Coach's Quotes----Virginia 30-South Carolina 20, Sept. 6, 1986, Scott Stadium
Charlottesville, VA--

SC Coach: ~~Jim~~ Joe Morrison:

"I was very disappointed with our play, particularly in the first half. We didn't play very well on either side of the football. But we had our opportunities in the first half. Then in the second half we came out and had a fine drive, made a good defensive stand and had a ~~chance~~ chance to get right back in the ball game. We thought we would be tied heading into the fourth quarter. But they made a good stand on the one yard line; I thought we could make one yard. Then they almost go 99 yards and eat up about 6 or 8 minutes off the clock. I thought that was a very crucial factor.

"This was a very disappointing loss, maybe one of the biggest since we have been here.

"I thought we'd do a better job of shutting them down. They really didn't do much different than we had expected. But, give them credit. They made some big plays when they had to.

"We ~~we~~ planned on the running the ball more this week than last. There were several reasons--we thought we could run the ball and wanted to get more of a ~~bit~~ balanced attack."

VIRGINIA COACH GEORGE WELSH

There were a lot of mistakes out there. They made a lot and we made a lot, but we made the big plays and I think that was the difference.

I think ~~that~~ we played all right on defense. We made some mistakes, but that wasn't bad for a lot of guys being out there for the first time.

(offense) We missed some things and we were really sloppy. We didn't get the ball in (the end zone) down there a couple of times. That will catch up to you later in the season.

(On the running backs) Morgan is a big back and has great vision. Warren has good acceleration for a big back. That's what they're capable of. But we missed some things, too. We missed some cuts and didn't see some things.

We were worried about ~~our~~ running the football with any consistent execution. We thought if we could pass protect we could throw the ball some. But our pass protection was a little shaky, and I think Ford is a little rusty.

Our quarterback did a hell of a job. He read some things, he dumped the ball off and he called a lot of the game at the line. ~~They~~ Their defense forces you to do that. They come up to the line, they back off, they blitz, and you have to read what they're doing.

COACH'S QUOTES-- Virginia vs Georgia Tech, September 20, 1986. @ Virginia

Georgia Tech. Coach: Bill Curry

"I told them before the game that we're not a young team anymore because we're league play, and there are no allowances made for young or old hot or cold, artificial turf or grass. You just have to win.

"I felt we showed marked improvement this week, and I was very proud of the effort, just sheer effort. Even had the outcome not been as pleasant as it was I'd have still been proud of the effort.

"The obvious thing we've got to improve on are the disastrous penalties. That's not our hallmark. We've been the least penalized team in the league khtwo of the last three years, and we were second last year.

"Majkowski going out of the game really hurt Virginia. It put them in a very tough spot. That's regrettable but it's a part of football. I hope he's okay because he's a great player.

"Now we've ~~far~~ got to be sure and ~~to~~ improve as much this week as he did last week, because we've got our hands full with Clemson beating Georgia.

"Kelsey makes a difference. It's good to have him back. His run was one of the keys to the game/

"I thought one of the biggest keys to the game was bringing it off the 1-yard line and taking it down the field, not giving them the good field ~~pos~~ position while they were hot. Had we not been able to do that, it would have been a lot tougher.

NOTES: This is Georgia Tech's eighth straight game without a loss, dating back to Oct. 19, 1985, when the Yellow Jackets lost to AuXurn, 17-14...

Kelsey's 73-yard run was the eighth longest in Tech history, and the longest since Eddie Lee Avery ran 70 yards for a TD against Air Force in 1978...Gary

Lee's two catches give him 48 for his career, tying him for 15th on Tech all time list...Cory Collier's 50 yards rushing gives him 1,219 for his

career, putting him 13th in Tech's career list.

VIRGINIA COACH GEORGE WELSH:

"I don't know we go from here. We have to take care of ourselves first. That's what we tried to do this week, but we didn't do a very good job of it. I don't think we're very good, anywhere. I think everybody is capable of being better.

On an explanation for the fumbles: "If there was one, I'd do something about it. We didn't do anything different this week. We're doing the same things I've been doing for a long time. You can't spend the whole day working on fumble drill.

"I don't know how you judge teams in a game like this. They were better than us tonight, even without the fumbles. I've been through this before. We just have to buckle down.

"I thought the intensity was OK. It's very discouraging to both the offense and defense when you drop the ball so much. I think we had a letdown before the half. We gave up that long touchdown pass.

On Majkowski's injury: "It's a sprained ankle. He said he was alright at halftime. I thought he was limping a little much in the fourth quarter, so I thought I'd better get him out before it got too bad. I didn't want to use him if it was going to hurt him for the next few weeks."

Sept. 27, 1986

Virginia at Duke

DUKE HEAD COACH STEVE SLOAN

"I want to congratulate our players. This was really a big game for us...if we had lost this game we're kind of in the same syndrome we were in last year. Our team played real hard, our players gave great effort...our defense didn't give up a touchdown and I was just very impressed with the effort our players gave."

"I want to congratulate Virginia -- they came up with some big plays. I guess we just had a few more big plays."

"I thought Steve Slayden really ran our ballclub well...he had one mistake on the interception but other than that he nearly had a flawless game."

"I don't think we've necessarily turned any corners...but I do think we have a good football team. I thought we had a good football team last year. We're not a great football team but we do have a good football team."

"We've got a lot of young players and they are getting better and better; but I'm happy for our older guys as well. This was a big game for us -- it's our first conference win early in the season since our staff has been here and we're very pleased."

(on defense) "Well, Mike Junkin is a pretty good football player. And Mike Diminick is an excellent free safety. Those two positions -- strong side linebacker and free safety -- are key to our defense, and we've got two excellent people at those spots."

"I think genuine confidence is developed by winning over a period of time and we haven't really won over a period of time, but every little piece of confidence that you can gather is good. So I would hope this victory would be positive for our team."

VIRGINIA HEAD COACH GEORGE WELSH:

On QB change on Majkowski injury: It would be better to have your quarterback going in there like that when you have to changey nobody wants that. We didn't get the execution a couple of times. I'd say he did pretty well.

On pass to Ford on fourth down: I wasn't sure. He's made some like that before. It's still a little overthrown. That's how we're losing games. By inches.

On decision to start Rice at tailback: (We made it) on Mondayafternoon. Just for stability. I'd like to settle down a little bit but we're dropping the ball so much I felt we had to do something.

We're not getting the real good execution on offense that we need to score toudhdowns. We're moving the ball enough but we're not getting any points right now. We can't get into the endzone.

It's been a while since we've lost three in a row. I don't know if we're up at all. We we'ra't up tonight. We've been playing like there's a cloud over us for parts of a game, a quarter here, a half. We've got to play with a little more emotion.

I'm not frustrated. We;re playing with a short deck in a lot of ways. We're a little short in numbers, we've got a couple of guys hurt. We're stuggling. It's still a long year. Seven games left.

Scott Secules: We need to make the big play. The fourth down pass to John (Ford) was big . That one will hurt for a while. We've got to get the ball in the endzone, that' the whole thing.

s

Antonio Rice: We have to develop a philosophy of whatever it takes. If you're down there close, you've got to punch the ball in. Whatever it takes to do that.

Injury to quarterback Don Majkowski was a bruise to his right shoulder

Kevin Cook's interception for a TD was the first Virginia interception return for a touchdown since Sept. 29, 1979 when Jim Hyson returned an interception 57 yards for a TD versus Duke.

Virginia Head Coach George Walsh following Virginia-Virginia Tech game:

We're in dire straits on defense until we can settle down. We've had to change our defense so much I think it's hurt us. Not that we're playing well, but I think that hasn't helped us. Too many guys we didn't know about until Tuesday. We've had to change lineups and people, we're playing with two down linemen who haven't played for a couple of weeks. It hasn't helped us, that's no excuse, I think they're gonna win anyway, they're just better than we are today.

Some of the stuff inside (defensively) was the way we played against Clemson. When we decided to move Sean Scott to inside linebacker, we had to make some other changes.

They cracked on our ends a lot, and we didn't get good support in the secondary.

I wasn't sure I wanted to play Don (Majkowski) before the game. (Secules) had a ~~ankle~~^{even} thigh and it tightened up. He had it early. When he told me it was tightening up I thought we had better get him out.

It's those kind of things that are killing us this year. We had them backed up on the five yard line with ~~two~~^{three} minutes to go. You think you can stop them there and make them punt and at least get a field goal out of it. Then the next thing you know they've got a touchdown. That's the kind of stuff. We can't stop anybody.

I don't think he (Majkowski) played very well. Neither did anybody else on the team, probably. It's been a long time (since he's played). He's not Jim McMahon, after all those years come ~~back~~ in like that and throw two touchdown passes.

VIRGINIA TECH COACH BILL DOOLEY:

"Our players wanted this game badly and they went out and got it. I couldn't be prouder of all the men on our team who dedicated themselves to scoring a victory.

"We were not ready to play last week and we got whipped. When we are not mentally ready to play, we are not very good. When we are ready to play, we are a pretty good football team. Today, we looked like Virginia Tech.

"It is always good to beat your top state rival. It has ~~been~~ to be satisfying for the Virginia Tech family and friends.

"I thought the drive at the ~~end~~ end of the first half for our third touchdown was very big. We regained the momentum in that drive and it made a big difference to go in 11 points ahead. Then we came out and played extremely well in the third quarter to put the game away.

"Erik Chapman was great all day, especially on that drive at the end of the first half. Eddie Hunter and Maurice ran extremely well. But don't forget the fullbacks-- Earnie Jones, Sean Donnelly and Rich Fox. When our tailbacks are running like that, the fullbacks who are the lead blockers are doing their job.

"The defense played very well. Except for the one long TD pass when we got mixed up in our coverage, we had a good day defensively.

ON MORGAN ROANE---I had to take a little disciplinary action against Morgan and that's all I am going to say about it. He is back in good graces after this game and he will be ready to go against Kentucky next Saturday.

VIRGINIA COACH GEORGE WELSH

It seemed like the momentum changed in the third quarter when we were ahead 24-17. They had a 3rd and ~~16~~ 16 in their own territory and they got the first down on a swing pass. That was a significant play that they executed.

Then there was the fourth down that we didn't get. In games like this those kinds of plays are important. Although sometimes it seems like, the way we're going, we can't make the play wherever it is.

We moved the ball well enough to win. Maybe we should have gotten a couple more (scores), but we did well enough on offense to win.

(Two point conversion) That was the play we wanted, but we didn't get the execution we wanted. He has a couple of options, and we don't think he picked the right one. But we didn't get the ball back either.

(Rest of season) We're going to try to win a couple more games. I know it doesn't look good, but we just have to try and suck it up.

We're not getting any better.

WILLIAM AND MARY COACH JIMMY LAYCOCK

This is just another win for us. I'm really excited for our players. They deserved to win; they've worked hard all season. This was a great win for Williams and Mary (the school) and for our entire program. Our players showed a lot of poise and character out there today.

(On the offense): We played well offensively. I think the key for us today was upfront. Our line didn't give up any sacks. We did a lot of things well out there today.

(On the defense): I knew going in that we might struggle defensively. We kept them from getting the big play on us (except the touchdown pass), and that's what we wanted to do. I expected to see more of the optimum from them. We worked a lot on it this week.

(On Ken Lambiotte); It didn't surprise me at all what he did today. He's showed an incredible amount of poise since the first game of the season. He did an outstanding job for us today.

I was confident after looking at the game films that we could beat Virginia. I think too our players were confident even after our loss to James Madison last week.

It's just a great win for our school and for our players.

N. C. State Coach Dick Sheridan: "We can't expect, week-after-week, to put on a rush at the end and win the game. We put ourselves too deep in a hole to come back this week.

"I feel very badly because we had worked so hard to put ourselves in a position to win. But we weren't able to control the line of scrimmage, like we have in other big games. You have to give credit to Virginia. You don't win games unless you control the line of scrimmage.

"Our poor performance in the first half was not all Cam's fault. We didn't help him much. We couldn't get our running game going. We have confidence in Cam. We still made mistakes when Erik was in there to stop drive. I thought Erik made a gutsy effort today.

"Defensively, we came up with big plays to force field goals, but inbetween we weren't as effective as we have been.

"We just made too many mistakes. We probably turned the ball over more today than any game before. And you can't win with that many turnovers.

VIRGINIA COACH GEORGE WELSH

Without Kramer they probably don't have six wins. They probably only have three. But I'm not going to take anything away from our defense because he wasn't in there. We played well.

(Rushing success) We didn't have any expectations to do any better on the ground than we normally do. We thought we'd have to throw more.

(Second half passing, 0-3) We didn't want to throw the ball too much, but we probably should have thrown it a few more times. But we did what we had to do to win.

(Durwin Greggs) He made some subtle cuts inside, and he runs low. That helps him bounce off tacklers. He's got good vision, and you've got to figure we got them blocked.

It's a win that the team really needed, like the Wake game. We desperately needed to win. You might think that it (the loss to William and Mary) might be the end of the season, but you should never estimate 19- and 20-year-olds.

~~Exhibit~~ (On being in wheelchair with broken leg): I wasn't in on the calls as much as I normally would be, and I didn't know what the defense was doing. We would have had to use too many headsets for that. But I knew what the offense was doing, and I could see them pretty well.

COACHES' QUOTES MARYLAND AT VIRGINIA SCOTT STADIUM CHARLOTTESVILLE
NOVEMBER 27, 1986

VIRGINIA COACH GEORGE WELSH

We were kind of dull for awhile out there. Our concentration wasn't very good. It couldn't have been with all the mistakes we made.

(Touchdown on Maryland's first play) I don't think that had that much of an effect. It's still six points, but it was early in the game. We just haven't been able to overcome things like that this year.

Our passing game hasn't been good the last two weeks. Our timing's been off. We've thrown the ball into the ground, we've thrown the ball behind the receivers. That had been a saving grace earlier, but not the last two weeks.

We're going to put this year under a microscope. We have to examine everything and not take anything for granted. We have to get back to doing the fundamental things that a good football team does.

It's hard to play good defense when you're very young, and we've a very young football team on defense. Next year we won't have that excuse.

MARYLAND COACH BOBBY ROSS

This football team characterwise has not received its due. The game today was not a fancy game. It was almost too easy ~~was~~ too fast. We lost our concentration and Virginia came back. The play on third and one - (Dan) Henning ~~was~~ audible~~ized~~ and got the ball to Milling on the one. It was a big play. We have been playing better each week. I thought we played well here. We started to play very well ~~deensively~~ with a couple of our better players out. Chuck Faucette has been a stabilizing ~~force~~ influence to our football team. Keeta Covington has been feeling better and playing well.

I will continue to fight for this football team, and program. I am only asking a fair and equitable chance to compete. I have a four year contract with three to go. I think talent wise base for our football team for next year is good. We have a couple of spots to fill. I think I have a good job. I think I have a fine job. I called a team meeting for Monday morning at 7:30.
