COACHES' QUOTES

VIRGINIA 6---NAVY 3

first victory over Navy for Virginia since 1968 at Annapolis(24-0), Virginia's fourth victory over Navy and the first which was not a shutout---

QUOTES FROM NAVY COACH GEORGE WELSH:

2" On the four down pass from the 12: "I thought we could get, I wanted a touchdown, maybe not on that play. I didn't want to tie. There will be a lot of second guessing on it, ~~xxxx~~ I imagine. The play was a run first, but the Virginia end covered it well and he had to throw.

3" "We didn't block the first half, so we tried a couple of new looks the third period and tries to throw the ball to loosen things ~~xxxx~~ up.

"We had enough offense to win. But ~~xxxx~~ we didn't hold onto the ball. I don't know what's the matter. We have veteran backs. There's no excuse.

4" "Virginia is a good team. We're not overpowering and so ~~xxxx~~ we can't make mistakes like that against a good team. I think we have a good defensive team.

"I thought we controlled the game the second half but if you can't score, you can't win. We have to improve if we're going to be good. We have to find some depth in some places.

5" It doesn't look good for Steve Chambers (defensive tackle). He has a knee injury.

BEST WICK

It's nice to know Virginia has gotten to the point where it can win with its defense.

6" At least three times today receivers didn't read the defense and change their routes. ~~xxxx~~ ~~just inexperience~~ And it wasn't just one guy; it was a team effort. That's just inexperience. As soon as our receivers get a little experience, Todd's going to have a good passing day.

7" We had too many missed assignments, too many missed alignments to move the ball consistently. I don't know what our longest drive was, but I can tell you it wasn't very long.

Bert Krupp epitomizes what we're trying to do in this program. His first year we were not sure he would be able to play. But he kept at it, did everything he was asked to do, and we kept coaching him. Nobody gave up on him and as a result he was a good football player for us today.

8" On that fourth down play, we were not in the right alignment defensively. One of our young players was out of place and they completed the pass right there.

I feel lucky but I felt luckier last year when we beat Georgia 31-0. I didn't say we were lucky last year when we got beat before, and I feel I should be able to say we weren't lucky now that we've won.

9" I thought we ran the ball well when we lined up properly and got off the ball properly. Throw out that attempted pass by Quentin Walker and the misalignments and we probably had a pretty good rushing ~~xxxx~~ average.

COACHES' QUOTES-----Virginia 13-0 NC State 27 Virginia is 1-1(0-1)
NC State is 2-0(1-0), 1st in ACC

QUICK RECAP

MONTE KIFFIN, N.C. State: "I really ~~think~~ think we beat a darn good football team today. They ~~can~~ certainly can play defense. And they can throw the football. I have a lot of respect and admiration for them. They never quit.

"The key to the win, I think, was the 80-yard drive ~~was~~ right ~~before~~ before the half. It was perfectly executed. That was a great job with our two-minute offense. Tol (Avery) did a great job in the third quarter. He made some plays that you just don't ~~see~~ coach. When it got 27-7, we sat on the ball. Just tried to use up the clock. I think that's smart football. But we sure didn't plan on sitting on it when it was ~~17-7~~ 17-7. I knew that wasn't safe against a fine team like Virginia.

"Bubba Green proved he's for real. He got a game ball for his play on defense. They said he was inconsistent, but he was outstanding all day today. "

On Eddie Jackson's play: "That's why you try to develop depth. A second-teamer is only one snap away from being a starter. I just loved the way Eddie came off the bench and did a great job. The kids themselves talked about not letting up after the half. They kept telling each other, 'Remember Raleigh.' "

On Mike Quick: "He gives ~~us~~ you the deep threat on any pass pattern. He's also good on the short patterns and the intermediates. He can catch the ball anywhere. We worked hard on our passing game all week, and it paid off."

On containing Vigorito: "We tackled well, and the defense just did a darn good job. Against a great back like him, you can't give him daylight. We had to ~~work~~ work hard to keep him from exploding. We're 2-0 and I'm darn proud of our team. We're not No. 1, I know that. We still have a long ways to go. But we're happy to be 2-0."

Bestwick

Tol Avery was a threat running and throwing the football. His running on the corner and the big pass plays he hit when they needed them were the difference in the ballgame.

I think the films will show we had a ~~man~~ man open in the first half for at least a first down (intercepted by Williams, returned 45 yards), but didn't make the play. Instead of us getting at least a field goal, they did. That was big play. They made the big plays today, we didn't.

In the first half they had us pretty well scouted out. In the second we got a couple of prett pretty good gains but couldn't make the big one when we had to. On that third down in the fourth quarter (third and three from the NC State 27; Green stops Vigorito for loss of four; Morrison missed 48 yard field goal on fourth and 7), we just missed the block. We'd just made a good gain on that call a couple of plays before, but we didn't block Green that time.

Our tackling was very poor today. It was a combination of bad tackling and good ball carryin carrying. They're a much quicker team than Navy.

In the I formation they're gonna key on the tailback. It wasn't so much the play selection as not blocking the people up front.

HEAD COACH DICK BESTWICK OF VIRGINIA : "West Virginia tried to give it away in the first half, and we gave it away in the second half. When you turn the football over seven times -- and particularly in the field position we turned it over in -- it is going to hurt you. Also after we found out in the first half we could move the football against them, and found out some things we could do, and they were there, but when you turn it over that many times in that field position your defense has no chance to play. You're going to lose. That was the most miserable half of football I've seen since I've been in coaching. I've never seen a team put the ball on the ground and throw it away as many times as we did in the second half. It looked like we had control of the football game at the half. But when those kinds of things happen -- the fumbles, the kickoff they recovered etc. -- you're going to see the kind of score that you saw today. I was satisfied when we came out at halftime that we would be ready to play, and we would have.

We had guys open on the interceptions, it was unbelievable. It makes no sense trying to blame it on anyone (the second half turnaround); It was just a day when nothing in the final 30 minutes of football at the end went right."

WEST VIRGINIA COACH DON NEHLEN: "It's great to win this game. It was a must game for us. They all get more important but you have to understand we gotta go 8,000 miles away next week and then play Pitt and Penn State back to back. If we come out of this thing 3-2. . .well, we just needed this game badly. Plus, every one we win we develop more confidence and more poise.

"We went over to their looks at halftime and said hey men, these are exactly what we practiced against all week. Now there's nothing we can say to you except you gotta block that tackle and block that linebacker. We went to a little more automatics in the second half and packaged our offense a little more.

The game plan was exactly the same in each half. We executed in the second half and we didn't execute in the first half.

The defense played beautiful the whole game. You know we gave 'em those touchdowns. We tried to give it away in the first half. They tried harder to give it away in the second half and they did.

The onside kick wasn't planned. He just hit the top of the ball and our defense just played like the devil and got it.

From the fans standpoint and from the sidelines, our outside linebackers played their best game of the year. Now how well they grade out I don't know: All the defensive kids played with enthusiasm. Last week we thought we sat on our haunches and let them come at us. Today we went after them.

COACHES QUOTES -----VIRGINIA VS. CLEMSON October 11, 1980

Brian Shumock set a career interception mark with his 12th pickoff, he broke a record shared by three players (George Stetter, Andy Minton, and Derrick Glasper) who each had 11--he extended his record for career interception return yardage---

COACH DANNY FORD OF CLEMSON: Ford told his players in the dressing room before the press was admitted: "I can't be any prouder of you. You learned something else today--how to come back in the fourth quarter when you are behind. You played well when you had to play. All of you are heart attack players."

In his press conference, Ford said: Virginia did a heck of a job. They were well prepared and Coach Bestwick has brought this team farther than anybody who has been here.

Our guys did an excellent job of not losing their poise when they were down 14 points. They could have folded. Jordan did a good job on the option when Crite scored the touchdown and Jordan ~~was~~ made a heck of a play ~~when~~ when about a dozen had a crack at him for about a 15-yard loss and gaining a couple of yards.

I hope they don't keep this up of just playing well enough to win, but if that's the way it's going to be and we keep on winning, don't guess I can gripe too much.

I wasn't quite prepared to make this speech. I thought it was going to be a losing speech at first, but the players proved me wrong and I'm glad.

We thought about going for two points after the last touchdown, but there was still plenty of time and we had two times out left. We put a 10-man rush on the punt that was blocked (WILLIE UNDERWOOD BLOCKED THE PUNT), where we normally rush eight. There was a lot of gutty play out there in the fourth quarter, and I can't say enough about Virginia. They came to play and they played until the last second ticked off.

COACH DICK BESTWICK OF VIRGINIA:

Needless to say that was the most difficult loss I've ever had to put up with. It was particularly difficult because I thought our team played well enough to win. Out side of a three big plays in the second half, we played well enough to win. It was unbelievable the way we lost last week, but it's probably more unbelievable losing this week.

This is the first time this season we've had to play without some of our important people out of the game because of injuries. Delaney, Anderson, Chester, and Sewak were all baged up and when you're trying to win a game in the fourth quarter you want those people in here.

On being flat after Clemson tied the score: They had us backed up and they had momentum, but I don't think we ~~are~~ were flat. We gaot one first down and if our tackle hand't missed his block on htat third down play (Kirtley sacked for]2 wayrd loss by Durham) we'd at least have had a chance for another. When something like that happens it usually means you've blown your assignment, not that youre flat.

HEAD COACH DICK BESTWICK : "Well, obviously, it was probably the poorest game we've played in the four and a half years I've been here. You can attribute a lot of that to the fact that Virginia Tech played a very fine football game. They were very well prepared, and they were obviously fresh and ready for the game, and they did what it took to win. They ran the ball right at us and we couldn't stop them, and if you can't stop people in this game and they can (control the football) like they did, you're going to have an outcome like this.

ON THE ABSENCE OF ALL-AMERICA DT STU ANDERSON : "Anytime you have your best defensive player out, it is going to hurt. But that had nothing to do with the outcome of the game. They deserved to win the game, and you've got to play with the people you have. Anderson was out, and so we've got to play without him. He may be out (with ankle injury) for the rest of the year, so we have to play without him. Someone else has got to suck it up, and do a better job, and at times it looked like we had people doing that.

It was a crazy ballgame. Lindsay (DeLaney) started to move the ball, and all of a sudden he makes a mistake. Part of that is because he hasn't played that much football. Mental errors really hurt us badly. Turning the wrong way -- I wouldn't even guess how many times that happened, a half a dozen times maybe. When you have that happen, there is no way you're going to get any continuity, even if you're doing other things well. Those things which happened early in the game kept us from establishing any consistency at all on offense. That and the fact that they just ran the ball right at us made the difference. In the last half, when you get the kind of lead Tech had on us, you are going to get what you saw. They are going to lay back on their ears, come right at you, take chances, and you're going to get sacks like that. There isn't much you can do about that.

Certainly when you get beat 30-0 you don't feel like you were ready. Going into the game, I had no reason to think we weren't. We've been through five tough football games. Now this is six. We have said all along that the schedule is difficult, and it is, but it's

there and you are going to have to play it. I'm not going to make any alibis or excuses. Virginia Tech played a fine football game, and certainly today they deserved to win. I just hope we play that well when they come to our place next year.

ON CHANGING QUARTERBACKS : "We didn't really change QB's due to different situations. When Lindsay began having some mental errors and was not executing, we then brought Todd in. Finally at the end, we thought it was only fair to give Gordie (Whitehead) a chance to get in the football game. He's a fine quarterback. At the end we tried to get a lot of young people in the game after it was out of hand, and that is one reason why we had so many sacks in the end. AS FOR NEXT WEEK (the QB starter) we will have to evaluate what each one did, and go from there."

COACH JOHNNY MAJORS OF TENNESSEE:

"It was a mighty tough day. The whole difference in the game was the short yardage plays. Four or five times, our offense had the ball for short yardage and didn't make it. When you don't you are in a for a long day.

"We got beat by a scrappy bunch of players who came after us very hard. I was proud of our defense and the way they played in the first half, only giving up the one TD. And the way we fought back late in the game and a had a chance to do something, I was also proud of that, the way we didn't quit.

"But we just got whipped on short yardage tackle to tackle. I thought our football team was ready to play. The spirit in practice was positive."

COACH BICK BESTWICK OF VIRGINIA:

"This was not the greatest win ever for us -- just another very big one. And I assure you this won't be the last one. The Georgia win a last season probably did more for our program than any other single victory since I came to Virginia (in 1976), but this one today certainly parallels that one.

"We thought coming into the game that we could win it. We just got a great effort from our entire football team. We ended up with a freshman tailback (Derek Jenkins) because everyone else got banged up. David Hall did not even come out for the second half.

"I was surprised that they were moving everyone around on defense (for our motion). That is what Georgia did against us last year.

"Play selection always looks great when it works. Execution is what makes your play calling successful. We saw some things we would be able to do in the first half. And we took advantage of them.

"I'll tell you this -- no one pushes us around anymore. Our win today shows people that we have brought our football program further than anyone would have imagined.

"Tennessee is a great football team. They came to play. It took a super effort by our young people to beat them."

Coach's Quotes---Virginia vs. Rutgers---

Virginia's Wayne Morrison extended his successful field goal streak to 8 before it was broken on Virginia's last drive--he broke the single season record he held , he now has 19--he tied a career mark of 19, co-held by Billy Maxwell and Joe Jenkins-- he extended his successful PAT streak to 30--

Todd Kistley moved ahead of Gene Arnette and Tom Rodges in career passing, he now has 2531 yards

he now has 1049 yards passing this season, which moved him today ahead of Bill Dudley, Gene Arnette, and Rufus Barkely--- (single season passing).

FRANK BURNS - RUTGERS QUOTES

"I think we really deserved to win, without a doubt. I'm ~~was~~ real happy with the way we hung in the game. We had pretty good control of the game, even after Virginia scored on the long TD pass. Many teams could have folded in ~~that~~ that situation. It's a real nice win for us.

Both teams played with a lot of desire and character.

On Falcinelli's winning FG:

I thought the game was over when I saw the ~~the~~ snap go high. Tim O'Leary, our receiver, did a great job getting the ball down on the tee. He hurt his knee on Thursday and was kicking under a bit of pain and pressure. He is just a super kicker.

On McMichael (QB):

Ed is a very fine quarterback and if you give him some time he can throw the ball. I thought our offensive line gave him some fine protection.

DICK BESTWICK OF VIRGINIA : "

We certainly can't criticize our youngster because he's kicked enough to win ballgames that he's allowed one of those. I'm just pleased and proud the way our team fought back after it looked like it was over when Rutgers kicked their grief goal. To move the ball like we did and get in a position to win it is a credit to our young people.

We thought with 8 seconds left if we broke something, got tackled, time might run out before we could get a kick off. What we had in mind was running Tommy off tackle to get the ball right in the middle, but if we break it into the secondary, we don't have time to call time out and the game's over. And 43 yards is certainly in Wayne's range. He kicked one that long last week and he kicked a 50-yarder last year against Navy. There was never question about the distance.

You've got to give credit to Mc Michael. He's the best quarterback we've faced this year. He's a cool customer and he's very hard to get to. Their offensive line gave him a lot of protection. I can see why he's ranked 12th in the country.

I didn't think the defense played with as much intensity as it did at Tennessee. But you can maintain that level of intensity consistently. I didn't think it was ban, but it could have been better early in the ballgame.

Field is AstroTurf, UVA is 4-4 and Rutgers is 8-3 going into the game
 WEATHER: Temperature 79 degrees, 20% chance of rain, wind from the southwest at 12mph
 UVA and Rutgers will also meet next year in New Jersey==

COACHES QUOTES FOR VIRGINIA-MARYLAND GAME, NOVEMBER 22, 1980

Virginia Coach Dick Bestwick:

The last twenty minutes of the ballgame was porbably ~~the worst we've played~~ as poorly as we've played in five years. It was just everything that could go wrong went wrong, Fumbled snaps, fumbled snaps to the kicker, the kicking game totally--it was just a nightmare. And like Tommy Vigorito said to me after the game, he said, "Coach that's the hardest we've been hit all year. Anybody that daid they weren't ready to play was very, very wrong."

I thought we were ready to play, but unfortunately in the first half we weren't able to handle Van Horn. And we had some dropped passes early and some opportunities that you have to take advantage of and we didn't and after that there weren't many opportunities.

We played excellent defesne again throughout the first half and the majority of the third quarter. But you can't keep putting pressure on people like we did on our guys, the kicking game was a big thing because we received the kickoff and didn't get a first down. A short punt and they were in field position. Like one of our coaches said, we finished the first half with one ~~possession~~ possession outside the tenty. The ballgame was on the field at that and we weren't able to take advantage of it because of bad field and we couldn't move the football consistently. The sack wehn we were down in scoring position in the first half certainly was avery very big play. Once you pass up enough of those youre in trouble.

Coach Jerry Claiborne: We lost three tough football games and then came back strong. I am proud of this team. Proud of the way thry performed today. Our defense was playing well in the first half and turning the ball over, we just could'nt get it in the end zone.

In second half we blocked well ran well and passed well. We felt we were moving the ball well in the first half but just could'nt score. We actually cut down some on offense in second half and executed better.

We are happy to be in the Tangerine Bowl, Happy to be invited and will start talking and thinking about that now. I do not know anything about Florida. Have not seen them on film as we did not have a common opponent. They still have two games left.

The Virginia secondary was doing a pretty good job of covering our people all day.

I think our defense has gotton some confidence and gotton the big plays to keep the opponents from scoring. You have to get those big plays on defense as you do on offense. It helps everyon e's confiden ce and success breeds success.

We have been very successfull the last few weeks.
