ACC AVAILABILITY REPORTING

■ The ACC announced on July 22, 2025, two new policies to enhance the safety and well-being of ACC student-athletes in the 2025-26 academic year.

(1) Institutional event security plans will limit access to the competition area in football and men's and women's basketball.

(2) the availability status of student-athletes will be reported before each conference game in football, baseball, men's and women's basketball.

■ Before each conference game, a team will disclose any student-athlete whose availability for the upcoming game is in question. A student-athlete can be listed on the Availability Report if their status is uncertain for any reason (e.g., injury or illness, academic or other eligibility issue, personal or family matter, etc.); however, only the status and not the specific reason will be publicly reported.

■ In football, a report will be submitted two days before each Conference game (e.g., Thursday before a Saturday game) with an update on the day before the game and on game day.

■ For each report submitted before game day, student-athletes will be designated as Available, Probable, Questionable, or Out for the upcoming game. Game Day Reports will be submitted two hours before each game. For this report, student-athletes will be designated as Available, Game Time Decision, or Out.

■ All availability reports and the full conference policy will be available to the public and media on the ACC's website – www.theACC.com.

(starts Week 3 with Conference play).

** This policy is intended to help protect student-athletes and staff members from outside entities seeking to obtain inside information about availability and participation, including but not limited to injuries. It will also reinforce to athletes and staff the sensitivity of such information.*

Statement from ACC Commissioner Jim Phillips, Ph.D., on the Future ACC Football Scheduling Model

"We have been incredibly intentional throughout our discussions on ACC Football, including the future of our conference schedule. Today, the Athletic Directors of the 17 football-playing institutions overwhelmingly supported a regular season schedule that includes nine conference games and a minimum of 10 games each year against Power 4 opponents. This positions the ACC as one of only two leagues committed to having every team annually play a minimum of 10 games against Power 4 teams. There will be additional discussions and more details to be determined, but today's decision showcases the commitment and leadership of our ADs in balancing what is best for strengthening the conference and their respective programs. As specified in the Conference constitution, the model will be presented to the Faculty Athletics Representatives for formal adoption."

ESPN'S COLLEGE GAMEDAY HEADED TO PITT

■ ESPN announced Sunday, November 9, that its iconic college football pregame show, *College GameDay Built by The Home Depot*, will broadcast live from the North Shore of Pittsburgh on Saturday, November 15, from 9 a.m. to noon, ahead of the No. 24 Pitt Panthers' Week 12 matchup with No. 10 Notre Dame at Acrisure Stadium.

■ This marks *College GameDay*'s first visit to Pittsburgh since Thursday, September 1, 2022, when the Panthers defeated West Virginia, 38-31, in the return of the Backyard Brawl.

ALL EYES ON CORAL GABLES, CANES IN WEEK 4

■ The spotlight returned to Coral Gables in Week 4, as ESPN's *College GameDay Built by The Home Depot* went live from the University of Miami as the undefeated Hurricanes hosted the Florida Gators in a primetime Sunshine State showdown on Saturday, September 20, at 7:30 p.m. ET on ABC.

■ It marked the 26th time that Miami has played in a game featured on *GameDay* and the ninth time as the host site. It was also the fourth Miami-Florida matchup selected for *GameDay*, joining the high-profile meetings in 2002, 2008 and 2019, and just the first in Coral Gables.

■ The Hurricanes welcomed *GameDay* back to Coral Gables for the first time since September 26, 2020, when then-No. 12 Miami hosted Florida State.

■ In addition to ESPN's presence, the ACC Network's *ACC Huddle* was also live from Coral Gables, adding to the atmosphere surrounding the rivalry showdown between Miami and Florida.

■ The ACC was the only league to compete across five days - Thursday through Monday, August 28 through September 1 - during Week 1 of the 2025 season.

■ This marked the sixth time this has happened for the ACC in the regular season since 2017 (2017, 2018, 2021, 2022, 2023). No other FBS conference has done so even once over that same period. (*Stats Perform*)

■ The ACC once again anchored Labor Day Weekend with the lone game on Labor Day as North Carolina played host to TCU in Bill Belichick's collegiate coaching debut.

■ It marked the 16th consecutive Labor Day game for the ACC (excluding the 2020 COVID season), and the 19th time since the tradition began with Florida State versus Miami in 2005.

RETURNING ALL-ACC PERFORMERS

■ Led by first-team selections, Antonio Williams (Clemson), Blake Miller (Clemson), Chandler Rivers (Duke), Keylan Rutledge (Georgia Tech), Kyle Louis (Pitt), Desmond Reid (Pitt) and Isaiah Nwokobia (SMU), the ACC returns 23 players who earned first-, second-, or third-team All-ACC honors last year in 2024. ACC X NFL

■ No conference blends college football and NFL experience quite like the ACC in 2025, with three former NFL head coaches now leading programs: Bill O'Brien (Boston College), Bill Belichick (North Carolina), and Frank Reich (Stanford), the most of any conference.

■ Belichick (six Super Bowl wins) and Reich (one) are the only two college football head coaches who have also won a Super Bowl as either a head coach or coordinator in the NFL.

■ Several ACC programs also feature General Managers with deep NFL ties, including Ron Rivera (Cal), John Garrett (Duke), Michael Lombardi (North Carolina) and Andrew Luck (Stanford), along with a growing number of former NFL stars contributing across coaching staffs and player development roles.

ACC ALUMNI ON AP ALL-TIME ALL-AMERICA TEAM

■ Current Atlantic Coast Conference football members had 12 former Associated Press (AP) All-Americans named to the Associated Press (AP) All-Time All-America Team, as part of the news organization's celebration of the 100th anniversary of the storied honor for the top players in college football.

■ The 12 honorees from current ACC schools include nine members of the National Football Foundation (NFF) College Football Hall of Fame, five recipients of ACC Football Legend honors, and two standouts named to the ACC 50th Anniversary Team in 2003.

■ To be eligible for the AP All-Time All-America Team, a player had to have been named an AP First-Team All-American at least once during his college career. The selection process did not consider a player's professional career.

In 2024, the conference worked with members of the Statesville Road Elementary administration, teachers and staff who were the recipients of a \$50,000 Extra Yard makeover. Additional details on this year's makeover will be announced in the future, as this will be the first year the conference will undertake two classroom makeovers.

2025 ACC CHAMPIONSHIP GAME SET FOR 8 P.M. ET

■ The winner of the conference championship game has advanced to the National Championship Game or competed in the College Football Playoff in nine of the last 12 seasons, including both of the two participating teams last year, with the ACC being one of only three multi-bid leagues in 2024.

NEW HEAD COACHES IN 2025

■ After over two decades of dominance in the NFL, Bill Belichick was hired for his first-ever college head coaching job at North Carolina in December 2024. Widely considered one of the greatest coaches in football history, Belichick won six Super Bowls and 17 division titles over his time in the NFL, which also includes 333 career wins to make him the second-winningest head coach in NFL history, behind only Don Shula, who holds the all-time record with 347 total wins.

■ Frank Reich was named Stanford's interim head football coach on March 31. The 36th head coach in program history, Reich is one of the sport's most well-respected offensive minds thanks to over 30 years in professional football, combining a 14-year playing career as an NFL quarterback with 18 seasons in various coaching roles. Reich was a member of six Super Bowl teams overall, four as a player with the Buffalo Bills (1991-94), and twice as a coach. Reich's six-year head coaching tenure included five seasons with the Indianapolis Colts (2018-22) before his final stop at the helm of the Carolina Panthers (2023).

■ Jake Dickert was named the head coach at Wake Forest in December 2024, following the resignation of longtime head coach Dave Clawson. Dickert took over Washington State as interim head coach in 2021 and earned the permanent role, leading the Cougars for four years from 2021-24. In four seasons, Dickert compiled a 23-20 record (.534) and led the Cougars to three bowl games. The 2024 season proved to be his best work, going 8-4 in the regular season.

MONTGOMERY NAMED INTERIM HC AT VIRGINIA TECH

■ Philip Montgomery is now the Interim Head Coach for the Virginia Tech Football program, taking over after head coach Brent Pry was fired following a 0-3 start to the 2025 season on September 14. Montgomery, who was Virginia Tech's offensive coordinator, will lead the team for the remainder of the current season.

■ From 2015-22, Montgomery was the head coach at Tulsa, compiling a 43-53 record over eight seasons. His second year proved to be his best, as the Golden Hurricane finished 10-3, while the pandemic-shortened 2020 campaign also saw Tulsa capture an American Athletic Conference title.

FIRST ACC WINS AS HEAD COACH

■ Wake Forest's Jake Dickert earned his first win as an ACC head coach in his debut, a 10-9 victory over Kennesaw State on August 29.

■ North Carolina's Bill Belichick earned his first collegiate victory as head coach on September 6 with a convincing 20-3 win at Charlotte, marking the former six-time Super Bowl champion's inaugural win in college football and in the ACC.

■ Stanford's Frank Reich picked up his first collegiate win as a head coach in the Cardinal's 30-20 win over Boston College in the two teams' season opener on September 13.

■ Virginia Tech interim head coach Philip Montgomery picked up his first win as an ACC head coach with the Hokies' 38-6 win over Wofford on September 20.

GT'S KEY HAS THE KEY VERSUS RANKED ACC FOES

■ Since Brent Key's first game as Georgia Tech's head coach (October 1, 2022), the Yellow Jackets have beaten seven (7-1) AP-ranked opponents as an unranked team, the most by any FBS team in that span.

DOEREN PICKS UP WEEKLY AWARDS IN WEEK 10

■ NC State head coach Dave Doeren picked up the Dodd Trophy Coach of the Week honor and the Paul "Bear" Bryant National Coach of the Week award for Week 10 after guiding NC State to a 48-36 win over No. 8 Georgia Tech on Saturday night at Carter-Finley Stadium. The victory marked the Wolfpack's highest-ranked win since 2012 and handed the Yellow Jackets their first loss of the season.

BROHM GARNERS WEEKLY AWARDS IN WEEK 8

■ Louisville head coach Jeff Brohm was tabbed the Dodd Trophy Coach of the Week and the Bear Bryant Awards Coach of the Week for Week 8, as the Cardinals defeated No. 2 Miami, 24-21, in Miami Gardens, Florida. The victory marked Louisville's first road win against an AP top-2 opponent in program history and matched the highest-ranked opponent the Cardinals have ever defeated.

HOOS' ELLIOTT EARNS TWO WEEKLY AWARDS IN WEEK 5

■ Virginia head coach Tony Elliott was named the Dodd Trophy Coach of the Week and the Bear Bryant Awards Coach of the Week for Week 5 on September 29. The Cavaliers beat No. 8 Florida State, 46-38, in double overtime before a sold-out Scott Stadium. The victory marked Virginia's first home win over a top-10 team since 2005.

CUSE'S BROWN EARNS WEEKLY AWARD IN WEEK 4

■ Syracuse head football coach Fran Brown was named the Paul "Bear" Bryant National Coach of the Week on September 23, following his team's significant 34-21 road victory over Clemson. It was the team's first victory in Death Valley and ended a five-game losing streak to the Tigers.

FSU'S NORVELL EARNS WEEKLY HONORS IN WEEK 1

■ Following the Seminoles' 31-17 win over No. 8 Alabama (Aug. 30), Florida State head coach Mike Norvell was named both the Paul "Bear" Bryant Coach of the Week and the Dodd Trophy Coach of the Week for Week 1.

COLLEGE FOOTBALL PLAYOFF

OVERVIEW

The College Football Playoff (CFP) is a postseason event to determine college football's national champion on the field, while emphasizing the significance of college football's unique regular season where every game counts.

RANKINGS

The selection committee ranks the schools based on the members' evaluation of their performance on the field, using conference championships won, strength of schedule, head-to-head results, and comparison of results against common opponents.

THE BRACKET

The format of the College Football Playoff is built on a 12-team bracket. The 12 participating schools are the five conference champions ranked highest by the CFP selection committee, plus the next seven highest-ranked teams. The four highest-ranked schools will be seeded 1-4 and will receive a first-round bye. The remaining teams, including the fifth conference champion, will be seeded 5-12 based on their final ranking.

TRADITION

The New Year's holiday period and bowl games belong to college football. This season following the CFP First Round games on campus, the four Playoff Quarterfinal games will be played in the Cotton Bowl Classic, Orange Bowl, Rose Bowl Game and Sugar Bowl. The following week, the Fiesta Bowl and Peach Bowl will host the Playoff Semifinals.

CHAMPIONSHIP MONDAY

The two teams that win the Playoff Semifinals compete for the College Football Playoff National Championship. The national championship game is in a different city each year, always on a Monday night.

UNIVERSAL ACCESS

Every Football Bowl Subdivision (FBS) team has equal access to the College Football Playoff based on its performance during the regular season. No team automatically qualifies.

GOVERNANCE

University presidents and chancellors from all 10 FBS conferences and Notre Dame serve as the board of managers and govern the administrative operations, with commissioners and Notre Dame athletics director (the Management Committee) managing the event. A small staff in the CFP office in Irving, Texas, carries out the day-to-day responsibilities.

SELECTION COMMITTEE

A talented group of 13 high-integrity individuals with experience as coaches, student-athletes, college administrators and journalists, along with sitting athletics directors, comprise the selection committee. Members of the committee are Chris Ault, Troy Dannen, Mark Dantonio, Jeff Long, Ivan Maisel, Chris Massaro, Randall McDaniel, Mack Rhoades (chair), Mike Riley, David Saylor, Wesley Walls, Carla Williams and Hunter Yurachek.

SELECTION COMMITTEE RESPONSIBILITIES

Rank the top 25 teams, assign the schools to the 12-team playoff bracket and assign the Playoff Quarterfinal and Playoff Semifinal bowl sites.

ACC TIEBREAKER POLICY

The Atlantic Coast Conference Football Champion will be decided by a game between the top two (2) post-season eligible teams. The two teams with the highest percentage of wins during all regular-season Conference competition shall play in the Championship Game. If three (3) or more such teams are tied with the highest percentage of wins or two (2) or more teams are tied with the second highest percentage of wins, the following tiebreaker procedure shall be administered to determine the representative(s) in the Championship Game. The team with the highest win percentage, either outright or after application of the tiebreaker, shall be declared the home team for the Championship Game.

Two-Team Tie

- Head-to-head competition between the two tied teams.
- Win-percentage against all common opponents.
- Win-percentage against common opponents based upon their order of finish (overall conference win-percentage, with ties broken) and proceeding through other common opponents based upon their order of finish.
- Combined win-percentage of conference opponents.
- The tied team with the higher ranking by the Team Rating Score metric provided by SportSource Analytics following the conclusion of regular-season games.
- The participant shall be chosen by a draw as administered by the Commissioner or Commissioner's designee.

Three (or More) Team Tie

The three (or more) team tiebreaker procedure will be used to either (a) identify one championship game participant, (b) identify both championship game participants, or (c) eliminate team(s) from the tie. If the administration of the three (or more) team tiebreaker results in the elimination of team(s) from the tie, teams remain tied, and both championship game participants have not been determined, the tiebreaker procedure will restart for remaining tied teams.

- Combined head-to-head win-percentage among the tied teams if all tied teams are common opponents.
- If all tied teams are not common opponents, the tied team that defeated each of the other tied teams.
- If all tied teams are not common opponents and no tied team defeated each of the other tied teams, but a tied team lost to each of the other tied teams, such team shall be eliminated and removed from the tie.
- Win-percentage against all common opponents.
- Win-percentage against common opponents based upon their order of finish (overall conference win-percentage, with ties broken) and proceeding through other common opponents based upon their order of finish.
- Combined win-percentage of conference opponents.
- The tied team with the highest ranking by the Team Rating Score metric provided by SportSource Analytics following the conclusion of regular season games.
- The participant shall be chosen by a draw as administered by the Commissioner or Commissioner's designee.

Conference games against otherwise post-season ineligible teams will always be counted in the league standings and in application of the tie-breaker procedure.

NATIONAL SUCCESS

National Championships

- The ACC won six NCAA National Championships in 2024-25 in ACC-sponsored sports. In addition, Stanford won the NCAA Women's Water Polo Championship.
 - North Carolina won the 2024 NCAA Women's Soccer Championship.
 - Virginia won the 2024-25 NCAA Women's Swimming & Diving Championship.
 - Notre Dame won the 2025 NCAA Fencing Championship.
 - Wake Forest won the 2025 NCAA Men's Tennis Championship.
 - North Carolina won the 2025 NCAA Women's Lacrosse Championship.
 - Stanford won the 2025 NCAA Women's Rowing Championship.
- The ACC has won a combined 29 NCAA titles over the last four academic years, the most by any conference in their respective league-sponsored sports.
 - ACC has won six or more national titles in each of the last four years, marking the best run in ACC history.
 - In 2022-23, the ACC won the most NCAA championships of any conference with a league-record nine.
- Over the last four years, an ACC team has had to beat another ACC team in either the NCAA semifinals or championship game 17 times.
 - In 2024-25, the ACC had multiple teams in the final four of several NCAA Championships:
 - Women's Soccer: 4 of the final 4 teams; both teams in the championship.
 - Volleyball: 2 of the final 4 teams.
 - Women's Lacrosse: 2 of the final 4 teams.
 - Men's Golf: 2 of the final 4 teams.
 - Women's Golf: 2 of the final 4 teams.
 - Women's Swimming & Diving: Top 2 teams in the team standings.
- ACC student-athletes won 32 individual NCAA Titles in 2024-25.

LEARFIELD Directors' Cup Standings

- Six ACC schools were ranked among the top 25, including three in the top 10, in the final Division I LEARFIELD College Directors' Cup standings following the 2024-25 academic year. All 18 ACC programs finished in the top 75 of the final standings.
- This marks the 23rd consecutive year that four or more ACC schools placed among the top 30 in the final LEARFIELD Directors' Cup standings. North Carolina and Virginia have ranked among the top 30 nationally in each of the 31 years the Directors' Cup has been conducted.
- The ACC was one of only two conferences with every school among the final top 75 this year. This marks just the second time in the last decade in which every ACC team finished in the top 75 (2020-21 was the other occurrence).

ACC STUDENT-ATHLETE PROGRAMS & SERVICES

- The ACC conducted its fourth annual Health and Safety Summit in May 2025, this time in Charlotte, North Carolina, bringing together athletic trainers, team physicians, dietitians, mental health practitioners, sports performance coaches, and others within the ACC's health and sports performance community to collaborate and to share best practices.
- The ACC continued to provide leadership development programming to ACC coaches through the "Coaching the Whole Athlete Academy". The Coaching Academy is an eight-week virtual and immersive development program established by the league office that equips coaches with information, tools, and skills of a humanistic approach to better support the needs of the student-athlete.
- The ACC organized the second annual ACC Career Trek in Charlotte, North Carolina, in June 2025. The trek included 30 student-athletes across the league meeting with representatives and listening to panel discussions from five different categories including sports, real estate, finance/banking, consulting and government.

ACADEMIC SUCCESS

ACC Student-Athletes Excel Once Again in NCAA APR Report

- Atlantic Coast Conference teams continue to demonstrate strong academic performance, as reflected in the latest Academic Progress Rate (APR) data released by the NCAA in May.
- Overall, the ACC average APR is 991, seven points above the NCAA Division I national average. Every team among the ACC's 28 sponsored sports exceeded the NCAA's required APR of 930, while 114 ACC teams recorded a perfect score of 1000, including at least one team from each of the 18 member institutions. All ACC football, men's basketball, women's basketball and baseball programs exceeded the NCAA's required APR of 930.

ACC Makes Another Strong Showing in NCAA Graduation Success Rates

- The Atlantic Coast Conference's collective high level of academic success is again reflected by the NCAA Graduation Success Rate (GSR) report released in November 2024. The ACC's average graduation rate of 94 percent is four points higher than this year's national average of 90 percent.

ACC Again Leads the Way in U.S. News & World Report "Best Colleges" Rankings

- For the 19th consecutive year, the Atlantic Coast Conference leads the way nationally among Football Bowl Subdivision (FBS) conferences in the "Best Colleges" rankings released by *U.S. News & World Report* on September 23, 2025.
 - The ACC once again boasts the best average ranking among all FBS conferences, with an impressive 50.7 average, outpacing its peers for the 19th year in a row.
 - Two ACC institutions rank among the nation's top 10, making it the only FBS conference with multiple universities in the top 10.
 - Four ACC schools landed in the top 25, more than any other FBS conference.
 - Six ACC schools are ranked in the top 30, leading all FBS conferences.
 - A record 16 ACC schools are ranked among the top 75, the most of any FBS conference.
 - 11 of the 18 ACC institutions either maintained or improved their position from last year's rankings.

FOOTBALL SUCCESS

The ACC has solidified its reputation as a powerhouse in college football over the last decade, producing elite teams, top-tier coaching talent and Heisman-caliber athletes.

Elite Presence on the National Stage

• In eight of the past 12 seasons, the ACC has been represented in either the College Football Playoff or the BCS National Championship Game—an elite streak that began with Florida State's thrilling 34-31 win over Auburn in the final BCS title game in January 2014 (2013 season).

Four CFP Teams, One Conference

• The ACC is one of the few conferences to have sent four different programs to the College Football Playoff:

- Clemson (2015–2020, 2024)
- Florida State (2014)
- Notre Dame (2020, as a full ACC member during the pandemic season)
- SMU (2024)

Playoff Success That Stands Out

• With six all-time College Football Playoff victories, the ACC ranks third nationally behind only the SEC (18) and Big Ten (11).

Unmatched Depth in Bowl Season

• The 2024 season saw a league-record 13 ACC teams earn bowl eligibility, tying for the most among all Power 4 conferences. This marks the 24th consecutive year the ACC has secured six or more bowl bids, excluding the unique 2020 season. The league has sent 10 teams or more to the postseason in seven of the last 11 years, and since 2014, ranks second among all conferences with 105 total postseason appearances.

Top Coaching Talent Across the Board

• Seven active ACC head coaches currently rank among the top 60 in the FBS in career winning percentage (at least one full season of coaching):

- Dabo Swinney (Clemson)
- Fran Brown (Syracuse)
- Rhett Lashlee (SMU)
- Mike Norvell (Florida State)
- Jeff Brohm (Louisville)
- Dave Doeren (NC State)
- Manny Diaz (Duke)

Heisman Pedigree

• Over the last 12 years, eight ACC players have finished in the top five of the Heisman Trophy voting a total of 10 times, including two winners:

- Jameis Winston, Florida State – 2013 winner
- Lamar Jackson, Louisville – 2016 winner, third in 2017
- Deshaun Watson, Clemson – 2nd in 2016, 3rd in 2015
- Trevor Lawrence, Clemson – 2nd in 2020
- Kenny Pickett, Pitt – 3rd in 2021
- Andre Williams, Boston College – 5th in 2013
- Jordan Travis, Florida State – 5th in 2023
- Cameron Ward, Miami – 4th in 2024

ACC CHAMPIONSHIP GAME SUCCESS

Expanding the Field of Contenders

• With SMU making its first appearance in 2024, 14 different programs have now competed in the ACC Football Championship Game since it began in 2005—highlighting the league's depth and competitive balance.

• Clemson leads all schools with 10 appearances, followed by Virginia Tech and Florida State, each with six.

Champions Across the Conference

• Since the inaugural title game in 2005, six different schools have claimed the ACC Championship:

- Clemson: 9 titles (most in league history)
- Florida State: 5 titles, including the 2023 crown
- Virginia Tech: 3 titles
- Georgia Tech, Wake Forest, and Pitt: 1 title each

A Proven Draw in Charlotte

• The ACC Championship Game has been a major event in Charlotte, selling out five times at Bank of America Stadium—in 2010, 2011, 2015, 2017, and 2020—demonstrating the passion of ACC fans and the game's regional appeal.

Charlotte: The Long-Term Home of ACC Championship Football

• In April 2018, the ACC and the Charlotte Sports Foundation solidified a 10-year partnership to keep the title game in Charlotte through 2030. The game will continue to be played annually at Bank of America Stadium on the first Saturday of December, maintaining one of college football's premier championship traditions.

ACC & THE NFL DRAFT

Another Impressive Draft Class

• The ACC saw 42 players selected in the 2025 NFL Draft, representing 15 different institutions across the conference. This ties the league's highest single-draft total since 2021 (not including Notre Dame's nine picks that year).

Consistent Pipeline to the Pros

• Since the 2000 NFL Draft, the ACC has produced 853 total draft picks, including 122 first-round selections—ranking third among all conferences in both categories.

Top-Three in Recent Draft Production

• Over the last 12 drafts (2013–2025), the ACC has had 469 players selected, the third-most of any conference during that span. Notably, the ACC has seen 40 or more players drafted in three of the last five years.

No. 1 Overall Picks: A Legacy of Excellence

• Current ACC programs have produced 17 No. 1 overall picks in the history of the NFL Draft. Most recently, Miami quarterback Cameron Ward was selected first overall by the Tennessee Titans in the 2025 NFL Draft. Several ACC schools have contributed multiple top picks over the years:

- Stanford: 4 (Bobby Garrett – 1954, Jim Plunkett – 1971, John Elway – 1983, Andrew Luck – 2012)
- Miami: 3 (Vinny Testaverde – 1987, Russell Maryland – 1991, Cameron Ward – 2025)
- Cal: 2 (Steve Bartkowski – 1975, Jared Goff – 2016)
- Virginia Tech: 2 (Bruce Smith – 1985, Michael Vick – 2001)
- Clemson: 1 (Trevor Lawrence – 2021)
- Florida State: 1 (Jameis Winston – 2015)
- NC State: 1 (Mario Williams – 2006)
- SMU: 1 (Kyle Rote – 1951)
- Syracuse: 1 (Ernie Davis – 1962)
- Virginia: 1 (Bill Dudley – 1942)

Additionally, NC State's Roman Gabriel was selected No. 2 overall in the 1962 NFL Draft but was the No. 1 overall pick in the AFL Draft by the Oakland Raiders.
