VIRGINIA TECH STORYLINES

The Virginia Tech Hokies improved to 3-0 on the season with a 35-26 road win over Maryland, marking the first time since 2017 the Hokies have started the season 3-0. It was the Hokies' first non-conference victory over a Power 4 team since beating West Virginia to open the 2017 season. Tech will hit the road for the second straight week for its ACC opener at Boston College. The Hokies lead the overall series 22-11, winning three straight and four of the last five against the Eagles. It's the fifth time Tech has kicked off ACC play against the Eagles, joining the 2010, 2016, 2019 and 2022 teams, who went 3-1 in those contests.

Head Coach James Franklin served two seasons alongside Bill O'Brien on Ralph Friedgen's staff at the University of Maryland (2003 & 2004). Franklin coached wide receivers while O'Brien coached running backs. Their careers later intersected again when both served as head coach at Penn State, with Franklin succeeding O'Brien in 2014. Saturday's game will be their first meeting as head coaches.

COACHING HIGHLIGHTS

• A proven program-builder with a national reputation for elevating teams to championship contention, Franklin brings more than 30 years of coaching experience at the collegiate level, most recently serving as head coach at Penn State.

• He is one of three active FBS coaches with a 68-plus winning percentage and 14-plus years of head coaching experience. He joins Ryan Day (Ohio State), Kirby Smart (Georgia) and Dabo Swinney (Clemson) as the only active coaches in college football to have won at least five New Year's Six or College Football Playoff (CFP) games during the CFP era.

• Franklin's career head coaching record is 131-60, leading programs in the Big Ten and the SEC to historic success.

• During his 12-year tenure at Penn State, Franklin revived the Nittany Lions into a consistent force, leading the program to 104 victories. Under Franklin's direction, Penn State finished in the top 12 of the final College Football Playoff rankings in seven of nine seasons from 2016 to 2024, earned berths in seven New Year's Six bowl games with four wins, and won the 2016 Big Ten Championship.

• Prior to Penn State, Vanderbilt University experienced a record setting transformation on the gridiron under Franklin's leadership from 2011 through 2013. Coach Franklin became the first Vanderbilt coach to guide the team to bowl games in each of his first three campaigns.

• In 2012, the Commodores posted a 9-4 mark, earning entries in both the AP Top 25 and Coaches Polls for the first time since 1948. The nine wins were the most since 1915 and the five SEC victories, a feat not achieved by Vanderbilt since 1935.

• That same season featured the longest winning streak by a Vanderbilt team since 1948 (7), the longest road winning streak since 1950, and the first home victory over Tennessee in 30 years.

• Franklin followed with another nine-win season in 2013, including a decisive 41-24 win in the BBVA Compass Bowl, marking the program's first back-to-back nine-win campaigns in school history.

• As head coach, Franklin's teams have finished in the Top-25 in 13 of 15 seasons with six Top-10 finishes.

• He has the most wins all-time (131) by an FBS African-American head coach.

• Franklin is also the only African-American FBS head coach to reach 100 career wins and the only African-American head coach to win a Big Ten title.

• Franklin coached 18 All-America selections, 32 national major award winners or finalists and 67 NFL Draft picks at Penn State. In his first 15 years as a head coach, Franklin mentored 131 players reaching the NFL ranks.

• Franklin is one of just four active head coaches, joining Day, Smart, and Swinney, to have contributed two first-round picks in at least three drafts.

• Widely regarded as a tireless and relentless recruiter, Franklin transformed the Hokies' 2026 recruiting class immediately. In just over two weeks, the class moved from No. 124 in the country by 247 Sports to a consensus top-30 class (ESPN-21st, 247 Sports-30th, On3-29th).

• Franklin attributes his success on the field to the strength of his teams' dedication to four core values: Positive Attitude, Work Ethic, Compete, Sacrifice.

• A native of Langhorne, Pennsylvania, Franklin earned his bachelor's degree in psychology from East Stroudsburg University after a standout collegiate career as a quarterback, where he was a four-year letterman and a two-time All-PSAC selection. Franklin graduated having broken or tied 23 school records, and was a finalist for the Harlon Hill Trophy as a senior in 1994. In addition to earning a bachelor's degree from East Stroudsburg, Franklin earned a master's degree in educational leadership from Washington State.

• Franklin and his wife of 20 years, Fumi, have two daughters.

HOKIE HEADLINERS

Grunkemeyer In A Groove

Virginia Tech **QB Ethan Grunkemeyer** continued his hot start to the season against Maryland last week.

The Lewis Center, Ohio native completed 31 of 39 (79.5%) passes for 314 yards and three TDs in the 35-26 win, becoming the first Tech quarterback to surpass 300 passing yards in consecutive games since 2018. He also ran for an 18-yard score. Grunk is now 79 of 101 (78.2%) for 865 yards and seven TDs through three games. In addition, he has now won his last seven starts, dating back to last season at Penn State.

TE Luke Reynolds has been one of Grunkemeyer's favorite targets in the first three games. Reynolds has registered 25 receptions for 265 yards and four touchdowns. He finished with a career-high 12 receptions against Maryland for 107 receiving yards and a TD. Reynolds is the first Virginia Tech tight end on record to have back-to-back 100-yard receiving games. When paired with **WR Que'Sean Brown's** 109-yard outing vs. VMI, the Hokies have put together three straight 100-yard receiving performances for the first time in a season since 2015.

QB ETHAN GRUNKEMEYER

TE LUKE REYNOLDS

Offensive Efficiency

The Hokies have started quickly on the opening drives of each half they've played this season, recording four touchdowns and two field goals, while their opponents have registered six punts in their 6 opening drives of each half.

The Hokies were 10 of 16 on third down conversions against the Terps, and went 2 of 2 on fourth down for a 66.7% success rate on conversion downs.

Virginia Tech has scored 152 points through its first three games, averaging 50.7 points per game. The 152 points through three season-opening games is a record, surpassing the 146 points scored during the 2000 season. The Hokies have also piled up 1,480 yards of offense, averaging 493.3 yards per contest.

Overton Turns It On

Virginia Tech **RB Jeffrey Overton Jr.** tallied 112 all-purpose yards against Maryland, recording 12 rushes for 49 yards and a touchdown, along with three receptions for 63 yards and a touchdown, a 49-yarder in the second quarter. It was the second multi-touchdown game of Overton's career. On the season, the sophomore is averaging 5.7 yards per carry.

Paired with **RB Marcellous Hawkins Jr.** the Hokies have a formidable 1-2 punch in the backfield. Hawkins rushed 16 times for 75 yards against the Terps and registered two receptions for 15 yards. Hawkins is averaging 4.8 yards per carry and leads the team with four rushing touchdowns.

RB JEFFREY OVERTON JR.

LB KALEB SPENCER

Backfield Disruptors

The Hokies tallied four more tackles for loss against Maryland, and now have **36 TFLs** on the season to lead the FBS ranks. Nineteen different players have contributed to the TFL number.

The Hokies registered two sacks against the Terrapins, and the unit now has **14 sacks through the first three games of the season to co-lead the FBS.** Six different Hokies have recorded at least a half sack this season, led by **DE Aycen Stevens with 3.5**

LB Kaleb Spencer leads the team with 13 tackles and is second on the team in TFLs with 4.5, behind only **DE Mylachi Williams** with 6.0.

HOKIE HEADLINERS

Love Is In The Air

PK John Love currently sits sixth on Virginia Tech's all-time scoring list with 306 points. He needs just two points to assume sole possession of fifth place and five points to take over fourth on the list.

Love, the Spartanburg, South Carolina product, also has 58 made field goals in his career, and will move into third all-time in field goals made with his next successful kick. The fifth-year senior has made 85.3% of his kicks as a Hokie, including five from 50-plus yards, and a 60-yarder in 2024.

VIRGINIA TECH SCORIGAMI

What is Scorigami?
Scorigami is the art of building final scores that have never happened before. The concept was thought of by Jon Bois who sought to find unique scores in NFL history. In this case, we use it to see how often a score or range of points scored occurs, essentially creating a heat map of results across Virginia Tech football's history. Each data point is the final score of a Virginia Tech football game.

How do I read this chart?
The winning team's score is along the top (horizontal axis) and the losing team's score is along the left (vertical axis). Scores marked in green have happened, scores in white have not yet happened, scores in black are impossible. The bottom half is all black because the losing team can not score more points than the winning team. The orange square is the most recent game. The numbers inside the squares are the amount of times that score has happened. The higher the number in the square, the more common the score.
