Virginia Player Quotes

Junior Quarterback Marc Verica

On how to rebound from a loss like this:

“All we can really do is stick together. It’s a tough loss, but we had one of our best seasons ever when we played at Laramie (Wyoming) a couple years ago. There will be a lot of negativity, but it’s important we don’t point fingers and correct the things that cause us to lose, and simply move forward.”

On the team’s psyche after this game:

“I think it’s tough. Losing the way we did today would be tough on anyone. It is extremely important to bounce back, and how we respond will ultimately define this team.”

On what needs to change before you play TCU next week:

“We have to take care of the football.”

Senior Quarterback Vic Hall

On how to rebound from a game like this:

“It’s extremely frustrating. We have to stick together to overcome this, and the only thing that can right something like this is hard work.”

On touchdown run in first quarter:

“It doesn’t matter. We didn’t win the game. If one of us dies, we all die. Mistakes overshadow plays like that.”

On how it felt to be back under center:

“I just want to play football, and I was just glad to be out there with my teammates.”

On moving forward and preparing for TCU:

“We have to stay together, and most importantly remain positive.”

Sophomore Wide Receiver Matt Snyder

On bouncing back:

“Tomorrow’s a new day. We will have to go out there, practice extremely hard, and work together to correct our mistakes.”

On the wide receivers as a unit:

“Everyone played hard today, but we didn’t take care of business. We have to go out tomorrow, practice hard, and we will bounce back.”

On play of the defense:

“They played great. They played their hearts out for us.”

On team's psyche:

"Losing is always the most painful thing that could happen to a team. We just have to be sure to stay together, pick each other up, push each other and get ready for TCU next week."

Senior Linebacker Denzel Burrell**On what to take from the game:**

"Obviously you can't turn the ball over as much as we did, and every Saturday, both teams are out here to win. You're not guaranteed a win by any means. You have to play harder than the other team, and tonight they just outplayed us."

On how to move forward and prepare for TCU:

"We have to work on the fundamentals and holding the ball. We have to work on the fundamentals, execute and prepare all week for TCU, and that's what we're going to do."

Freshman Linebacker Steve Greer**On the loss:**

"Obviously we're disappointed. We didn't get the results we wanted, but right now I think we just need to move on."

On the William & Mary offensive line:

"We practiced defending the quick passes all week and they tried to deny us from having a good pass rush."

On illegal substitutions calls:

"Sometimes I think we can be in a hurry to get out there. We felt the urgency to get out and try to stop this team."

Coach Groh Quotes

On William & Mary:

“We congratulate them on the win. They did everything they needed to in order to win. They deserved it in every respect.”

On the game:

“We were hoping this game would be a lot smoother than it was. They had a very good plan and we didn’t execute very well. Hopefully, now that we’ve played against some competition, we’ll have a chance to move forward with it.”

On William & Mary QB R.J. Archer:

“He brought his team home a winner. That’s what he’s supposed to do.”

On the Virginia Quarterbacks:

“Clearly we need better performance than what we got from that position.”

On playing three quarterbacks:

“With three players who have all performed in games before, whatever it will take to get that position to be as productive as necessary, in any particular game, we will do it.”

On turnovers:

“We turned the ball over seven times ... and it’s clear that we need more work on what we’re trying to do. That’s the answer to this game. Turnovers.”

On Vic Hall:

“He gave it everything he had today. His seven points were pretty important to us in the beginning.”

On the Virginia Offensive Line:

“Clearly we struggled. We had one ball turned over. We need to do a better job up there but we all need to do a better job.”

On what he told his team after the game:

“There are 11 more weeks to go. There will be a lot of negativity out there. Some of it well deserved. We can either crack or we can stick together. One thing we have never done around here is crack.”

William & Mary Player Quotes

Senior Defensive End Adrian Tracy

On being ready for the game:

Our coach has prepared us very well. We were mentally tough and well conditioned. Coach said we were in the right place at the right time.

Senior Quarterback R.J. Archer

On being from the Charlottesville area:

I don't think it's sunk in too much yet. I told these guys on defense, I mean, they played their hearts out tonight and really I think they won the game for us. I'm tired of going against them in practice, I really didn't care who it was, I just wanted to come out here and play someone else. They're, as you see tonight, the toughest team to go against. Yeah, it really hasn't sunk in too much yet. It's the first game still and I hope we can build on this and make it a nice season.

On whether he had pre-game jitters:

I was more nervous before the Villanova game last year, opening at home in front of all the fans that like me a lot. Coming in here, I just... I don't know why, maybe just the same thing, it hasn't sunk in yet, but I just went out there and had a blast.

Freshman Defensive Back B.W. Webb

On starting his career with this win:

It's kind of like a dream almost. Everything happened at the right time.

On his interception:

Coach always told me to know my techniques and watch the other guy... and the guy came right into my area.

I was really excited. My first touchdown, I can't even explain it. So much emotion.

Sophomore Linebacker Jake Trantin

On containing UVa's quarterbacks:

We knew they could make plays, but they did a really good job containing the quarterback. For the most part we contained him pretty well.

*The Horned Frogs won their season opener for a seventh consecutive season, the longest stretch in TCU history since a school record 17 in a row from 1920-36.

*TCU has allowed a total of 17 points in its last three season openers. In its last five season openers, the Frogs have allowed just four touchdowns and a total of 34 points. TCU has won five straight road season openers.

*TCU and Virginia met for just the second time in their history. The previous game was a 20-10 Cavalier victory in the 1994 Independence Bowl.

*The Frogs were facing their first ACC opponent since a 31-10 loss to North Carolina in 1997. TCU is at Clemson on Sept. 26.

Virginia vs. TCU

Sept. 12, 2009

Virginia Head Coach Al Groh Quotes

On the game:

“Clearly we need to play a lot better than that. We need to be cohesive. We’ll continue to work and grind away at that.”

On the penalty called prior to TCU’s first touchdown:

“It certainly was a significant play in the game. It turned out to be a seven-point play.”

On TCU’s strengths:

“They were the No. 7 team in the country last year and it is pretty apparent why they’re ranked highly. Their quarterback [Andy Dalton] is an excellent player. He was able to really control the game in a lot of different ways. And their defense was one or two in the country last year so we understood it was going to be rugged moving the ball but still, we expect more out of ourselves.”

On the Cavaliers’ difficulty to complete long passes:

“First of all, quite obviously, the ability of a quarterback to go downfield, or for that matter, the team to go downfield, it’s based significantly on the amount of time the quarterback has to do so. Unfortunately, Jameel [Sewell] was under quite a bit of duress. We need to do a better job of protecting him on those plays.”

On the positives in the game:

“I think the catches of the two young receivers late in the game [Javaris Brown and Tim Smith], we had to be encouraged by that. For them to be able to step up and make those plays and now they have their first big plays and they both resulted in touchdowns. There’s certainly hope that there’s a boost of confidence that comes from that. Jameel has a whole game under his belt. We hope to see some benefits from that. Obviously the points say we have to perform better on defense than we did but we had our moments there where we did okay.”

On scoring late in the game:

“We had some really good individual plays. Jameel shook loose. Javaris stayed with his route. That’s how you score points.”

On the Cavaliers’ fake field goal:

“In retrospect, I think that was a poor decision on my part. It had the same effect as a turnover. But we weren’t out there to try to prevent losing. We were out there to try to win. We hadn’t generated anything close to making us think that we were going to get any points at that point offensively so the thought was to try to generate some movement and field position and try to turn that into points.”

On what he’ll tell the team moving forward:

“Stay together and keep grinding.”

On fan support:

“There was a great group of fans there to greet the team when we arrived at the stadium today. The positive encouragement and positive energy they supplied was wonderful and those are the people we really want to win for. We’re grateful for the energy and the enthusiasm the players got from their fellow students.”

UVa Player Quotes

UVa sophomore cornerback Chase Minnifield

On what the team will take away from this game:

“I think we can take a few things away from this game. The fact that we never quit playing says a lot. We are just going to keep working and keep going tomorrow.”

UVa senior linebacker Denzel Burrell

On the positive aspects of the game:

“We can build on some things. We knew they were a spread offense, and they came in and did what they wanted to do and what we had expected from them.”

“I really think there are some things we can take back from this game, like not giving up and fighting until the end. We did not allow points when a lot of other defenses would have probably given in.”

On TCU’s first touchdown:

“That was a really tough break, especially with the call, but you just have to bounce back and get it out of your head. You have to play every down and you cannot think about things that are in the past.”

“It was tough, but we stayed in and kept fighting and I’m proud of everyone for the fight we brought.”

On the rest of the season and sticking together:

“We still have tons of football left, and that is the beauty of it. This is just one game, and we are in the hole at 0-2 but we can come out of it just as quickly next week.”

“The locker room stands together, and it is a tough loss for all of us. We are just going to get in there tomorrow, watch some film and get this out of our heads. We are going to work hard and have a helpful week of practice.”

UVa Player Quotes

Virginia sophomore safety Corey Mosley

On matching up with TCU:

“We knew what they wanted to do going into the game. They wanted to make first downs, take care of the ball, and eventually put points on the board. We just wanted to keep everything in front of us and let our athletes make plays.”

On late hit call:

“I am a pretty aggressive player, and that’s something we preach on defense. We want everyone to be aggressive and look to make plays. I had to just keep my focus and worry about the next play. Hopefully next time we won’t get that yellow flag.”

Virginia senior linebacker Aaron Clark

On TCU offense:

“They have a lot of very good players on their team and today they came to play. We didn’t accomplish what we set out to do, and they did, so hats off to them.”

On looking ahead:

“You have to have a short memory. We have to keep working hard, and strive to get better as a team.”

On fake punt attempt:

“ Sometimes you have to try things, and unfortunately for us, it didn’t work out. We definitely have to execute better next time.”

Virginia freshman wide receiver Tim Smith

On fourth quarter touchdown catch:

“They called a play, and I ran a route. Jameel made a great throw and I was able to make a play. That’s my job.”

On TCU defense:

“They mixed up coverages, showed us cover two, cover eight, and pressed us a little. They gave us a number of different looks. Next time we just have to execute better.”

Virginia senior quarterback Jameel Sewell

On late touchdowns:

“I was just focused on getting my playmakers involved in the game. I was able to get the ball downfield, and they went up and made plays.”

On getting young receivers involved early in the year:

“This will be great for them. It’s something to build on, and in terms of their future, the sky is the limit. If they keep up the same mentality and intensity they will have great careers here.”

OVER

On career high rushing attempts:

“That comes from both design and feel. There were times I scrambled out if I didn’t like what I saw, but most of it was by design. “

On rough start:

“I never quit. I didn’t come back to quit on my brothers. I would do anything for those guys. These are tough times, but there will always be bumps in the road. We have to respond as a team and stick together.”

On getting the offense on track:

“It’s all about everyone getting on the same track and having the same mentality. All of us have to have confidence not only in ourselves, but also in the guy standing next to you. We have to know that we can win and play at a very high level.”

On play of the defense:

“We have to give those guys a break. They can’t be out there for as long as they are and expect them to be successful. Those guys never quit fighting though and they always dig themselves out. We have to do a better job on offense and keep those guys off the field.”

On 29 yard run in second quarter:

“That was a great play and it all started up front. Rashawn (Jackson) threw a great block and Joe Torchia also got in on it. It was a designed run, and those guys up front blocked it perfectly.”

On facing #16 TCU early in season:

“This game will do a lot in terms of giving guys confidence in their capabilities. Last week, it showed that we were not confident in our abilities. We have to know that we are a good team, and that we can compete with the best teams in the nation.”

Virginia vs. TCU

Sept. 12, 2009

TCU Head Coach Gary Patterson Quotes

On the win:

“We are glad to get the first game out of the way and get a victory. Evidenced by those last three minutes, crazy things can happen on the road. We felt like Virginia would be a dangerous team, based on what happened last week, and we still think that way.”

On TCU’s offense:

“We have to throw the ball better. We had some guys open and didn’t hit them. As we get down the road, we are going to have to make those plays. We can’t just run the ball.”

On playing the first game:

“Crazy things can happen in first games, and this was our first game. We didn’t want to beat ourselves. Going on the road and beating an ACC team is a tough thing to do. We feel fortunate to go home with a victory.”

On converting third downs:

“We are not going to be very happy when we get home because we were 1-for-11 on third downs. We need to do a better job on third down. Fortunately, we were able to get first downs on other downs.”

On Virginia’s offense:

“We had five weeks to get ready for Virginia. They are so diversified on offense. It got us ready for the rest of the season. I was proud of our kids, and they handled the no-huddle well.”

TCU Player Quotes

TCU junior quarterback Andy Dalton

On TCU's offense in its first game:

"It was good to come out with a win for the first game. Offense, we were up and down, sometimes we'd come in and there were a few three and outs that you never want on offense, but you know, that's part of the game. I really think we came in and bounced back and had some good plays."

On his early mistakes in the game:

"There are a couple throws I wish I had back but I guess it was the first game, I was probably going too fast for things."

On Matthew Tucker and Ed Wesley:

"You know, it's great to see these young guys go in and really carry the ball really well. They're explosive backs who can handle a lot of things and we really got to see what they can do today."

TCU senior defensive end Jerry Hughes

On getting the first game out of the way:

"We prepared awesome for this game. We were looking forward to getting out there and getting to showcase our talents, and that's exactly what happened. Offense executed well, defense came out there and did the same thing."

On UVa as competition:

"Virginia came out there and played a tough first half. They came out there and played tough. We had an early turnover that hurt us, but once we got those jitters out of the way, everybody just started working together."

On UVa double-teaming:

"When they first started up, it kind of threw me for a loop but from then on, I just kind of got used to it and worked around it."

TCU senior linebacker Daryl Washington

On TCU's defense:

"We came in with a gameplan and we executed it. I give a lot of credit to d-line"

On having Jerry (Hughes) up front on defense:

"It makes it a lot easier, because it gives us time to cover easily and with the wide base Virginia has, they were good upfront tonight, and helped us tremendously. It gave us time to settle in and just do what we had to do."

On younger players' performance:

"I talked to Tyler (Luttrell) a while ago and said, "You know, you might like defense. So just try it out." You know, he didn't want to play and it took a bit for him to get his rhythm going. He likes it now, and I told him, 'You know, you want to hit somebody, here's a chance to.' Tank (Carder), he's just unbelievable. He showed up tonight and did a great job."

On this game as a statement:

"Any time you're playing against an ACC team or any team, going into their house is always tough. You want to be able to execute your defense well, so we weren't ready to look at Virginia as underdogs. We kind of see ourselves as underdogs so we ignored it and just took care of the job and had some good plays."

Virginia Head Coach Al Groh Quotes

Opening Statement:

"We made a lot of progress today. I'm really proud of the fight the players showed and the unity they showed in sticking together and continuing to grind away. We're going down a different track now than we were previously. We made a lot of progress in a lot of ways. In the long run, we didn't do quite enough. The other team did a little bit more than we did. I'm very encouraged and very positive of all the efforts of the players today."

On the kickoff return to open the second half:

"That was certainly a significant play. One of the things we talked about at half time was to not let Southern Miss get back into the game fast. Then they get a fluke play like that and it has the same result. We had a chance to make a lot of plays in a lot of different areas and it would be easy to look at one unit or player or circumstance, but we believe that when we scored some of those touchdowns, there were a lot of guys who weren't on the field who celebrated and felt really good about it. So when those scores got on us, it was all of us that got scored on."

On decision to go for it on fourth down in Southern Miss territory:

"We're not going to punt the ball from the 32 then everyone would ask 'Why did you punt the ball from the 32?' It was a little bit beyond the effective range of our field goal kicker so that was one of the easier decisions."

On quarterback Jameel Sewell:

"Obviously the quarterback had a real good game and he's finding his stride. I'm very pleased with what Jameel did, both in his performance and the competitiveness that he showed. He showed his teammates that they can jump on his back and he's going to try to carry them. He made some good throws and the receivers made some good catches. There was a lot of activity though."

On the kickoff return for a touchdown:

"Clearly that was a big momentum changer. I saw it coming. We didn't fit on the blocks properly at a number of spots. Special teams, every play it's a jamboree. You can make a tackle of the 15-yard line and get creased on the next one. We fit on them very well early on. On that one, we had a number of players who did not fit properly on that one."

On the physicality of the game:

"That was a very physical game. Through the weather, the duration of the game, the back-and-forth of it, and the big plays, I think we have two pretty worn out teams. I don't think either team would want to play"

On the performance of the offensive line:

"It seemed as the game went on, maybe we weren't as air tight as we were earlier. We did a good job with the pressures but the quarterback was forced to hold the ball longer. It was a cohesive effort."

On defensive back Chase Minnifield:

"I think we could have all done a better job today. If we had all done a better job, we would probably all be a lot happier."

Virginia Player Quotes

Chase Minnifield, #13, Defensive Back

On pass interference call on safety:

"I was kind of shocked on that pass interference call. It was on our safety and I watched the replay and I didn't see any pass interference but it goes both ways out here."

On how frustrating it is to lose again:

"It's a little frustrating, but as a team we're going to take this as a building stone and go back to work tomorrow. We keep on getting better because obviously our hard work has paid off. I mean, this is the best game of the three."

On if the heat took a toll on Southern Miss' running backs getting yards:

"I'm not going to blame it on the heat. We, as a defense, just need to beat blocks"

On how frustrating it was to give Southern the momentum right back after the half:

"It's pretty frustrating because we are really trying to focus on special teams this year. We're not used to that, and we work really hard on special teams at practice everyday so we'll go see what happened and we'll work to fix it."

On what he saw during the 100 yard return:

"We were bringing people in and out because of the heat. We had people cramping and just coming in and out and it just broke."

On the play that started the second half:

"I'm really not sure what happened on that play I thought the play was over, but it was running. I don't even know who had the ball honestly."

On how they felt about the lead before the half:

"When we were in the locker room, we were pretty comfortable as a team. We weren't going to let up, that was our MO. We were disappointed today, but you're going to hear from us. We're not going to stop from there."

Nick Jenkins, #96, Nose Tackle

On the flow of the game:

"They were a physical team, they played well up front. They hit, but we didn't match."

On if they started getting worn down by the end of the game:

"No, I don't think so. Just a couple breaks here and there, but we didn't come out on top"

On how 4-5 plays can change a game:

"That's any week. Foul play here, replay there can change the outcome during the game for sure."

On how well Southern Miss running back Damion Fletcher played:

"He's shifty. He's good. I have to give a hat off. The kid he's a pretty good back."

Head Coach Larry Fedora Post Game Quotes
Virginia Game, September 19, 2009

Opening Statement:

“I guess the first thing is to just say wow. I do not know how we could put ourselves in a worse situation that we did in the first half with balls on the ground, dropped passes. You name it, we did it. At halftime there was not a lot of yelling and screaming basically it was just that we are going to find out what you are made of, what is inside you and what kind of team we have. Until you face adversity you really never know and that is the first real adversity we have faced this year.”

“I think it says a lot about our team. I knew that we would not quit, I knew we would play all the way until the end and they have played to the end in every game, not only this year but last year as well, that was never a question. The question in my mind was if we were going to run out of time or not. I am proud of the way they bounced back. I really believe that this team has something special inside of them. They have a chemistry that you can go along way with. Obviously we have a lot to work on, we have to get much better in a lot of areas, but give Virginia some credit to, they made some plays today. They were not just out there doing nothing, they made some plays today. They have some good players. I am very proud of the way our team fought back and just the grit they have inside is what I am most proud of.”

On the Eagle Formation (Running back taking the snap):

“We got quite a bit of yardage out of that today. We had planned on going into the game and calling it six or seven times and we probably called it about seven or eight maybe nine times. I think we got some pretty good yardage out of it. The first fumble that (Damion) Fletcher had I think he picked up about 15 yards before the safety popped the ball out but we went back to it. We have been practicing it all camp and getting ready for it. We ran one play of it last week and did not really give it a chance, this week we got after it a little more.”

On staying with the Eagle formations after the bad snap and delay of game penalty:

“Damion is not a quarterback, if he was he would have ran out there, saw the clock was winding down and got the ball snapped. That is our job to make sure he understands that and we probably did not convey that to him well enough, he will not make that mistake again. We will also run it with multiple people, not just Fletcher back there. We actually have a nice package off of it and we have only shown three plays so far.”

On Freddie Parham’s 100 yard kickoff return:

“Awesome. We went into the game saying we had to make one game changing play on special teams. That was our goal on special teams this week. He did a great job then (Tracey) Lampley comes in and takes some punt return and makes a few plays with that too. We have some guys who can make plays, we really do and we knew that, we just have not had the opportunity to do it. With the way we played back their last week with the balls on the ground I know everyone was worried about them, I just knew what the problem was and that they would get it corrected.”

On Virginia’s quarterback Jameel Sewell’s play today:

“For a quarterback to do what he did in this game is a heck of a deal. He was probably the leading rusher and then threw 24-of-36 for 312 yards with two touchdowns. I thought he did one heck of a job and showed he has a lot of guts. Their receivers were making some plays as

well. They were stretching out there and making some catches. We had guys draped all over them and they were still making the catches.”

“He was their leading rusher and passer, he did it all. They go by him. They are going or make or break themselves by what he does. He is a good player and a kid that the system fits. If he had another year in that system he would be pretty dang good in it now.”

“You have got to give them credit. We knew that they would come in here and fight that they would not lay down and they did not. They fought all the way to the end too. That is a well coached football team. We were better that they were today and that is all that matters because we only play them today.”

On still winning a game where so much went wrong:

“I have had some games where a lot of things went wrong, but where we fought back and won like that. I think that we have some guys that have some special things inside of them and they believe they were going to win the football game, it did not matter, they just believed.”

“If you think back in the first half the defense was playing great. We gave Virginia the ball down there on our end two times and we held them to field goals both times. They let them score on the two drives right before the half but then they came out and fought and did what we need them to do.”

Southern Miss Player Quotes

Damion Fletcher, #25, Running Back

On Eagle Formation:

"I like the Eagle formation. It gets the defense off balance; they have to worry about more than one running back at a time."

"Virginia played real well tonight. We couldn't capitalize on turnovers. We did a lot of little things like penalties; we could've played a lot better game."

On the come from behind win:

"It feels great right now. I'm all smiles. We have a lot of heart, being able to come from behind. We've played in front, tonight we showed we can play from behind."

On beating BCS conference school:

"It's very big to beat them [Virginia]; they're considered a bigger school, we're considered a smaller school. But we go out there and work hard, and we show that we can play with the best of them. The O-line did a great job tonight."

Martez Smith, #32, OLB

"Our D-line is playing so good; so just by us running to the ball, great things happen. Our D-line did a real good job of containing him [Sewell] and keeping him in the pocket"

On personal fatigue

"The adrenaline is rushing right now. I could go back out there and play another two or three quarters."

On keeping Virginia out of FG range in 4th quarter:

"The thing going through our minds is to give a little bit more. Coach Fedora is always telling us to give a little bit more even when we feel like we can't. "

On Coach Fedora at halftime

"He didn't come in fussing; he knew we were going to come and step it up another notch."

On Defensive frustration

"We were on the sidelines telling each other to keep it up, keep it up, let's keep going and play the next play. Don't worry about the last play we had to adjust to them [different offensive formations] on the run"

Terrance Pope, #90, DT

"We knew they weren't going to come in and lay down. We expected a good game. They were 0-2 and it was the first time for them to play in our house and they were looking for a good win"

Tory Harrison, #11, Running back

On touchdown run:

"The previous play I had thrown an interception, so I had to do something to come back. We needed something big to happen and coach felt like I was the man to do it. I didn't see the safety, so I threw it. If I would've seen him there, I would've run it or thrown it away. Austin Davis made a key block with Leroy Banks to make a hole. "

On being down 17 points:

“Going into the game, we knew we were going to face adversity. We had to play hard.”

On Virginia’s fatigue

I think they were tired. Our conditioning coach has done a good job conditioning us, and we went hard.

Austin Davis, #12, Quarterback

“The block I made for Tory was the most exciting play of the game for me. I closed off the end, and he got to the outside and I looked up and he was gone. I don’t get to do that a whole lot. It’s not quite as good as throwing a touchdown pass, but it does feel pretty good.”

On what he thought was the biggest play

“You have to give Freddie Parham and the special team’s unit credit on the kickoff return.

On Damion Fletcher:

“He’s a great player. That’s what he does. His yards haven’t come easy this year in any game. He continues to fight and the records show what kind of player he is and how good our offensive line is.”

On Virginia’s mindset coming in:

“We knew it’d be a challenge, because we knew they wanted a win. We thought back to when we needed a win. We knew they’d be fighting and knew it wouldn’t be easy. We wanted to get up early and give them a negative mindset of ‘here we go again’, but we didn’t. We had to fight. It shows all the guys in the locker room have a lot of character. “

Virginia Head Coach Al Groh

"We're very proud, very appreciative of the effort they put in to make this happen, and very happy for them that they can enjoy a moment like this. That locker room in there, if you've ever been in one or participated in one, everything that we all do for months and weeks is to experience the five or six minutes when a team comes into the locker room and has that sense of satisfaction. That's what it's all about. And they earned every part of it. It's a player's game, and they earned every part of it."

On putting pressure on T.J. Yates:

"The defense, obviously, everybody talks about how it's we, us, and ours. When we win, we all win. But everybody's got to do their share of the job. The offense, when we had good field position we were able to take advantage of it. Special teams gave us nine points that were very important, so certainly anybody who put in time on one unit or on multiple units can feel very good about."

On the three field goals by Robert Randolph:

"He (Randolph) really stepped up today. He really hasn't had to make too many pressure kicks that determine games. He did today. Just as I say about the whole team, as the season evolves we learn more and more about our team, who we are and what we can do and we learn more and more about the players."

On the significance of the late touchdown:

"It was a different kind of a two-score game. It probably would've been the case anyway but it kind of dictated from that point on, for us defensively at least, it would be a dime game for us. And we had played very well in the dime throughout the course of the game."

North Carolina Head Coach Butch Davis

"Certainly it's a disappointing loss. It's a little bit of a carryover of the same thing from last week. The defense played well enough at times, certainly, to give us a chance to win the game. But it's a team game and we talk in the locker room all the time...you can't just win one phase of the game. We've got to find a way to win two of the three phases, and I thought our defense fought, they scratched and they kept it to a three-point game, a six-point game, for an awfully long time.

"We thought we got a little bit of momentum coming out of the locker room. We moved the ball, we got a few first downs, and ultimately had to settle for a field goal. But we've got to find a way to play better on offense. We've got to find a running game, and we've got to be able to block people at the point of attack. We can't have as much penetration at the point of attack and not allow the back to at least get started at the intended hole or the intended point of attack.

"I referenced the Baltimore Ravens in 2000, that they won the Super Bowl...they didn't score an offensive touchdown for seven weeks. Sometimes you've got to find ways to win ugly. If you coach long enough, and our players have played long enough, sometimes the shoe is on the other foot from a team perspective. There were times last year when we were scoring 35, 38 points and that wasn't enough.

"It's a team game, the only thing that we can do is have a positive attitude about working hard to get better and have an expectation that our players are going to try to improve. It's all about this is a young, inexperienced offensive football team that has got to work every single week on trying to get better and try to improve their fundamentals.

"We turned the ball over three times today and we didn't get any. The opportunities were there today for turnovers. The ball was on the ground a couple of times, we didn't get it. The ball was in the air a couple of times that hit us in the hands and we didn't get it. Those could have conceivably negated some

points, it might not have turned into any points, but it certainly would have given us the opportunity to maybe win the game 10-6, 10-9, maybe you win it ugly.

"We've got to improve, that's my responsibility, it's our coaches' responsibility, and that's the approach we're going to take when we get back tomorrow."

On potentially taking Yates out of the game:

"Not really. Sometimes you just have to play yourself through some poor performances. He didn't play as well as we'd have liked for him to last week at Georgia Tech. He hit some throws today, but he was under duress. I don't know exactly the statistics, but I want to say they either blitzed or pressured something in the neighborhood of 10 of the first 19 plays of the game.

"They are taking advantage and looking at a young, inexperienced offensive line, and they are doing what good coaches do, which is try to exploit somebody. I thought clearly up until about 10 minutes to go in the game, the game was winnable. I think as long as the game is winnable, you want to give your starter the chance to win the game."

On using Ryan Houston more:

"It's clearly part of the scenario that certainly would help. It's something that I think we have to talk about. If you go back to the same exact game a year ago...I want to say we ran for in excess of about 140 yards...It just didn't click for (Shaun) today. We didn't have the ball long enough, when you're going three and out, nobody gets any rhythm. We took the whole first half to find out if there were any runs that would work at all."

On expecting this type of performance today:

"The outcome of the game is disappointing. We wanted to win. I thought we practiced well enough...if we practice like we did last week, we're going to get better. I think most of you heard me say before the week started that the worst mistake anybody could do is look at (Virginia) as an 0-3 team. The one thing they did in the previous games that they didn't do today is turn the ball over."

Virginia Game Notes vs. North Carolina

Virginia has now won 10 of its last 12 against North Carolina, including the last four meetings. Combined with the 22-20 win in 2007, this marks UVA's first consecutive wins in Chapel Hill since 1988 and 1990.

Virginia has won five straight October games and 10 of its last 11 in October. UVA was 4-0 in October last year.

Brandon Woods made his first start of the season at safety. It was the fourth start of his career; he started the first three games of the 2008 season.

TE Colter Phillips made his first career start.

CB Mike Parker saw his first action of the season.

Senior T Will Barker made his 41st career start.

WR Dontrelle Inman made his first appearance of the 2009 season.

Vic Hall returned after missing most of the last two games with an injury. Hall first played on defense at safety, then started on offense at wide receiver. He also took a snap at quarterback.

True freshman DBs LoVante Battle, Corey Lillard and Javanti Sparrow (special teams) as well as PK Drew Jarrett saw their first action at Virginia, giving UVA 10 true freshmen to see playing time this season. They join Will Hill, Quintin Hunter, Perry Jones, LaRoy Reynolds, Tim Smith and Dominique Wallace.

Redshirt freshman C/G Mike Price (special teams) made his first career appearance today. UVA now has 25 freshmen (true or redshirt) to see playing time this season for Virginia.

RB Mikell Simpson rushed for 100 yards - his third career 100-yard rushing day and his first since the 2007 season. It was the most rushing yards for a UVA player this season (Hall 54 vs. William & Mary). It was Simpson's most rushing yards since going for a career-high 170 vs. Texas Tech in the Gator Bowl on Jan. 1, 2008.

UVA held UNC to nine first downs. It was the fewest first downs for a UVA opponent since Miami had nine in 2007.

Virginia allowed just 39 yards rushing, the fewest rushing yards allowed by UVA since giving up 19 to Richmond last season.

Virginia shut out North Carolina in the first quarter. It marks the third straight game that the Cavaliers have blanked their opponent in the opening stanza. UVA has allowed just one first-quarter score all year - a TD vs. William and Mary on Sept. 5.

Robert Randolph made three field goals in the game, setting a career high for one game. He also made two field goals at Southern Miss two weeks ago. He is 5-for-5 in field goals this season. Randolph's 43-yard field goal in the third quarter was the longest field goal of his career.

LB Steve Greer recorded a career-best two tackles for loss. He had a team-high seven tackles total.

DE Matt Conrath made a career-best three pass breakups.

FB Rashawn Jackson tied a career high with four receptions. He also had four vs. UConn in 2007 and at Georgia Tech in 2008.

DE Zane Parr made his first sack of the season. It gives him two for his career (Richmond, 2008).

DB Chase Minnifield made his first interception of 2009 in the fourth quarter. He now has three career picks. Chris Cook made his second INT of the year and has five in his career.

North Carolina Head Coach Butch Davis"Certainly it's a disappointing loss. It's a little bit of a carryover of the same thing from last week. I thought clearly up until about 10 minutes to go in the game, the game was winnable. I think as long as the game is winnable, you want to give your starter the chance to win the game."

On using **Ryan Houston** more:"It's clearly part of the scenario that certainly would help. It's something that I think we have to talk about. If you go back to the same exact game a year ago...I want to say we ran for in excess of about 140 yards...It just didn't click for (Shaun) today. I think most of you heard me say before the week started that the worst mistake anybody could do is look at (Virginia) as an 0-3 team. The one thing they did in the previous games that they didn't do today is turn the ball over."

T.J. Yates, Junior, QB On overall game:"It's extremely frustrating. The defense did a good job once again, the offense struggled. We struggled moving the ball down the field. We struggled keeping our defense off the field."

On UVA schemes:"As far as I know they weren't doing anything out of the ordinary that we hadn't seen on film. They brought a couple blitzes we weren't ready for, but we just got to go out there and execute."

On areas for improvement:"We need to do a better job of seeing what they're doing, what kind of blitzes they're

bringing and getting off the ball quicker."

On the defense: "The defense did a great job; we've got to hold up our end of the bargain. We've got to put some points on the board. They can't shut everybody out. They did a good job and we put them in a bad position which led to that last score."

Greg Little, Junior, WR On areas for improvement: "I feel like going into the game we had the right things called, we just need to execute more. I feel like just like I said before, just being more efficient is the key."

On UNC's struggles to run the ball: "Just being more physical up front and being able to throw the ball down the field will loosen up the safeties and allow linebackers to play half in half out of the box and maybe turn it around."

On the playing UVA: "When a team is 0-3 they're going to come out and fight their hearts out, come out and fight every play because they know what it's like to lose and nobody wants that feeling."

Deunta Williams, Junior, S On the team's strategy: "We definitely are playing with a different approach we've got to go back to the basics and try to find something that works. On both sides we've got to give better effort, and do something, because what we're doing right now isn't working."

On the offense's trials to score: "It doesn't seem hopeless at all. A lot of times I've heard about the Ravens defense 2000-2001. It was seven straight weeks their offense didn't score. There are ways we can find to win, we've just got to find those ways."

Robert Quinn, Sophomore, DE On how defense can help: "We've seen our offense two weeks in a row struggling. They're trying but they're struggling. We're just trying to go out there and get turnovers and put up points ourselves."

On the offense's frustrations: "It's very frustrating when they're going three and outs and we're back on the field or they're turning the ball over and we're back on the field but it's a team game and I'm not trying to play the blame game but the offense has got to help us some."

Virginia Head Coach Al Groh "We're very proud, very appreciative of the effort they put in to make this happen, and very happy for them that they can enjoy a moment like this. That locker room in there, if you've ever been in one or participated in one, everything that we all do for months and weeks is to experience the five or six minutes when a team comes into the locker room and has that sense of satisfaction. And we had played very well in the dime throughout the course of the game."

North Carolina Notes

Indiana Coach Bill Lynch Quotes
Virginia vs. Indiana
October 10, 2009

On UVa's performance:

"UVa is a very good football team and much better than people think. Their win in Chapel Hill last week started it, and I thought they played great tonight. They blocked us all day today, and we had trouble staying on the field. They have a lot of weapons on offense, and they are a very good defensive football team."

On the loss:

"We can't make any excuses at all. We got beat pretty soundly by a pretty good football team. They physically got after us and beat us on both sides of the ball."

On the UVa defense:

"They did what we prepared for. We didn't block well enough. They got in their third-and-long package, and they can put a lot of pressure on you. We didn't have time to wait for people to get open. They have good players, they are well-coached, and they run a good scheme."

On the game getting away:

"It was 14-0 and we had some pretty good stops at the end of the first quarter and early second quarter, but we didn't do anything offensively. Then late in the second quarter, they scored some more on us. Then they started the second half with a score. Give them a lot of credit. They were well prepared and did a great job."

On Indiana RB Darius Willis not playing:

"We made the decision not to play him this morning. He didn't take a lot reps in practice this week. It did hurt us [not having him play], but that was one of those kinds of games where they beat us on both sides of the ball. Any one guy would not have made that much of a difference."

Coach Al Groh Quotes
Virginia vs. Indiana
October 10, 2009

On preparing for the game:

“We all felt very challenged going into the week. The players really took that challenge to prepare for this particular opponent and they took the challenge to move our game forward.”

On the progress of the team:

“Our team has clearly taken another step down the road of progress. There’s a long way to go yet. We haven’t gotten to the halfway mark so the challenge is to keep the progress moving forward. But good progress today. So many people stepped up.”

On the play of QB Jameel Sewell:

“He continued with his third straight positive game and when your quarterback plays like that, and is able to hit the open receivers, and get the game going like he did, that’s a big positive for us.”

On the play of the offensive line:

“They really stepped up. Clearly we’re beginning to become more physical on the offensive line and that leads to more balance for what we’re trying to do, so a good positive move there.”

On Vic Hall playing wide receiver:

“Clearly he is a very significant athlete. Whether it’s returning punts, playing corner, playing the slot, playing quarterback, when hasn’t Vic looked athletic? He’s a great competitor who loves the game of football, loves playing for his teammates, and he did a real good job out there as a receiver.”

On the play of the Virginia defense:

“Obviously, as indicated by the final score, the defense was very strong today. We saw a lot of good plays by the defensive players. “

On RB Mikell Simpson:

“We are sombered somewhat by Mikell’s situation. We don’t have anything definitive on him, but first indications are that we do feel positive about his long term situation.”

Junior Linebacker Tyler Replogle

On today's game:

"We have to give credit to Virginia. They came out and played better than us today. I think it's really that simple. We're going to watch film and regroup. We're going to be a different team next week."

On leaving Virginia's wide receivers open:

"It's all about the film. We're going to come in and find out what went wrong. We're going to fix it and do better."

On the mood in the locker room after the game:

"The guys are down because we lost the game. But I know the team—once we watch film, we'll get excited. There's six football games left. That's a lot of football and we're going to be a different football team."

Senior Left Tackle Rodger Saffold

On the team's age:

"We've got a lot of young guys and we're going to continue to work with them and they're going to get better."

On the team's attitude:

"You have to be all in. There's no in-between."

On the game overall:

"I don't give any excuses. The way we played was the way we played. I'm not going to say it was based on practice or anything like that. Of course, we need to go out and practice and work harder, but like I said, I don't believe in excuses. All I'm going to do is use this and take this experience and just continue to work the next day."

On the mood in the locker room following the game:

"You're always disappointed. It's disappointing. But I think one thing everyone understands is that we're a team. We have to come together and we have to do what we have to do in order to win games. We're not going to put our heads down, we're not going to point fingers at anybody. One thing that we're going to do though, is each of us is going to look in the mirror and say, "what did you do to get better?" And then we're going to rate ourselves."

Junior Quarterback Ben Chappell

On how the team played today:

“That wasn’t our football team. We have to do something to find it, but that wasn’t us.”

On how the game met their expectations for today:

“I didn’t see this one coming. Like I said, this just wasn’t us. I have give Virginia credit though, they played well today. They’re a good defense and they have a good team.”

On Virginia’s defense:

“They played cover two on first and second down and blitzed on third, like we knew they would. We just didn’t execute there at the beginning.”

On the first turnover:

“We had good field position on that first drive and we got a first down. It shouldn’t have taken the wind out of us and we should have been confident that we could drive the ball, but after that we just didn’t execute.”

Senior Running Back Rashawn Jackson

On the victory

“It was a tremendous thing. It was great to see all the guys buy in to the program and get this win. This is a tough Big Ten team and we knew we had to show up and compete. We did, and I’m proud of this team.”

On Mikell Simpson

“Mikell is a tremendous player and we come in every week knowing that we have to be leaders on this team.”

“I’m proud of him, I’m sure that he will be fine, and until then I’ll just keep running the ball the best I can.”

On winning after Coach Poindexter’s number was honored

“It’s a good thing; he is a really good coach and a great guy. He was a great player here, and everyone knows what he did on the field. We aspire to play as physical as he played, and as smart and fast as he played.”

“I tip my hat to him and everything he has done for Virginia, and I am thankful for the role he has had in my career.”

Freshman Linebacker Steve Greer

On holding Indiana to seven points

“It feels good to have our defense working together and everyone seems to be making plays out there. It is fun when the defense can come together out there.”

On winning after Coach Poindexter’s number was honored

“It’s big for Coach Dex, we are all really happy for him, and we are all excited that we could get the win for him today.”

On limiting Indiana’s rushing yards

“We want to go into every game and make sure people know that we have a tough defense.”

“We wanted to be a physical team today, and I think that was a big part of stopping the run.”

**UVa Player Quotes
Virginia Vs. Indiana

Sophomore defensive back Ras-I Dowling

On first quarter forced fumble:

“We practice disrupting the football and trying to create turnovers. It’s something we practice a lot, and today I was able to make a play.”

On setting a tone early:

“We give it all we have every play. Our focus is always on the next play, and it’s good when we can make big plays early in the game.”

On two takeaways and sack:

“Our defense has a mentality that we play for each other. Every individual play is on behalf of the whole defense. There were some mistakes, but we will look at some film, and correct those things.”

Senior wide receiver Vic Hall

On playing multiple positions:

“We are always focused on the play at hand. During the week, we practice these situations so that no matter where I line up, I’m ready.”

On Touchdown catch:

“It was a play we had been working on a lot this week. We got the look we wanted from the defense, and it was a well designed play that was executed for a score.”

On catching TD from Jameel Sewell:

“He’s a guy I’ve been playing football with for the last five years. Every play we make is for the other guys on this team. What better person to catch a TD pass from than the guy you compete with day in and day out.”

On the play of the defense:

“They played and prepared incredibly. Everyone put themselves in positions to make plays, and they did a great job containing the Indiana offense. Anytime you only give up seven points, it shows.”

On defining his role in the offense:

“I think today we made great strides in defining what I can do on offense.”

Senior Quarterback Jameel Sewell

On finding rhythm early:

“We prepared incredibly well. The looks we saw in practice this week were pretty much the same as the ones we saw during the game. We were able to make plays in practice, and today they translated to the game.”

On high completion percentage:

“That’s great of course, but the important thing is that we had zero turnovers. Turning the ball over is what can cost us games, and that was my biggest focus today.”

On touchdown pass to Vic Hall:

“That was a great call in the situation. We ran a post over the middle, and the cornerback collapsed on the post. Vic used his speed and got to the sideline and all I had to do was give him a manageable ball.”

On Vic’s role in the offense:

“It seems that Vic has found his place in the offense. It’s very important that we have multiple play makers on the field at a time. Guys like Kris Burd, Dontrelle Inman, Mikell Simpson, and now Vic too is a great addition.”

On completing passes to eight receivers:

“My eyes were good today. The line did a great job of pass protecting and being physical up front and I was able to keep my head and my eyes downfield. On most plays I was able to go where I wanted with the football, but the amount of protection I had let me come off a primary receiver and hit the secondary receiver just as often.”

On play of the defense:

“The defense allowed us to get great field position. It’s a lot easier to drive the ball 40 or 50 yards rather than 80 or 90. They prepared and executed so well, and it gave us the chance to take some shots early. All the playmakers on the defensive side of the ball had great days today, and the seven points scored defines their success.”

Virginia Coach Quotes

Virginia Head Coach Al Groh

On the loss:

“Very disappointed in the result, obviously. The players put a lot into the week. We knew we had to enhance the performance we turned in last week because we were playing the best team we’ve played. Unfortunately, we didn’t do that today.

On third down conversions:

“The game was a case of third downs. Clearly we did not make enough third downs today to do what’s necessary to stay out on the field. We allowed them too many conversions after we had experienced good plays on first and second downs. That was really a key thing.”

On Nate Collins playing nose tackle today:

“He was the ACC Player of the Week last year in this game, so it made good sense to put him back where he played last year in this game and clearly he confirmed that in his performance.”

On Georgia Tech’s offensive backfield:

“Dwyer, Nesbit and Thomas are clearly the engine that drives that train, and they are a powerful engine. They do a great job. We knew throughout the organization that it would be critical to not let those guys have the best of days.”

On the Cavaliers’ performance in the red zone:

“It was a performance issue. We had two instances where we just didn’t finish off the play. Had the plays been executed more cleanly, then there are two red zone conversions. We have to do a better job of converting.”

On missed opportunities:

“We had our chances. We got out-executed at the point of attack a couple of times and had a decent play on a third down that was well defended.”

On Virginia’s overall performance:

“As the old axiom goes, to win any game, two out of your three units (offense, defense and special teams) have to win the day. Against a team like this, probably all three units have to win the day. “

On Georgia Tech’s advantage in time of possession:

“That’s been the story of every team that’s played them. Last week, their opponent had the ball for just 22 minutes. It’s those three players – Thomas, Dwyer and Nesbit – who have done a remarkable job of making that the case.”

UVa Player Quotes

Senior Defensive End Nate Collins

On preparation this past week:

“Our scout team did a great job this week in giving us a lot of looks. They had an extra practice this week, and they were able to help us prepare for a very unconventional offense. Unfortunately we had a few cases where we weren’t able to stick to our assignments, and that’s what showed up on the scoreboard at the end of the game.”

On switching today from end to tackle:

“It’s something we did last year against Georgia Tech, and coach [Groh] thought it would give us some favorable looks. The point is to get me matched up with their center. It was successful at points, but not enough to get the win.”

On moving forward:

“We have no choice but to put this behind us and move forward. We have another tough conference game next week we have to prepare for. We will digest the film of this one tomorrow, and then starting Tuesday we have to shift focus to working on a tough Duke team.”

Senior Quarterback Jameel Sewell

On offensive bright spots:

“Play action was able to open some things up for us. We had some success early on in the rain, but in the end, we didn’t make enough plays to win the game.”

On Robert Randolph’s 49 yard field goal:

“Randolph does a lot for the confidence of the offense. We have had some trouble in the red zone, but with him hitting from 49, it gives us confidence that we are going to get points out of a drive no matter what.”

On running game:

“We weren’t able to run the ball today very well today because they weren’t respecting our passing game. I have to do a better job making good throws and completing passes.”

On moving forward:

“This is a team that never quits. We have to watch film tomorrow, and then put this one behind us and start preparation for a big home game next week.”

Sophomore kicker Robert Randolph

On career long 49-yard field goal:

“Everything went well on the play. The snap was good, the hold was good, and I was able to hit it pretty well. We weren’t able to get the win today, so we are all disappointed.”

On the decision to kick from 49 in pouring rain:

“It surely helps my confidence, but it also reassures the coaches that I will be able to make kicks from that distance if we need to.”

On team’s psyche:

“Coach [Groh] has stressed it all year. After a disappointing loss, it’s very important to put it behind you because the season keeps moving. This week in practice, we have to play harder, execute better, and hopefully right the ship next week.”

Senior Linebacker Denzel Burrell

On the effect of the weather on the game

“The weather did not really have an effect on us as a defense. We played in it last week at Maryland. We were just hoping that if it did rain, that it would work to our advantage. A wet ball can be slippery, and they like to run the ball a

lot. We did not see it as a big factor, so we just kept playing, and unfortunately, we were unable to come out with a win today.”

On Georgia Tech’s long drives and the effect on defensive moral

“It’s tough to see an opponent marching down the field, and time of possession is critical, especially in the second half. That made it tough for the offense to put drives together and get down the field to score. It also taxes the defense both mentally and physically, so it made things tough and we just couldn’t piece 60 full minutes together.”

On moving on to Duke next weekend

“We just have to keep going and take one day at a time. This is just one game so after this one we have to forget about it and move on to Duke.”

“We face a tough opponent in Duke, so we need to have a great week of preparation to get ready for them.”

Senior Wide Receiver Vic Hall

On the effect of weather on the game

“I didn’t feel like weather was an issue. I just think we didn’t execute as well as we wanted to. That was the biggest reason for the loss.”

On missed opportunities

“We did not execute as well as we wanted to, but that is a part of the game. We just have to come back next week and get better. That way we can capitalize on those opportunities the next time they present themselves.”

On the long pass play from Sewell

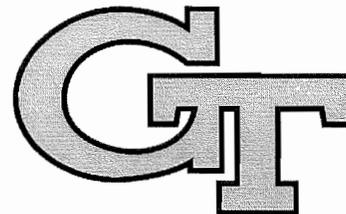

“We always talk about ‘doing your job,’ and I was just doing my job on that play just like Jameel did his job.”

On the rest of the season

“You win games and you lose games. We would rather win, but sometimes you lose and have to pick it up from there and get better.”

Virginia vs. Georgia Tech

Georgia Tech Coach Quotes

Georgia Tech Head Coach Paul Johnson

On the win:

“That was a good win. We didn’t play very well in the first half and you have to give Virginia some credit. They showed up and played hard. I thought we played much better in the second half. We controlled the game on offense, and once we got in the red zone on defense, not to give up a touchdown was big. As long as you do that, you’re going to win a lot of football games.”

On Georgia Tech’s defense:

“We didn’t give up any big plays and that was key. If you don’t give up a big play, you have the chance to snap it again and make another play on defense. When you hold them to nine points, that’s pretty good.”

On Georgia Tech quarterback Josh Nesbitt:

“He’s way better now than he was a year ago. The more you do things, the better you’re going to get at them. I think the game has slowed down for him. Last year, the game was so fast for him. He has a better feel for what is going on.”

On the Georgia Tech team:

“They believe in themselves and what we are doing here. They’ve worked hard. When they come to play, they feel like they are going to win. Everyone keeps doubting them, and they keep coming back and trying to answer the call.”

On winning at Virginia for the first time since 1990:

“I talked to them about it before the game. I told them that Georgia Tech hadn’t won here since 1990, and that they could be the team to break that streak.”

Virginia vs. Georgia Tech

Georgia Tech Player Quotes

Junior Running Back Anthony Allen

On winning in Charlottesville for the first time since 1990:

“Coach gives us all the motivation – we had a lot of firsts this year and this has to be one of the biggest ones.”

On wearing down the Virginia defense:

“When we had that 11 minute drive – as A-backs, we are rolling in and out. We are staying fresh as we’re coming in looking at the lineman across from us. That dog tired. We knew we had them right then.”

On the difference makers between this season and last season:

“We are just playing as a team. We are trying to finish. We are practicing hard, getting ready for our games better – we are just playing as a team a lot better this year.”

On the effectiveness of the triple option:

“I was just going to my assignments, but with the triple option they have to stop three valuable assets to the game – they have to stop the dive, they have to stop the quarterback, and they have to stop the pitch. Sometimes you can tell that they get weary going to stop one part while they are trying to get to another part.”

On the success of the pitch:

“With the 3-4 defense that they run, they have the second man on line which is usually the guy we pitch off of and he was coming up and trying to play the pitch and the quarterback, but he had to determine which one he wanted. He was taking the quarterback and then sometimes he couldn’t get out.”

On the significance of the win:

“We came into the locker room at halftime and we knew we were playing for the championship. We were playing to go into first place. We had to come out in the second half and take it home. We had to play smash-mouth football and that’s what we did.”

Junior Running Back Jonathan Dwyer

On field conditions and effects:

“I wouldn’t say it was difficult to cut. It was difficult to burst – felt like you had 20-pound weights on your feet. That was kind of unusual. I wasn’t used to that since high school.”

On intensity:

“I guess a lot of guys on the team were challenging me to go full speed and go all out throughout this whole game and take every opportunity that’s given to me. I was trying to make a play to get the team fired up.”

On breaking tackles:

“My position coach [Brian] Bohannon keep telling me on the head set, ‘Keep plugging, keep plugging. You’re going to break one sooner or later. So just keep playing.’ That was my mindset throughout the whole game.

Coach Al Groh Quotes

Oct. 31, 2009

On the game overall

“Unfortunately, this one looked too much like some that have preceded it. We played fairly well for a long time on defense and managed to push them offensively. But however many there were—there don’t need to be many, 4, 5, 6—of the plays that cause teams to lose, they took us in the wrong direction. So it’s unfortunate. A lot of kids played their heart out today to make it different, but there were just too many gift points. There were 10 points we can attribute to turnovers and a couple of mental errors that resulted in long plays.”

On the defensive line’s play against nation’s No. 6 passing team

“They had some really good pushovers. I’m very pleased with the way they responded. We had some schemes that we thought would get some pressure and they did a really, really good job all week of tuning, as well as of executing, during the course of the game. And that was a big factor in what we were able to get accomplished.”

On defensive strategy

“Obviously our defense was up against the sixth-ranked passing team in the country and passing the ball about sixty-five percent to a wide receiver, so that was one thing that had to be stopped. So we had some plays and some things we wanted to do and for a long time we did a nice job.”

On the passing game

“Protection certainly should be better. We dropped some balls. In college football these days, with a few exceptions, success comes with the passing game.”

On Duke’s play during the game

“They were well prepared. They were on every one of our plays. They recognized the formation and they really challenged us. They anticipated where the ball would go, and I give a lot of credit to them. They played and executed at a critical time.”

Virginia Player Quotes

Oct. 31, 2009

Senior Defensive End Nate Collins

On preparing for Thaddeus Lewis

“It’s something that I thought we were ready for, but you have to tip you hat to them. They are good at what they do. We got to him a little bit early, but in the end it wasn’t enough.”

On pressuring the quarterback

“That’s a product of coach Groh putting us in the right spots. We were there a few times, but we didn’t make enough plays. As a D-line, we should have gotten our hands on a few more passes tonight.”

On moving forward

“We have to pick it up on every level. The biggest thing is that we all stay together. After a loss, it is easy for a team to start pointing fingers, and pinning the loss on certain guys. We are all a team, and we lose together just like we win together.”

Junior Tight End Joe Torchia

On rebounding from a game like this

“We made some mistakes, and they were able to execute better than us tonight. We have to go back to the film, learn from our mistakes, and work hard this week in practice.”

On play of the defense

“Those guys play hard on every play, even in practice. They fight to make us better as an offense. Tonight they were put in some tough spots, and that’s why the score ended up like it did.”

Sophomore Cornerback Chase Minnifield

On his interception

“That was just a play where I recognized someone was open and when I ran to him the ball came my way.”

On seeing more playing time and recording tackles

“We were just trying to do what we are supposed to do. On defense we emphasize the “Next Man Up” philosophy, and you just have to be ready to step up even when you are not playing that much. Everyone is expected to do it so it is really nothing new.”

On holding Duke to field goals and not allowing touchdowns early

“It is always good to hold teams to field goals, but we would rather stop them earlier in the drive. They were able to move the ball downfield a number of times, so we just have to make more plays.”

Junior Tackle John-Kevin Dolce

On a career high number of sacks

“I was just trying to play hard and keep the quarterback uncomfortable in the pocket.”

On pressuring the Duke quarterback

“That was a big part of the game plan, but we just have to work harder because they ended up with more points than we did.”

On holding Duke to field goals and not allowing touchdowns early

“If a team can gain yards against you and get in the red zone, then you just have to buckle down and do the best you can to stop them. We were able to hold them to three instead of seven early on, and we look at that like a four-point play.”

Blue Devils With Three Straight Wins

Duke has won each of its last three games, all against conference opponents. The last time the Blue Devils won three straight games was 1994, which was also the last time they won three straight in league play. The win was the third on the road this season, also the most since 1994. The two ACC road wins are the most since 1999.

Opening Drive

The Blue Devils drove 60 yards in 11 plays on its opening drive, capping it off with a 44-yard field goal by **Will Snyderwine**. Duke has scored on its first offensive possession in four of the last six games.

Lewis First Duke Player With Four Straight 2,000-Yard Seasons

Senior quarterback **Thaddeus Lewis** became the first player in Duke history and just the third ACC player to throw for over 2,000 yards in four consecutive seasons. Lewis joins **Philip Rivers** of N.C. State and **Riley Skinner** of Wake Forest.

9,000 Career Passing Yards

Lewis posted 343 passing yards to become the seventh player in ACC history and third Duke player with 9,000 career passing yards. The 343 yards give him 9,050 in his career, moving him up four spots all-time in the ACC to sixth place. He passes **Spence Fischer** to climb into second all-time at Duke.

300-Yard Game

Lewis went over 300 passing yards for the ninth time in his career and fifth time this season with 343 yards against Virginia. He has thrown for at least 300 yards in four straight games. His nine 300-yard games rank tied for second most in school history with **Ben Bennett**. His five 300-yard games this season are also the second most at Duke.

Two 100-Yard Receivers

For the second straight week both **Donovan Varner** and **Conner Vernon** recorded over 100 receiving yards. Varner finished with seven catches for 113 yards, his third straight game with over 100 receiving yards. He is averaging 129 yards per game the last three contests. Vernon tallied seven grabs for 103 yards and one touchdown. He has three 100-yard receiving games in his first season. Duke only had three 100-yard receiving games by freshmen all-time entering the season.

Vernon Sets Freshman Record

True freshman **Conner Vernon** became Duke's all-time leader in receptions by a freshman Saturday. His seven catches give him 38 on the year, passing Corey Thomas' record of 37 set in 1994. Vernon also moved into second place in receiving yards with 562, passing Thomas. His touchdown gave him three on the year, tied for fourth most by a freshman.

Blue Devils Hold Virginia Under 200 Yards

Duke limited Virginia to 196 yards of total offense. It is the second time this season the Blue Devils allowed less than 200 yards. They held N.C. Central to 181 yards. The last two weeks Duke has allowed only 222.5 yards per game.

Defense Strong Out of the Gate

The Duke defense allowed just one yard of total offense in the first quarter, holding Virginia to a three-and-out on the first drive and intercepting a pass on the third play of the second drive. Duke outgained Virginia 112-1 in total offense in the first quarter and held a 13:26 to 1:24 edge in time of possession.

Oghobaase Moves Up Career Sack List

Senior defensive tackle **Vince Oghobaase** posted his 13th career sack to move into a tie with **Ryan Fowler** and **James Kirkland** for fifth all-time at Duke. Oghobaase has 1.5 sacks this season.

Duke Notches Three Sacks

The Blue Devils tallied three sacks in the game. **Vince Oghobaase** recorded his 13th career sack and has 1.5 on the season. **Ayanga Okpokowuruk** forced a fumble and recorded his third sack of the season and seventh of his career. **Jeremy Ringfield** tallied his second career sack.

Hatches Scores First Career Touchdown

Redshirt sophomore **Charlie Hatcher** scored his first career touchdown on a seven-yard fumble return in the fourth quarter. The fumble return for a score was the third of the year for the Blue Devils and 16th all-time at Duke.

Wright Gets Fourth Interception

Senior cornerback **Leon Wright** recorded his fourth interception of the season in the first quarter and ninth of his career. The nine interceptions are tied for seventh most in a career in school history.

Wright On Top 10 For Interception Yards In Season

Wright's 32-yard interception return gives him 116 return yards on the season, which ranks eighth on Duke's single season list.

Wright In Top 10 For Pass Breakups

Wright had one pass breakup to move into a tie for 10th on Duke's career pass breakups list with 18. Wright has six pass breakups on the season.

Rey Records Double Digit Tackles

With 10 tackles, senior linebacker **Vincent Rey** has now posted three games of 10 or more tackles on the season. He now has 15 career double digit tackle performances.

Snyderwine Extends Field Goal Streak

With five made field goals, Snyderwine has now made 11 straight field goal attempts since missing his first career attempt. He connected on attempts of 44, 28, 34, 25 and 43 yards. He is now 7-of-7 on attempts of 30 or more yards in his career.

Snyderwine Sets Career High

The five made field goals by Snyderwine are tied for the second most in a single game in Duke history with Doug Peterson who made five against Maryland in 1997. Snyderwine's previous best was a 4-for-4 performance against Virginia Tech.

Duke Player Quotes

October 31, 2009

Senior Quarterback Thaddeus Lewis:

On overcoming the deficit late in the game

“We know whatever situation we are in, we can come back. We are fighting every play, no matter what the situation or the score is. We know when we have to step up. We look into each others’ eyes and motivate each other. We know what we are capable of.”

On reactions to the interception in the end zone in the fourth quarter:

“You know that there is a lot of time left on the clock and I believed that my defense was going to get us the ball back. The next time you go down, you have to score.”

Junior Placekicker Will Snyderwine

On tallying five field goals in the game

“I was pretty busy in the first quarter, but anything I can do to help. I’m excited we got the win in the end – I’m pretty happy.”

On anxieties on the field

“I don’t really feel anything when I’m out there. Hitting field goals feels pretty good and I’ve done it about a thousand times in my life at this point, so I don’t get nervous.”

On sneaking up on teams

“Honestly, I’m not really sure if we are sneaking up on people – maybe you’ll have to ask them. We are pretty happy about ourselves; we’ve been doing pretty well. We will just keep working to get a big win next week at Carolina.”

Senior Defensive End Ayanga Okpokowuruk

On the transformation of the Duke program

“We are enjoying every minute of it. This is why we came here – to turn it around. It feels great.”

On forcing a fumble in the fourth quarter

“Coach [Marion] Hobby was just telling us to finish our rushes. We had plans on how we were going to pressure the quarterback. I just did a spin move. I didn’t think it was going to work really. I turned around and the quarterback was right there and when I tackled him, I went for the ball. I didn’t even know it came out. I looked up and I saw [Charlie] Hatcher bringing it up in the endzone.”

On emerging as ACC Championship contenders

“It feels good; we just thank God it worked out this way. We just played every game game-by-game, taking it one day at a time. For us to be in this position, it helps us to see the big picture, but we still have to focus on every day working hard and the things that got us here. We have to focus on that.”

UVa Player Quotes

November 14, 2009

Freshman Linebacker Billy Shautz

On first career sack:

“We had a great play dialed up and were able to execute well. I was fortunate to be in a position to make a big play.”

On locker room moral:

“We are pretty down right now, but even though we’ve lost a few in a row, we feel like we’ve gotten closer and closer. We have to stay together as a team.”

On making strides:

“We weren’t able to get the win, but there were some things we did well today. We knew coming in that they were a good team, and today they were able to make more plays than we did.”

Sophomore Wide Receiver Dontrelle Inman:

On making progress as a team:

“The main thing is doing everything as a group. Every player played like it was their last game, mostly for the guys who will graduate. We have to stick together as a unit.”

On offensive progress:

“There were a few plays that we were able to execute well and we moved the ball a little. We didn’t have the success we’d like, and we’ll have to work on consistency.”

On last two games:

“At this point, we’re playing for pride, and we’re playing for each other.”

Sophomore Kicker Robert Randolph

On second miss of the season:

“It’s tough. We weren’t able to execute today, and that kick was an example of that.”

On play of the defense:

“They were able to, like they have all season, step up and make some big plays. The interception return for a touchdown was a great play, and unfortunately we weren’t able to turn it into a win.”

On last two games:

“We are going to have to rally here for the last two games, but we can count on the fact that everyone in that locker room desperately wants to win. We still have pride to play for, but more than that, it’s about playing for your teammates.”

UVa Player Quotes

Freshman Running Back Perry Jones

On getting his first career carries

“Coach told us that whoever had the best week of practice would play, so I came in with my mind set to playing hard to try and help the team. I practiced hard this week, and coach gave me the opportunity.”

On adjusting to the speed of the college game

“Everyone says that game speed is the toughest thing to adjust to in college, so getting experience with special teams before rushing definitely helped a lot. I felt more prepared than if I had been on the sidelines all season.”

On Jameel Sewell playing after limited practice during the week

“I talk to Jameel a lot, and I look up to him. He always tells me to just keep playing and to keep working hard. He is a remarkable person, and I look up to him a lot.”

Junior Tight End Joe Torchia

On progressing as a team

“Coach Groh always talks about coming together as a team, and I think he did a really good job preparing us this week. We have a strong feeling of unity on the team despite the loss, and we just have to grow from here.”

On moving on from the loss

“We can only move forward. We will learn from the mistakes we made, and improve on what we did well.”

On changes in the offense

“There were no real changes, we just have this team-wide feeling of being fed up with losing. We came together today, and still have this feeling of team unity.”

Senior Tackle Nate Collins

On the loss

“It was a close game, and it felt good to have the fans behind our back. Unfortunately it just did not go our way today. We tried our hardest today, but unfortunately it just was not enough.”

On no longer being bowl-eligible

“We just have to pick everyone up and play for pride for the rest of the season. A lot of people will say we have nothing left to play for, but we feel like we have everything to play for. We will go into practice this week and let everyone know that we have to get ready for these games.”

On the difficulty of motivating the team

“It is not hard. The guys on the team that the coaches chose as captains know our jobs, and we will continue to pick guys up. It is not a hard thing to do, and it is exciting to know that guys are feeding off of your energy.”

Freshman Linebacker Billy Shautz

On first career sack:

“We had a great play dialed up and were able to execute well. I was fortunate to be in a position to make a big play.”

On locker room moral:

“We are pretty down right now, but even though we’ve lost a few in a row, we feel like we’ve gotten closer and closer. We have to stay together as a team.”

Virginia vs. Boston College

Boston College Head Coach Frank Spaziani

Nov. 14, 2009

Opening Statement:

“That was a hard-fought game to say the least. You have to give Virginia a lot of credit. They played very hard. They gave us a lot of problems. I think our guys played extremely hard but made a lot of mistakes that hurt ourselves, but once again, that’s a credit to UVa for making us make those mistakes. The kids hung in there and to not play as well as we did and not execute and still come away with a victory is really gratifying.”

On the flow of the game:

“There were a lot of ebbs and flows in the game. There were some calls that were made, weren’t made, penalties that made action. That’s good for the fans.”

On the decision to go for the touchdown on fourth-and-goal:

“On third down I thought about [going for the field goal] but once we got within sneaking distance, I figured we’d go [for the touchdown].”

On quarterback Dave Shinskie’s performance:

“Dave would probably like to have one of those passes back but he’s just a true freshman. Those things are going to happen. Once again though, he got the job done. Dave is making strides in leadership and a lot of other areas but he has a long way to go. He got rattled, but he came back so that was good to see. Having Montel Harris rushing the ball didn’t hurt.”

On Shinskie’s growth as a player:

“I’m sure his athletic experience has helped but once again, it’s a different rattling – people flying at you, hitting you. It’s different than the ball going over the center field fence or pitching. He’s making strides though.”

On getting win No. 7:

“Seven is better than six. It just opens the door to a chance for number eight.”

On Virginia’s final drive:

“I was thinking about keeping them in bounds, making the clock run, trying to make some plays. It was about who was going to get tired first in a game of attrition. That was what was going through my mind – who was going to be the hero?”

On the team’s first road win:

“We were going to get one; it was just a matter of when. Anytime you do something for the first time it’s good. As a team, going back to August when we had to grow, this was part of our maturation and development. It can only help us. Now we know we can do it.”

Virginia vs. Boston College

Head Coach Al Groh Quotes

November 14, 2009

On Virginia's performance:

"We made a lot of progress with our team today. I'm proud of the effort the players put into it and the fight they showed. We've been working for 10 months to have a performance like that. Unfortunately, though, we did some things that made it difficult on ourselves."

On special teams play:

"We left 10 special teams points out there today that we could have had. Clearly that would have been the difference in the game. Those kind of points get forgotten but they are the kind of points that change scoreboards. Leaving those points out there had more effect on the game than the final few plays did."

On the close game:

"The closeness of the game is reflected in the fact that there's a five-yard differential between the two teams and a two-inch differential at the end of the game. It was an evenly played game. The scoreboard reflects that and the final drive reflects that and it's important for me, despite the bitterness of the loss, to keep in perspective that very little separated the two teams."

On QB Jameel Sewell:

"A tremendous effort on his part. Thursday was the only day that Jameel has practiced in the last two weeks. That was brought about by the fact that on Wednesday night, (Backup QB) Mark Verica was ruled out of the game (due to an injury). Under the circumstances, I thought it was one of Jameel's most courageous and best efforts here at Virginia."

On close plays:

"They call it a 'game of inches.' The Boston College touchdown was close enough to review and so was our last offensive play of the game. So, for probably a total of less than six inches in the entire game, that was the difference in the two teams."

On the interception and touchdown return by Chris Cook:

"It was a terrific play. It was something we had worked on during the course of the week – that type of situation. He had a really good idea where the ball was going to go and he made an aggressive break on the ball and showed a great deal of skill getting the ball into the end zone."

Virginia vs. Boston College

Boston College Player Quotes

Nov. 14, 2009

Freshman Quarterback Dave Shinskie

On his scoring play:

“We didn’t have a quarterback sneak on our wristbands, so we had Montel (Harris) go over and get it really quickly. We didn’t have a lot of time so we had to hurry up and get the play off, and I just went straight ahead and then rolled to the side and got hit a little bit, but it’s a great feeling – that first touchdown.”

On making mistakes and coming back from them:

“I think that’s what good quarterbacks do. If you make a mistake, you’ve got to put it behind you and just play the next down. I’m really proud of my guys because they hung in there, and I put it on the line the last two drives and told them, ‘We have to get it going. We have to get Montel going. We have to lean on these guys and pound them,’ and that’s what they did.”

On holding the offense together:

“For a couple of series, we got a little lost there, so I just tried to get in the huddle and say, ‘This is our drive. This is what we’re going to do.’ We got backed up, but we made some good plays and ended up chipping our way toward a first down. Then we got down into the red zone.”

On his throw to teammate Rich Lapham:

“I didn’t have room for any error to throw that ball and I knew I had to throw it to either him or [Justin] Jarvis going deep. I figured he was the best target and I just put it over the guy’s shoulder and Rich made an awesome catch.”

Freshman Linebacker Luke Kuechly

On the team’s play today:

“It was a good team win. The defense played really well today. We did what we really wanted to do and shut down their running game. We kind of double-teamed [Jameel] Sewell and as far as running goes, we did a really good job with that.”

On the last fourth down stop:

“Mike [Morrissey] was the one who got him. He came from the side and grabbed his legs, kind of tripped him up a little bit. I just kind of jumped over the top.”

Junior Linebacker Mike Morrissey

On stopping UVa's final drive:

“We knew they were trying to pass. We were a little nervous. They had gone all the way down the field, but we knew they needed a touchdown. Once we're backed up to the line we're tough down there. We saw them scramble out and I knew where the line was, so in my mind, I was just trying to keep them short of it.”

On the defense overall:

“We have a lot of pride in our defense and I think we played great today. They're a very good team and we can't really take that away from them, but we came out determined to keep them out of the endzone. We made plays when we needed to.”

Sophomore Running Back Montel Harris

On his 150 running yards:

“It was pretty rough out there. As soon as you got past the line of scrimmage, there was a defender there, so I had to grind it out.”

On hitting the 1,000-yard mark:

“That was my goal for this season, and I accomplished it. Thanks to the offensive line, they have been blocking hard all year.”

Virginia Tech Postgame Notes
vs. Virginia . Nov. 28, 2009
Charlottesville, Va.

- . Tailback Ryan Williams finished with a career-high 182 yards rushing and four touchdowns on the day. He scored four touchdowns for the second-straight game, becoming the second player in school history on record to do so. Lee Suggs scored five touchdowns against Central Florida and then four against Virginia a week later in 2000. NOTE THIS IS A CHANGE FROM WHAT WAS ORIGINALLY ANNOUNCED!!!!
- . Williams has scored 20 touchdowns on the season (19 rushing) to set a new ACC freshman touchdown record. The previous record was set by NC State's T.A. McLendon in 2002 (18 rushing TDs). Williams' 20 total touchdowns and 17 rushing touchdowns are both the fourth-most in a single season at Tech.
- . Williams ends the regular season with 1,537 yards rushing. He will need 111 yards in the bowl game to break the Tech single-season rushing record of 1,647 yards set by Kevin Jones in 2003.
- . Williams recorded his ninth 100-yard rushing game of the season, tying the school record (Kevin Jones, 2003).
- . Virginia governor Tim Kaine stopped in the locker room to congratulate the team. In his four years as governor, Kaine saw the Hokies win all four games.
- . Special teams player Zach Lockett suffered a left knee injury in the first half and will be re-evaluated Sunday with an MRI.
- . Danny Coale had a career-high 135 yards receiving on six catches. It's his first career 100-yard game and marks the third-straight game a Tech receiver has had 100 or more yards.
- . Tech forced a pair of turnovers to bring its total to 22 takeaways on the season. Tech is the only team in the FBS to record 25 or more takeaways in every season this decade.
- . The Hokies defense held Virginia to 295 yards of total offense, marking the fourth-straight game the defense has put up a sub-300 yard total.

Virginia Tech Player Quotes

Redshirt Sophomore Receiver Danny Coale

On the significance of this win:

“All wins are sweet but it was one of those games where you have to throw out the record and you know it is just going to be a dog-fight. I am proud of my teammates and how hard we fought, and I am happy to come out with the win.”

On Tech’s reaction to Ras-I Dowling’s efforts:

“Absolutely we tried to take advantage of [Dowling’s] aggressiveness. He is a great corner, he has a long reach and he competes. We just wanted to go right at him with everything we did and hit him right on.”

On the rivalry:

“There is always a little extra to [the UVA vs. Tech] game. It is a battle for the state and it is always fun when we get together. This was no different. Whenever we get together it is always a physical game, but it is fun, and that’s what makes it a great game. We were just trying to take what they gave us and take our opportunities to go down field. Luckily, we did.”

On the VT offense and how it clicked:

“You have to help each other out. In order for the run to work, the pass has to work. They knew we could run it, and we have been running it well the past few games, and we really wanted to continue passing well, too. So whenever you can balance it there, you have a pretty good outcome. We had that outcome tonight.”

Redshirt Senior Linebacker Cody Grimm

On the team’s excitement with this end to their season:

“Not only is it a huge deal to beat UVA in a rivalry game, but it is also the last game of our season and we wanted to go out with a win. We didn’t want to sit around and wait for a bowl game with a loss and have a bad taste in our mouths for a couple weeks. Any time you end your season with a win against your rival it is a pretty big deal, and we are excited about it.”

On Bud Foster at halftime in the locker room:

“He understood. [Virginia] was hitting us with some stuff that made it harder on our defense. And he knows our defense so well that he knew whose fault it was so he just came in there and kept us calm. He was saying all week that it was going to come down to the wire with them. We made a few good adjustments at half time and Coach Foster picked up some other things that he felt comfortable with in terms of the blitz. So we started bringing some pressure and it paid off.”

On UVa's offensive competitiveness tonight:

"They were really playing their tails off. Whenever they play like that you know defensively that the game could be put out of reach at any series. When we came out and scored our first touchdown in the second half we said we have to get us the ball back. And all of a sudden it was a 15-point game. It put a lot more motivation on us to get on the field and give it back to the offense so they can drive and do what they had been doing. Coach Foster made great adjustments at half time, and you saw the outcome."

Redshirt Freshman Tailback Ryan Williams**On his remarkable season:**

"It was good. I think I have done the unexpected. I really did not set any goals for the season. My main goal was just to try and help the team as best as I could to win. I think I did that very well, and that is the only thing I really wanted. Yardage, touchdowns, ACC teams – none of that really mattered to me. You can be the best person on the field but if your team isn't winning it does not really mean anything. I am a team player. It just feels good. The offensive line was blocking great and the wide receivers did a heck of a job going down the field, and it just feels good to have guys like that willing to block and do their part so we can execute the plays from the first play to the last play."

On the VT offense in the last three games and Coach Stinespring:

"I think he gets the bad end about what our offense and what he does and doesn't do. But he is a great coach and he calls our plays. He calls the plays and it is our job to execute them. When we do not execute them, that is when points do not get scored. When we do, that is when things like this [win] happen, or we put 30+ points on the board. Our offense is 10 times better than it was last year, and we feed off of all the play-makers on the team. The biggest difference this year is that Tyrod [Taylor] is very confident, and very confident in all our receivers. All our receivers have a year under their belts, so then having a quarterback that is confident and who can make plays with his arms or with his feet just makes the plays run a lot more smoothly. It takes a lot of pressure off of me. On the second touchdown two or three guys pressured him and it gave me the wide open run."

Senior Free Safety Kam Chancellor**On his fumble recovery in the third quarter:**

"The defense needed to make a big play to turn the game around and that is what I did. It changed the game for us."

Virginia Player Quotes

Senior Quarterback Jameel Sewell

On Virginia:

“I love these guys with all of my heart. They know that and I would do anything for them. I will never forget any of them and I want to tell them thank you for everything they have done for me.”

On the offense in the game:

“We came out really strong because we knew we could beat them. We pounded them, and they were not ready for what we were bringing to the table. Then we faltered, we slowed down, and that hurt us. But we never quit fighting and that is what I love about my guys.”

Freshman Linebacker Steve Greer

On ending the season with a loss:

“It is definitely not the way we wanted to end the season. We wanted to come out and send our seniors out with a win.”

On Coach Groh addressing the team with a poem:

“I thought it was really good. Coach Groh always wants his players to carry themselves in a good manner, and I think the poem demonstrated that.”

On facing Virginia Tech running back Ryan Williams:

“He’s a good back, and I look forward to seeing him again next year. He is a good back and it is fun to face good backs, so I look forward to it.”

Senior Fullback Rashawn Jackson

On ending the season with a loss:

“Of course I wish we could have ended on a higher note. I love Coach Groh and I love his effort. This season does not really describe Coach Groh, it was not his type of football, and hopefully the guys next year can turn things around. Unfortunately we could not do that tonight.

“We may have lost tonight but I am definitely not defeated. I am hopeful the team next year does not feel defeated, and can take motivation from this game.”

On Coach Groh’s poem:

“Coach Groh is a very well educated, smart, emotional man, and I think that poem captured his spirit. It takes a big man to stand in front of a team and read something like that. It was very moving.”

On his career at Virginia:

“If I had to do it all over again, I would. I love the University of Virginia and I loved my career here. I want to thank all of the fans who supported me through the good times and the bad.”

Senior Defensive End Nate Collins

On ending the season with a loss:

“It was a disappointing ending for us, but everyone on this team worked hard. Everyone in the organization fought hard and never quit, and I think that is what matters in the end.”

On Coach Al Groh:

“I love Coach Groh like a father. He has been a father figure to everyone on this team.”

Virginia Tech Coach Quotes

Virginia Tech Head Coach Frank Beamer

Opening Statement:

“I am proud of our football team. They came in here and it was a battle. I thought a couple things happened for us that were good in the second half: the fumble that we recovered turned the game around for us. Give Virginia credit. I thought [Jameel] Sewell was pretty good today and ran hard. They are a different team when he’s a healthy guy. It was tough sledding in there and fortunately we got a break and got the game going our way. I’m proud of our guys too – we came in tonight and really played hard and played well in the second half. Well, played well throughout, but I’m really proud of what happened there in the second half. I am proud of our program.”

On containing Jameel Sewell in the second half:

“I thought the defense made some good adjustments there, getting their slide going toward the way he’s running the little kick-out play. I’ll tell you he is tough, he is athletic, and he can run.”

On the fumble recovery with the score 14-13:

“It was a good play by us and it was a good play by Nekos Brown getting it down to the 10 [yard line]. In a game like this – rival games – one play kind of turns it around and I thought that one did.”

On speaking with Virginia coach Al Groh postgame:

“It wasn’t a conversation, but he congratulated us and that was it.”

On the offensive play of Ryan Williams:

“You keep running him and he is pretty good about not getting tired. I thought [David Wilson] showed up out there today too. I thought that speed showed out there. That last touchdown was a nice run.”

On the play of Danny Coale:

“He’s as dependable as it gets. You know exactly what you’re going to get – make the catch, make some tough catches. He and Tyrod [Taylor], when they hooked up for that first down, what a play that was. That’s kind of rewarding: you come out there, your kids make plays in a big ball game like this. I am proud of our football team. I think we have improved after the two losses there in the middle of the year. It was a challenge to these kids and these coaches to get better and I think we have gotten better. I’m proud of what we are all about.”

On the statement made with the last four wins:

“I think we are in there. We have a critical bowl game – I don’t know where its going to be or who its going to be against, but I know if we can win it, it will be 10 wins and anytime you can win 10 – that’s a days work. We are going to approach it just like last year. I told our guys we are going to go out there and practice next Saturday and make sure whoever we are playing against, we are going to be ready to play a great ballgame.”

On throwing at Ras-I Dowling:

“He is aggressive over there and I think I ran by him a couple of times and then he started guarding deep a little bit and we threw one underneath him. I think we are getting to where we have a couple receivers that can, if it’s one-on-one, have a pretty good chance. He’s a good player; he’s been a good player for them.”

On physicality:

“There is no question [that physicality is a factor]. I give Virginia credit. They are tough guys and a tough program. We came in and one of the things we stressed was this was going to be a physical football game and I think both teams played that way. I was proud to see us hold up our end of the deal.”

On one play changing the course of a game:

“I think when you make it an eight-point game instead of a one point game, in a game like this, I think it makes a big difference. I was glad for us to be able to continue to move the football and for us to be able to stop their offense because they came out and they were good today.”

On continuing the series win streak:

“We certainly have respect for their program. We have been on a good run; we have been fortunate. When you go on streaks like this, I think they just go like that sometime. They have had some tough injuries. Like I said, I think they are a different team when Sewell is a healthy guy and he was healthy today. You know they have had some tough luck and I have been in this thing long enough to know that some seasons go that way. You have to give them credit—they hung in there tough and kept playing hard. I think you have to give them credit.”

**Virginia vs. Virginia Tech
Head Coach Al Groh Quotes
November 28, 2009**

On the outcome of the game:

“We made a pretty good go of it for a while. Unfortunately, we didn’t have enough to finish it off. There were two particular plays where the game seemed to come apart for us. Obviously, the fumble at 14:13 was a very unfortunate circumstance right there and then the fourth down in the fourth quarter where we get a needless personal foul. It was more than two plays in the game but certainly those were two where the game fell apart on us.”

On QB Jameel Sewell:

“Jameel, in particular, was outstanding. His heart and his competitiveness showed why he has been the player his teammates have enthusiastically followed throughout the course of his career.”

On Virginia Tech QB Tyrod Taylor:

“Tyrod did the same thing to us that he’s been doing to everybody all year long on those scrambles. The plays that I remember about the second half were the ball we turned over and the completions that led to scores---completions that were the result of the quarterback scrambling and eventually running or finding the open receiver. He’s an outstanding athlete.”

On the second half:

“It was 14-13 well into the third quarter and then that one score seemed to pull all of the dominos out of the pile. After that it all fell down with scrambles and big plays.”

On the Virginia seniors:

“I feel very badly for the senior players, in particular, who shared some very moving testimony with their teammates yesterday about what this program has meant to them and about what this game has meant to them. I feel badly that we couldn’t do a little bit more for them today.”

On the Virginia vs. Virginia Tech rivalry:

“This is an intense rivalry so it’s an emotional game every year when we play them.

Man in the Glass

Coach Groh completed his comments by reading a version of “The Man in the Glass,” (Dale Winbrow):

“When you get what you want in your struggle for self
And the world makes you king for a day,
Then go to a mirror and look at yourself
And see what that guy has to say.
For it isn't your father or mother or wife
Whose judgment upon you must pass,
The fellow whose verdict counts most in your life
Is the guy staring back from the glass.

He's the fellow to please, never mind all the rest
For he's with you clear to the end
And you've passed your most dangerous, difficult test
If the guy in the glass is your friend.

You may be like Jack Horner and chisel a plum,
And think you're a wonderful guy,
But the man in the glass says you're only a bum,
If you can't look him straight in the eye.

You may fool the whole world down the pathway of years
And get pats on the back as you pass
But your final reward will be heartache and tears
If you've cheated the man in the glass.

When I visited the guy in the glass, I saw that he’s a guy of commitment, of integrity, of dependability and accountability. He’s loyal. His spirit is indomitable. And he is caring and loving. I’m sure I will always call the guy in the glass a friend.”
