CLEMSON V. VIRGINIA

CHARLOTTESVILLE

SEPTEMBER 8 , 1984

worst loss in the clemson-virginia series

COACHES' QUOTES:

CLEMSON COACH DANNY FORD--"First of all, I thought the football team played real well. They had a real hard week of practice and they got a lot done on Monday & Tuesday. (Monday Clemson installs its gameplan and Tuesday is the first hitting day). I thought they could play better than they did last week and they did a pretty good job tonight. The offense's execution was much better and the defense got a shutout, which they try to do as much as they can. The only disappointing thing was in the fourth quarter, when we had some new players in, we didn't have a good drive,--except for the last one. We didn't have one drive that didn't have a penalty in it. I'm excited about how we played. The kicking game was good and the offense and defense played well. Virginia got behind early and I think they got out of their gameplan. We have to get back and get ready to play again, though."

Virginia coach George Welsh--Perry - "What can you say about him that hasn't already been said.

Ferguson - "He was under too much pressure to tell how well he did. I think he held the ball too long a couple of times, but he didn't get any help from the rest of the offense and that was what we were hoping for, especially early."

I was really disappointed in our football team. Something's wrong and we've got to find out before our next game. We've got some good football players but they didn't play well tonight, maybe one or two of them. "

Clemson's speed has always been a problem for us, and we have never been able to tackle them very well.

run

first team playing a lot - "They left them in a long time, but they have next week off. I guess they need some practice."

COACH'S QUOTES----VMI vs. VIRGINIA, September 15, 1984, Scott Stadium

UVa's John Ford set two freshmen records(two touchdown catches and 133 yards) Kevin Ferguson's 273 yards passing is the 6th best UVa figure-----the 89-yard pass from Ferguson to Ford was the fifth longest UVa pass play---Ferguson's 272 yds total offense, 15th best

Ferguson broke sophomore record for pass yardage(273)

University of Virginia coach Geroge Welsh

Psychologically we needed to win that football game more than anything else. We won ;and that's the only thing I was concerned with.

We reduced a lot of things (we did on offense) so Ferguson wouldn't have to do as much. I think he had a real good first half. He was more decisive than last week. Playing some helps. He's improved, but he still misses things. He's getting a little more precise, but we're still not as presise as we were last year at this time.

We made some mistakes that put them back in the game. I was concerned when they were moving the ball on us in the second half and the score was 28-7. If it's 28-]4 you've got a ball game. Then, two scores and a two-pointer beats you.

(VMI's pass defense.) They played us with some cushionss, and that left some big holes over the middle. Then they sat down on our receivers and tried to cover the]2-yard routes. That opened things up long. That pass to Ford helped us a lot.

(running game) We still missed a lot of things. Our running game was good in spots, but we're still not as consistent as we'd like.

VMI Head Coach Bob Thalman:

"I am proud of the way our team played in the second half. This is the second game in a row that we have not played four quarters; we've got to become a 60 minute team."

"The big plays really hurt us in the first half, but we didn't just come out in the second half to play good football, we were coming out to win."

~~We got our offense going in the second half~~

"We got our offense going in the seconf half, and not making that first down at the five hurt our momentum. Time, however was a factor at that point."

"I was very pleased with the way our freshmen played; we brought 14 with us and a lot of them saw considerable playing time. (Eric) Woodhouse and (John) Parrot are really coming."

"We knew that we could not come over here, play ~~just~~ just two good quarters, and expect to win"

VIRGINIA vs. NAVY
Sept. 22, 1984

NAVY HEAD COACH GARY TRANQUILL

"I don't know about Napp..it's his left ankle. He's going to get it X-rayed right now."

"We were flat offensively -- no doubt about it. We didn't sustain anything and we had horrible field position in the first half. We couldn't get anything going... no zip on offense at all. I don't know why -- we practiced well on Tuesday and Wednesday, which are our big work days. I was worried how we would practice -- what with the Carolina victory last Saturday and tests this week -- but I thought we practiced well for the most part."

(on Byrne not playing extensively in the second half): "There was no reason for it."

(on Misch): "I went with him because I thought Bill was a little off. How many did we drop? I thought Bob was throwing all right."

"They are big up front, on both offense and defense. They are so strong physically."

"You just can't turn the ball over like we did. How many times? Five or six! You only get 13 or 14 possessions in a game...you just can't afford to turn it over that often."

"Ferguson is a real good athlete/quarterback. He adds another dimension...he can really hurt you when he gets out of the pocket."

"Petty and Word are both excellent backs -- good, strong, powerful runners. We saw two good ones (Horton & Colton) against Carolina and two real strong ones today."

UVa vs. Navy 9/22/84

Post-Game quotes by UVa head coach, George Welsh:

"I don't know if it was a big win. It was a good win to get, though. I don't think Navy played particularly well. They helped us a little. They had exam week, and I know what it's like in exam week. It's tough to ~~win~~ win when your kids are up half the night. I don't want to take anything away from our players, though, but we stumbled a little. We ~~didn't~~ didn't have a good game out of our passing game. The one thing we stressed with the team this week in practice was to be more aggressive, and I think we got that."

"No, it's not really a special feeling to win at Navy. I've been here for three years, now, and it's a game. It's another game. I wanted to win; don't get me wrong. And to me it was just as important as a conference game."

On the UVa defense:

"I think we bent a little bit. I didn't like some of our pass coverage. In some of our coverages we try to take what they did away, but they ~~did~~ did it anyway. But not giving up a touchdown is good & good defensive effort any day."

On the UVa offense:

"We didn't have a good offensive day. We got some breaks that gave us good field position, we got one run out of Petty, and after that we struggled. But the penalties hurt. That made it hard to have continuity. I don't think I've ever been in a game and seen the flag down so much."

COACHES' QUOTES

BILL DOOLEY, VIRGINIA TECH: "It was a bitter loss for us. I was proud that our team came back in the second half to go up by 10 points. But I was very disappointed that we didn't do what we had to do to hold onto that lead. Maybe we breathed a little easy after we went ahead.

I'll give Virginia credit. They came back and put two touchdowns on the board in the final quarter. They could have quit when we went ahead. But they didn't.

Virginia is a strong football team. The defensive team is very good. I said before the game that the big loss to Clemson was a freakish thing. That wouldn't happen again because Virginia is too strong to lose in that fashion.

Two big pass plays made the ~~win~~ difference. I expected Virginia to throw on the short yardage situation. Maybe I put the whammy on my team by expecting that play. It was a good call and was perfectly executed.

We hurt ourselves early in the game as we have throughout the season. When we jumped offsides on third and short inside the 10, that was a very big play in the ball game. We came away with just three points instead of seven.

It was a hard-fought football game. We just came up on the short end of it. We did a lot of things well today, but we continue to be consistently inconsistent.

It's a real test for our football team to come back from this loss. The schedule certainly gets very ~~more~~ rough in the weeks ahead. People keep talking about our weak schedule. Just look at who we've got to play.

VIRGINIA vs. GEORGIA TECH, coachs quotes--Scott Stadium, October 13, 1984

first Virginia tie since 1977, vpi 14-14; first georgia tech tie since notre dame , 1980

(Uva §§ 76 games without a tie)

BILL CURRY, GEORGIA TECH

"The game went about the way I thought it would. Turnovers would be forced by both sides. I hoped we wouldn't turn the ball over, but we lost our composure a time or two at the end and dropped it. And maybe threw it to the wrong place some. We also made some phenomenal throws and catches, about as good as I've seen under pressure."

"To fight back and tie the game and have a chance to win it--we didn't get it done. We very obviously made a blunder at the end to spoil our last chance, to maybe fair catch the ~~KXXX~~ punt and get something going. We didn't feel like we could afford to rush him (UVA punter), because of the crucial nature of the situation, if we were to rough him or if they were to run a trap play and try to win the game. We decided to play it safe. But there should have been a returner back there. That's my fault, that there wasn't. We had some miscommunication there at the end. Had we had somebody back there. We might have had a chance to get it down. Although I will tell you, we would have been very cautious in that situation. Because we did not want to give this away. As much as wedon't like ties, they are better than losses."

"Our team learned again, in a hostile stadium, infront of a great Æ crowd, to fight back. And I'm proud of that. We've got to learn to finish the job. Three weeks ago we got it done. The last two we haven't."

~~GEORGE~~ GEORGE WELSH, VIRGINIA

(consideration of going for first down on fourth and ~~22~~ 2 from the 2] with 22 seconds left): No, I couldn't do that. 20-some seconds left, if you don't make it, that's a field goal. I'd never go for it in that situation.

(last drive) On the first play we tried to get a 15-yarder and get out of bounds. That corner played it we-1. Hadn't shown that pass all night, but he nearly made an interception.

We missed some things in the running game that weren't real good. That may have cost us. We ran all right in spots, but not enough to sustain a drive.

(Majkowski's play) He did fine, He made a couple of mistakes, but he also made some things on his won. He needs another game to get some more experience.

The team played hard. They almost got knocked out of the game early, but they hung in there. We didn't execute very well on offense or defense ~~somethingx~~ sometimes, but they played hard and that's good.

I heard some players say "Let's get Wakes Forest." That's the right attitude. If you play the game over and over in your mind, that's not good.

NOTE ___ This game marks the first time Virginia has not received a penalty in an entire game since the Navy Contest in 1974.

WAKE FOREST HEAD COACH AL GROH: I don't have a lot of answers tonight. As is usually the case when the other team plays this well, you should ask them the answers. I don't think we had a let down following the North Carolina game. I told our players that I was very pleased with their preparation for this game. The key to the game was our ~~in-~~ ability to get significant yardage ~~and~~ rushing on first down during the first half. They did get their running game going which had us spinning our wheels defensively. I was proud of the job (quarterback) Foy White did tonight, unfortunately we did not give him a lot of help. But, as I told our guys, there is a lot of guys, coaches included, who could see rocks in their locker following tonight's game, but the thing to do is go on from here. Our season's objectives remain the same, and we have to start tomorrow on preparing for the next game. We do ~~seem~~ to have significant ~~in-~~ injuries--there were a lot of guys who started the game but did not finish, and that usually means trouble. We have been lucky this year up to now with injuries, we'll just have to see next week. I thought their pass rush was very good tonight, but I thought we would do a better job of ~~defending~~ with it.

VIRGINIA COACH GEORGE WELSH:

I thought we played ~~very~~ real good defense most of the time. We gave up some long stuff on occasion, but when we needed it we played well. I think ~~our~~ defensive coaches prepared them very well, and we got good execution from a lot of people. When you play good defense like that, it has to turn things around for you on offense.

Some of their runs had been really good to them, and we ~~it~~ worked real hard to take them away. (running game) Trying to do what we can. It's starting to come around a little bit. The backs are running better, and when we need it we run well.

(offense) It's starting to come around, I think. We're ~~utilizing~~ more balanced. We're utilizing our flanker, our wideouts, our tailbacks. Our quarterbacks are helping us run the ball.

(Najkowski): Think he's getting better. He's missing some things, and he's been erratic, but he's making some big plays.

(Word): He's starting to run better inside. That was an inside run on the touchdown. He cut back, and he's got exceptional speed. It's the difference between a 15 yard run and a 50 for a ~~TD~~ touch.

Coaches' Quotes

VIRGINIA HEAD COACH GEORGE WELSH:

"I said to the team after the game, I don't know how you're doing it but you're doing it. I think we're getting better. I think it was tough for West Virginia - they've got to take that into consideration. They played three really emotional games in a row, especially the last two. It's just to continue that kind of a pace."

"We got good execution. I was surprised we were able to run the ball as well as we did. We thought we were going to have to throw more. That's why we were throwing more for awhile."

"On Dan Majkowski's 3-16, 50-yard performance: "He's got a bruise on a finger of his throwing hand- that's probably part of it. He hit a couple when he had to hit them, and that helped us."

Note: Majkowski's injury occurred when Larry Holley of West Virginia sacked Majkowski in the first quarter.

"The fullback came through for us. Morse was great, I thought, running inside."

"We've been playing hard now for a lot of weeks. Maybe the week off helped us to get some of those people back. I was worried that we had lost our momentum."

"We told our defense that they hadn't given up but 10 points a game, that they were going to have to play hard and keep us in the game."

WEST VIRGINIA HEAD COACH DON NEHLEN:

"Virginia deserved to win this football game. They outplayed us at every facet, except maybe for the punting game. I have preached and preached and preached that when you think you're good, you get knocked off. Our players had the idea that all they would have to do is go out and show up and they would win the football game. You saw the result of that kind of thinking this afternoon. Virginia came to play and we didn't--thank God for our punting game or it would have been worse."

"We have some soul-searching to do in the next two weeks. We'd better be ready to play or we'll end up losing two more games."

COACH'S Quotes: Virginia vs. NC State---November 10, 1984 Scott Stadium

first ACC shutout since WF, 1974, biggest ACC win ever, first shutout of anyone since Georgia 1979---

Virginia coach George Welsh

We haven't been a good starting football team. We just wanted to stay close early today. That 98-yard drive was a good way to start, but the way we looked at it it was just one touchdown. I don't think that was the ball game.

They were playing a defense we were having troubles with. They were ganging up on the run and we weren't executing our passing game. We just had to settle down and see what would work.

We played hard. That was the key to our success today. We played hard the whole day.

(UVa's defense) All we told them was that I don't like high scoring games. We preached that to the defense all week.

There's not a 45-point difference between these two teams. We play again and maybe it's a touchdown difference. Maybe we're just catching them right. After two weeks like they've had it's tough psychologically. And it was still a game in the third quarter. They were hitting us hard early and they were moving the ball.

TOM REED, N.C. State: "There's not much you can say. We made every mistake we could make today. I can't put a finger on how, why, what, I just can't tell you. We made more mistakes today than we've made all season in every area, and they were in a position to capitalize.

"We've been running with our throttle wide open. They say you can't do that, that you'll wear out. If you're looking for an excuse, maybe that's it. I'm not looking for a reason. I believe that you can get up every week. You only play 11 times. We were not the same team today that we've been the last three weeks. That was obvious.

"Their 45 points show that we didn't play defense. And the zero lets you know we didn't play offense. That describes everything graphically.

"Give Virginia a lot credit. They're a fine football team. You don't whip a West Virginia team the way they did and not be a very good football team."

MENTS FROM UNIVERSITY OF VIRGINIA HEAD FOOTBALL COACH GEORGE WELSH:

"Ten points with ten minutes to go is nothing these days. We should have done a better job on defense, but we also had a chance to make a few more first downs which probably would have run the clock down enough where they wouldn't have had time to do that. Then we let them catch the ball and get out of bounds at the end of the game which is really bad."

"We started so poorly, it made me wonder whether we were ready to play or not. We played a pretty good second half until the end, when we didn't play good. The offense didn't make a couple of first downs when we needed them, and the defense didn't stop them."

How do you feel about the ~~win~~ tie? "I don't feel so good. I think we played some good quarter, and then after that, we ~~also~~ didn't play that well."

"I was worried about North Carolina. I think they have more athletes than anybody we've played this year, except possibly Clemson. Their defense was relatively poor early in the year, now I think it's gotten a lot better. I think they have a lot of good athletes. I don't want to take anything away from them. I think they played well. Maybe this wasn't our day. Maybe it was their day."

CAROLINA COACH DICK CRUM:

"The field goal at the end was my decision. We had driven the ball 90 yards and I felt it was in our best interest to go for that tie. That was too far to go and get nothing."

"I learned down at Clemson three years ago ~~is~~ that going for the win isn't always the best thing to do. That hurt us the rest of the season."

"Kevin made some nice throws and we made some great catches. Earl Wiafield has made plays like that all year."

"Psychologically, the fumbled punt hurt us defensively. We had stopped them, but had to go right back on the field."

"I've got to hand it to our kids. They could have packed it in with 1:30 to go, but they made a great drive."

asked about kicking the Pat after the last touchdown: "Psychologically, it ~~is~~ hurts us not to be in position to at least tie. I felt we had to kick to keep things going."

NOTES:

Kenny Miller's field goal today was his 15th in a row, breaking Obed Ariri's ACC record of 14 straight successful field goal attempts. Ariri hit 14 in a row in 1981.

Kevin Anthony's 281 yards is a new school single-game individual record. The old passing yardage record was 271 set by Scott Stankavage at Georgia Tech in 1984. Carolina's 131 yards in the air was a team single-game record. The old mark was 120 against Clemson in 1982.

coaches' quotes

VIRGINIA COACH GEORGE WELSH

(on the bowl bid) We have a fine sense of accomplishment. The team deserves all the accolades you can give them. I'm looking forward to taking ~~xxxxxx~~ this team to a bowl game. It's an exciting team, and I think in a month we'll have a better defense. This game (against Maryland) takes a little of the lustre off (the bowl bid). I don't feel real good right now.

It was the kind of game I just abhor--a shootout. We just couldn't stop them. Nobody's stopped them since Penn State at the end of that game so ~~x~~ I guess you'd have to say it was more their execution than our lack of defense. You've got ~~xxxx~~ to give them all the credit.

(Va offense) ~~x~~ What we did today on offense is what we do best. We just had too many big plays against us to win.

(maryland's big plays) The thing that bothers me is the long runs. If we make them work for it, maybe ~~x~~ we get a sack or they get a penalty, but that's not going to happen with such long runs.

I don't think we had enough emotion in the second half. In some ways it's better not to have a lot of emotion early in the game and gain it as you go along. I think our defense got a little discouraged on those long runs. They take it out of you.

MARYLAND COACH BOBBY ROSS

You have to give Virginia credit. They did a good job of attacking our defense. Not to take anything away from Virginia but we did not play as well defensively as we can. We did not have a good weeks practice on defense and it carried over to today.

Offensively I could not be more pleased. and proud. I am real proud of the way this team has played all year. I am pleased to win the ACC without a asterick. There is no asterick on this one. Eric Wilson's interception gave us a little momentum. We went right to the wire again. We have been coming back all year. They were pressuring us early but we finally got our rythm going. Rick Badanjek was fantastic. Our ground game has really picked up since the second half at Miami. I am very satisfied with this win.

PURDUE LOCKER ROOM REPORT

HEAD COACH LEON BURTNETT:

"This was a heckuva bowl game. It was good and hard-hitting for both teams. If we played each other 10 times, we'd probably split five and five. I said before the game that turnovers would be the difference in the game and they were. Virginia executed their pass defense very well in the second half. We did not play defense as well in the second half but we weren't tired. Our defense did do a good job by holding Virginia to field goals instead of touchdowns in the fourth quarter. Virginia played very well, they are well-coached and a very good team. We enjoyed our week in Atlanta and the Peach Bowl was great but we came to win. Our team still had a great season even though we lost today. We missed key plays in the second half and our lack of consistency hurt us. We've seen five defensive backs from opponents before . today. Virginia's front four (on defense) pressured Jim Everett although they didn't sack him much."

QUARTERBACK JIM EVERETT:

"Virginia was fired up in the second half. Their pass rush ~~is~~ was better but they didn't change any of their coverages. I thought it was ~~very~~ tough to get our timing down ~~because~~ because of our practice schedule. It is really hard when you're off (from practice) so long. I think this type of practice schedule helps the defense more than the offense."

WIDE RECEIVER STEVE GRIFFIN:

"Virginia's secondary was not different ~~than~~ than what we had ~~anticipated~~ anticipated. In the first half they were respecting our run more and that made our passing offense easier. I think this game will make us ready for next year. We were disappointed not to win but getting to a bowl game starts us on the right road for next season."

FREE SAFETY ROD WOODSON:

"For some reason, our defense came out a little flat in the second half. I thought our defense was strongest in the second quarter. It seemed that they were a little more intense than we (Purdue) were. A win today could have really helped start for 1985, however, I think we'll be ready for a big year anyway."

COMMENTS FROM UNIVERSITY OF VIRGINIA HEAD FOOTBALL COACH GEORGE WELSH:

"It was a good second half for us obviously. I'm not sure how we kept them out of the endzone. I think we got a little bit tougher in the second half - more aggressive on both sides of the line. That was the difference in the end.

"I think they were a little - rusty throwing the ball, but then after he got the feel of things (Jim Everett) ...

"We were trying to play the game on offense like we were going to need about five touchdowns. That's about the way I felt.

"I think we controlled the ball on them. It helped the defense that our offense controlled the ball - made some drives.

On kicking the field goal with a fourth and goal from the one: "When you get a chance to go ahead, you've got to go ahead and make them beat you. Daly's interception was the key, obviously. There are some arguments both ways. I think that even if you don't make it, you've got them backed up. I was concerned. I think when you've got a chance to go ahead, most of the time I'll do that.

"I think the eighth win (Virginia finishes the 1984 season with an 8-2-2 record) coming the way it did with this bowl game, on television, and coming back in the second half, it gives you a good feeling. I'm really proud of our football team."
