute game. Sometimes things go right for us. Sometimes they don't go right. But you have to play for 60 minutes. BYU has been a good second half team. They've come from behind before. I don't know if we helped them or not."

"The intensity level did not seem to be the same in the second half. We didn't play as hard. We didn't play well on either side the ball. We let them back in the game too quickly. It went from 21-0 to 21-14 quick."

"There is a strong argument for punting there [when UVa went for it on Fourth-and-One from the 49 yard line with 4:48 remaining]. I put the defense in a bad position at the end by doing that. If we make it, we probably win because the clock goes down at least another 2:30. But I probably shouldn't have done it. It was a mistake. We should have punted and put the ball in between the five and ten and make them go 90 yards."

"I am always concerned about a passing team like that, but they didn't spread us out too much. They kept two backs around the ball, just like they did against Florida State. They got too many easy five yarders and I'm not sure why. ... We are a zone football team for the most part. Maybe we need to evaluate that. It is pretty hard to play zone unless you get a good pass rush. We did alright in the first half. Maybe their plays were different in the way they picked on us" in the second half.

*On Lavell Edwards--* "He has done college football a service. He's been an outstanding contributor to ... opening up and throwing the ball. He has conducted himself and his teams have played so hard for so long he deserves all the accolades he gets."

**POSTGAME COACHES' COMMENTS  
VIRGINIA 34, RICHMOND 6  
SCOTT STADIUM  
SEPT. 9, 2000**

***RICHMOND HEAD COACH JIM REID:***

"When we ran the offense the way it's supposed to be run, we were able to move the ball. Of course, you have to put into that equation that Virginia knew it had the game won. But there are definitely some positives we can take away from that second half. Virginia has some very fine athletes and we were able to move the ball on them."

"It was the type of game where it would have been very easy for our players to lay down and die, but they didn't do that."

"We're not going to throw the ball down the field. That's not what we do."

"As bad as we were, we held the ball 32:55. We needed to control the ball in the first half, but let's face it, Virginia didn't let us do that."

"You saw a couple of those long plays. We missed tackles. We missed two sacks, and one went for a touchdown."

[On Dan Ellis] We had our arms around him twice and he shook us off and made big plays. I couldn't believe it."

[On Fulton's fumble on Richmond's first play from scrimmage] I can't tell you the feeling I had in my stomach when I saw the ball on the ground. It was deja vu."

**POSTGAME COACHES' COMMENTS  
VIRGINIA 34, RICHMOND 6  
SCOTT STADIUM  
SEPT. 9, 2000**

***VIRGINIA HEAD COACH GEORGE WELSH:***

"We thought we would throw the ball first and I was hoping somewhere along the way we would be able to run it, but we couldn't. I didn't like our offense in the second half. We're going to half to take a look at that. When you get to 34 [points] all you need to do is get one more [score] and then you can put the backups in, but we couldn't do it. I hope Richmond is not that good. If they are, I give them credit. If they aren't, we are going to have trouble along the way in the ACC."

"We did a real good job on defense in the first half. We shut down that offense pretty well. I don't know if they were doing something different in the second half. ... I wanted to get the ball back and make three first downs in a row [in the fourth quarter]. I'm leery. I don't care who we are playing anymore. I'm leery about changing momentum."

"I think we responded alright from the loss last week. We put that behind us. We concentrated and we did a good job on the wishbone. I don't know what they call that offense anymore. It is not easy to prepare for. I'm telling you, if you haven't seen it in years -- and nobody on this team has seen it, except on tape -- it's so hard.

***On the play of QB Dan Ellis (19-28, 299, 1 TD):***

"He threw the ball well, but not all the time. We had a couple of drops. We just weren't quite in sync, but when you get 27 [points] in the first half, you have to take it. We are going to go a couple more weeks [before choosing a backup quarterback]. Then we may have to decide. You never know when somebody will have to go in and we want to get them a little more work."

## COMMENTS FROM VIRGINIA HEAD COACH GEORGE WELSH

"We played hard. But the thing we said from the beginning was, 'Don't let them run the ball especially with the quarterback.' The other guys can make six or seven [yards] here and there, but it is Dantzler who has been making the long runs."

"We thought we had enough people around the ball to stop him when he ran it. I don't know if we missed tackles or what happened, but once he hit the secondary, I knew we were in trouble because it is in the open field and you have cornerbacks spread out on the boundaries and it is hard to converge on him. You have to stop him in the box for four or five yards. They have receivers running down the field in front of safeties. That's the beauty of that offense right now that makes it so hard to stop. We have a couple of receivers down the field on corner[backs] but we can't get them on safeties. They run all of those other guys out and cut [Virginia defenders]. We worked hard on stopping him. He is a single-wing tailback now. That offense helps him because they've tailor things for him. They spread you out and nickle and dime you with passes."

"We ran the ball decently against a real good defensive team, but we didn't throw and catch well. It wasn't necessarily the pass protection. They did a good job covering our receivers and they knocked balls down."

"A lot of times we had first downs taken away. Penalties hurt our momentum a lot. That's part of the game."

"Our special teams were not good with the exception of kickoff returns. We are spending more time in meeting, more time doing it, so we need better results. We can't allow punt returns for touch-downs and we can't have 10 yard punts."

## COMMENTS FROM CLEMSON HEAD COACH TOMMY BOWDEN

“The biggest concern was that they would be well prepared and well motivated. I think we probably have the better team, but I don’t think Virginia ever gave up. They fought down to the wire.”

“To get where we want to go, that is going to have to happen [dealing with adversity]. You have to not panic and remain calm when you turn the ball over and have some composure on the road. It shows maturity.”

*On the play of the Clemson defense:*

“They had a four yard drive for a touchdown and shut them out in the second half. On offense, we can eventually hit the home run if we can get to the plate. And when the defense plays like that, we’re going to get up to the plate. Then you’ve got to be careful how you defend us with what Woody can do running and throwing. ... Being that we weren’t down 21-0, you don’t have to alter the game plan and get too risky on offense. It gives you a whole bunch of flexibility and freedom in play calling when [the defense] plays like they did. It was a key today and it will continue to be a key.”

*Comparing QB Woodrow Dantzler to Virginia Tech QB Michael Vick:*

“Michael Vick can eat pancakes off of Woody’s head. [Dantzler] is not as big, not as fast and not as quick. Other than that they look a lot alike. He is just as productive, probably more productive because we feature him. [Virginia Tech] runs [Vick] more out of the I-formation. But somebody needs to start paying attention to what is being done because ... this guy is performing at a higher level.”

*On the use of “trick plays”:*

“They are part of the offense until we can physically dominate or at least be more physical with people. When we can get more physical up front, get bigger leads we won’t have to resort to the tricks, but right now trickery, deceit and deception are going to have to be a big part of the offense.”

## VIRGINIA VS. MARYLAND POST-GAME NOTES

\* With today's win Virginia has won nine consecutive games against Maryland, the longest streak in series history. The Cavaliers have also won four straight games against Maryland in Charlottesville, which is also a series high.

\* Antwoine Womack's 133 yards rushing today move him into 21st place on Virginia's all-time rushing list. Womack has 1,562 yards for his career and trails David Sloan by five yards for 20th place on the all-time rushing list.

\* Tyree Foreman's three first-half touchdowns were the most in one half for a Cavalier rusher since Tiki Barber had three touchdowns against Texas in 1996.

\* Womack's third-quarter fumble was the first fumble that Virginia has lost on the season.

\* David Greene's 48-yard field goal ties for his longest of the year and the longest of his career. Greene also had a 48-yard field goal against Duke on September 16.

\* After scoring just 35 points in the first quarter the last eight times out against Maryland, Virginia scored 21 points in today's first quarter. By scoring the game's first 21 points, the Cavaliers have scored at least 21 consecutive points for the fifth time in their current nine-game winning streak over the Terrapins.

**COACHES' COMMENTS**  
**OCTOBER 7, 2000**  
**VIRGINIA 31, MARYLAND 23**

**(George Welsh)**

*On runs by Tyree Foreman on UVa's final drive:*

I thought we were going to have to throw. You have to give the offensive line a lot of credit, plus the backs made good cuts and got extra yards.

*On the play of UVa's defense, holding RB Lamont Jordan to 76 yards:*

The defensive linemen up front did a good job. He did not have a lot of running room. He is really dangerous when he gets a big hole at the line of scrimmage and he gets into the linebackers and beyond. That is when he's at his best. Our defense did a great job containing him.

*On the offensive play selection in the second half:*

I think running was the thing to do -- let the clock run down as much as we can.

*On the play of UVa's defense overall:*

The defense has gotten better and I thought they showed a lot of character and a lot of heart today.

*On the quarterback situation:*

We are at our best when the offense is running and throwing. Obviously Ellis is our best passert and we would like to have him back. If not, we'll win with somebody else. Either one of them [Spinner or Schaub] would play better if we had to go with them in two weeks.

*On injuries on the offensive line:*

We've had to juggle the offensive line since we lost [Jared] Woodson and Jay Green. We had to take Kevin Bailey and move him to center. Things weren't going too well. We did not have a good week of practice on offense. I was surprised we got out to such a good start. But we need our passing game. These offensive linemen need a rest. I am going to give them a lot of rest this week. We are only going to hit one day next week, two at the most.

**(Ron Vanderlinden)**

We played poorly, particularly on defense, in the first half. We didn't tackle. We had a couple of drops on offense that kept points off the board in the first half. In the second half, we came out and battled. I was proud of our character to get back into that game. It helped us, obviously with Ellis going out.

We forced two critical turnovers, where we've got to get points. We could have put ourselves right back into the game if we capitalize on those two turnovers and we didn't get any points on those. When we had the momentum at the end, I saw this script being written in reverse of what happened a year ago. I'm darned disappointed. There is no consolation in this at all.

Them losing Ellis hurt them a good bit. It shows you the value of a good quarterback. We completely shut them down after he went out. The value of a good, experienced quarterback is so great in this game at all levels. It really gave us a chance to get back into the game.

They were stunting [on defense] all day. They just kept on coming and we were outnumbered.

## COACHES' COMMENTS

### Virginia 17 North Carolina 6

#### ***UVa Head Coach George Welsh:***

I thought that was a courageous game by our defense. It was one of the most courageous I've ever seen -- not one of the best, but when they had to make a play, they made it. They've learned that you just play one game at a time and you hang in there. They didn't give up any easy ones. The offense didn't help a bit in the first half, other than the touchdown. ... It is a confidence builder, especially for the defense. I keep saying, 'The defense is getting better.'

Getting our hands on two field goals made a difference -- a huge difference. In that last drive, they are looking at two scores, not one.

They have a good pass rush. That's why they lead the ACC in sacks. It is not that they are blitzing. [Julius] Peppers is a load. He is a heck of a player and we had trouble with him.

When you rush four guys against Curry and you don't have at least one great rusher up the middle and one at the end, he's tough. He makes plays rolling out of the pocket and just dumping the ball. He's got a great sixth sense doing that. It is better to keep him in the pocket, actually. ... The defensive secondary has to stay in position. They couldn't be chasing people all over the place. That's how he's made ten big plays in the last three weeks. I think we did a heck of a job. He made some plays, but they weren't fifty yard touchdown passes.

*On 10 consecutive wins at home vs. North Carolina*

It's like (*Richmond Times-Dispatch* writer) Jerry Lindquist used to say. All of the bad things happen against Clemson and all of the good things happen against Carolina.

#### ***UNC Head Coach Carl Torbush:***

Another tough loss. In the key situations, defensively [Virginia] was able to make the key plays on third downs to keep us from moving the ball consistently. Their offense was able to make some key plays when they needed to make them to get the ball down the field. They made the plays, but at the same time, we did not.

Anytime you can hold Virginia to [227] total yards, you think you would win the ballgame. We didn't. I thought we put pressure on Ellis.

I thought we learned how to win after the Marshall game, but over the last four weeks, we just have not pulled it off when we had chances late in the game. I still think we have a chance to be a good football team. But to be a good football team, you have to win games. It is not time for anybody on this football team to start feeling sorry for themselves.

They put good pressure on us. They were bringing five or six guys quite often. They did a good job mixing the coverages up. We felt like it was a game where Alge Crumpler could be effective and he was at times. Two or three times I thought we had the chance to make the catch and break some big ones -- if we made the catch.

I thought we should have been up at halftime by at least seven points and maybe more if we made some key plays. I thought we came out in the second half and responded well.

***UVa Head Coach George Welsh:***

We thought that we could run the ball on them with three or four power plays, but, boy, the way they played us, they had one safety at linebacker depth and as soon as the ball was snapped, the other safety was coming. They had nine guys in there sometimes, and that makes it hard to run. The safeties were making hits two yards beyond the line of scrimmage when we tried to run, so we had to throw the ball.

We worked really hard to take away their screen plays, and I think we did a pretty good job doing that. We didn't want Koren Robinson to beat us, but he almost did. We probably made a mistake kicking off to him all of those times. We just played our defense and we tried not to show our coverage so soon -- until at least the ball was snapped. We didn't want them to beat us with screens and middle ducks, so we worked hard on stopping those.

I thought [Bryson Spinner] did a very good job. He ran the team well. He threw the ball well. He was right on the money when he had to be. He is an outside threat for us. He played with a lot of poise. ... It is nice to have a quarterback that can get out of trouble on his own and create. That's the big word now -- he can create.

We really knew on Wednesday [that Dan Ellis would not play]. He couldn't even take a snap and drop back. It was pretty evident then. I just didn't want to tell North Carolina State. ... I don't know [if Ellis will play Nov. 25 at Virginia Tech]. He's not ready yet.

I think Tyree [Foreman] has done a great job for us. He makes good cuts. He's smart. I wish we could throw him the ball more because he is a very good receiver, but we don't seem to be able to do that. We'd like to get him in the pass offense more.

I'm not hung up on seven wins, but it would be nice to get it since it is against Tech. I think this team has worked hard. We've had some bad outings, but they've kept the faith and worked hard on the practice field. I think we've shown up on a couple of Saturdays -- a Thursday night, just recently -- and we just weren't in the right frame of mind. I think they deserve to go to a bowl.

***NCSU Head Coach Chuck Amato:***

Virginia showed great character and fought to the very end. That is a tribute to an outstanding coach who has done an unbelievable job here.

Second-string quarterbacks are giving us fits. Two weeks ago at Maryland, a second-string quarterback came in and won the game for them. Spinner did a good job for them today. He made the big plays. He did a great job of scrambling. We've got to learn to contain that type of quarterback so he can't get out of the pocket. It comes back to discipline. We need to do the little things right. Spinner came up with a number of plays that put them in the position to win this football game. ... We were going to come after him, and make him throw the fade and execute. He executed.

We win and we will get a bowl invitation and we may if we don't. But we are going to go out there [vs. Wake Forest on Nov. 25] to do everything we can to win our seventh game.

*On Philip Rivers:* He's a true freshman. He's 18 years old. He's taken a lot of hits this year, a lot. He's tougher than nails. He's a winner. He's the leader of our football team. But we can't just hang our hat on him. He did have some pretty doggone good drives, but we won't be good until we play defense the way defense is meant to be played. When we score, we've got to learn to stop somebody and get the ball back for our offense, and then maybe Philip would have done better. He might have had more at bats -- and there were times his at bats were pretty good. He's done more for this football team in ten games than we ever thought. We tend to forget what his age is. And if you count the number of times he's been hit in the last ten games, you might not even be here writing with that pencil. You'd have a sub in here doing that for you.

Virginia Head Coach George Welsh Post-Game Press Conference

"I was disappointed that we did not win and was disappointed that we didn't play well. That is why we lost. We shot ourselves in the foot too many times. In defense of the team, we did not have finals over until Monday night and we had to get on a plane and 20 hours later we arrived. I think that it was tough. I don't think that we fumbled that much all year. We made a lot of mistakes on offense and gave up too many big plays on defense. That is why you get beat like this."

"I told them last night that I thought we practiced well enough to win, but it has been a long time since we have played all out."

"We did not tackle well in the open field. You have to do that because there are going to be good backs in the open field against you. I thought that we had a chance that when the score was 24-14. It seemed like the momentum changed and then we let them convert a fourth and six and after Womack's fumble it was probably over."

"I don't think that I have ever seen a game when there have been three fumbles returned for touchdowns. We told Dan Ellis a week ago that he was going to be the starter. His hamstring had healed and he got most of the work for us with the first unit. Bryson Spinner had less work than anyone since the season ended because he had a hamstring pull against Virginia Tech and he missed the next two weeks."

"The way that the game started I was pretty encouraged. "

Regarding his final statement to the team: "I just thanked the seniors and told the underclassmen coming back that I thought whoever their coach is, if they work hard they will have a very good chance to be a good football team next season."

"You put a lot into the game. It is the last game of the year and you play your guts out. We started in early August and four months later it is finally over. You would like to go out a winner, but it just did not work out. I think that this team worked hard enough to have won more games. Things just did not go right a couple of weeks."

Georgia head coach Jim Donnan:

"This team has always done a good job of answering the call. They didn't do this for me tonight. They did it for pride and for the University of Georgia. I am very proud of my team.

"This was a great performance by the team. It says a lot to win four straight bowl games. That's really something to be proud of. I am proud to have been their coach."

"Terrence really did a good job for us tonight. We felt like we had some things that would work with him at both receiver and quarterback, so we used them. We needed everything he did for us tonight."

"We knew coming into the game that we needed to protect Cory (Phillips). Virginia commits a lot of people up front. We were able to protect him and that opened some things up."

"Coming in, we wanted to create some turnovers against Virginia. We were able to do that and it turned into some points for us. I thought our defense did a very good job."

#### GEORGIA PLAYER QUOTES

TERRENCE EDWARDS:

"It was a great game, we played a great team in Virginia. We went out and played well for Coach D (Donnan), for ourselves, to prove all the doubters wrong. This game meant a lot to a lot of people. Winning four straight bowl games, four straight 8-win seasons at least, it was a building stone for next year. We're a good football team but some things just didn't go our way, but we played a great game today."

CORY PHILLIPS

"We played great. It's a great coaching staff. It's been a tough situation for everybody but this win puts some positive light to it. We had a good week of preparation we were focused, and we had fun. There was a lot of things we could've gotten caught up in but we just had to go out and execute."

(On Terrence Edwards) He played great, he stepped it up big in every aspect of his game. He is a big-time player."

RICHARD SEYMOUR

"We played all aspects of the game together. We did it for the coaches. I came in here with a win in 1997 and I left with a win in 2000. What we wanted to get done today, we did. We wanted to end with a win, and with everything going on, it was real emotional and this win takes a lot of this pain away."
