The ACC By The Numbers

.818 - The winning percentage for **Miami** in games (18-4) played in ESPN's Thursday night package. The Hurricanes, who face Virginia Tech this Thursday night, have the best winning percentage of any ACC team on ESPN Thursdays. Miami is 7-3 on the road, including 1-0 at Tech.

.926 - Clemson's winning percentage with **Deshaun Watson** starting at quarterback. The Tigers are 25-2 with Watson as their starter.

1 - **Louisville** leads the nation in scoring offense (52.3) and total offense (627.5) and is third nationally in rushing offense (305.7).

2 - Pitt sophomore **Quadree Henderson's** 93-yard kickoff return for a touchdown in the Panthers' win at Virginia was his second TD on a kickoff return this season. Henderson is sixth nationally in all-purpose yardage (172.86) and is third in kickoff return average (35.9).

4 - Four ACC players rank among the top eight nationally in sacks. Pitt senior **DE Ejuan Price** leads the nation, averaging 1.29 sacks per game with 9.0 in seven games. Following him closely from the ACC are Florida State **DE DeMarcus Walker** (3rd, 1.21), Boston College **DE Harold Landry** (7th, 1.08) and Wake Forest **DE Duke Ejiofor** (8th, 1.07).

5 - The number of times in six games this season that NC State **RB Matthew Dayes** has topped the 100-yard rushing mark, including a 106-yard day against third-ranked Clemson. That ties Louisville's **Lamar Jackson** for most 100-yard rushing days in the ACC this year.

7 - **NC State** will become only the second team in ACC history to face back-to-back teams ranked seventh nationally or higher on the road. The Wolfpack suffered a 24-17 overtime loss at third-ranked Clemson last week and now will face seventh-ranked Louisville in Louisville this week. In 2015, Wake Forest played at No. 6 Notre Dame and then at No. 1 Clemson in consecutive weeks.

13 - **Clemson's overtime** win over NC State was its 13th consecutive victory

against ACC competition, a streak that dates back to the beginning of the 2015 season. That is the ninth longest winning streak of ACC games in league history.

17.4 - The average number of yards for Georgia Tech **A-Back Clinton Lynch** on any scrimmage play this year. Lynch has carried the football 19 times for 254 yards (13.37 avg.) and has caught eight passes for 215 yards (26.88 avg.).

21 - The number of wins for **Virginia Tech** when it appears on ESPN's Thursday night nationally televised package. The Hokies have posted a 21-9 record and have won more games on Thursday on ESPN than any other ACC team.

30 - In literally just half a season, Louisville **QB Lamar Jackson** has totalled 30 TDR (touchdowns running and passing). That ties for the ACC's 18th-best mark for an entire season.

45 - The number of career touchdowns for Pitt's **James Conner**. Conner has 43 rushing touchdowns, which ties him for fifth on the all-time ACC list. The total of 45 TDs puts him in 10th place on the ACC career list.

95.3 - **NC State** ranks fifth nationally this week in rushing defense. The Wolfpack are one of three ACC teams ranked in the Top 10 nationally among FBS schools. Pitt is sixth and Boston College ranks 10th.

100 - This Thursday night's ESPN game between Miami and Virginia Tech from Blacksburg, Va., will be the **100th ACC contest** that has been televised as part of ESPN's Thursday night package.

112.47 - The average number of rushing yards per game for Florida State **RB Dalvin Cook** in his 31-game ACC career. If maintained, that would be the highest per-game average in ACC history. Former North Carolina standout Giovani Bernard average 107.89 yards per game in a two year career in 2011-12.

206 - The number of career receptions for North Carolina **WR Ryan Switzer**. Switzer is the leading active career receiver in the ACC and is currently tied with Clemson's DeAndre Hopkins for 12th place on the

ACC career receiving list. He became the UNC career record holder with his 206th grab, breaking the previous school mark of 205 set by Quinshad Davis.

238 - The number of receiving yards for Florida State junior **WR Travis Rudolph** in the Seminoles' win over Wake Forest. The yardage total is the 15th-best single-game effort in ACC history. Earlier this year Syracuse **WR Amba Etta-Tawo** had 270 receiving yards against UConn, the fourth-best mark by an ACC receiver.

276 - **Florida State** placekickers have made 276 consecutive point after touchdown kicks to set an NCAA record. Much of it is attributable to the Aquayo family. Roberto Aguayo made 198 consecutive kicks during his three year career (2013-15), while younger brother Ricky has currently made 28 consecutive PATs. Former FSU kicker Dustin Hopkins made the final 50 PATs of his career.

417 - The number of yards of total offense for Syracuse sophomore **QB Eric Dungey** last Saturday. The total was a career-high, as he became the first player in Syracuse history to throw for 300 or more yards (311) and rush for 100 or more (106) in the same game. More impressively, he accomplished this against a Virginia Tech defense that was ranked third nationally and had only been allowing 237 yards per game.

500 - **Louisville's win** over Duke last Friday night was the 500th in school history. The Cardinals are 500-451-17 (.525) in 97 years of football.

1876 - The number of passing yards this season for Florida State redshirt freshman **QB Deondre Francois**. His total in seven games this year is already the 16th-best by a freshman in an entire season. Former NC State and current NFL standout Russell Wilson is next on the list (1,955 yards).

1892 - The first year that **North Carolina** and **Virginia** met on the gridiron. This year the two schools will meet for the 121st time, the most played rivalry among ACC teams.

ACC Network Extra

An ACC record 331 Olympic sporting events will be streamed live this fall by ACC Network Extra, a dedicated digital channel for ACC sports that made its debut on August 19. The coverage marks the initial phase

of the full ACC Network announced July 21 by ESPN and the Atlantic Coast Conference. Live streaming of Olympic sports will increase annually, culminating with 1,300 total ACC events when the linear network launches in 2019.

“We’ve looked forward to the launch of ACC Network Extra with excitement and anticipation since last month’s announcement,” said ACC Commissioner John Swofford. “ACC Olympic sports have a record of unparalleled success, and it was important to both ESPN and our league to create a model in which each of the ACC’s 27 sponsored sports would be carried live to fans in some manner.”

The 2016 Fall Olympic sports schedule includes 354 total events involving ACC schools, with ESPNU scheduled to carry six contests and the Regional Sports Network an additional 17. Every conference Fall Olympic sport championship will be shown live on either a linear platform or ACC Network Extra, beginning with the ACC Cross Country Championships on Oct. 28.

The events covered by ACC Network Extra will be immediately available to users who have access to WatchESPN and the ESPN app. More than 600 total Olympic sporting events – encompassing the Fall, Winter and Spring seasons – will be carried exclusively by ACC Network Extra during the 2016-17 academic year.

Please see the link below for the full schedule of 2016 ACC Fall Olympic sports coverage (soccer, volleyball, field hockey and cross country). Additional events may be added.

UNC's Fedora Named Bobby Dodd Coach of the Week

Fedora recognized for success on the field, as well as the classroom and community.

Officials from the Bobby Dodd Coach of the Year Foundation and Chick-fil-A Peach Bowl on Oct. 3 that North Carolina Head Football Coach Larry Fedora was selected as The Dodd Trophy Coach of the Week.

THE
**DODD
TROPHY**
PRESENTED BY THE
CHICK-FIL-A PEACH BOWL

The Dodd Coach of the Week Award honors the football coach whose program embodies the award's three pillars of scholarship, leadership and integrity, while also having success on the playing field during the previous week.

North Carolina traveled to Tallahassee to face the No. 12-ranked Florida State Seminoles as double-digit underdogs. While the Tar Heels led most of the game, Florida State took a late lead before North Carolina kicker Nick Weiler drilled a career-long 54-yard field goal as time expired.

Fedora is coming off one of the best seasons in Tar Heel history, winning 11 straight games a year ago and earning a birth in the ACC Championship. His on-the-field success has been matched in the classroom as North Carolina earned an impressive Academic Progress Rate score of 952 last year.

Clemson Continues ACC Winning Streak

The Tigers won all eight of their regular season ACC games last fall and added the ACC Championship contest against North Carolina, as well as wins over Georgia Tech, Louisville, Boston College and NC State this season.

The ACC & ESPN Thursday Night

The ACC & ESPN Thursday Night: A Great College and ACC Tradition

When 16th-ranked Miami travels to 17th-ranked Virginia Tech this Thursday night at Lane Stadium in Blacksburg, the meeting will be the 100th contest involving an ACC team on ESPN on Thursday night. The game will also match the two ACC teams that have been the most successful on Thursday night. Virginia Tech has played in more Thursday night games televised by ESPN than any other ACC team, as this will be their 31st appearance on the package. The Hokies have also won more ESPN Thursday night games (21) than any other team and have a record of 11-5 at home, but have dropped their last two Thursday night decisions in Blacksburg.

This week's game will be the first Thursday night ESPN game for Tech under new head coach Justin Fuente and will be the first of two back-to-back Thursday games. The Hokies are scheduled to meet Pitt at Heinz Field in Pittsburgh next Thursday night, Oct. 27.

Miami, which will be making its 23rd appearance on ESPN Thursday night, has the highest winning percentage of any ACC school, having a posted an 18-4 overall record, an .818 winning percentage. The Hurricanes are 7-3 on the road and will be making just their second Thursday night appearance at Lane Stadium. The Hurricanes took a 30-6 win over Tech on October 23, 2014. In all, this marks the third time the two teams have played each other on Thursday night, with Miami winning all three games.

Miami is 11-1 at home on Thursdays, posting an 8-0 record at the old Orange Bowl and is 3-1 in Hard Rock (then Sun Life) Stadium (3-1). The only UM loss at home came in 2011, when Virginia snapped the Canes' 10-game home win streak with a 28-21 verdict.

Georgia Tech began the Conference's Thursday night tradition, which, more often than not, has featured high drama. The Jackets hosted Virginia on Sept. 19, 1991, at Bobby Dodd Stadium in Atlanta, utilizing a 34-yard field goal by Scott Sisson on the game's final play to record a 24-21 victory.

This week's game is the second ESPN Thursday night contest of the year for the ACC. Earlier, on Sept. 22, Clemson defeated Georgia Tech, 26-7 at Bobby Dodd Stadium in Atlanta. The win was Clemson's sixth consecutive triumph on Thursday's under current head coach Dabo Swinney.

In all, after this week's game, ACC teams will have made 175 appearances on ESPN's Thursday night package.

After the Hokies (30) and Yellow Jackets (29), Miami leads in total appearances with 22, followed by Pitt (21), Louisville (20), NC State (19), Clemson (16), North Carolina (15), Florida State (14), Boston College (12) and Virginia (12).

When Maryland was a member of the ACC, the Terrapins played

in 13 Thursday ESPN games, 10 of them at home.

There have been many great moments in the Thursday night series, including the 2007 game at Lane Stadium when 2nd-ranked Boston College rallied to beat 8th-ranked Virginia Tech, 14-10, behind a pair of touchdown passes from QB Matt Ryan in the game's final two minutes and 11 seconds. That game still stands as the only ESPN Thursday night meeting of ACC opponents that were both ranked in the Top 10 nationally.

The 2009 season featured a pair of thrillers, both involving North Carolina. The Tar Heels and Seminoles were involved in an offensive gut-wrencher, as FSU overcame a 24-6 third-quarter deficit to capture a 30-27 triumph. A week later, UNC upset 14th-ranked Virginia Tech, 20-17, on the game's final play, a 22-yard field goal by placekicker Casey Barth.

The 2010 match-up between Georgia Tech and Virginia Tech was a classic a see-saw battle decided when the Hokies' David Wilson returned a kickoff 90 yards for a touchdown with 2:23 remaining. Perhaps the most memorable Thursday night moment and biggest upset on the Thursday night ESPN package was 24th-ranked Virginia's win over second-ranked Florida State in 1995. That game snapped the Seminoles' 29-game Conference winning streak, which began when FSU joined the ACC in 1992.

Miami still has claim to the highest-rated game on Thursday night, when it met 10th-ranked Houston in an early season showdown in 1991. The Hurricanes and Cougars drew a 6.5 national rating as Miami took a lopsided 40-10 triumph.

The highest-rated Thursday ESPN battle between two ACC teams was the 1995 Virginia-Florida State telecast, which resulted in a 6.1 rating. Louisville recorded a pair of strong ratings while a member of the Big East in 2006, a 5.33 in downing West Virginia and a 5.03 in losing to Rutgers.

This week's game is the second of five ACC Thursday ESPN contests this year. After next week's game between Pitt and Virginia Tech, Duke will host arch-rival North Carolina on Nov. 10 and Louisville will travel to 13th-ranked Houston on Nov. 17.

Collaborative Instant Replay

NCAA Football Rules require that all instant replay equipment and personnel be located in the stadium. For the 2016 season, the Football Rules Committee has approved a one-year experimental exception which allows conferences to use a “collaborative” process for instant replay. Under this exception, personnel in a location away from the stadium may assist the replay official at the stadium in making replay decisions.

The ACC has approved the implementation and use of a collaborative replay system for the 2016 season. Under this system, replay officials located in the Conference’s Game Day Operations Center (GDOC) in Greensboro will have the ability to view exactly what the in-stadium replay officials are viewing in real time. The replay officials in the GDOC will also be able to participate in the communication between the referee and the in-stadium replay official.

In order to implement this process, technology enhancements and upgrades are taking place this summer, both at the ACC GDOC and at all of the ACC’s stadiums. This will allow the replay officials in the GDOC and the in-stadium replay officials to simultaneously view the same camera angles of a play under review, and to communicate with one another, and with the referee.

The expected benefits of this collaborative process are greater consistency and accuracy in replay decisions

FREQUENTLY ASKED QUESTIONS

WHO WILL BE THE REPLAY OFFICIALS LOCATED IN THE GDOC?

ANSWER: They will be experienced replay officials who have consistently performed at a high level as in-stadium replay officials.

Q: HOW MANY REPLAY OFFICIALS WILL BE IN THE GDOC ON GAME DAYS?

A: There will be from one to three officials, depending on the number of games.

Q: WHAT WILL BE THEIR ROLE IN THE REPLAY PROCESS?

A: Their role will be to assist the in-stadium replay officials in the replay decision-making process, to ensure that the decisions being made are in accordance with the replay rules and are consistent with the replay philosophies established nationwide.

Q: TO WHAT VIDEO WILL THE OFFICIALS IN THE GDOC HAVE ACCESS?

A: They will have access to the same video that the in-stadium replay officials are provided, at the same time.

Q: WILL THE OFFICIALS IN THE GDOC BE ABLE TO COMMUNICATE WITH THE IN-STADIUM REPLAY OFFICIALS?

A: Yes, they will be able to speak with the in-stadium replay officials, and they will also have the capability to be involved in the communication with the referee during the replay process.

Q: DO THE ROLES AND RESPONSIBILITIES OF THE IN-STADIUM REPLAY OFFICIALS CHANGE AS A RESULT OF THIS NEW PROCESS?

A: No, the in-stadium replay officials will operate exactly as they have done in past seasons.

Q: DOES THIS NEW PROCESS CHANGE THE TYPES OF PLAYS THAT ARE REVIEWABLE?

A: No, having this new system neither adds to nor deletes from the list of reviewable plays.

Q: DOES THIS NEW PROCESS CHANGE THE REPLAY STANDARD OF REVIEW?

A: No, in order to reverse an on-field ruling, there still must be indisputable video evidence that the ruling on the field was incorrect.

Q: IN WHAT GAMES WILL THIS NEW SYSTEM BE USED?

A: The collaborative replay system will be used in all games played at ACC stadiums and at Notre Dame.

ACC Divisional Tiebreaker

If more than one team in the same division is tied for the best winning percentage in its Conference games, the procedures listed below will be followed to determine the division's representative in the ACC Championship Game:

Two-Team Tie:

1. Head-to-head competition between the two tied teams.
2. Win percentage of the tied teams within the division.
3. Head-to-head competition versus the team within the division with the best overall win percentage. (Divisional and non-divisional) and proceeding through the division. Multiple ties within the division will be broken from first-to-last using the league's tiebreaking procedures.
4. Overall win percentage versus all common non-divisional opponents.
5. Combined win percentage vs. all non-divisional opponents.
6. Win percentage versus common non-divisional opponents based on their order of finish (overall conference win percentage) and proceeding through other common non-divisional teams based upon their divisional order of finish.
7. The tied team with the higher ranking by the Team Rating Score metric provided by SportSource Analytics following the conclusion of regular season games.
8. The representative shall be chosen by a draw.(as administered by the Commissioner or the Commissioner's designee.)

Three-Team (or More) Team Tie:

(Once a team is eliminated from the tie, the tie-breaker procedures restart for the remaining teams. If the three (or more) team tie can be reduced to two teams, the two-team tiebreaker format will then be applied.)

1. Combined head-to-head win percentage among the tied teams.
2. Win percentage of the tied teams within the division.
3. Head-to-head competition versus the team within the division with the best overall (divisional and non-divisional) Conference win percentage, and proceeding through the division. Multiple ties within the division will be broken first to last, using the league's tie-breaker policies.
4. Combined win percentage versus all common non-divisional opponents.
5. Overall win percentage versus non-divisional opponents.
6. Win percentage versus common non-divisional opponents based upon their order of finish (overall win percentage) and proceeding through other common non-divisional opponents based upon their divisional order of finish.
7. The tied team with the highest ranking by the Team Rating Score metric provided by SportSource Analytics following the conclusion of regular season games.
8. The representative shall be chosen by a draw as administered by the Commissioner or the Commissioner's designee.

COLLEGE FOOTBALL PLAYOFF, ACC BOWL LINEUP

COLLEGE FOOTBALL PLAYOFF

The College Football Playoff begins its third year of operation after two highly-acclaimed years of operation season. The Playoff features the top four teams, two semifinals played in bowl games, and a national championship game played in a different city each year. Each semifinal is played during the New Year's holiday with the National Championship Game in prime time on a Monday night at least a week later.

The College Football Playoff selection committee chooses the four teams for the playoff based on their performance during the regular season, including, strength of schedule, head-to-head results, championships won, and other factors. The teams are seeded so that #1 will play #4 in one semifinal and #2 will meet #3 in the other, with the winners advancing to the national championship game. The selection committee announces its rankings each week on Tuesdays beginning this year on Nov. 1. The final rankings will be announced on Sunday, Dec. 4.

The semifinals rotate among six different bowls: the Chick-fil-A Peach, Goodyear Cotton, Fiesta and Capital One Orange Bowls; the Rose Bowl presented by Northwestern Mutual and the Allstate Sugar Bowl. In the years when the bowls are not hosting semifinals, the bowls will feature eight other teams in four compelling matchups.

ACC Bowl Quick Selection Order

(The ACC is in the third year of six-year contracts with its current bowl partners. The current College Football Playoff format is a 12-year agreement)

College Football Playoff (four teams)

If the ACC Champion is not in one of the semifinal games this year, it will appear the Capital One Orange Bowl. There is no limit on how many teams the College Football Playoff may choose from a particular conference. There is also a possibility an ACC team could be chosen for a berth in one of the New Year's Six Bowls if it is ranked high enough. This year only one at-large spot is open in a New Year's Six Bowl, that would be in the Goodyear Cotton Bowl.

Capital One Orange Bowl

The ACC champion, if not in the College Football Playoff, will appear this year in the Capital One Orange Bowl. The opponent will be the highest-ranked available team from the SEC, Big Ten or Notre Dame. If the ACC champion is selected for the College Football Playoff, then the next highest ranked ACC team will serve as the host team in the Capital One Orange Bowl.

Buffalo Wild Wings Citrus Bowl

In a year in which the Capital One Orange Bowl will not host the national semifinals, and the ACC opponent in the Orange Bowl is a team from the Big Ten, then the ACC will have a team selected to the Buffalo Wild Wings Citrus Bowl prior to the selection for the Russell Athletic Bowl.

Russell Athletic Bowl

Has first pick of ACC teams in 2016 after the College Football Playoff, the Capital One Orange Bowl, the Host Bowls (if applicable) and the Buffalo Wild Wings Citrus Bowl (only should the ACC Orange Bowl opponent be a team from the Big Ten).

Tier One Bowls

All have equal selection status

Belk /Hyundai Sun/New Era Pinstripe/Franklin American Mortgage Music City or TaxSlayer

Tier Two Bowls

Military Bowl Presented by Northrop Grumman
Camping World Independence Bowl
Quick Lane Bowl
St. Petersburg Bowl
Birmingham Bowl

Secondary only--if not filled by the Southeastern or American Athletic Conferences.

The One-Win Rule Applies Only to Notre Dame

The ACC's bowl selection will no longer be bound by the rigidity of a "one-win rule" but will have a general list of criteria to emphasize regionality and quality matchups on the field. A one-win rule does apply to Notre Dame's participation in the ACC Bowl structure. Notre Dame is eligible for ACC Bowl selection beginning with the Buffalo Wild Wings Citrus Bowl and continuing through the league's bowl selections. However, Notre Dame must be within one win of the ACC available team which has the best overall record, in order to be chosen. In other words, if an ACC team was 9-3, a 7-5 Notre Dame team could not be chosen in its place. Notre Dame would have to be 8-4 to be chosen over a 9-3 league team.

ACC Bowl Expenses And Revenue

The Atlantic Coast Conference shares all bowl revenues. Each school is provided an initial expense allotment. The Conference will share in the cost of unsold tickets for participating bowl institutions. After all bowl expense allotments and ticket reimbursements are subtracted from the total bowl revenue, the remaining revenue is distributed evenly among ACC schools.
