virginia coach george welsh

I don't think we played that well. We made a lot of mistakes--mental errors, execution mistakes. We missed too many opportunities in the first quarter. If we get third and one at the goal line, we've got to score. And we can't give up a 98-yard drive. We're not going to be ~~an~~ a dominant defensive football team.

They're a good football team. They're better than they looked on tape.

(On ~~Brooks~~ Brooks' passing) There was a timing problem out there, and I don't know why. He was holding the ball too long, and when he did he had to run. I don't know if he wasn't getting enough time or if it was something else.

(On the running game) We have to do better than that (93 yards). That's still our barometer.

(On the option play at the goal line) We've done that for a long time. That's still a good play. It looked like he should have caught it, but I don't know. That's a huge play.

With that field position and how long we had the ball, we should maybe have 12 points ~~x~~ (after one quarter).

(On the timeout not called at the end of the first half) That's a definite coaching mistake. That's dumb. We got nothing out of that.

We made too many mistakes, and that's our fault. We have to do a better job of coaching.

QUOTES FROM AUBURN COACH TERRY BOWDEN:

Tough place to come into play, real tough place to come get a win. Just like my father told me, they're gonna get you in a field position game, use their kicking game, get you in trouble. We had four possessions the first half, twice inside the 10, twice inside the 20, and you're afraid to do anything. Then they made the mistake going in and we turned it around and came down, and then the defense held on, and Dameyune was probably the difference. Without the plays he made it would have been 7-2 or 7-7 to the fourth quarter.

I was real pleased. My hats off to Virginia. They wer out there with some young people. Without giving up those big plays they might have beat us. They'll be good again this year.

They're one of the best rush defenses in the country. The first half we were backed up so far, they know we're not going to do anything crazy down there. They got everybody lined up and the first half we're kinda in a jam. I think in the effort is there. I've watched every film they had last year and nobody really dominated the run against them.

I felt like we'd have to try their corners out because they were new. We tried to tie up their inside people. Dameyune just made some sensational plays.

They're (UVA) pretty quick. We sat there pregame and watched them work out. That's an SEC looking ~~the~~ team. They're very athletic.

To me, that was about as tough an opener as you want to get.

We really didn't know what to prepare for in a lot of ways. A new coaching staff on ~~offense~~ offense, a dangerous quarterback, not really sure of his blocking schemes. I thought the defense played really well, gave us a touchdown interception and could have given us another one. We can get a lot better.

I wanted to play it close to the vest and see who would make the first mistake. I really wanted to come up here and not go out there and ~~do some~~ do some things that would get us in trouble. So we came out with that in mind. We tried to keep it a little less no huddle. A lot of the things this team does are similar to Florida State and this team (Virginia) has been so prepared for them, I didn't do any no huddle. I didn't do a whole bunch of things because they would have ~~knocked~~ it down perfectly. So I did some other things. Moved the backs around in the I formation just to change up. Hadn't thrown to the tailback in the flat. Just changed up some things.

RICHMOND COACH JIM REED

I'm proud of most of them. They gave a courageous effort. I told them all week to forget who it was on the other side of the ball. It was just a good football team. But it took us about a quarter to settle in. Some of our kids eyes were as big as silver dollars. There was no reason whatsoever for the fumble on that first play.

Our total yardage of 171 yards on offense tells the story. We needed to be up around 300 yards to be in the game. Virginia's defense dominated our offense.

I think Virginia was looking forward to a week off to prepare for North Carolina when they went up 17-0, and they relaxed a little bit. When you do that, ~~whatever~~ no matter who you play, you have problems.

This is a Virginia team that dominated that Auburn team except for a ~~few~~ few busted plays, and our kids looked them square in the eye all game long.

On film we thought we could throw the ball on their corners, but they settled in there and knocked our receivers around some, and that hasn't happen this year.

We got the ball on the 15-yard line, and our kids stuck in there against a very good Virginia defense and found a way to get the ball in the endzone.

VIRGINIA COACH GEORGE WELSH

Maybe we're not very good on offense. It's too early to tell. We made too many mistakes. You can't sustain anything when you keep making mistakes, assignment mistakes and penalties, and fumbles.

There was no way to know whether we were ~~just~~ practicing well or not because we had such bad weather all week. It doesn't explain dropping the ball like that though. It doesn't explain some assignment mistakes where we had guys free in the backfield. ~~It~~

Hey, we won the game. I'm happy. I'll settle for this score.

I'm concerned because we're making assignment mistakes and we're not holding onto the ball. I'm not concerned that we only beat Richmond ~~24-7~~ 24-7 or whatever it ended up.

(On Aaron Brooks) It's tough to judge him right now because there were so many pass protection breakdowns. They did too many things we weren't ready for.

Some of those defenses they hadn't shown before, those fronts. And some of them we just missed assignments. ~~They~~ They rushed five or six guys. That's standard anymore. They just used different alignments than we had seen.

Some of that broken wishbone stuff they used last year, but they hadn't shown it this year.

I think the defense played well. If they don't get the turnovers, we probably ~~don't~~ don't win.

(On early lead) Sometimes that's bad. You think it's going to be easy, but I don't know if that was the case today or not. If you get to 24-0, the whole perspective changes. They you're three scores up. But we never got there. We had a bad second and third quarters.

QUOTE FROM ACC COMMISSIONER JOHN SWOFFORD

(Swofford is in Atlanta for tonight's Georgia Tech-Clemson game)

"Our thoughts and prayers are with Jim Knight and his family. Jim is one of our very best officials and he has served our league in exemplary fashion for many years. This kind of thing certainly puts life and the games we play in perspective.

"I want to thank the medical and operations people at Kenan Stadium and the medical staffs at Virginia and North Carolina for their quick and effective response. I also want to thank the remainder of the officiating crew for continuing on under very emotional and difficult circumstances."

QUOTE FROM BRADLEY FAIRCLOTH, ACC ASSISTANT COMMISSIONER, COORDINATOR OF FOOTBALL OFFICIALS

Condition: He is in ICU at North Carolina Memorial Hospital and he is in stable condition. When I left the hospital he was semiconscious. The next 24 hours are very critical to his recovery...when he left the field, there was an indication that he had no pulse. They would probably do an angioplasty and some surgery.

Career: He came in the league in 1974. He has served about three years in the NFL. He voluntarily left the NFL (to return to college football). He preferred to officiate at the collegiate level rather than the pros.

Character: He is one of the most dedicated officials. He is well respected in our officiating circle. The same was the case in the NFL. He is an outstanding Christian gentleman.

Courtney Mauzy was in Raleigh watching the game on TV. He saw what happened and came to referee. He came on his own. (Mauzy was the referee for the second half)

Other notes: age 51, family-wife and two adult age children, Vietnam army veteran, won the Distinguished Service Cross medal three times and three Purple Hearts.

VIRGINIA COACH GEORGE WELSH

We let them change field position. We didn't keep them boxed down in their own territory when we had the change, and they had the ball a lot, especially in the first half. We couldn't seem to make more than a couple of first downs in a row. At least it was just 13-7, instead of 20-7.

One of Rick's favorite statements is "Somebody's got to make a play." Somebody had to make a play on offense and we finally had a couple of guys make some plays. You can't play the game for them. You try to make the right calls, anticipate the blitzes, and I think he ~~Book~~ (Brooks) did a good job.

(On his team's situation down 13-7 with the ball on the 13-yard line) It's not desperate. I was just hoping maybe we'd get the ball out to midfield and punt, ~~xxxx~~

That first down before we had to punt (in the fourth quarter) was a crucial play. It took ~~xxxx~~ another two minutes off the clock.

(On Brooks) He's got to make some plays for us to win. I think he knows that now. He can't just ~~hand the ball~~ hand the ball to the tailback and expect us to win. Wake's a good run defense team, they were ~~xxxx~~ coming into the game, and they showed it today. We have to try to get a balanced offense and he's got to make plays for us.

Field position hurt us today. It helped them. Penalties hurt a lot. Right now we're not a big play offense. A couple of blocking below the waist penalties and a couple of holds, and that hurts you. We had a couple of guys wide open in the secondary and we didn't get the ball off because the pass protection broke down. Those are 20-, 25-yard gains.

I think the three-man line helped us, ~~xxxx~~ even though he had time to throw. It gave us another guy in coverage, and we weren't getting pressure with four anyway.

WAKE FOREST HEAD COACH JIM CALDWELL

"All the way up until the end, it was still a tough ballgame. They're a tough football team. Perennially, they're going to be one of the top two or three football teams in our conference. Obviously in that situation like that we've just got to have that one more drive or that one more defensive stop."

"It's a tough football game to win when you don't get any turnovers like that."

"We got several opportunities after that (the field goal that put Wake up by 6). We just did not move the ball well."

"Our schedule just keeps getting tougher. That's the way it is. Carolina's a tough football team, there are a lot of tough football teams in our conference."

"They're not a one-man football team by any stretch of the imagination. So we had to keep our eye on him (Crowell), but we're just trying to play our defense how it's conceptualized."

On Joyner not playing the second half:

"He's a very good football player for us, a real tough guy. He really helps us clog up that middle. His not being able to go - we hope he'll be back next week."

"Obviously they (UVa) took a look at what we were doing and tried to make some adjustments. Some of what we ran in the first half did work in the second half, and there were certainly a few that worked better in the second half, but just not good enough."

"We just didn't move the ball well enough, we didn't stop them enough times. All the way around, we were very sloppy. We didn't play as good as we were capable of playing. We're capable of playing better than that."

COACHES' QUOTES

DUKE AT VIRGINIA

OCTOBER 18, 1997

DUKE COACH FRED GOLDSMITH

(On the unsportsmanlike conduct penalty) I got a very unsatisfactory explanation from one guy. ... They said it was taunting. He saluted the crowd.

As far as I'm concerned the game was played between two great defenses, and it was a tie.

(On Duke's defense) We came up with the big play. No matter what Virginia did, we didn't get rattled. I felt like we dictated things. To come up with the big play and keep them out of field goal range (at the end), and get that penalty, I'm extremely, extremely, extremely hurt.

I thought Virginia had a great defensive football team, but we stayed in there and got better. We got sacks early, but we protected better as we went a long.

There are no more excuses for this football team. It's either you win or you don't.

He (Combs) played a great game. He's a Virginia kid and he was excited. The explicit thing (about the taunting rule) was not to take the excitement away from the game. There's a player in there who's a Virginia kid who played a great game, who this game means more to than any game on our schedule, and he's brokenhearted.

VIRGINIA COACH ~~FRED GOLDSMITH~~ GEORGE WELSH

(On Stukes' strip and fumble recovery) We practice it, but I don't think it's very much. ~~They talk about it a lot~~ The defense talked about it a lot in preseason. We encourage them to try to knock it out with one hand and make the tackle ~~on~~ with the other.

On the offensive side of the ball, I don't think I saw anything I liked. It was bad.

(On Brooks' play when chased out of the pocket) I'd rather have him duck up inside or throw it away. For every good play you make, there are several bad ones. And all quarterbacks are that way. You try to make a play and don't see somebody coming from the other side. We've coached him to roll out and either run it or throw it away, but he's made some plays and now he thinks he can make more.

S
(On Virginia's defense) I think they did all right. I don't think they necessarily played well though. The fullback hurt us, and that's ridiculous with our defense. And the option hurt us. Other than that they did fine, but it seemed like Duke had he balt too much. but of course the offense kept giving it up.

We're going to have to eliminate those mistakes we made today and we're going to, or they're not going to play. I was told they were simulating the snap count, and they're not supposed to do that. But all those other things have to be eliminated. We didn't block worth a damn. We had a better week of practice this week than we had for Clemson--unless they forgot who they were playing. If they think they're going to celebrate the Clemson win until Tuesday and the get ready for Florida State, then they're going to have problems. But I didn't think so. To me, Duke-Virginia is still a big rivalry in the conference, and I tried to convince them of that. Now maybe they weren't listening.

VIRGINIA VS. FLORIDA ST. COACHES' QUOTES

UVa Head Coach George Welsh---

On getting behind 21-0--It's awfully tough against that defense. We'd have been all right if we wouldn't have given up some other easy ones. They executed very well. ~~xxxxxxx~~ They've got that fastbreak, no-huddle offense going pretty good.

On Brooks' availability--I didn't want to risk him with the score like that. If it had been 7-7, I might have used him. It just seemed like the best thing to do, not to play him.

On Ellis' play--I think he did all right. He showed a lot of poise. He held the ball until the last second. It's tough to judge our quarterbacks because our pass protection isn't good enough or we're not getting the right routes run. There's too many break-downs.

~~xx~~ On the decision to play Ellis rather than Rivers--I thought it might have been one of those one or two play deals, but then they said they weren't going to let him go in before the half. Ellis is the one who's been getting all the work, and maybe Brooks is going to have an ankle problem and not be ready next week, so I've got to think about the team.

We talked about playing Ellis during the week because Brooks had a little bit of an ankle sprain last week. You've got a shot at a decent season and all of a sudden you've got to put in a quarterback that hasn't played at all.

I think we tackled very poorly today. If we can't ~~xxxx~~ tackle their freshmen, what are we going to do when they get better? They had guys wide open. this year;

(On Poindexter) He limped off to me, and Joe told me he resprained his ankle. He wanted to go back, but it didn't make sense to me. It's one game. I want to line up next week. You can't keep playing on a sprained ankle. One of these times you're going to go down and then be out for three weeks.

**FLORIDA STATE VS. VIRGINIA
OCTOBER 25, 1997
QUOTE SHEET**

HEAD COACH BOBBY BOWDEN

"I can't every remember that happening -- a start that hot, where we got every break. But the most important score we had was that last one against them. On our start, I'm wondering "why me" , why did that happen so well. I'm sure George was also wondering why me.

Busby's not making foolish mistakes, but our offense is still not very consistent. The inconsistency scares me to death. We're hot, cold, hot, but when this team has had to do it, they've done it. When Virginia started to get momentum, the offense came right back and scored. I'm very pleased with what Travis Minor did. I'm also pleased with Davy Ford and I'm going to start Gooch this year. I felt a little guilty not starting Ford after his good game last week, but I was out of that after the first play.

I could tell how Virginia prepared. I kept reading where they would say "We beat before and we can do it again" and where they wanted their fans in the game. That's why the hot start was so important -- it took the crowd out quick.

Our defense played real well, but they're their own worst enemy with their penalties. "

THAD BUSBY

"We really came ready to play on offense tonight. We started off on fire. It was a great way to start the game and get their crowd out of it. I wish we could have played that well in the second quarter, but we bounced back in the second half and redeemed ourselves. When you score three touchdowns on your first five plays, it's tough to keep up that kind of pace."

TRAVIS MINOR

"It feels great to be able to contribute when I was called upon. I felt really good out there and the line did a really good job. Every time I scored the line made some great blocks. On the first touchdown run, there was a big hole at the line of scrimmage and then it was just daylight and I was able to out run everybody."

ANDRE WADSWORTH

"The offense gave us a huge spark to start the game. It was great to see them get off to such a big start and take Virginia right out of the game. The only bad thing about it was we kept having to go back out on to the field. Overall, on defense we gave up too many points, too many big plays and too many total yards. The most important thing is to win and we did that."

Post game quotes from Virginia coach George Welsh:

"I was scared to death coming into this game. We did not have 12 guys who could practice on defense all week and with Poindexter out, I really had no idea how our defense would play."

"I think we played well, I didn't think that we were capable of playing well with all of these guys hurt."

"This is the best we have played all year, at least for three quarters."

"The running game helped us tremendously. They helped keep the defense off the field and continued to give us good field position."

Regarding fake punt in fourth quarter:

"We coach our guys to make that call. They (Maryland) only had 10 guys on the field and the split guy was uncovered. That was not a called fake punt."

VIRGINIA COACH GEORGE WELSH

If I survived this, I guess I'll live to be 90 years old. Unbelievable. Honestly, I don't know what to expect from this team. One week it's one thing. The next week it's something else. I don't know what team's going to show up or how we're going to do.

Defensively, too many guys are not practicing all the time or they're practicing hurt. Maybe that showed up. A team that could execute, do lots of things, keep us off balance. I don't think we tackled well tonight.

(On Hamilton) I didn't think we'd win because I didn't ~~xxxx~~ think we could stop ~~xxx~~ him. He's pretty good, though. He's a better quarterback.

(On Brooks) I think he had a terrific night. The pass protection was good most of the time. He did some checks. Crowell did a great job, Owen did a great job. We needed it. They timed it right.

(Did he flash back to 1990 on the 12-men-off-the-field penalty?) Yeah, sure. When we were on that drive and got down there close, I said let's make sure we have our personnel groupings right. Let's not screw that up. And honest to God, about three plays later we did it. ... But it worked out better. We were able to take more time off the clock. They didn't have enough time left at the end.

(On playing Southern instead of Jones in that last drive) I wanted Southern in the game at that point. He has a little more power. I thought Southern was our best back at the time.

We were in disarray on defense for a lot of the game.

I think the offense is getting better. They've been healthy and they're playing with more confidence. The quarterback's better, the receivers are catching the ball almost all the time, and the offensive line's doing a pretty good job. That's why it's adding up to yards and points. And we're getting big plays.

GEORGIA TECH HEAD COACH GEORGE O'LEARY

"We gave up way too many big plays on defense, and when we had an opportunity to get something done on offense late in the game, we turned it over and that was really the difference in the game. We just gave up too many big plays on defense in the passing game.

"I got tired of watching Jason Bostic get beat. The one thing about coverage is that you've got to compete. I thought we did a better job when we moved Kofi Smith and moved Jerry Caldwell over to the other side of the field. When that ball is in the air, it's everybody's ball. There were just too many big plays and we lost momentum each time. We had opportunities. I hope that call was a good interference call when I look at the film. You hate to see a game end like that.

"It's a tough loss and we'll just have to rebound next week. I thought the kids went out and fought and fought and kept coming back. It's a tough loss to take at the end of a game like that. I'm not displeased at all with the effort. I'm really displeased with the productivity from our defense, especially as far as the length of the passes being completed. I thought we should have had more people around the ball. Offensively we made some big plays but you just can't turn the ball over in situations like we did.

"We have three games left. Obviously we have to get to six to reach our goal. We have opportunities to win three games, and if we turn the ball over like we did today, we have opportunities to lose three games too.

NOTES: 74-yard completion from Hamilton to Steagall was the

- * second longest of his career, longest since an 80-yard catch in his first game (1993)
- * Tech's longest offensive play of the year
- * Tied for 18th longest pass play in Tech history
- * Longest completion of Hamilton's career
- * Tech's longest pass play since 96-yard completion last year vs. Central Florida (Shaw to Charlie Rogers)

Charles Wiley topped 1,000 yards rushing for his career. He now has 1,047

Derrick Steagall set a school record for pass receiving yardage with 223 on seven catches. Old record was 203 by Kris Kentera vs. Navy in 1979

Joe Hamilton passed for a career high 337 yards, which is the fourth best single game total in school history. Hamilton tied his career high with 21 completions.

Hamilton also had a career high 368 yards total offense. His 368 yards was the third-highest single-game total in school history. He had 364 yards vs. N.C. State earlier this season.

COACHES' QUOTES

VIRGINIA TECH COACH FRANK BEAMER

Virginia played awfully well, and we played awfully hard. They made some big plays, and we had trouble making big plays. That was the difference in the ball game. Usually, if you block kicks, you're in good shape, but we couldn't get it going the other way.

I think we'll be a better bowl team. We'll have Scales back, and Al will have time to get his knee well, and that will help us.

I felt we had it going at times, but we turned it over at the wrong time. We had two turnovers and Virginia got points out of them. We fumbled the punt when we were starting to move the ball and Virginia scored. And at the beginning of the third quarter, when you want to come out and move the ball down field, we fumbled and Virginia scored.

We couldn't make the big plays. They did. We had receivers behind their dbs and just couldn't get the ball to them. That might be because Al didn't practice much last week, but we just didn't do it.

I give old Sparky Woods credit. He made some nice calls. They caught us in some things that hurt us.

VIRGINIA COACH GEORGE WELSH

I think our kids played with an awful lot of heart. They did, too. I have great admiration for this team for the way they played tonight. It wasn't pretty sometimes, and we had a bad kicking game, but we won, and I don't think we would have won if they didn't want it very badly.

Crowell had a great night, Brooks had a great night. The offensive line did a good job most of the time. Brooks is so much better now than he was in September it's amazing.

(On a bowl berth) I obviously think we deserve one. We're 7-4, 5-3 in the conference, and tied for third. I think we deserve a bowl bid.

(On stopping Tech's running game) It's the same defense. They played harder. Poindexter helped a lot. He made some stops. He's the heart and soul of the defense, so I guess that helps psychologically.

(On Brooks' passing) You have to give Sparky a lot of credit, and you have to give Brooks more credit than Sparky because Brooks did it, and I think it may be a question of him playing enough, of getting enough snaps, being under pressure, seeing all the stuff that going on on defense, having a feel for things.

(On throwing so much) We didn't go into the game with that in mind necessarily. As we got going in the game, though, and they were out there alone, we thought we'd better do it. Sparky made the decisions most of the time.

(On Jones' play) He had more running room. We played harder. We came off the ball better ran harder, played with more emotion.
