HEAD COACH MIKE BRIZENDINE

Taking over the reins of a program that faced strict recruiting restrictions, Head coach Mike Brizendine has rebuilt the men's soccer team and has seen the most success in program history. Brizendine has made it his mission to lead the Virginia Tech program to new heights and make the Hokies into one of the top programs in the Atlantic Coastal Conference.

From 2016-19 the Hokies had the greatest stretch in program history as they made the NCAA Tournament for a program record fourth consecutive time, earned the highest national seeding in program history (10th), won the most ACC games in a four-year time (46) and made six tournament appearances.

In 2019 the Hokies once again made the NCAA Tournament as they claimed the 10th seed and a first-round bye. Tech would face and defeat No. 16 New Hampshire 4-1 in the round of 32 before falling late to Stanford 2-1 in their second-straight Sweet Sixteen appearance.

James Kasak became the seventh Hokie to train under Brizendine and be drafted as he was taken with the sixth pick of the fourth round.

The 2018 campaign was another stellar year for the Hokies as they once again surpassed 10 wins and made their second trip to the round of 16 in the past three seasons.

The 2017 season saw Tech make their second consecutive NCAA appearance season as they defeated Air Force 2-0 in the First Round. On the way to their tournament appearance, the Hokies had historic victories over Creighton, handing the Blue Jays their first home loss on opening night since 1995 and beating No. 1 Notre Dame thanks to two goals from forward Marcelo Acuna.

Following the 2017 season, Ben Lundgaard was taken with the 22nd overall selection by the Columbus Crew Major League Soccer SuperDraft.

The 2016 season was one of the best seasons in recent history and marked a resurgence of the Tech soccer program. The Hokies earned an at-large bid to the NCAA tournament, the program's first in a decade, opening with a 1-0 victory over East Tennessee State. The Hokies then went on to defeat Charlotte and Indiana, advancing to the Elite Eight. The program ended the season ranked eighth nationally.

Brizendine was named the 2016 VaSID Coach of the Year with junior Marcelo Acuna earning third-team All-America honors. Senior Juan Pablo Saavedra joined an elite group of former Hokies when he was drafted by FC Toronto in the 2016 MLS Draft.

Brizendine has coached 22 players that have gone on to play professional soccer, as well as six MLS draftees. After taking over a program facing significant recruiting restrictions and coming off a four-win season, his leadership has returned Virginia Tech to one of the most competitive programs in the nation.

After serving 10 years as a collegiate assistant coach, including five at Virginia Tech, Brizendine finally got his opportunity lead his own program when former AD Jim Weaver promoted him to the head coach on June 11, 2009.

During the 2015 season, Brizendine's team won five games, including an upset against then-No. 10 Xavier. Sophomore Merlin Baus led the team, tallying 15 points. At the conclusion of the season, Ricardo John signed with the professional team Central F.C. in his native country of Trinidad and Tobago.

In 2014, Brizendine's young squad produced seven wins, including victories over Wake Forest, NC State, SIUE and UNCG. Freshman Ricardo John, who tallied 11 points, was named all-conference and all-region. Underclassmen scored all 19 goals and freshman keeper Ben Lundgaard recorded six shutouts in seeing nearly 75 percent of the minutes in goal.

The 2013 season saw a school-record three players either drafted into the MLS or sign professional contracts following the season. The Hokies also earned eight points in ACC play, the most since 2007, behind five ties and an upset victory over No. 17 Syracuse. Under Brizendine's direction, the Hokie defense only allowed 23 goals all season, the lowest total allowed since 2005, as well as the second first-team All-ACC selection in school history.

Brizendine's 2012 team earned the most wins in a season (seven) for the program since 2007. On Nov. 5, 2012, in College Park, Md., the Hokies scored three unanswered goals to top NC State in the first round of the Atlantic Coast Conference tournament, capturing only the second victory for the team in the tournament since the school joined the conference in 2004.

The 2011 side played five top-25 opponents during the season, and the year was highlighted by a 1-0 double-overtime win over 2011 NCAA champion North Carolina. The victory was the program's first over a No. 1 ranked opponent since 2004.

Under Brizendine's guidance, the Hokies have also had a great deal of success in the classroom. His teams earned the NSCAA Team Academic Award six times (2010-14, 2016-17). The award honors teams with a cumulative grade-point average of 3.0 or higher.

As an assistant under former coach Oliver Weiss, Brizendine played an integral role in helping the Hokies make it to the College Cup for the first time in the program's history. For his contributions, he was recognized as the NSCAA's Atlantic Region Assistant Coach of the Year in 2007.

Brizendine joined the Hokie staff after a successful stint with Bridgewater (Va.) College, a Division III program that participates in the Old Dominion Athletic Conference (ODAC). After assisting both the men's and women's programs at Bridgewater in 2000, he became the head men's coach from 2001 to 2003, guiding the team from non-competitive status to a full-fledged Division III program. Brizendine led Bridgewater to its two best single-season records – 12-6 in 2003 and 11-7 in 2002 – for a 23-13 mark over two seasons and a .639 winning percentage. For this significant turnaround, his peers named him ODAC Coach of the Year in 2003.

He played collegiately at UNC Greensboro and William & Mary appearing with both programs in the NCAA tournament.

Thompson Field serves as the home of the Virginia Tech men's and women's soccer teams as well as the lacrosse team. Located in the center of the Virginia Tech athletics complex, the facility ranks as one of the finest for both soccer and lacrosse in the Atlantic Coast Conference.

Located across from Lane Stadium, the Hokies' football home, and adjacent to Tech Softball Park, Thompson Field was completed in the fall of 2003 and dedicated in 2008 in the name of Sandra D. Thompson, a longtime supporter of women's athletics at Virginia Tech.

The field is a bluegrass playing surface and measures approximately 75 by 120 yards. It is equipped with an underground irrigation system and a drainage system that allows for it to be ready for play quickly following rainstorms. The complex also features a wireless scoreboard, and a permanent Hubbell lighting system allows for night games.

The athletics department has made improvements gradually since the venue opened in 2003. In 2005, workers completed a new restroom facility for the field, and during the summer of 2008, a new game operations center was erected atop the stadium above the fans. The approximately 900-square foot facility includes two broadcast booths for both home team and visiting team radio broadcasts. The center also has two covered areas devoted to broadcasting and/or videographers' cameras, and there is a large working area for media members covering the Hokies.

The climate-controlled facility also contains a state-of-the-art sound system and Ethernet capability. The Internet-ready facility allows Tech's official athletics website, hokiesports.com, to originate live audio broadcasts and live stats of the Hokies' matches from the press box. Above the grandstand is a wired camera deck.

Between each team's bench area is the Sandy D. Thompson Press Box. Formerly the press operations center for the field, the facility is now used as a halftime room for game officials and as an auxiliary area for press and game operations.

Thompson Field, which has been expanded since it was opened, now features approximately 2,028 bench-back seats, where each fan has an unobstructed view of the playing surface. Spacious area around the field allows for nearly 1,500 more fans to watch games.

A video board was installed in the spring of 2019 and will debut for the soccer programs in the fall of 2019.

With the ACC Network's launch in August of 2019, the field has been equipped with new lights to better showcase the field not only in-venue but on television.
