# Joe Paterno Quotes

QUOTES FROM PENN STATE COACH JOE PATERNO (Virginia game)

(concern about team's "legs" - did it figure into today's game)  
I just think Virginia played a very good football game. They made the one mistake and we weren't able to capitalize on it. Other than that I thought they played a very fine football game .. they were precise ... they handled the ball well. They just played too well for us at this stage. We're not good enough yet to beat Virginia the way they played today. It's as simple as that.

(comment on Virginia offense and particularly Shawn Moore)  
Moore is a good quarterback. A lot of people got the wrong impression of him because of the first half against Notre Dame. We knew he was a good quarterback and we were concerned with him. He played very well. Their whole football team played well.

(why was Blair Thomas in and out of the game)  
We got behind. I said it's going to be a long ball game and we'd like to have Blair as fresh as we can. If we had gotten a break or some field position. Outside of the one break our field position was horrendous all day.. We just could not get any kind of field position and that's to Virginia's credit. They made third down plays.

(what things must you attack right away)  
It's tough for me to say. There are certain things that stick in my head like dropped passes. We have to do a better job on timing on the pass game. We were a little late getting the ball, missing people who were open.

(plan to use two quarterbacks)  
we came into the ballgame, because it was so hot, we were going to play two offensive units. There wasn't that much difference in the offensive lines. We thought we'd play Sacca with the second group which is his team. As the game got on .. Tom has been a better quarterback in the situation stuff we practice. I figured we've got to get it done, so I stayed with Tommy. We did alternate the offensive lines and the backs as best we could.

((was Blair tired)  
It was a hot day.. It's a <sup>long</sup> season, we've got 10 more football games. On a day like today I wouldn't have intended him to do more than that. I never thought he'd carry the ball more than 12-14 times in the game. Blair ran back punts for us, we threw the ball to him and he had a good, active day.

(was team flat in the first half)  
I don't think we were flat. That interception early gave Virginia some spark and we weren't able to stop them. Moore got to feel pretty good about himself and they felt they were o.k. We didn't play well in the sense of being precise. Virginia played darn near like they were in the middle of the season.

(are you dissappointed)  
I don't think it's a crushing defeat, it's a disappointment certainly. You always like to start the season with a good, solid win. I really believe that my team played very well and with all the shifts in personnel and position, a lot of freshman in there, in a tough game like that I thought they handled themselves well. I think there's a lot of promising things around. I was pleased with the way some of those kids hung in there.

(team's emotion)  
It's a young team and I would hope that they would bounce back. I would hope there's enough leadership among the older guys that they'll come back. I'm disappointed but I'm not discouraged).

(on injuries)  
Deter hurt an ankle last week and couldn't play and Giannetti broke his hand the second or third play. Giannetti tried to play but just couldn't get off the blocks.

# Visiting Quotes

VIRGINIA HEAD COACH GEORGE WELSH

(General Comments:) "I'm about worn out. We played hard, but we didn't execute as well as I would have liked, and I'm sure they (Penn State) will also say that. I really believe that you can't judge a team on their first game."

(A big win for you personally?) "It really doesn't mean anything anymore. I'm just glad this series is over. We're all friends, and I have great respect for them."

(Play of his team:) "I'm really proud of them, they played extremely hard. It wasn't a great week at practice, but it was a good one. I think we started to come together as a team."

(Play of quarterback Shawn Moore:) "He's not pretty at times, but he gets the job done. He makes a big play. We can win with him. I could see in warmups that he was throwing the ball better. He was more precise."

(Difference from Notre Dame game:) "Playing a game definitely helped us. The only thing that we tried to do differently was to get the quarterback outside more. We also used some different formations."

(Penn State defense:) "It's hard to tell what they are doing sometimes. I have great respect for Coach Sandusky, and they are tough up front. They like to stunt."

(Missed Field Goal to ice win:) "I didn't feel too good after that. That is usually the kiss of death, but the defense hung in there."

(Throwing the ball:) "I didn't expect us to be able to throw the ball deep off them, but I think we're a better team when we are throwing deep! We worked hard on it in practice, not just for Penn State but for the season."

(Second Touchdown:) "Moore was out of the pocket and he threw against the grain. I know we can execute our passing game better, and we'll have to."

(Blair Thomas:) "He looked good to me. He made some great cuts and he has great acceleration. He just missed that one by and 1/8 of an inch."

## TOM BILL

(On platooning): It really was no problem. We knew it was going to happen. I don't think it affected us too much, both Tony and I work so often with the receivers.

(General feelings after the game): Of course, I'm not too happy. We had high hopes going into the game and we still do. We have to learn from this game and everyone has to keep working. I'm not too concerned. We've been through it before.

(Bright spots): I saw a lot of second effort on the field. The offensive line did a great job. I don't think I got touched once when I dropped back.

(Team attitude entering the second half): We were really pumped up. The defense came out and played very well. We never felt out of it. We just didn't get the big play.

## RICH SCHONEWOLF

(On Shawn Moore): I don't think we got a very good rush on him. When Moore roams out of the pocket, he's awfully hard to contain. He hurt us a lot on third downs.

## MARK D'ONOFRIO

(On PSU's defensive play): We didn't play that badly in the first half. Virginia just made a couple of big plays. Overall, I think we played a great game.

## ANDRE COLLINS

(Impressions of the Lions' pass defense): We played a good game, but the pass defense was suspect. They kept us off balance, so that's not necessarily the secondary's fault.

(On Virginia's third down conversions): We knew at halftime that we weren't playing a bad game. We just had to get third-down situations under control. It started to look good for us in the second half, but Virginia held on and stayed tough.

## BRIAN CHIZMAR

(on Virginia quarterback Shawn Moore): I don't think he gave us too many problems. We were worried about keeping him in the pocket, so he didn't hurt us.

(on third-down conversions): The same thing happened last year. We played two good downs and then let them get the first. We have to put a stop to it.

(problems with pass defense): It wasn't much of a problem. They just made some great catches. They didn't surprise us. They did everything we thought they'd do.

(on losing the opener): It's only the first game. We have enough leaders to bounce back and have a good season. We just have to take it game by game. I don't think it should be hard to come back. We'll just have to show the character of our team.

## TONY SACCA

(on quarterback platoon): It affects him and it affects me. I was glad to get in there. If you're not in there for a majority of the plays it's tough to get into a groove.

(overall impression of Penn State's play): There were should-have-beens everywhere. The first half we weren't sure of ourselves. We choked.

# Player Quotes

## VIRGINIA PLAYER QUOTES

### QUARTERBACK SHAWN MOORE

"We said in practice this week that we had to play harder. You play like you practice, so you have to work hard all week. We wanted to get off on the right foot, and that good start carried us the whole game."

"Penn State didn't do anything that we didn't expect. I was looking forward to this game because I didn't think they were 28 points better than us last year."

### SPLIT END HERMAN MOORE

"Penn State didn't do too much that we didn't expect. They switched some people from last year, but they didn't show us anything that we couldn't adjust to."

"On the second touchdown, I was not the primary receiver. I went straight down the field, and cut across the middle. Everyone else is cutting across in the opposite direction, so I guess I got lost in the scramble."

### CORNERBACK TONY COVINGTON

"The first touchdown was a big confidence builder. It really picked us up. We came out as unit this week and won this game as a unit. I think we were embarrassed last week, but this week we showed that Virginia is ready to go to the next level."

### STRONG SAFETY TYRONE LEWIS

"We still have some more work to do, but this is a start. Mike Williams really played well today, and he took some pressure off the secondary. We had good ball reaction today. We just did a good job of covering. We knew what we had to do. We didn't expect to hold them without a touchdown. We just wanted to be in a position to win."

"On the last drive we knew they had to score and then go for two points, so we had everything going for us."

"Blair Thomas didn't run the ball as much as we expected. I expected to see 'Blair right, Blair left, and Blair up the middle,' but I guess they just didn't want to work him."

## VIRGINIA QUOTES--GEORGE WELSH

"I didn't tell this team that this was a game at the crossroads, but I did tell them that it was very important. It's been tough for us to win here. We've won here, but its been tough.

### ON THE MCGONNIGAL PASS

"It was a formation where we had run from exclusively. We had the pass in. But we hand't used it. It was a different pattern from the one that was successful later. His number wasn't called that often. He was the second receiver on the other pass down the middle, the second one.

### ON THE FINAL DRIVE

"I loved it. When you don't give it back to them, there were some key plays. That screen pass was crucial. There were some others too. They (Virginia offense) did a real good job...No mistakes. We had third down a couple of times and made it.

### ON WILSON.

"He had a real good day. He put the ball on the ground too many times, but he still ran well. I don't know what happend on the fumble down by the goal. It looked like a pretty good hole. I thought we'd be able to get a first down, if not get it into the end zone. Then I saw the ball come out, but I don't know why it came out."

### ON MOORE'S GAME WAS IT THE BEST OF HIS CAREER?

"I would be hard to beat his game at Penn State last week."

### WERE YOU WORRIED ABOUT A LETDOWN?

"I wasn't worried about a letdown. We played really well against Penn State overall. It's hard to do that. I didn't notice any letdown this week. We practiced very hard. We made too many mistakes to score alot of points on offense. And I don't know why we couldn't handle their quarterback very well. We let him run around too much, allowed him too many yards.

BOBBY ROSS, GEORGIA TECH

"I told our squad at the end of the game that I am going to refuse to surrender. I am not going to surrender. I do still believe that we are a better football team. I'm not going to let this one loss shake me and detract me from what we want to get done with this football program. I'm still confident that we can become a good football team.

"I think the biggest thing in the football game today was that we have to capitalize on the opportunities as they come. We were not good at that. We had two opportunities to put points on the board and we were not able to do that. That occurred on our first offensive series when we turned the ball over after moving the ball reasonably well. There was no cause for the fumble. We just simply turned the ball over. Then when we got deep in their territory in the second half we come away with no points. Part of it has to do with decision making as it relates to the running game and option. We probably weren't as sharp in that phase today as we would have liked to have been. The other thing that was disappointing to us was our passing game and our pass defense. We're still not getting the pass rush that I feel we need. On the long pass to McGonnigal in the second half, it seemed like he had a century to throw the football and we had a five man rush. We just not getting the pressure. I thought we were able to keep him (Shawn Moore) contained reasonably well which was one of the biggest parts of the game plan. Again he hurt us with the throwing and twice to McGonnigal deep.

"We're going to continue to go to work. One of the biggest things that we have to deal with now is the confidence factor. With each game, it becomes a little tougher on us and it becomes tougher to get those plays because the confidence factor enters into it. As soon as we get that, I think it will be different from last season. I think it's going to be a one game shot. If we can get over that hump and get that confidence, then we'll be a better football team because we are a better football team.

NOTING THE RAMBLING WRECK: Running back Jerry Mays' 113 yard effort was the ninth 100-yard game of his career and his second against Virginia. Mays passed the 2,500 yard mark in his career against Virginia and boosted his total to 2,550 yards. He now ranks 18th on the ACC career rushing list passing today Clemson's Ray Yauger, Duke's Mike Grayson, Wake's Topper Clemons, UNC's Tyrone Anthony and N.C. State's Willie Burden and Stan Fritts... In addition, Mays' four catches moved him into 4th place on the all-time receiving list at Tech with 85 receptions as he passed Ken Whisenhunt.

~~Virginia Head Coach George Welsh~~

## Duke coach Steve Spurrier

I thought we had a chance to win, but obviously we didn't have much of a chance. Virginia's just way too good for us. We ~~idea~~ thought with the ball control early in the game that might give us some incentive, some enthusiasm, some motivation, some momentum to play some defense. But they hit the big passes on us. I think our guys tried. That's the sad part. We tried hard and we still can't stop them. I don't know what to say about that. Virginia's just too good for us. I don't know what we could have done differently.

We definitely wanted to stay on the field (offensively), run the ball, mix it up a little bit and we did pretty well there for about a quarter. And then they started scoring every time they got it and we didn't. That's what happened.

## Virginia coach George Welsh

I was a little bit surprised (that Duke ran the ball early). I expected a lot of things, but I didn't expect that. They do a good job that way. They keep you off balance. We expected to do a better job against the draw, but we didn't.

We got back in the ball game real quick, and that helped us. I think the key was the deep balls. That helped other things. We got a couple by inches, made a couple of big plays, and maybe their defense lost confidence.

We were concerned after the first drive that they moved the ball so easily on ground. That's a good offensive line.

Once we were able to stop them a little bit, we were able to play our nickel defense. That defense is better geared to stop their offense.

I think we have to watch now that we don't let up. We have to make sure we don't read all the press clippings about how good we are.

W&M Coach Jimmie Laycock

"Overall I think it was a good effort and we played hard. We were in a position to win until late in the game. We played much better defensively in the second half.

Hakel did a good job tonight. He was under a lot of pressure and he took some good shots but he was very much in control.

Virginia coach George Welsh

They always seem to do some things we can't handle. They do a lot of different things—shovel passes, fake reverses. They keep you off balance.

(On 46-yard completion off fake reverse to Kingsfield) : We got fooled. That's going to happen with that kind of offense.

I thought we blocked them well, but we didn't get enough out of our passing game. We didn't handle the ball well. We fumbled some pitches. We made too many mistakes. We were getting 10-yard runs and then getting stopped for no gain.

To be real good we have to get more out of our passing game. 392 yards (Virginia's rushing total)—that usually means you've got 40 and ~~you~~ you're going away.

(William and Mary's defense) They take chances. They give up big plays, but then they turn around and stop you for no gain.

WAKE FOREST COACH BILL DOOLEY:

"First of all, we congratulate Virginia on the win. They have an outstanding offense and Shawn Moore gives you a lot of problems because of his versatility as a quarterback. He hurts you with the pass and with the run, and he has a number of very good offensive players with him. Virginia has the type of offense that everyone would like to have—they can run ~~and pass~~ they can throw.

"Of course, I felt that we were a little generous defensively on more than one occasion. I'm talking about a third-down blitz ~~in one situation~~ in one situation when we let the tight end run free over the middle, and our defensive backs did not do a very good job quite a few times as well. We just made it too easy for them too often.

"I did feel that our offense did a fairly good job of moving the ball, but we still have to move the ball more effectively with the run before we can establish any consistency on offense. Phil Barnhill did a good job throwing the football and Ricky Proehl, who certainly is one of the outstanding players in the Atlantic Coast Conference, did a good job, but as I said, our running game has got to be more productive for us."

DEACON NOTES: Ricky Proehl went over the 100-yard mark in receiving for the third straight game and the 10th time in his career . . . Proehl ~~is~~ also became Wake Forest's all-time receiving yardage leader this evening—he now has 162 career catches (1st in WFU history) for 2,536 yards (1st in WFU; 2nd in ACC history). Proehl also now has 20 TDs for his career—that's 2nd on the WFU career list and ties him with John Ford for 3rd in ACC history

The 47 points allowed by WFU is the most given up by a Bill Dooley team at Wake Forest, and the most every by Virginia against Wake Forest

Career Bests: Phil Barnhill's TD rushing was the first of his career; Bobby Jones TD catch was the 1st of his career.

ALSO: In the lockerroom after the game, Bill Dooley informed the team that freshman linebacker Greg Ruminski of Clemmons N.C. had suffered a broken back in an accident Friday night. Ruminski, who was being redshirted, apparently fell from an apartment balcony, but further details were unavailable at this time. He is suffering paralysis from the waist down and his situation is termed serious. He is presently hospitalized in Charlotte, NC, where the accident occurred.

VIRGINIA COACH GEORGE WELSH

I still don't think we were as good as we were three or four weeks ago, and we got some more guys hurt tonight. Half the guys aren't practicing during the week that catches up with you. You start to go backwards sometimes. We're going to lose one of these weeks unless we get better.

(On being tied for the ACC ~~championship~~ lead) I think the guys sometimes get too tied up in this ACC championship business. We're not thinking about that. We've got Louisville next week.

We got some big plays tonight and made some great ~~and~~ catches. We thought their secondary was pretty young so we called a lot of passes.

I don't think we got their attention this week. We didn't play with emotion and that shows up on defense.

(On passing on third and one while ahead 40-21) Nineteen is not enough. You have to be three touchdowns and two-point conversions ahead with that much time left to feel safe.

COACHES' QUOTES  
LOUISVILLE AT VIRGINIA  
OCT. 28, 1989

VIRGINIA COACH GEORGE WELSH

(On final drive) Moore's run on the draw was the big play. Got us out of a hole. Once we got down around the 25-yard line, we were thinking field goal. It's hard to get it in the end zone and you don't want to take any chances. It's too risky trying to throw it in the endzone. And McInerney's been kicking the hell out of the ball.

(On lack of scoring) We were concerned about that last week when ~~when~~ we had to kick four field goals. I don't know what's wrong. I think we had enough offense today to have another touchdown, but we stalled out too much. I think we have to look at our outside option attack.

I don't think we looked past them. I thought if we were going to have a problem it would ~~have~~ be because of the injuries. We've had a lot of people who haven't been able to practice.

(On Louisville's pass protection) We rushed three guys sometimes and maybe we shouldn't have done that. Their offensive linemen do as good a job of anybody at keeping after you. We learned that last year. Their quarterback runs around but doesn't run up field and he keeps looking for open receivers.

I think this win says a lot considering the injuries we've had. ~~When~~ You're going to have games like that and you're happy when you win them.

LOUISVILLE COACH HOWARD SCHNELLENBERGER

This is a very difficult loss to take. Possibly Virginia didn't play their best. Obviously we didn't play our best game. It was a hard-fought game on both sides of the field. As for us, not to be able to shut them down in the last three minutes of the game is very disconcerting, very hard to understand.

A lot of plays weren't made on either side of the ball. Unfortunately, we didn't make as many positive plays as they did.

I wish George Welsh and his team good luck down the line. I know how hard he's worked to bring this program forward. It means a lot to college football to have a new program coming on the scene.

VIRGINIA RECORD: Placekicker ~~with~~ Jake McInerney set a new Virginia record for consecutive field goals. McInerney has now kicked 12 consecutive field goals, breaking Kenny Stadlin's record of 10 straight, set in 1985.

**COACHES' QUOTES**  
**N.C. State vs. Virginia**

**Coach Dick Sheridan:** "I don't think that 'disappointed' is a strong enough word. We've disappointed ourselves, and we've disappointed our fans. No one likes to fail, and that's what we did. We've lost the opportunity to compete for the conference championship, and it hurts.

**On State's Failures Inside the UVA 10:** "Every time down, we made a bad play. Those failures certainly were a key factor in the game."

"We gave up the two long passes, plus the touchdown pass, but other than that I thought we played very well defensively. When you spot a team like Virginia seven points, which we did when they returned the interception, you're putting yourself in a bad situation.

"I'm very proud of the way Preston (Poag) played today. I don't think the quarterback change was a big factor. Preston played very well. Virginia played well on both sides of the ball, and I think you have to recognize the quality of their ball club."

**NCSU NOTES:** Quarterback Shane Montgomery has been admitted to Community Hospital, where he is undergoing routine observation. Montgomery suffered a slight concussion in the first quarter. Prior to leaving the game, Montgomery established a new NCSU school record for career passing yardage. Montgomery has now thrown for 4,626 yards while at State.

**Coach George Welsh:** On UVA's goalline stands: "Ends up probably the difference in the game... Otherwise it's at least 10-0, or 14-0, and then I don't know if we win. Teams have scored on us first before, but we managed offensively to come down and get right back in the game.

"I don't feel fortunate, I think we earned it. We kept them out of the end zone, and we made a couple of big plays on offense. We had a punt block, but the odds were with us and we got it back.

**Did State Change it's offensive starategy without Montgomery:** "I don't know, they still called a lot of passes as I recall. Maybe they ran more options because Poag is a better option quarterback, and we weren't quite ready for that. That hurt us a couple of times. We had to make sure we were concerned with the options even though we didn't practice against it."

**N.C. STATE VS. VIRGINIA      PLAY-BY-PLAY**  
**Carter-Finley Stadium      November 4, 1989**

**Coin Toss:** Virginia won the toss and deferred to the second half. N.C. State will receive the kickoff and defend the North goal.

COACHES' QUOTES  
VIRGINIA TECH AT VIRGINIA  
NOV. 11, 1989

VIRGINIA COACH GEORGE WELSH

(On the second half) I don't think we tackled as well. They had too many 5- and 10-yard ~~many~~ runs and third and fourth-down conversions. The offense didn't help any in the second half. We needed a couple more first downs.

Our kids were ready to play. I don't know, maybe we got tired in the second half. If anything, you let up a little ~~psychologically~~ psychologically in that situation. The team wasn't happy after the game, but I think they will be tomorrow. We scored 32 points and we won. That's the bottom line.

(On Virginia's lack of passing in the second half) We ~~should~~ only had the ball once in the third quarter and we scored a touchdown. In the fourth quarter we were against the wind. What you do in that situation is ~~try~~ try to get a couple of first downs on the ground and take four minutes off the clock.

Wooten played awfully well, but I think they could have done the same thing with Cam Young. They were already on the move when he got hurt. They were fired up.

I don't know if we're in ~~the~~ a bowl or not. I don't know if nine wins is enough. But in the past, we would probably know by ~~the~~ Tuesday. I think that will help. There was a lot of bowl speculation last week and a lot of it was wrong. The guys were talking about it on Tuesday and I was concerned.

Virginia Tech Coach Frank Beamer

"Give Virginia credit. Shawn Moore and Herman Moore are two great players and they did us in the first half. I've never been prouder of our football team than I was in the second half. We came up short, but we fought down to the last play. I couldn't love my Tech players more. They showed everyone in the stadium what kind of character they have.

"I got one of my front teeth knocked out trying to break up the scuffle at the end. It had been such a cleanly played game. I hated to see it end on a bad note. I was out there trying to pull players apart and someone inadvertently hit me with an elbow. I am having trouble talking now.

"The key touchdown in the game was the one by Virginia just before the half. If we could have gone in at half behind by just 17-0, I feel we would have had a real good chance to win the game. Virginia had a good game plan and just executed it well.

"Rodd Wooten did a fine job for us. He had some zing on his passes and he gave us a big lift. Of course, we hate so much to see Cam Young's career end with an injury. "

DOCTORS BELIEVE THAT CAM YOUNG BROKE TWO BONES IN THE LOWER PART OF HIS RIGHT ARM. THE INJURY OCCURED AS HE ATTEMPTED TO DIVE FOR A FIRST DOWN.

POST GAME QUOTES:

ILLINOIS HEAD COACH JOHN MACKOVIC:

"We're pleased to be here...exciting game. We were shown a week we will never forget. It was well worth the trip. It was meaningful and we will cherish it."

"Virginia is an outstanding team, they kept battling back. I'm proud of our team and the way that we played, although we were a little careless with three fumbles lost. Overall I'm generally pleased."

"Jeff had an outstanding game. He was sharp early. And he made good audibles . Especially in the second half. As you know we're a drop back pass team, with only 13 sacks all year. After the first quarter, we protected our quarterback real well."

"We tried to build our defense around the run. They (UVa) couldn't get into a rythm."

BIG PLAYS --- Opening kickoff was a big play, and a couple of Jeff's TD passes and the interception in the endzone.

"Jeff George excels in two minute drives. In our offense, we try to get a lot of people involved."

"George would be an outstanding prospect for the Heisman next year. We could go to the Rose Bowl next year."

"A couple of things motivated our team today... We were 0-for- the 80's in Bowl games and we wanted to win ten games. The winners of ten games are great teams. Only three times has an Illinois team won ten games, in 1902, 1983, and this year. To further accentuate that is next year will be our 100th anniversary of playing football at the University of Illinois."

"I think we've earned a top ten ranking, especially if there are a couple of upsets."

ILLINOIS QB JEFF GEORGE:

"Our motivation today was o-for-the 80's and national tv. It also gave us a good start for the new year. I wanted to play well and the stats were great. As my line protected me well. When they do that we can move the ball against anyone. I have a great bunch of guys around me."

ABOUT TURNING PRO---"I don't know what I want to do."

ON FAKE HANDOFF TO GRIFFITH AND TD PASS TO DONOVAN---"Howard (Griffith's) fake was what made the play go. I looked up and Dan (Donovan) was wide open."

ON OPENING KICKOFF FUMBLE---"...was a great momentum thing."

"We're at our best in two-minute situations. ON PLAY WITH ONE SECOND LEFT IN FIRST HALF---We designed that play to finish with only the one second remaining so that we would have a chance to kick the field goal (he said with tongue firmly planted in cheek)."

"I thought it was over when it was 7-0, with our defense. Without the other ten guys on our offense, I'm nothing."

ILLINOIS LINEBACKER DARRICK BROWNLOW:

"ON INTERCEPTION IN ENDZONE---I saw Moore scrambling and was just lucky to catch the ball. I was going to take off, but saw four guys in front of me."

"The coaches stressed to us the importance of going 10-2 instead of 9-3. A lot of defensive guys doing their jobs is what helped contain Virginia."

VIRGINIA HEAD COACH GEORGE WELSH:

"We're not that hard to cover man-to-man. Their getting 17 straight points hurt us if there was any one thing."

"We had a chance a couple of times, but they had too many yards and had the ball too long. The 7 points early really hurt. They're an awfully good football team. The offense has to help the defense and we didn't do that today."

"Their defensive line, that's their strength. They put our quarterback under too much pressure. We didn't have that much pressure all year."

"George is poised and has a great arm. They ran the ball better than we were hoping. They were wide open on the long ones a lot of times."

"We did a good job of rushing against Duke. Duke offensively is pretty good, their offensive line is comparable to Illinois's."

"We didn't use the option as much as we wanted to, they stopped our running game."

"They started on their own 5 and came down the field in five minutes, that hurt."

"I wasn't very happy at halftime and told them we had to get back into the game, but we didn't. I was hoping we wouldn't make any mistakes early."

"I didn't notice Shawn (Moore) was flustered."

"Sure looked like we were out-muscled on both sides of the ball. Our tailback didn't get yards until near the end of the game."

"We had a good season, but got beat pretty good."

"Our worst games were the first and last. In the Notre Dame game, we didn't have a chance. In this game, we did."

"This has been a great experience. This city has so much more than I thought. The people here are tremendous. No team or staff has ever been taken better care of. There are a lot of activities."

"I didn't think we were flat. We had more penalties and mistakes than we had all year. We weren't uptight, I just don't know why we didn't play better."

"I can't compare the Big Ten and the ACC, only the teams we played."

Florida Citrus Bowl - Virginia vs. Illinois Jan, 1, 1990

Virginia Quarterback SHAWN MOORE--In the second half I ran a little more because that's what the defense was allowing us. A lot of times they were coming wide and I found myself with the middle wide open.

We had a great year and it was a tremendous experience for everyone. It was a good year for Virginia. It's going to help us in the future based on the type of year that we had. We enjoyed this bowl game and I hope we can come back next year.

The fumble (in the beginning) put us in a tough position and I thought we fought right back. We came back to 14-7 and I thought we were still in it. Even though they kicked a field goal at the end of the half we still had a chance.

Once we got in the position of playing catch up you don't tend to want to run the ball so we turned to the pass and it kind of opened up the running game for us. It helped Terry (Kirby) get outside on a couple of nice runs.

Virginia Defensive End CHRIS SLADE--Jeff George is a great quarterback. We gave him alot of time out there and you give him time like that and he'll hurt you. He, Bellamy and Williams were unstoppable today. We didn't put pressure on them when we needed to and that hurt us. We knew coming into the game today that George was the key and we didn't do it.

We didn't really have to sack him, we just wanted to throw him off his rhythm. They've got a great offensive line and you give George a couple of seconds and he'll hurt you. There were times when we should have stopped them and didn't. It was just unfortunate we couldn't get to him when we needed to.

If you keep the defense out on the field as long as we did and with an offense like Illinois', they'll hurt you.

## ILLINOIS CITRUS BOWL NOTES

Interception by Darrick Brownlow was his 2nd career interception.

Dan Donovan now has 9 receptions on the season with 4 TD catches.

The 68 yard completion from Jeff George to Mike Bellamy was Illinois's longest of the season.

George's 3 TD passes today give him 22 total on the season setting a new Illinois single-season record. The former record of 20 was set by Tony Eason in 1981.

Mike Bellamy's 166 reception yards are a career high.

Illinois's 498 yards of total offense are a Fighting Illini bowl record.

Moe Gardner has at least 1 tackle-for-loss in 13 straight games.

Today's win breaks a 4-game bowl losing streak by Illinois. Illinois is now 4-1 on January 1 bowl games. Illinois's last bowl victory was in the 1964 Rose Bowl against Washington.

This is the first time since 1983 and the third time in school history that Illinois has had 10 victories. (The other was in 1902.)

George's 321 yards passing are a season high.
