1993 Maryland Football
Coach's Quotes

Maryland Head Coach Mark Duffner

"One game does not make or break a season and I'm proud of how hard our football team battled. We were down by two touchdowns in the third quarter and come back and tie it up. I'm most proud of the staff and all the players did not give up."

"Defensively at times we played magnificent. We talked about getting takeaways and in the first half we get takeaways on two option plays and get great field position and were able to score."

"Offensively we went for it on fourth and one a couple of times. I felt that we could get it, I was confident we would get it and we did not get. I give credit to Virginia for stopping us at that time."

"I think Scott Milanovick opened up in his first game and made a lot of big plays. Mark Mason almost had 100 yards rushing. Milanovich also punted the ball very well today."

Virginia Head Coach George Welsh

"We almost self destructed". "The game almost slipped away, we should be able to do better."

"I am relieved and happy that we won, but we need more enthusiasm and more emotion on our team".

"It hurt us when Collins was thrown out and I still would like to know why".

"Way has experience and we feel he can give us some versatility and allow us to do other things".

"When the fullbacks and tailbacks are moving, you are able to do alot. I don't want to have to throw the ball 40 times, not yet...."

"Our defense performed pretty well, but our pass rush needs more improvement".

"Mundy's catch has to be the biggest play of the game".

VIRGINIA COACH GEORGE WELSH

It's a win. Our defense played well. We made a goal line stand, we made them kick a field goal when they got down close and ~~missed~~ they missed. We hustled. Any time you get a shut out you've played pretty well on defense.

I don't know what was wrong on offense. We weren't precise. There were too many penalties. We missed some blocks and we missed ~~some~~ some pass protection. We couldn't block one of their inside linebackers and we had trouble with their stunts. They took away some things we did against Maryland. They played us tough. I think that's going to be a pretty solid defense. They've got a lot of seniors out there.

If we don't get three big plays then it's close going into the fourth quarter. There was not that much difference between those two teams out there today. The difference was that we had more athletes. I don't think that comes as a surprise.

They gave us all we could handle. You can only hang in there so long. I thought they let down a little after Willis' touchdown. They didn't give up, but it's hard to come back from there.

NAVY COACH GEORGE CHALMP

It's a funny game. I was suprised by our defense. Virginia is a good football team. They are more than a good team. they have a team that can compete with anyone. I was thrilled by ~~the~~ way the defense performed. You cannot analyze the game by the score. I saw enough to be encouraged.

As a team we did a lot well. I was ~~suprised~~ suprised at the offense. We were down inside the five and did not score. It is embarrising. We had a goose egg when we should of had 14 or 17 ~~points~~ points. It is difficult to open against such a tough team as Virginia. I am proud of the way our team played and we will win a lot of games. Navy will be a pretty good football team.

coaches quotes-----duke at virginia-----charlottesville-----sept. 25, 1993

VIRGINIA COACH GEORGE WELSH

(On the fight)

The line judge told me the first penalty on us wasn't a late hit, it was for Willis pointing at Thomas. After that I don't know what happened. There were too many bodies in there. I was trying to get out of there but I couldn't.

There's no bad blood with me. We keep beating them. But it's got to stop. It's ridiculous.

(On lack of offense in the second half) Mundy couldn't go and Neely couldn't go and that limited what we could do. We were shuffling around a lot, and that made it difficult for Obie (offensive coordinator Tom O'Brien) to call the game. I thought he called a good first half, though.

I think they're a good offensive team. Our defense had a good outing. We got more pressure on the quarterback than we have all year, and our zone coverage was good.

I thought we were sluggish to tell you the truth. We weren't quick on offense or defense. We didn't close on the ball as quickly as we did against Georgia Tech.

They're more physical on defense this year. We used to run on them and get 7 to 10 yards at a time. But we couldn't do that this year. We had to finesse some things to beat them. And Davis makes a great athletic play on that touchdown. It wasn't domination out there.

DUKE COACH BARRY WILSON

Obviously

~~Obviously~~ it's a real disappointing loss. I'm disgusted with the way we played. Virginia's a good football team. We knew that going in. We just couldn't get anything going. The defense couldn't stop them and the offense couldn't score. When you play a good football team you're going to get beat badly ~~xxx~~ when that occurs.

We lost to a top 20 team, but I thought we could have accounted for ourselves better. They've had our number for a good many years.

This game is always heated. I told our guys we should be mad at the way they beat us, that we haven't played very well, not about individuals yacking in the newspaper and all that malarkey that takes place. That doesn't have any thing to do with it. Virginia has played better than we have and we haven't helped our own cause.

I don't know what happened on Virginia's sideline. I couldn't see it. I don't think George saw it. So much of that is just a show of macho and it just turns me off. I want to see results on the field and to heck with all this baloney on the side and between whistles. It's just for show and it occurs on both sides.

I found out a couple of plays later when we got a penalty that T.C. White had been thrown out. Believe me, I didn't know that. Obviously there was a great deal of confusion.

We had some spurts of good play, but not consistently enough and some cases where we just broke down.

REFEREE ROD DAILEY:

"Duke intercepted a pass and Virginia's quarterback tackled the Duke player and drove him out of bounds in front of the Virginia bench. He (the Virginia quarterback) was on top of him, wouldn't get off him, and baited him verbally and by pointing at him. That's when everything broke loose. All the officials went over to try and break it up along with coaches from both teams.

"There were four ejections - two players from Duke and two from Virginia. Penalties for the ejections offset each other. The only penalty enforced, for 15 yards, was for unsportsmanlike conduct on the Virginia quarterback. Ejected from Duke were #41 and #46. Ejected from Virginia were #23 and #26. Two of the players were ejected for fighting and two for kicking opposing players.

"Number 41 from Duke came back in the game after he had been ejected and caught a pass. There was a penalty for unsportsmanlike conduct for coming back in the game and the coach was told again that he had been ejected and he had to take him out."

POST GAME NOTES:

** Symion Willis set his career high with 246 yards passing.

** Larry Holmes now has 10 TD receptions in his career. He becomes only the eighth player in school history with 10 TD catches. He is tied with Gene Schroeder (1947-50) for 7th all time with 10 TDs.

** Kevin Brooks now has scored a TD rushing in all four games this season. He is the first UVa player to score a TD rushing in four straight games since Terry Kirby in 1990 (Wake Forest, VMI, NC State and Va. Tech)

** Aaron Mundy moved to 10th on the all time receptions list with 75 catches. He also moved into 14th place in yards receiving with 1,023 yards.

** UVa scored in the first two quarters of today's game. The Cavaliers have now scored in 18 consecutive quarters dating back to last season. The streak ended with a scoreless third quarter. The streak was the longest for UVa since George Welsh became the Cavaliers head coach in 1982. The previous best was 17 consecutive quarters over the 1984-85 seasons.

** Mike Frederick's sack of Spence Fischer at the end of the first half was the 10th of his career. He is now tied with Joe Hall (1987-90) and Matt Quigley (1988-91) for 6th on the all time list. Frederick became the eighth player in UVa history to record at least 10 career QB sacks.

** Also note that Mark Krichbaum had a sack today and moved into a tie for eighth place.

** Charles Way now has 12 career TDs rushing. That is tied for 15th on the UVa all time list with Nikki Fisher, Don Majkowski and Greg Taylor.

~~Coach's~~ Coach's Quotes:

Ohio Coach Tom Lichtenberg----

The third downs really got us. We had to take chances with different blitzes and zones and we got hurt. If you take away the big plays we are in the game. Coach Welsh is a class act. Virginia is a fine football team and they were just more physical than us.

The mental mistakes killed us. We had too many offsides penalties. It is hard to win when you go from 2nd and 3 to 2nd and 8 with mental mistakes. I saw us play well at times and now we come home for four out of six.

(Asked to compare Virginia against North Carolina)
UNC has a better running game with Johnson and Johnson~~xxx~~ but I will take Willis any day. He is a good player and the offensive line is more physical. The defense is very good, especially that secondary.

I thought that the touchdown was important. With the score 34-0 I did not want a field goal. We opened up the offense in the game. We had more passing rather ~~like~~ than just Tim and Lakarlos. Bubba was nervous but his first pass hit the receivers chest and was dropped. The first completed pass helps a quarterback gain confidence. He made some mistakes and we need to look at the film. I thought he did a good job with the option and got better as the game went along. We need to get D.R. healthy.

We have four out of our next six games at home. We have to play hard and smart mentally. Give Virginia credit they are a good team. It takes time to build a program. I am upset with our record but not with the young men. They gave a great effort.

Virginia Coach George Welsh----

Ohio had the ball more than I would have liked. They did a good job of controlling the ball. They just didn't have the skill people to score touchdowns. We had to have big plays on offense ~~before~~ because we weren't consistent. We had too many penalties, too many mistakes.

Ohio has good size, and their coaching staff did a good job of getting them ready. If they had more speed they'd be tough.

(On Virginia's big plays) You have to take what the defense gives you. Going back to last year, teams had been backing up on us in the secondary. But the receivers ran good routes, they beat the man-to-man coverage and they caught the ball.

This team does not have a lot of enthusiasm, but they play hard.

(On Willis' 5 TD passes) Those were good throws. Teams had not allowed us to do that before, but they were there today and he put the ball on the money.

COACHES' QUOTES-----NORTH CAROLINA AT VIRGINIA-----October 23, 1993

VIRGINIA COACH GEORGE WELSH

(What did he like about the game) I liked the end of the game. I like it when your quarterback kneels down at the end.

(What did this game tell him about Virginia) It showed we could play in a key game. It showed we could play with emotion. That's something ~~we~~ this team hasn't done. Both teams were emotional. There was so much emotion for this one that if we had lost, we could have had troubles next week.

~~Incidents/quotes~~

(On Brice's punt that gave UNC a first and 10 on their own 8-yard line with 2:57 to play) Brice's punt was key. They had 90 yards to go. It's still a game of field position. He punted well all day. He doesn't kick that consistently in practice, but he's got a great leg. ~~It's~~ It's a helluva weapon.

(On stopping North Carolina's option) That's the key to stopping Carolina. Their power game is good, but the option is what they score with. That's not a ~~stagnant~~ shabby offense. They've got speed and their quarterback executes. The defense did a great job. We're better off when they have to pass.

(On Mickelide's shaky kicking) I don't coach the kickers. I'll talk to Kyle and ask him if he's rushing it. He does that sometimes. If he thinks he rushing it, I'll tell him not to rush it.

(On ~~whether~~ whether he thought about the field goal on 4th and one at the UNC 1 in the third quarter) There was no question in my mind. You've got to go for things like that, when they're that close. If we don't make it, they still have 99 yards to go.

Wake Forest Coach Jim Caldwell:

We played hard. We did not play as poorly as last week. We are moving in the right direction. I came into the game thinking we needed to score 30 points to win. We got enough turnovers to win the game. Virginia is a good team. We hung in there and played hard enough to win.

(Asked about the second half when Virginia seemed to control the game more) They didn't change. We just became less precise.

We just didn't put it together. The team did not play well in spots.

(Asked about the quarterback change) I just wanted a change. Kemp was not hurt.

Virginia Coach George Welsh:

We were outplayed for a half, but we played better than Wake in the second half and we scored more points.

We had to get our running game going. We've had so many receivers hurt, the passing game wasn't very good. We're not as good throwing the ball as we were a few weeks ago. We don't have the arsenal we had because of the injuries and we've had to reduce the number of passes we run.

(On Tyrone Davis) He hasn't been catching the ball well because of the cast on his thumb. But now he took the cast off and we put him in. Thank God.

They had some read passes and worked on our linebackers. I don't know why it worked so well.

(On what he said at halftime) I didn't say much. I let them talk. I was tired of talking. I wanted to see if we had some leaders. Not much was said, but the right things were said. One thing I did hear in the lockerroom was that we had to pick up our ~~intensity~~ intensity and I think we did that in the second half.

(On Jerrod Washington) He's a really good back. He started slow because of the injuries in spring practice and pre-season, but he's sucked it up. He's running hard and breaking tackles

(On the first half) We weren't real sharp. The interceptions hurt. In games like that when you come down the field, you need to get it in. But our execution wasn't good.

(On second half defense) Our pressure on the quarterback was better and we got some losses. It wasn't always second or third and short. That helped.

~~XXXXXXXXXX~~ VIRGINIA COACH GEORGE WELSH

(On fourth and one from Tech's ~~two~~ three late in third quarter) The call was an off tackle play to the right. We didn't get it executed right. We didn't get them blocked.

We were shooting ourselves in the foot too much.

(On substituting Mike Groh for Symmion Willis at quarterback in the third quarter) We wanted to get Symmion on the bench for awhile and watch. I told him ~~he~~ he was going back in. We probably should have gotten Groh in ~~at~~ more games earlier in the season to get Willis a rest for a series or two. He needed a rest today with all the running he had to do.

Those kids spilled their guts out there today. They played hard. They really wanted to win. We had a lot of adversity. We lost a lot of weapons. I couldn't ask more of our players.

(On the loss of Mark Dixon) Did we miss him? He's an All-American. Would he have made a difference on the scoreboard? I don't know that. Our pass protection wasn't as good when the quarterback was in the pocket. Maybe that was a difference.

(On comparison with previous seasons) I don't think there are any comparisons. These kids worked as hard as any team I've coached. I can't fault them for losing a couple of close games. Turnovers hurt us a lot at the end of the season. You try to guard against that, but they hurt us.

Field position was tough for us today. We got them backed up some, but we couldn't keep them backed up. They got a couple of first downs and that changed the field position.

(On bowl consideration) There's going to be some 6-5 teams in bowls, and I think we'll be a good representative to a bowl. We'll be better offensively because everybody will be back except Dixon. If N.C. State loses tonight and goes to the Independence Bowl, it would be disturbing because we would have a better conference record.

VIRGINIA TECH COACH FRANK BEAMER

"To come in here and win today over our big rival after getting a bowl berth last week, well, that's about as good as it gets. I am very proud of the Virginia Tech football players and assistant coaches. They did a super job to turn things around. We went from eight losses to eight wins and that is something special.

"I thought we missed some opportunities to put the game away. But hey, give Virginia credit. They played a whale of a defensive game. I thought both defenses were excellent. Sometimes it looks a little ragged when the defenses are playing so well.

"I give credit to the Tech players for staying focused after we got the bowl bid. I feared there might be some letdown, but I think our players came in here ready to perform.

"The goalline stand was absolutely great. That's a test of character. That is where you find out who the winners are in a situation like that. We had a lot of winners on our side today.

"Yarborough's interception was big. So was the play by Jeff Holland to get a touchdown on the recovered fumble. Jeff Holland is quite a story. He didn't have much hope last year of being a big contributor, but someone forget to tell him that.

"It's a nice day. I congratulate Virginia on a successful season and again, I'm very proud of the Virginia Tech players and coaches."

Coach Coughlin Quotes

On the game--

It's a lot more fun this year than it was last year. We really enjoyed being at the CarQuest Bowl, it was a great football game. The second half was a good game for BC, we shut Virginia down. Virginia moved the ball on us, they had some opportunities, we rose up and were strong in the red areas. Offensively we made some plays. It was a little frustrating upon occasion, not able to do everything we wanted to do, but you do have to give credit to Virginia's defense. We had some people that played well today, made contributions. Glenn of course did a super job, made MVP and we are very proud of that.

On the seniors--

Big win for those fifth year seniors. They have really been something from game two on with the exception of one game. They have truly done the job and I'm extremely proud of them. The experiences that they have had with life, leadership, and overcoming adversity, they will be very, very successful in life.

On changes at halftime--

We really felt like we weren't playing as well as we are capable of playing. We didn't feel like we were getting the effort, didn't think it was all that emotional. We tried to step up our play and what it really came down to is that we were analyzing and over analyzing and I think the players got caught up in that.

On Glenn Foley--

Stability, confidence, execution. Through his eyes he has communicated everything to us on the sideline. He's literally been like a coach on the field. He's understood what we wanted to do. He's done a great job in the huddle and has been extremely productive. Glenn's maturity as a QB has been a great thing to be a part of. He certainly capped his career off very fittingly today.

On the Defense--

The defense shutting down Virginia in the second half was very big. It was such a difference to have the defense shut down Virginia after the interception.

Coach Welsh Quotes

On the second half--

We talked at the half about doing something differently in the second half. I said then that we have enough offense, we just have got to get the ball in the endzone.

How much did the FG misses take out of the team--

It didn't seem to at the half. It would have been a different football game, but we are still going to lose if we play like that.

On Glenn Foley--

That's as good a pass offense and a pocket passer QB that we have seen in a while. It's a little different with Charlie Ward, because they still have more speed than I've seen in years. Their offense is very sophisticated and Foley was in a rhythm there for a while and he just kept hitting them. You have to get better pass rush on him in order to slow him down. He's very effective and I think he is a top notch college QB.

How did you expect to handle the pass offense--

We were going to keep it in front, make them work and hope that they make some mistakes. They made one mistake early and then they missed a handoff, but we gave them two easy ones.

On not having McClellan--

I don't think that was a problem for us. A lot of the balls were on Carl Smith's side, not where McClellan would have been. Those completions in front of him hurt. They came out long yardage in the third quarter and ended up with a TD.

UNIVERSITY OF VIRGINIA PLAYER QUOTES

TOM BURNS #43 LINEBACKER

(On second half)

"We didn't capitalize on scoring opportunities"

"They have a great attack, they have a good team, and they can move the ball"

(Sum up of season)

"It leaves a bitter taste, we played hard; there is a difference between playing hard and playing well."

MIKE FREDERICK #95 DEFENSIVE-END

(On second half)

"They mixed it up pretty well. We would eventually stop them if we didn't give up the big plays."

"Go back to the drawing board and change it again."

(On Foley)

"He knows how to get rid of the ball, quick."

(Sum up of season)

"We're sick of ending our year like this! We are a better team than we were last year."

KEITH LYLE #25 DEFENSIVE-BACK

(On game)

"It was a good game, but we had some bad breaks."

(Player profile)

It is important to emphasize that I have enjoyed the opportunity to represent my school on the football field. I will graduate in the Spring and get a degree in Psychology."

University of Virginia

Randy Neal - # 6

"The defense was out on the field for a long time in the second half, and you can only substitute so much"

"Sure we are disappointed, but the season isn't a waste because we lost. I mean we did come in third in the ACC"

Larry Homes - # 20

"I won't be making excuses! We just didn't execute"

"You can put too much emphasis on the missed kicks. They had mistakes... turnovers...it didn't effect them"

"We don't seem to get up for the big games, at least the Bowls. We have a long way to go to get ready for the next year"

Symmion Willis - # 1

"No excuses in this game, we just missed too many opportunities"

"In the second half we didn't have the same intensity. They came out more fired up in the second half and they stepped up their game"

"The first half we were in a groove. We couldn't find it in the second half"

QUOTES FROM BOSTON COLLEGE O.B. GLENN FOLEY

ABOUT THE PLAY OF THE OFFENSE.....

We knew we were playing a good football team, and the time off was real hard. we played tough, and it took us a half to get it going.

ABOUT THE LONG PASS FOR A TOUCHDOWN TO CLARENCE CANNON.....

We caught them in a blitz, and Clarence said he could beat the guy who was covering him. He did a great job and I was given the time to throw him the ball.

ABOUT HIS PLAY TODAY.....

I felt good and I was given the time to throw the ball, and I feel if I am given the time I can complete the passes to anyone.

QUOTES FROM INSIDE LINEBACKER STEPHEN BOYD

ABOUT THE PLAY OF THE DEFENSE.....

We were flat in the 1st qtr, and let them get a touchdown that I feel we should have stop.
In the 2nd qtr, we started to adjust to what they were doing. at half time we changed a couple of things and adjusted to the game. in the 1st half we missed some tackles and we were just off.

WHAT WERE THE CHANGES MADE AT HALF TIME.....

We were just playing flat and we smack each other in the head and said lets get going. It was'nt any one play we adjusted our attitude and went out and played hard.

WHAT DOES THIS WIN MEAN TO YOU.....

We did'nt play 4 qtrs against ND or West Virginia, and we wanted to show everyone we are a 4 qtr football team.
I think with the way we played today we showed we can play 4 qtrs.

Boston College Quotes

Quotes from # 82 Pete Mitchell

On the fifth-year seniors : "...that game right there was for the fifth-year seniors, they led us the whole way the last 2 years and turned this program around, but what we have to take from them is to learn how to win and be prepared to win, and that group of 10 guys taught us that...even off the field, they are a great bunch of guys, we hang out with them all of the time, its a great day for the victory, but a sad day to see those guys go..."

On his heavy production in the 1st quarter:"...it just worked out that I got a lot of balls thrown my way, I was kind of surprised and I was getting frustrated, they were putting a lot of linebackers on me and playing zone...they played good aggressive defense with their linebackers, and I think we learned the first couple of series and the coaches did a great job of changing the game plan and things worked out for us..."

On the offseason following a big win :"...its definitely much nicer and we'll have a bunch of smiles, especially after looking back at a terrible loss last year...we'll see what happens with the polls, but its great to go up in the polls after the season rather than go down in the polls, so we're very happy..."

Quotes from # 23 Keith Miller

On Glenn Foley:"...he's always been the commander-in-chief, and he just stepped up today to another level..."

On his playing career at B.C.:"...I'll probably miss Coach yelling at me after I do something wrong, but I'll definitely look back on these 5 years ...after my freshman year when we were 2-9 and I started to wonder if I made the right decision to come to B.C., but its been such a positive experience..."

On a big day for the wide receivers:"...we're just trying to do our jobs, if the ball is deep, we just go get it, and if its short, we just go get it, but I think Glenn played a great game, and the offensive line did a good job of keeping him off the ground, and as long as you give him time to throw, he'll get the job done..."

Quotes
From
Clarence
Cannon
#27

On the 78-yard TD pass:"...they were playing zone, the corner would let you run up behind him and then he'll take off and try to run with you, but he let me run up too close and I got by him, and he tried to catch up...the ball was slightly underthrown, and I adjusted to it, he was nowhere there and the safety came over and missed the tackle and I stumbled into the end zone..."
