COACHES QUOTES:

virginia's first home opener win since 1974, william and mary
virginia's first shutout win since 1974, wake forest 14-0
virginia's first shutout win at home since 1973, vmi, 16-0
greg taylor's career high rushing, 19 carries for 149 yards, today

RICHMOND COACH JIM TAIT:

"We never got into it. Virginia played a tremendous football game especially (Todd) Kirtley. We got unnerved early; and gave them momentum."

In response to a writer's question; concerning a feeling that Virginia may have known exactly what he (Richmond) was running, Tait said "No. They were running pretty basic stuff."

"The defense got beat on the line. We must get this worked out quickly. (DT Mark) Seale got hurt fairly early (sprain-left knee) and tried to keep playing, but had to come out. That didn't help. And of ~~course~~ course the loss of Jesse (Williams) hurt us"

VIRGINIA COACH DICK BESTWICK:

"This sure feels different from other openers! The shutout is nice to have. It feels great to ~~x~~ win."

"The coaches really had their people prepared. We had a better football team from top to bottom." ~~It's taken us a long time to get here~~ The kids have worked for three and a half years to get here."

"The defensive line performed very well. Todd (Kirtley) played very well too. We have the best talent of freshmen quarterbacks too."

We're getting to be the team I thought we could be when I came. It's taken us a long to get here. More than anything else ~~xxxxxxx~~ the players never lost faith in themselves as men."

"the defensive game plan was to run a balanced attack. we have to put the pressure on. We have to be an ~~agg~~ offensive defense."

"The difference this year with Taylor is that he has one year of experience. He has the moves and the speed; he just got a chance to show it ~~at~~ today."

COACHES' QUOTES VIRGINIA-N. C. STATE SEPTEMBER 15, 1979
FINAL SCORE: N. C. STATE 31 VIRGINIA 27

COACH BO REIN, N.C. State: "I said before the season that the bottom teams would be better and the top teams not as good as Clemson was last year. I think that was verified out there tonight. I was proud of the way we played the first half, and I'm sure coach Bestwick was proud of the way his team played in the second half.

"We had turnovers in the second half which we didn't have in the first half. And our defense didn't stop them. As I said after watching their Richmond game, they have a very, very explosive offense, which could match any in the league. For 30 minutes, they were great.

"How you can play inspired for 30 minutes and not for the next 30, I don't know. When it got close, though, some of our seniors played good football. Gale got the key interception. Isley got off a great punt, and Vickers just bowled over some people. We are a good football team, but we do need a lot of improvement. Still, we are 2 and 0.

"Virginia got some big plays, at least four or more of over 50 yards."

GAME BALLS were awarded to: LB Markon Gale, RB Billy Ray Vickers and RB Rickey Adams.

COACH DICK BESTWICK, Virginia: "We just got started a little late. The 1st half field ~~position~~ and a breakdown in our kicking game let us down early.

"I'd like to think that no one is going to score 31 points on us in one half anymore."

"That was the finest effort in the second half that I have ever been associated with."

"N.C. State has a very good offensive line, but I'm not sure that it is any better than ours."

"In the second half we had to move our defensive people around -- we used a lot of slants and angling. Missed tackles hurt us in key situations, but a lot of credit goes to their fine backs.

"Tommy Vigorito established himself as one of the premier backs in the Conference."

"This is not the same Virginia team that you've been used to seeing... We're not happy anymore with close losses--I'm not, the kids aren't, and I hope that our fans aren't."

NOTE: Tommy Vigorito's 192 yards rushing is his career high. It is the highest single game rushing total for UVa since 1968 when Frank Quayle rushed for 216 yards against Maryland.

COACH'S QUOTES-----

VMI COACH BOB THALMN-----

They did the things you have to do to win -- we could never get a consistent offense going and that put us in the grab bag.

We hurt ourselves a lot, but I don't want to take anything away from their great play. They have really made a lot of improvement.

There is still nothing we can't correct and go on to have a great season.

We knew that Taylor and Vigorito were excellent backs, but overall I feel our defense did a good job.

Walt Bellamy is just a super ballplayer; we play him on both sides of the field and let him go to the ball.

VIRGINIA COACH DICK BESTWICK_____

It was a x tough game, I have to give their staff full credit for having them prepared. VMI stopped a lot of what we tried. They made us work for what we got.

Our whole team made a good effort. We just didn't get good execution. We didn't throw the ball particularly well.

Our defense played unbelievably. They turned the ball over like we want them to.

Pat Chester may be one of the best return specialists in the country. He has super balance.

I'm happy with the win. Winning and feeling we didn't look real good feels much better than losing and feeling we played well.

coaches' quotes

uva--first conference win at home since Wake Forest 12-10, 1977

first since 1973 over a acc foe ov///// other than Wake since 1973, duke and unc most points vs an acc foe since 1973, unc(44)

taylor and vigorito over 100 yards for the second consecutive week, we don't know when that last happened

first interception returned, we think, since 1971 army game at army

UVA HEAD COACH DICK BESTWICK

"We played very well in the first half, but we made the same mistakes in the 2nd half that we did against VMI. The players need to learn to play with the same intensity in the second half."

"Penalties and our own errors kept us from dominating. You can't fumble on the goal line and beat teams like Clemson and Maryland."

On Gordie Whitehead: "We thought we ought to begin to play some of the other players in case something happens to Todd. We needed to see how the others could move the ball. Each of the players try to do what they have to do when they're in the game. Gordie did a fine job."

On first ACC win of the season: "It's just another win and I'm happy with it. The players all know that the first part of the schedule is not the toughest. We have a rocky road ahead, and we'll have to intensify our play to win."

DUKE HEAD COACH RED WILSON

The main thing is that our football team is showing its inexperience. We hoped we could hide it but you can't coach experience.

Virginia is a very good football team. We made a multitude of errors. We will be good but it is going to take time.

The early fumbles and the number of turnovers in the first half I thought were the key to the game. We used less stunts on defense and I thought we did a better job than last week. We still aren't getting to the passer.

We now have three games under our belts. And we will have to keep reevaluating our personnel. Both our quarterbacks have very little experience but I believe they will be fine quarterbacks -- they showed that against Nat Carolina.

Vigorito is a fine back. He deserves most of the credit for the yardage more than their offensive line. He broke a lot of tackles.

COACHE'S QUOTES

UNIVERSITY OF VIRGINIA....DICK BESTWICK

"What we hoped wouldn't happen, did happen. Clemson was able to control the football and they were able to contain our outside game.

"We felt that we could come back in the ~~w~~ second half and I thought that we played reasonably well."

"Before the game, we knew we had to come ~~EEEEH~~ OUT throwing the football. There were a lot of near misses. Our protection was good...Todd just wasn't as sharp ~~as~~ as he has been in our other games."

"Clemson played consistently well. They made no mistakes and played what I thought was ~~EEEEH~~ their best game of the season. It was a near perfect performance."

"Field position kept us ~~k~~ from throwing early in the game. We were backed up against the wind."

COACH DANNY FORD OF CLEMSON

Coach Ford told his players in the dressing room immediately after the ~~2~~ game. "You won when you had to win."

I thought our defense played extremely well. Virginia had one big play that hurt us there. We had a missed tackle over there we should have had. Our offense played well in spurts. We've gotta a little more consistent on offense, but we won the football game and we're very proud of the offense and the defense.

Our kicking game was extremely good again, our punt coverage was good, but we can't continue to miss field goals inside the 35-yard line --that's got us concerned a little bit, and we've got to do something about penalties. We're having entirely too many penalties. You can't win consistently with penalties.

Virginia did a good job. They came to play. I thought they'd give up when we kept knocking them in the head, but they came back. Coach Bestwick's staff and players are doing a good job. They looked real well at times, but again our defense did the job when it had to.

I don't think we played with any great amount of intensity on offense. I told our folks this ~~was~~ was a big test for them for this was the first time this year they were playing somebody they were supposed to beat

next week

We've got another big test ~~next week~~ (against Virginia Tech) when we go on the road for the first time. We should pretty well know them what kind of football team we've got because we will then have been in every kind of situation we can be in.

We're still not playing as good as we can. We went to our second backfield pretty early because we have to develop some depth.

*VIRGINIA COACH DICKBESTWICK:

"There isn't much to say about a game like this. I just wish the scorewasn't so bad."

On execution: We were playing with young kids, some thnird and fourth string, We put in five quarterbacks and 4 centers. We dressed 82 players and played themall. I'm not disappointed in anything."

"James Madison is a fine school ~~and~~ and can have a fine program. They ~~justxxx~~ should consider how far and how fast they want to go."

JMU COACH CHALLAGE MCMILLIN

"Turnovers really hurt us again today. How do you explain them? Our turnovers ~~really~~ allowed Virginia to break the ~~ig~~ game open in the ~~first~~ first half."

"I said before the game that Virginia was the best football team ~~xxx~~ we've ever played and I certainly still feel ~~that~~ that way."

"Seven years ago we were playing JV football. We've just got to be realistic."

"Virginia is a class ~~xx~~ program. Coach ~~xxx~~ Bestwick asked if there was anything he could ~~xxx~~ do and I asked him to talk to our team. He did that without hesitation after the game. He's a class coach."

COACHES' QUOTES

UVA Coach Dick Bestwick

When you can win a game against your arch rival who really comes after you like Tech did it's a measure of your progress.

I'm pleased with our performance in the clutch.

I'm pleased we won. It was a great game played by two fine teams, and it was played to the very end.

On the winning season: I'm happy with the winning season, but I was just thinking about winning the ball game.

Tech Coach Bill Dooley

If I'm certainly proud of our team for the way they came back in the second half. We were ~~doing~~ doing what you have to do to win in that final half, but we came up just short.

We gave them too much to overcome in that first half. We hurt ourselves with penalties.

I'm disappointed we didn't win the game, but I'm not disappointed in the least with the effort our kids gave.

1 Virginia has a good all-around team. They have two fine runners and a good offensive line.

Our effort in the second half was our best of the season.

We went for the two-point conversion early to try and take some pressure off us later. We just came up shy.

I can't say enough about Sidney Snell. He has great hands. He had a super day. We also had some players filling in for starters who were injured who gave good effort.

Snell set a single game record for catches in a game with 10

Lawrence set a record for single season yardage for a freshman rusher with 710 yds.

Morrison set a UVA record with his 9th season field goal and a total of 55 kicking points

Shumock set a school and ACC record for fumbles returns, 89 yards for a score

COACH'S QUOTES----VIRGINIA-vs. NORTH CAROLINA

Virginia Head Coach Dick Bestwick:

"You saw a very tough, hard-hitting football game today."

"The injury to Todd (Kirtley) took something away from us. After he came out, you saw two ~~excellent~~ excellent defensive teams, scrapping for everything they could get."

"I'm proud of our defense, ~~we~~ even in defeat."

"The days of kicking Virginia around in the conference are over. Our team is capable of competing with anyone in the league."

On the Bowl situation: "I'm disappointed for the players because they have worked hard enough to earn one. We're getting good enough to think about bowls."

Carolina coach Dick Crum:

"This was the best defensive effort with which I've ever been associated. Our defense was great and that was ~~key~~ the key to the game. That saved the game for us. Our offense turned the ball over too much, but the defense was there. That's why ~~this~~ this is a good team. When the offense has an off day, the defense can keep us going and vice versa."

"I want to tell you something. If Ricky Barden is not an All-America, I've never seen one. He was all over the field. But, that's the way he's played every week. He is a super, super football player. We got great play from Curry as we have all year and Lawrence Taylor and Calvin ~~Dan~~ Daniels may have played their best game."

"We had trouble moving the ball in the first quarter so we decided to sit Matt down for a while, let him take a break and see what Chuck could do."

"Our kicking game was excellent. Streater had a big day and he also played well in the secondary."

"Virginia is a good football team. Coach Bestwick has done a good job with them. They gave a great effort."

"As far as the Gator Bowl is concerned, I'm just pleased for our players. This is great for them. I know all the guys on Bo's staff and I know they have a great football team. But, we've got to worry about Duke. It's ~~going~~ going to be tough to keep our kids' minds on Duke now."

NOTES: The Gator Bowl invitation was extended by Henry Dartigalongue, a member of the selection committee. The game will be played Dec. 28.

Kupac's TD pass tied the ACC single-season record of 17. Barden's interception ~~was~~ ~~the~~ marked the ~~third~~ third straight year he has had an interception against Virginia.

## COACHES' QUOTES:

Virginia's Coach Bestwick --- "It was obvious that without our quarterback being healthy, we were at a disadvantage. We were ~~not~~ able to block them, but had nothing to mix up the attack.

"Defensively, the story is we just didn't tackle as well as we should have. The offense also didn't hold on to the ball long enough to give the defense time to rest."

"The early interceptions really hurt us. Had we completed them, we would have put Maryland in bad shape early. In Gordie's (Whitehead) defense, he hasn't had many opportunities to throw under pressure this season. We felt that with their frequent man coverage that we would be able to throw it.

"It was obvious that we could run the ball. We missed 3 or 4 1st downs on short yardage situations that really hurt.. You've got to make those...maybe next year we'll be the ~~the~~ kind of football team that does."

"Check with the Maryland players and coaches and I think you'll find that this is not the same Virginia team that they have played before. We're looking forward to playing them next year."

as far as QB for next year..."I plan to relax a little for ~~just~~ right now and not worry about that until the spring. Todd Kirtley had a very fine year, he is a great competitor and anyone who beats him out will have to be an exceptional QB. He'll get stronger and bigger and that will make him better."

"We're looking forward to next year. We have a good nucleus returning and with another good recruiting year we will look forward to another fine season."

NOTES: Runningback Tommy Vigorito became only the third back in UVa history to rush for over 1000 yards in one season. He finished the season with 1044 yards. The last UVa player to do it was Frank Quayle in 1968 (1213) and , before him, John Papit in 1949 (1214).

## COACH CLAIBORNE:

"Real happy with the win and with the season~~ally~~ finishing up 7-4 was a tremendous accomplishment. I'm really proud of them. We were probably healthier today than we had been since early season. I thought we played well."

"That was a tremendous play when Charlie ran down to the one yard line. The offense moved the ball pretty good. Wysocki just ran real good. The offensive line blocked well and with the play of Mike Tice and Charlie back at full speed running we have been more effective."

"Ellis made some good catches and Carinci a good catch of a good pass from Mike Tice for the touchdown. The defense played well all day. Every time we got a bad break on offense the defense got the ball back."

"I don't know about the bowl situation, but we deserve to go. Missouri has won two games in their last seven; three if they win today. If they go on the record we get an invitation, if they don't go on the record, we won't go. ~~X~~ Bowls should be a reward for a good season."

Ralph Lery said: "Kirtley was throwing well, but we were in a three deep on both interceptions with good underneath coverage. They are a much better team , a real good team and they hit hard. We are hoping for a bowl but we were just concerned about this game. We wanted to come back after the losses."

Charlie Wysocki said: "I thought they were a good team and balanced on defense. Last week we played a team with~~out~~ outstanding linebackers, but they (Virginia) had better balance all around."
