STATEMENT BY COACH FRANK HOWARD OF CLEMSON

I don't think we played very good, but we played good enough to win. We gotta get a lot better before next week (against Georgia), but I think we'll get all right.

It's been a long time since a defensive team of mine had to play that much, and that was one thing I wasn't sure of. But they played better than I thought they would. But we gotta work on that offense.

Watts and Southerland and Hefner did a pretty good job in there on defense.

I thought Virginia played real well. I don't think we ever found out who to block out there.

But we're gonna have to improve a whole lot. We might do better under better conditions, but you gotta remember, Virginia was playing on the same field we was.

At the midfield meeting between Howard and Blackburn, Howard complimented Blackburn on his defense. "You get a little better offense going out there, Blackie," Howard said, "and you'll have a heckuva of a ball club."

STATEMENT BY GEORGE BLACKBURN--VIRGINIA COACH

It rained on both teams so that's no excuse.

In their defense they have some might big boys that Fassio had to throw over.

Clemson didn't give us a damn thing, we earned everything we got.

We have athletes who positively know what it is to win a football game.

When Fassio was booted it wasn't the first time the crowd has gotten on a Virginia player. He went right back in and moved the team and that took mental courage and that's what it's all about.

Our passing game--well I hoped it would be better and although it was wet they had to throw the same football.

Our pass defense--except for the one breakdown our defense was great.

We didn't use our other quarterbacks because they can't select the plays as well, physically ~~know~~ they're all close.

QUOTES FROM COACH GEORGE BLACKBURN

"We were totally outfootballed--offensively and defensively"

Q: Did they do anything unexpected?

A: "No! They got out in front and then went to work on us. They just opened up ever thing on us. We were down 17-0 and if we could have gotten back in the game it would have been different. With that kind of lead you can do just about anything."

Q: Is there any reason you went to cubbage so early or were you just looking for a change?

A: No we were only using two quarterbacks.

QUOTES FROM COACH EARLE EDWARDS

"We got totether today and played football. We ran on them better than I thought we would. We got good pass protection today and Moody had another good day. He ran well, passed well and directed the team well against a team that is hard to do things well against since ~~they~~ you never know where they are going to line up. Moody, I thought, had a very good game."

"Our blocking helped us, giving Moody fine protection. Bill Smaltz, offensive line coach, put some special things in for this game to counter the blitzing that Virginia does."

"On defense we didn't doo anything different except play better and harder. There were no changes."

~~Max~~ Al Michaels, defensive coach, was asked how the defense was so much better today against a team that leads the ACC in offense: "We just played tough football. They got together and the boys did a good job."

Edwards: "I believe this was our best game -- for four quarters. I'm extremely proud of the offensive line. We were able to keep the ball a good bit on them and we had to block well to do that. Give them (offensive line) a lot of credit today. Our backs ran hard, also ~~knazkraz~~ and that with the blocking was a big help."

"I just think the boys paid more attention to things today. Both offensviely and defensively. When we were backed up in the second half (twice punting inside the ten), our defense was every effective the n."

"The biggest change was in the pass proctection. It helped out, giving Moody the opportunity to throw."

COACH'S QUOTES

Bill Dooley ---It was a great victory for our team. We're over the hump now at Carolina.

Our defensive team certainly did an outstanding job. I thought that Bill Richardson and Judge Mattocks played exceptional football. And they had a lot of help too.

I've said it many times and I'll say it again. There isn't a better back in the Atlantic Coast Conference than Don McCauley. He came back to have another great afternoon. His touchdown run was a sensational individual effort. He broke two tackles on that play.

We had planned before the game to use a reverse against Virginia. The first time it didn't work. But Coach (Bobby) Collins turned to me and said, 'Let's run it again.' That's what we did and Jolley took it all the way for the touchdown.

It's especially sweet to beat Virginia because they had whippee Carolina five years in a row. Virginia is very tough. They hit. But we had planned to try to run at them.

Swofford got shaken up again the last quarter. We decided to use Lanier and let him try to run wide. Virginia did a good job of containing us on those plays.

I don't know what happened on the blocked field goal tries. We'll have to look at the films and see.

George Blackburn --- We didn't expect Carolina to run that much but we new they had the good backs, yet that didn't beat us. The reverse and the two big runs.

Didn't feature Helman as much because we opened with Cabbage and used Helman as a decoy.

This is a season when things just haven't fallen into place, but we're not getting overwrought about it. Naturally getting shutout three times in a row is frustrating but as I said before the game and I'll continue to promise we'll keep fighting.

There bliz hurt us and especially when they knew we had to pass in the last half.

Cabbage has a dislocated elbow and Minton a pinched nerve in his neck.

Mattocks is one hell of a defensive end and that's why we didn't try to run that side. They have good talent defensively and their offensive backs are real good. McCauley, you've got to give the devil his dues---he's strong, he breaks tackles and one hell of a good player.

We just can't make the big play. I just don't know why.

First time Virginia has been shutout three times in a row since 1935.

Extends Virginia's quarter scoreless streak to 14.

44 yards is lowest (rushing) this year, Virginia

192 yards passing highest, Virginia

WAKE FOREST 28 VIRGINIA 21

COACH CAL STOLL, WAKE FOREST UNIVERSITY:

We came to play. We gave them 14 quick points, but we came back. The layoff last week helped us. We had a chance to change our defense. We switched Schubert from end to rover, and he really played a great game. We switched Headley from end to tackle, and he did a good job too.

They got a bad break on the snap when we scored the safety, but that's the way it goes. The breaks had been going against us all year.

Virginia ran a couple of reverses that hurt us. That quick flip also hurt.

We had heard and read in the papers that we were too small and couldn't hit. We ~~xxx~~ took the challenge and did something about it today.

Mazalewski was great. He's as good as any in the conference. If it hadn't been for him, we wouldn't have been in a couple of games this year. He's too small and too slow, but he's the toughest man on the field.

Jim Schubert, Wake Forest: I guess I was lucky. I had a good defensive line out front on that ~~punt~~ interception return. Roman Wszelaki threw a great block. The last guy I had to beat was the quarterback, and Roman blocked him.

GEORGE BLACKBURN

It seems to be that kind of season. It's one thing or another--we just find time to lose it.

The reason John was in o center on the punt is because Ryczek was hurt. a bad shoulder. I can't remember John making another snap this year for a punt but he made several last year under game conditions.

The whole season's been like this-I'd have to have a script writer ~~xx~~ for this one today.

It looked to me like they were willing to go for the tie at the end but we managed to throw it away.

Just to show you how it's been--we went through two days of heavy live scrimmage last week without injuries. On Thursday, after making the decision to unredshirt Larry Albert, we're running dummy scrimmage and he falls down and a pulling guard steps on his hand and breaks it.

Now it's what football's all about. You separate the men from the boys. We have two hard games ahead and we don't have any quitters on the this team. We just have to hitch up our pants and go back to work.

I've never had a year like this since I started ~~xx~~ coaching and gentlemen, that was in 1947.

We've got some pretty good talent out there but we just can't put it together.

We're not making the big plays and our opponents are.

Both John and myself are big enough to shoulder this.

It takes more mental courage than physical courage in this game and it always will.

TULANE RECORDS & HIGH MARKS IN TODAY'S GAME

SCORING (TEAM)

Tulane's biggest margin of victory in 94 games, dating back to a 40-8 win over William & Mary in 1960.

Coach Jim Pittman's biggest margin of victory as a head coach. His biggest previous win was 36-11 over North Carolina in 1967.

First Tulane shutout since beating VPI 13-0 in Pittman's first game as a head coach in 1966.

RUSTY LACHAUSSEE

Threw for 89 yards today to set a new Tulane season record for passing yardage with 1,009 yards. Old record of 990 yards by Joe Ernst in 1950. Lachaussee hit 4 of 6 today for 2 touchdowns and 1 interception.

JOE BULLARD

Set a new Tulane record for punt return yardage in one season as he ran back 3 punts for 95 yards to increase his season total to 378 yards in 18 returns. Old mark was 359 yards by Don Zimmerman in 1932.

TULANE HEAD COACH JIM PITTMAN:

"I can't really say I was fearful of a letdown with L.S.U. coming up, because these kids seem to come back every week... We only threw twice in the first half because we didn't have the football much and we weren't in good field position... I didn't think our offense was flat, they just didn't have the ball... Joe Bullard played a fine game, and he was just a hair away from breaking it all the way on those punt returns... he does a real good job of getting to the wall and our defensive unit does a tremendous job of blocking for him on those returns... Virginia hurt us throwing the football, but I think Fassie has done a good job throwing all season, so I wasn't surprised... Bob Marshall did a heckuva job running with the football this afternoon... Rusty Lachaussee threw real well in the second half; he has the confidence to come back, which is a real fine trait... We used our three wide receivers (Barrios, LeBlanc and Paulsen) at the same time because we thought we could get someone deep on their defensive set-up.

VIRGINIA COACH GEORGE BLACKBURN:

"We had our opportunities in the first half, but we couldn't put any points on the scoreboard... This would have changed our whole strategy... Our defense played pretty well, but the offense couldn't score... We went with a lot of automatics... Fassie had a good day, but he couldn't push one across for a score... Carrington is a great kicker, but he was just off today... we're just not a good football team, I guess... We usually kill ourselves with our own mistakes... You can't get shocked over dropping one after losing five in a row... You just have to stay in there... We have a lot of young boys and we're going to be good... The main thing that Tulane did that surprised me was the break-away running... Especially the draw play by Marshall in the first half... Those Tulane punt returns really hurt us... They must work on that a lot to be able to set them up like that... Lachaussee is a real fine passer.

ATTENDANCE: 22,000

COACHES COMMENTS:

ROY LESTER: We were mighty lucky. I'm very thankful. We hope this will give us an impetus to start 1970.

We didn't play bad defense. Neither did they. Virginia kept a lot of pressure on with man-for-man coverage and a good rush.

ABOUT RALPH SONNTAG: "I never saw him start a fight yet. He said somebody kicked him."

"One call was a major one. That was the "no play" ruling in third quarter. One official, not the referee, blew a whistle inadvertently. We ~~XXXX~~ apparently recovered a fumble. But the rule is, Virginia got the ball back, the fumble was not allowed, and the down re-played. It's a bad rule. It hurt us in the Wake Forest game, too."

On the third-and-40 completion in 3rd quarter, Fassio to Carrington: "That's the kind of mistake we plan to correct next season. We should have been in basic heads-up zone and the ~~XXXX~~ defender should be coming up to see everything. I haven't cussed as much as I did then in twenty years."

On their two-point conversion, we played it ~~XXX~~ absolutely leusy. Virginia hurt us on that play all day.

Our ground game was not good in 2nd half. Tom Miller took another beating. He suffered a severe cut over an eye.

When Virginia fumbled in final seconds, we were lucky. It looked as if they were trying to kill the clock. I'm sure their backs had instructions to ~~XXXX~~ hold the ball, not try for touchdowns.

On 50-yard field goal try: Fries has good leg, kicked 43-yarder vs. Syracuse.

ABOUT THE SEASON: I'm just glad to get it over. We had about 30 fine prospects here, we hope to sign a lot of 'em and get started."

Coach Blackburn:

Our kids went all out--there was a lot of good hitting on both sides. Both teams were charged up.

As far as the year went--by won and lost figures it was highly unsuccessful--but for our seniors, I told them they played hard and should carry this on into life.

Our season is not a tragedy. This group has done everything we've asked of them. Their approach has been 100 per cent. They've stayed with it. It's a shame they didn't win more football games because they deserved it.

Fumbles have killed us all year and reared up again today.

No one play lost the game for us.

We couldn't move the football in the spring and it was our most haunting problem all fall.

At 4:30 today we started working for next year.

When asked about his own coaching situation: We'll all get together in Washington soon (college football coaches) and the winners will toast each other and the losers will try to figure out how not to lose.
