2012 ACC Football By The Numbers

1 - Florida State's defense. After their 2nd straight shutout, the Seminoles lead the nation in rushing defense (33.67), pass efficiency defense (60.50), pass defense (69.67), total defense (103.33) and scoring defense (1.00).

2 - Florida State junior **DE Bjoern Werner** ranks 2nd nationally in quarterback sacks. Werner, from Berlin, Germany, is averaging 2.17 sacks per game.

6 - Six of the **ACC's 12 starting quarterbacks** hail from Virginia and all six led their teams to bowl games in 2011 including Clemson's **Tajh Boyd** (Hampton, Discover Orange), Virginia Tech's **Logan Thomas** (Lynchburg, Allstate Sugar), Virginia's **Michael Rocco** (Lynchburg, Chick-fil-A), Florida State's **EJ Manuel** (Virginia Beach, Champs Sports), NC State's **Mike Glennon** (Centreville, Belk) and North Carolina's **Bryn Renner** (West Springfield, Advocare V100 Independence).

5 - The number of touchdown passes for North Carolina junior **QB Bryn Renner** in the Tar Heels' 39-34 loss to 19th-ranked Louisville. The total was a career-high for Renner and tied the North Carolina school mark originally set by Kevin Anthony against Wake Forest in 1985 and tied by Darian Durant against Arizona State in 2002.

8 - The jersey number of sophomore Duke wide receiver **Blair Holliday**, who suffered severe head injuries in a summer boating accident. The Blue Devils will wear a decal with the No. 8 on their helmets this fall to honor him.

8.67 - The average number of pass receptions this season for Clemson junior **WR DeAndre Hopkins.** Hopkins, who has 26 catches in 3 games, is tied for 6th nationally in receptions per game.

9.6 - The average yards per play for **Georgia Tech's spread option offense** in its 56-20 win over Virginia. Eight different running backs for Tech had a run of 12 or more yards. Perhaps more amazing,Tech's first four offensive plays from scrimmage totalled 210 yards against the Cavaliers.

9.96 - The average number of yards per carry for Georgia Tech senior **A-Back Orwin Smith.** If maintained throughout this season, that would be a career record for any back in the ACC who has gained 1,000 or more yards rushing. Smith has 1,295 career yards on just 130 carries.

11 - By holding Wake Forest to no points in a 52-0 win, **Florida State** extended its streak to 11 straight games in which it has held its opponents to 19 or fewer points.

10-4 - Ironically, the last time Clemson and Florida State met when both were in the nation's Top Ten, the two teams hade the same AP national ranking. FSU was No. 4 and Clemson was No. 10 when the two teams met in Tallahassee on Nov. 4, 2000.

14 - Clemson **PK Chandler Catanzaro** has made 14 consecutive field goals, a streak which began in the 2011 season. He is currently tied with former Tiger standout Obed Arriri, who made 14 straight field goals during the 1980 season when he led the nation with 23 total field goals. The ACC record is 27 straight set by NC State's Marc Primanti during the 1995-96 seasons. Catanzaro is now 42-55 over his career, a .764 percentage.

15 - The ACC and Notre Dame announced this past Wednesday that the Irish will become the 15th ACC team when they are allowed to join the conference by the Big East By Laws. Notre Dame will start playing five football games annually against ACC foes in 2014 and will join in all other sports no later than by the 2015-16 school year.

24 - The number of tackles for Boston College fifth-year senior **LB Nick Clancy** in the Eagles' 22-13 loss at Northwestern. Clancy had 14 solo stops.

27 - The number of pushups by **Clemson President Dr. Jim Barker** while taking a surprise turn as Clemson's mascot. Dr. Barker got into the Tiger costume at halftime, then served as the mascot until Clemson's 3rd TD of the day pushed the score to 27-7 over Furman. Barker then did the requisite 27 pushups (one for each point) before pulling off the head of the costume and revealing himself to the crowd in the Tigers' 41-7 win over the Paladins.

40 - The jersey number of Georgia Tech **LB Julian Burnett,** who was forced to give up football prior to this season due to an injury. His teammates are taking turns wearing his jersey this fall to honor him. **QB Tevin Washington's** turn was last week against Virginia and the Wetumpka, Ala., senior completed 6-8 passes fore 124 yards and a TD and ran for 93 yards and 3 more scores.

45.6 - The punting average for Duke freshman **P Will Monday**. Monday's average leads the ACC this week and ranks 10th nationally.

56 - The number of times ACC schools have been involved with ESPN's GameDay either as the host institution or as the visiting team. Florida State will host GameDay for the 8th time this Saturday when the 4th-ranked Seminoles take on the 10th-ranked Clemson Tigers.

58 - On his return to action for Clemson after serving a two-game early season suspension, sophomore **WR Sammy Watkins** had a 58-yard scoring run to his credit and totaled a team-high 119 all-purpose yards in only six plays.

66.6 - Florida State quarterback **EJ Manuel** is one of the most accurate passers in ACC history. Manuel, who only became a full-time starter in 2011, has completed 379 of 569 passes in his career, a completion percentage of .666. Only Virginia's Matt Schaub (.670) and Wake Forest's Riley Skinner (.690) have completed passes at an equal or better rate.

94 - When Virginia Tech sophomore **S Kyshoen Jarrett** returned a punt 94 yards for a TD against Pittsburgh, it marked the 4th longest punt return in ACC history and the longest since Dick Harris of then ACC member South Carolina ran back a punt 97 yards against North Carolina in 1970.

197 - The number of rushing yards for Florida State senior **RB Chris Thompson** in the Seminoles' 52-0 win over Wake Forest. Thompson, who sat out most of last year with a back injury, had TD runs of 74 and 80 yards and had only nine carries, averaging 21.9 yards a tote and did not play after intermission.

212.67 - The average number of all-purpose yards for Miami true freshman **RB Duke Johnson.** Johnson, who had a 95-yard kickoff return for a score last week and leads the ACC with 6 TDs, ranks 2nd nationally in all-purpose yardage.

219 - The number of career pass receptions for Duke senior wide receiver **Conner Vernon.** Vernon moved into 2nd place on the ACC career list for pass receptions in the Blue Devils' win over North Carolina Central. He now trails only Aaron Kelly of Clemson (232) on the ACC career list. His career total of 2,955 receiving yards moved him five places into 6th place on the ACC career list.

220 - Virginia Tech has scored in 220 consecutive games. The Hokies' scoring streak is the longest in the ACC and the 6th-longest current streak in the NCAA's FBS and is the 15th-longest in NCAA history.

229.37 - Maryland's defense, led by All-America DE Joe Vellano and LB Demetrius Hartsfield, ranks 8th nationally and has improved an average of 229.37 yards per game during the Terps' first three games this year. The Terrapin stop troops are allowing opponents just 227.33 yards per game this fall, compared to last year when the Terps' foes averaged 457.2 yards per game.

253 - Virginia Tech head coach **Frank Beamer** has a total of 253 coaching victories in his career and now leads all active NCAA FBS head coaches. Beamer is now 8th on the NCAA's career FBS list with 7th-place Tom Osborne (Nebraska) now two wins away at 255.

358 - Florida State **PK Dustin Hopkins** has 358 career points, putting him in 3rd place on the ACC career scoring list. Hopkins now only trails Maryland's Nick Novak, who scored 393 points during the 2001-04 seasons, and Florida State's Xavier Beitia who scored 375 points concurrently with Novak. Hopkins, though, had his consecutive PAT streak end at 145 straight PATs without a miss against Savannah State, which was the 6th longest in NCAA history.

ACC Divisional Tiebreaker
If more than one team in the same division is tied for the best winning percentage in its Conference games, then, in order to determine the Divisional Champions, the procedures listed below will be followed:

Two-Team Tie:
1. Head-to-head competition between the two tied teams.
2. Records of the tied teams within the division.
3. Head-to-head competition versus the team within the division with the best overall record. (Divisional) Conference record and preceding through the division. Multiple ties within the division broken from first-to-last.
4. Overall record versus all common non-divisional opponents.
5. Combined record vs. all non-divisional teams.
6. Record versus common non-divisional teams based on their order of finish (divisional and non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division.
7. The tied team with the highest ranking in the Bowl Championship Series Standings following the end of regular season game shall be the divisional representative in the ACC Championship Game.
8. The representative shall be chosen by a draw.

Three-Team (or More) Team Tie
(Once tie has been reduced to two teams, the two-team tiebreaker format is used.)
1. Combined head-to-head record among teams.
2. Records of the tied teams within the division.
3. Head-to-head competition versus the team within the division with the best overall (divisional or conference) record, and proceeding through the division. Multiple ties within the division will be broken first to last.
4. Overall record for non-divisional teams.
5. Combined record versus all common non-divisional teams.
6. Record versus common non-divisional with the best overall Conference (divisional and non divisional record) and proceeding through the other common non-divisional teams based on their order of finish within the division.
7. The tied team with the highest ranking in the BCS Standings following the conclusion of regular season games shall be the divisional representative in the ACC Championship Game, unless the second of the tied teams is ranked within five-or-fewer places of the highest ranked tied team. In this case, the head-to-head results of the top two ranked tied teams shall determine the representative in the ACC Championship Game.
8. The representative shall be chosen by a draw.

2012 ACC Bowl Selection

Bowl Championship Series

The winner of the Dr Pepper ACC Football Championship Game will be selected to play in the Bowl Championship Series. Unless the winner of the Dr Pepper ACC Football Championship Game is ranked No.1 or No. 2 in the final BCS Standings and plays in the BCS National Championship Game, then the ACC Champion will serve as the host team of the Discover Orange Bowl in Miami, Fla. This year's Discover BCS National Championship Game will be hosted by the Discover Orange Bowl on Jan. 7 in Miami Gardens, Fla. The BCS may also select a second ACC team, if one is eligible for selection (Won at least nine regular season games and is ranked among the Top 14 in the final BCS Standings), and there is an At-Large berth available and the team is selected by one of the four BCS Bowl Games—Discover Orange (only if the ACC Champion is in the BCS National Championship Game), Allstate Sugar, Tostitos Fiesta and the Rose Bowl Game presented by Vizio.

After the BCS selections, then the selection order is:

1. Chick-fil-A Bowl, Atlanta
2. Russell Athletic Bowl, Orlando
3. Hyundai Sun Bowl, El Paso, Tex.
4. Belk Bowl, Charlotte, N.C.
5. Franklin American Mortgage Music City Bowl, Nashville, Tenn.
6. Advocare V100 Independence Bowl, Shreveport, La.
7. The Military Bowl Presented by Northrop Grumman, Washington, D.C.
Conditional Agreement*
8. Kraft Fight Hunger Bowl, San Francisco, Calif.
*If Pac-12 or Navy is unable to fill obligation and ACC has an available team

Conditions:

1. The runner-up of the ACC Championship Game, provided, is guaranteed not to fall further than the Hyundai Sun Bowl. The Sun Bowl will select the ACC Championship Game runner-up in any year that team is available to them.

2. Otherwise, if the bowl does not select the team available with the best Conference record, then it must choose a team that is within one conference win of the team (The "One-Win Rule") with the best conference record (ie. 5-3 to 6-2), The bowl may take a team that has more than a one game difference, only if the team is ranked more than five spaces above the team with the best Conference record in the final BCS Standings.

3. If, after all bowl selections have been made, and the Kraft Fight Hunger Bowl has an opening due to the inability of either the Pac-12 Conference or Army to provide a team, and the ACC has an available, eligible team, then the ACC will send a team to the Kraft Fight Hunger Bowl

Selection Time Frame

The Bowl Championship Series will announce its selections on the BCS ESPN Selection Show on Sunday, December 2. In conjunction with the BCS selections, each Atlantic Coast Conference affiliated bowl game will make their selections in the order specified above. The ACC, the Bowls and individual schools will announce the selections after all selections are completed on Sunday.

The ACC and The Bowl Championship Series

The Atlantic Coast Conference and the BCS

The Atlantic Coast Conference has been a member of the Bowl Championship Series (BCS) since its inception for the 1998 season. ACC Commissioner John Swofford, is the only Commissioner to twice serve as BCS Coordinator, having done so in the 2000 and 2001 seasons and again in the 2008 and 2009 campaigns, as the ACC successfully administered the BCS on two separate occasions. Swofford is also the last Commissioner to serve as BCS Coordinator. In 2009, the BCS group named longtime college administrator Bill Hancock to serve as the first Executive Director of the Bowl Championship Series. Hancock has since assumed most of the duties previously handled by the coordinator. Prior to being named Executive Director, Hancock served four years as the Administrator for the BCS.

Heading into its 15th year of determining the National Championship in college football, the **Bowl Championship Series (BCS)** is a five-game arrangement that is designed to match the two top-rated teams and to create competitive match ups among eight other highly regarded teams in four other games.

The bowl games participating are the Tostitos Fiesta Bowl, the Discover Orange Bowl, the Rose Bowl Game presented by Vizio and the Allstate Sugar Bowl. In addition, the BCS National Championship Game is played at one of the bowl sites, this year at Sun Life Staium in Miami Gardens Fla., on January 7, 2013.

The term "BCS conference" frequently is used incorrectly. Actually, all 11 NCAA Football Bowl Subdivision (FBS) conferences are "BCS conferences" because the BCS arrangement is managed by the commissioners of the 11 NCAA FBS conferences and the director of athletics at the University of Notre Dame. The conferences are Atlantic Coast, Big East, Big Ten, Big 12, Conference USA, Mid-American, Mountain West, Sun Belt, Pacific-12, the Southeastern and the Western Athletic.

The conference commissioners and the Notre Dame athletics director make decisions regarding all BCS issues, in consultation with an athletics directors advisory group and subject to the approval of a presidential oversight committee whose members represent all 120 NCAA FBS programs.

The BCS games are operated by community-based organizations in each of the host cities. In addition, there are 30 other post-season bowls, which are managed independently by entities in 27 cities around the nation. All bowl games provide meaningful season-ending opportunities for student-athletes.

The BCS is remarkably successful. It maintains and enhances the importance of the regular season and preserves the unique bowl tradition to the benefit of the student-athletes. And it matches the top two teams. Before the creation of the BCS and its predecessors, the Bowl Coalition and Bowl Alliance, the top two teams had met in a bowl game only eight times in the previous 56 seasons. They have met in each of the last 14 seasons by BCS standards, and 11 of the last 14 seasons according to the Associated Press poll. The 2012 regular season

BCS Standings

The BCS Standings are composed of three elements that are weighted equally: the USA Today Coaches poll, 2) the Harris poll, and 3) the average of six computer poll rankings. The highest and lowest computer ranking is discarded each week with the computer average based on the remaining four rankings. The BCS Standings are compiled and released by the National Football Foundation eight times during the season, beginning this year on Sunday, October 16 and ending on BCS Selection Sunday, December 4.

(2013 bowl games) is the third year of the current four-year television agreement with ESPN, which will televise all five BCS games.

Six conferences (ACC, Big East, Big 12, Big Ten, SEC and Pac-12) have earned annual automatic qualification for the 2010-13 seasons by virtue of contracts to host the bowl games, and/or by having met a four-year metric based on competitive results (The ACC champion plays in the Discover Orange Bowl, the Big Ten and Pac-12 champs in the Rose Bowl presented by Vizio, Big 12 in the Tostitos Fiesta Bowl and SEC in the Allstate Sugar Bowl). Additionally, the highest-ranked champion of Conference USA, Mid-American, Mountain West, Sun Belt or Western Athletic conferences will be guaranteed a slot in a BCS game if that team is

Playoff Coming In 2014-15

On June 26, 2012, the BCS Presidential Oversight Committee agreed to launch a four-team playoff beginning with the 2014-15 season. The new format will continue at least 12 years, through the 2025-26 season. The semifinals will be rotated among six bowl games and will be played either New Year's Eve or New Year's Day. The championship game, to be managed by the 11 conferences and rotated among neutral sites every year, will be on a Monday at least six days after the last semifinal game. A selection committee will rank the teams for the playoff.

ranked 12th or higher in the final BCS standings, 16th or higher if its ranking is higher than that of a champion from one of the six conferences with automatic qualification. Other teams are eligible to be selected at large by a bowl game if they finish among the top 14.

The champions of the Big Ten and the Pac-12 will play in the Rose Bowl if they do not qualify for the National Championship Game. Other "regional consideration" tie-ins include the SEC champion in the Sugar Bowl, the ACC champion in the Orange Bowl and the Big 12 champion in the Fiesta Bowl if those teams are not ranked No. 1 or No. 2 in the final BCS Standings.

Bill Hancock, Executive Director

Longtime athletics administrator Bill Hancock was named the first Executive Director of the Bowl Championship Series on November 17, 2009 and, in doing so, achieved a unique double-double at the upper echelon of intercollegiate athletics. He was the first full-time director of the NCAA Final Four and is now the first executive director of the BCS. Hancock served for 13 years as director of the NCAA's Division I Men's Basketball Championship--the three-week March Madness event that culminates at the Final Four. After a family tragedy, he retired in 2002 and for three years was the tournament's media coordinator on a consulting basis before being named BCS administrator in October of 2005. He is a 1972 journalism graduate of the University of Oklahoma and worked in sports information at his alma mater and also on the staff of the Big Eight Conference before being named director of the Final Four in 1989.
