ABOUT OUR NAME

Our official name is Virginia Polytechnic Institute and State University, but using the full name is cumbersome. Thus, "Virginia Tech" is preferable in all but formal uses. When using the full name of the university, never use an ampersand instead of "and." Never use VPI&SU, VPI and SU, VA Tech, Va. Tech, or Virginia Tech University. "Tech" is acceptable after a first reference to "Virginia Tech," but it should not be used repeatedly or solely. "VT" is acceptable only in limited, informal situations. "VPI," which was the university's acronym/nickname from 1896 to 1970, should be used only in historical contexts. The same is true for "VAMC," the university's acronym/nickname before 1896.
