STATEMENT BY COACH FRANK HOWARD OF CLEMSON

I don't think we played very good, but we played good enough to win. We gotta get a lot better before next week (against Georgia), but I think we'll get all right.

It's been a long time since a defensive team of mine had to play that much, and that was one thing I wasn't sure of. But they played better than I thought they would. But we gotta work on that offense.

Watts and Southerland and Hefner did a pretty good job in there on defense.

I thought Virginia played real well. I don't think we ever found out who to block out there.

But we're gonna have to improve a whole lot. We might do better under better conditions, but you gotta remember, Virginia was playing on the same field we was.

At the midfield meeting between Howard and Blackburn, Howard complimented Blackburn on his defense. "You get a little better offense going out there, Blackie," Howard said, "and you'll have a heckuva of a ball club."

STATEMENT BY GEORGE BLACKBURN--VIRGINIA COACH

It rained on both teams so that's no excuse.

In their defense they have some might big boys that Fassio had to throw over.

Clemson didn't give us a damn thing, we earned everything we got.

We have athletes who positively know what it is to win a football game.

When Fassio was booted it wasn't the first time the crowd has gotten on a Virginia player. He went right back in and moved the team and that took mental courage and that's what it's all about.

Our passing game--well I hoped it would be better and although it was wet they had to throw the same football.

Our pass defense--except for the one breakdown our defense was great.

We didn't use our other quarterbacks because they can't select the plays as well, physically ~~know~~ they're all close.
