ACC QUICK HITS

■ All 14 ACC teams play this week, beginning Friday night when Pitt travels to Syracuse for a 7 p.m. kickoff on ESPN. Two of the last three games between these two rivals have been high-scoring affairs, including a 76-61 Pitt victory in 2016, which set the ACC record for points in a game, and last year's 44-37 Pitt win in overtime. Over the last three years, these teams have combined for nearly 90 points per game.

■ Three games kick off at noon Saturday, including No. 3 Clemson at Louisville on ABC, Georgia Tech at Miami on ACCN and NC State at Boston College on RSN. A year after going winless in conference play, Louisville has won two ACC games in a row, including a 62-59 victory last Saturday at Wake Forest. AROUND THE ACC

■ **Boston College (BCeagles.com):** AJ Dillon has been named ACC Running Back of the Week three times this year and has captured the honor eight times in his career. Dillon now has 3,442 rushing yards, which ranks fourth among active players. He ranks 23rd in ACC career rushing yards. Dillon leads the league and ranks fourth nationally in rushing yards per game (124.2 rpg).

■ **Clemson (ClemsonTigers.com):** Clemson rushed for two touchdowns against Florida State and has now rushed for multiple touchdowns in seven consecutive games for the first time since a nine-game streak to open the 2018 season. Clemson has rushed for at least one touchdown in 21 consecutive games, every game since the start of the 2018 season.

■ **Duke (GoDuke.com):** Duke's 38 consecutive points in the first half against Georgia Tech were the most in a half against an ACC opponent since the Blue Devils' scored 41 in the opening half against Wake Forest in 1999.

■ **Florida State (Seminole.com):** Florida State is one of two teams in the ACC to play at least one opponent ranked in the top three each of the last seven seasons. The Clemson game was the Seminoles' ninth game against a top three opponent since the beginning of the 2013 season, tied for most in the ACC. Their five different top three opponents are tied for the most in the ACC in that span.

■ **Georgia Tech (RamblinWreck.com):** For the second-straight week, Georgia Tech set a season high with 379 yards of total offense in a 41-23 loss at Duke. Georgia Tech's 23 points were its most this season against an FBS opponent.

■ **Louisville (GoCards.com):** Louisville's 62-59 win at Wake Forest was its first ACC road win since beating Florida State on Oct. 21, 2017. The 62 points are the most ever by the Cardinals on the road against a ranked opponent, and matches the most on the road against an ACC opponent (had 62 at Syracuse on Sept. 9, 2016).

■ **Miami (HurricaneSports.com):** A week after allowing 42 points to Virginia Tech, Miami's defense was sensational in a 17-9 win over Virginia. The Hurricanes did not allow a touchdown, sacked QB Bryce Perkins five times and held UVA to just 74 rushing yards.

■ **North Carolina (GoHeels.com):** Sam Howell set UNC freshman records for completions (33), attempts (51) and yards (376) and tied the touchdown record with four in the 38-22 victory at Georgia Tech. His 376 yards passing were the 14th most in a single game at Carolina and the most by a Tar Heel since Mitch Trubisky went for 439 yards against Florida State in 2016.

■ **NC State (GoPack.com):** PK Christopher Dunn scored

10 of the Wolfpack's 16 points in the win over Syracuse. Dunn leads the ACC in scoring with 9.5 ppg, the No. 15 mark in the FBS.

■ **Pitt (PittsburghPanthers.com):** Pitt has won three consecutive games courtesy of fourth-quarter comebacks, including the 33-30 win at Duke on Oct. 5. The Panthers rallied late to defeat UCF, 35-34, and a week later knocked off Delaware, 17-14.

■ **Syracuse (Cuse.com):** LB Andrew Armstrong intercepted a pass against NC State to extend Syracuse's streak of consecutive games with a takeaway to 20. It's the second-longest active streak in FBS football behind Mississippi State (22). The pick was the Orange's 25th in the last 19 games.

■ **Virginia (VirginiaSports.com):** With 271 yards of total offense (244 passing, 27 rushing) vs. Miami, QB Bryce Perkins became the eighth player in program history to record 5,000 career yards of total offense. It is the third time this season and 10th time in his career he has passed for over 200 yards.

■ **Virginia Tech (HokieSports.com):** The Hokies have won three straight in the North Carolina series and four of the past five meetings. Tech's lone loss in that span came in 2015 when it fell 30-27 in overtime to the Tar Heels – a game that marked former head coach Frank Beamer's last home game as the head coach.

■ **Wake Forest (GoDeacs.com):** Wide receiver Sage Surratt has made a touchdown catch in eight straight games. That breaks the school record set by Desmond Clark, who had six in 1998.

The ACC has won seven national championships in football, men's basketball, women's basketball and baseball since 2015. That is the most of any conference. The ACC is the only conference to win each of those four titles over that stretch.

The ACC has won more football national titles than any other conference since 2013 (three of the last six) and more men's basketball national championships than any other league since 2015 (three of the last five).

Football

2013 Florida State (BCS)
2016 Clemson (CFP)
2018 Clemson (CFP)

ACC Champion Clemson won the league's eighth football national championship in 2018 with a 44-16 win over previously unbeaten Alabama. The 28-point margin of victory was the largest over a No. 1 ranked team in ACC history.

The ACC has had a team in either the College Football Playoff or the BCS National Championship Game in each of the past six years.

The ACC matched its league record with 11 bowl teams in 2018, including Boston College, Clemson, Duke, Georgia Tech, Miami, NC State, Pitt, Syracuse, Virginia, Virginia Tech and Wake Forest. The 11 bowl teams tied for the most among any conference.

The ACC finished the bowl season with six postseason wins, which tied for the most among all conferences.

The ACC is the only conference to send every team to at least one bowl game over the last three seasons. In addition, the ACC is tied for the most bowl teams (32) among all conferences over the last three years (11 in 2016, 10 in 2017, 11 in 2018).

Since 2013, the ACC has the second-best record of any Power 5 conference in the BCS, New Year's Six and CFP games, and has the most national championships (Florida State in 2013, Clemson in 2016 & 2018).

The ACC's 19 postseason wins over the last three (2016-18) years are the most of any conference.

A league-record 10 ACC teams were ranked last year in the AP Top 25 poll, including Boston College, Clemson, Duke, Florida State, Miami, NC State, Pitt, Syracuse, Virginia and Virginia Tech. The previous ACC record for most teams ranked in a season was nine in 2008. The 10 ranked teams are tied for most among all conferences.

An ACC football player has won the Heisman Trophy or the Campbell Trophy – commonly referred to as the “Academic Heisman” – in five of the last six years, something no other league can claim. Clemson DT Christian Wilkins won the Campbell Trophy last year. He is the second consecutive winner from the ACC.

In 2019, ACC teams will play more games (20) against Power 5 competition (including Notre Dame) than any of their peers.

This year, ACC teams will play more games against non-conference teams (16) ranked in last year's final Associated Press Top 25 than any other Power 5 conference.

ACC teams will play 26 games against non-conference opponents that participated in bowl games in 2018, the highest total among Power 5 conferences.

The ACC is in its sixth year of a 12-year agreement with the Capital One Orange Bowl, which will host an ACC team—either its champion or next available team—in all years when the Orange Bowl is not a semifinal site for the College Football Playoff. The opponent will be the highest ranked available team from the SEC, Big Ten or Notre Dame.

Eleven ACC football teams have an APR higher than the Division I average of 968, which ties for most among peer conferences. In all sports, the ACC leads all Power 5 conferences with 95 teams from member schools recognized in the most recent NCAA APR Public Recognition Awards.

Ten of 14 ACC Football teams earned a graduation success rate (GSR) at or above the FBS average. That was second-most among Power 5 conferences, both in terms of percentage and in total number.

The ACC remains the only Power 5 conference to have multiple teams score 90 or higher in GSR each year since 2005. Duke (96), Wake Forest (93) and Boston College (90) reached that plateau last year.

In its 2018 U.S. News and World “Best Colleges” rankings, ACC member schools combine for an average rank of 54.7, marking the 12th straight year that the ACC has led all Power 5 conferences.

ACC DIVISIONAL TIEBREAKER

If more than one team in the same division is tied for the best winning percentage in its Conference games, the procedures listed below will be followed to determine the division's representative in the Dr Pepper ACC Championship Game:

Two-Team Tie:

1. Head-to-head competition between the two tied teams.
2. Win percentage of the tied teams within the division.
3. Head-to-head competition versus the team within the division with the best overall win percentage. (Divisional and non-divisional) and proceeding through the division. Multiple ties within the division will be broken from first-to-last using the league's tiebreaking procedures.
4. Overall win percentage versus all common non-divisional opponents.
5. Combined win percentage vs. all non-divisional opponents.
6. Win percentage versus common non-divisional opponents based on their order of finish (overall conference win percentage) and proceeding through other common non-divisional teams based upon their divisional order of finish.
7. The tied team with the higher ranking by the Team Rating Score metric provided by SportSource Analytics following the conclusion of regular season games.
8. The representative shall be chosen by a draw as administered by the Commissioner or the Commissioner's designee.

Three-Team (or More) Team Tie

(Once a team is eliminated from the tie, the tie-breaker procedures restart for the remaining teams. If the three (or more) team tie can be reduced to two teams, the two-team tiebreaker format will then be applied.)

1. Combined head-to-head win percentage among the tied teams.
2. Win percentage of the tied teams within the division.
3. Head-to-head competition versus the team within the division with the best overall (divisional and non-divisional) Conference win percentage, and proceeding through the division. Multiple ties within the division will be broken first to last, using the league's tie-breaker policies.
4. Combined win percentage versus all common non-divisional opponents.
5. Overall win percentage versus non-divisional opponents.
6. Win percentage versus common non-divisional opponents based upon their order of finish (overall win percentage) and proceeding through other common non-divisional opponents based upon their divisional order of finish.
7. The tied team with the higher ranking by the Team Rating Score metric provided by SportSource Analytics following the conclusion of regular season games.
8. The representative shall be chosen by a draw as administered by the Commissioner or the Commissioner's designee.

ACCESSING ACC MEDIA PORTAL & DIGITAL LICENSE

ACC Media Portal (Highlights & Press Conferences): The ACC and XOS Digital have partnered to provide individual highlight packages from all ACC-controlled regular season football and men's basketball games to approved TV news affiliates for the 2019-20 seasons. Upon the conclusion of each game, highlights will be available for local TV news affiliates to download and use in televised news programming at no cost. Outlets may access the highlights, along with any weekly head coach press conferences, through the ACC Media Portal. This portal replaces the ACC Video Clip Service (AVCS). The use of ACC game highlights provided through the ACC Media Portal remain subject to those restrictions outlined in the ACC News Access Guidelines. Interested affiliates should email licensing@xosdigital.com to register for the ACC Media Portal and for additional information. Approved affiliates will receive a confirmation email along with credentials to access the ACC Media Portal.

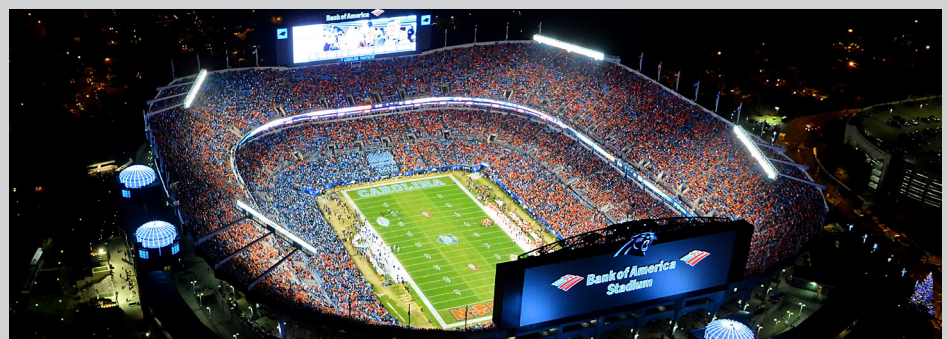

ACC Digital License: Per the ACC News Access Guidelines, game footage (station shot or broadcast) may not be distributed through digital platforms without a license. The ACC and XOS Digital now offer a turnkey digital highlight license specifically designed for local TV affiliates. This license will cover the use of ACC game footage across official station websites, apps, and social media platforms. Distribution of in-game highlights on any platform during the broadcast window is strictly prohibited, regardless of a digital license. Interested affiliates should email licensing@xosdigital.com to receive more information or to purchase a digital license.

ACC Digital Content: Agencies with interest in accessing or licensing ACC digital content beyond what is provided for in the ACC News Access Guidelines and as set forth in the preceding paragraphs should contact Chad Swofford, VP, General Manager of ACC Digital at Raycom Sports, at cswofford@raycomsports.com.

7 p.m.; ESPN
Pitt leads series, 39-23-3
Last meeting: Pitt, 44-37, OT (2018)

Head Coaches:

Pitt - Pat Narduzzi (32-26 in fourth fifth season at Pitt and overall)

Syracuse - Dino Babers (21-22 in fourth season at Syracuse; 58-38 in eighth season overall)

Notes: Pitt and Syracuse continue their long rivalry, with the Panthers looking for their second consecutive win over the Orange and their sixth in seven ACC meetings • RBs Qadree Ollison and Darrin Hall combined to rush for nearly 300 yards in last year's game at Heinz Field, sparking the Panthers to a 44-37 overtime win • Five of the last seven meetings between the teams have been decided by three points or less or in overtime, including the Orange's 27-24 victory at the Carrier Dome two seasons ago • The Panthers have won 12 of the last 14 games in the series, which was first played in 1916 • The Orange defeated Pitt 11 consecutive times from 1991 through 2001 • Syracuse holds a 19-16-3 edge versus the Panthers at home • Recent series history also includes the 2016 game in Pittsburgh, where the teams set an FBS regulation-game record for combined points (137) in Pitt's 76-61 victory.

at Miami (3-3, 1-2 ACC)

Georgia Tech - Geoff Collins (1-5 in first season at Georgia Tech; 16-15 in third season overall)

Notes: Virginia Tech has won the last three meetings, including a 59-7 decision in Blacksburg two seasons ago • The Hokies are 5-3 all-time versus the Tar Heels in Blacksburg • The Hokies escaped Chapel Hill with a 22-19 win last season after a lost fumble by RB Michael Carter with just over six minutes remaining prevented UNC from establishing a two-score advantage • Virginia Tech then drove 98 yards for the winning touchdown, which came on Ryan Willis' 1-yard pass to Dalton Keene with 19 seconds left • The Hokies improved to 15-3 versus the Tar Heels in ACC play • Nineteen games in the series have been played at neutral sites since the schools first met in 1895, including the 1997 Gator Bowl (a 42-3 UNC win) • North Carolina cities Charlotte, Raleigh and Winston-Salem have played host to the game • Virginia sites have included Danville, Richmond, Roanoke and Norfolk.
