» The Eagles' 39 points scored are the third-fewest points allowed by the program with head coach Megan Duffy at the helm
» In addition, NC Central only scored four points in the second quarter, the fewest by an opponent in the Duffy era
» The Hokies defense forced 29 turnovers, the most by a Duffy led Virginia Tech team. It is also the most since Tech forced 35 on Nov. 10, 2017 against Wagner
» Lastly, Virginia Tech held NC Central off the three-point line (0-11), just the second time an opponent did not make a triple in a game in the last three seasons (last Campbell on Dec. 21, 2024)

DOUBLE-DOUBLE DEBUT
» Freshman Jessica Dimaro posted a true double-double of 13 points and 13 rebounds in her Virginia Tech debut
» Dimaro is just the fifth Hokie to accomplish the feat of recording a double-double in their first game in a Virginia Tech uniform and is the first true freshman to do so
» It is the second straight season where a Tech player has put up a double-double in their debut as Kilah Freelon tallied 15 points and 11 rebounds against Towson (Nov. 4, 2025)
» Additionally, Dimaro is the first true freshman to have at least 13 points and 13 rebounds in a game since Elizabeth Kitley totaled 21 points and 14 rebounds on Feb. 16, 2020 against Wake Forest

SHARING THE SCORING
» In Monday night's win over NC Central, six Virginia Tech players finished with double figure scoring
» It is the first time Virginia Tech accomplished that feat since Dec. 31, 2023 at Pitt
» Similarly to the 2023 outting against the Panthers, Carleigh Wenzel had double digits in both occurances, 10 at Pitt and a game-best 17 against NC Central

WHO'S BACK FOR THE HOKIES?
» Six athletes: Carleigh Wenzel, Leila Wells, Samyha Suffren, Kate Sears, Amani Jenkins, and Aniya Trent return for the Hokies

ABOUT OUR NAME

Our official name is Virginia Polytechnic Institute and State University, but using the full name is cumbersome. Thus, "Virginia Tech" is preferable in all but formal uses. When using the full name of the university, never use an ampersand instead of "and." Never use VPI&SU, VPI and SU, VA Tech, Va. Tech, or Virginia Tech University. "Tech" is acceptable after a first reference to "Virginia Tech," but it should not be used repeatedly or solely. "VT" is acceptable only in limited, informal situations. "VPI," which was the university's acronym/nickname from 1896 to 1970, should be used only in historical contexts. The same is true for "VAMC," the university's acronym/nickname before 1896.

MEDIA INFORMATION

Gamedays: Head Coach Megan Duffy and select student-athletes will be available to the media after the game and following a 10-minute cooling off period. For home games at Cassell Coliseum, interviews with Coach Duffy and student-athletes will be conducted in person in the Cassell Coliseum Media Center.

Non-Gamedays: All interview requests for members of the program need to be arranged through the program's SID **Jordan Kehoe** who can be reached via email at **jkehoe16@vt.edu**. Coaches, staff members and student-athletes should never be contacted directly for interview opportunities.

HEAD COACH
MEGAN DUFFY

Megan Duffy was named the eighth head women's basketball coach at Virginia Tech, former Director of Athletics Whit Babcock announced on April 3, 2024.

A proven winner, Duffy has averaged 22 victories per season as a head coach, boasting an impressive 68.8 winning percentage. She has led her teams to the postseason in eight of her nine seasons at the helm, reaching the NCAA Tournament four times with an appearance in 2026.

In her second season in Blacksburg, the Hokies posted a 23-10 overall record and went 12-6 in ACC play, marking just the fourth time in program history that Virginia Tech reached 12 conference victories in a season. She became the first coach in the ACC era in program history to win double figure conference games in their second season. As the No. 6 seed in the ACC Tournament, the Hokies advanced to the second round with a win over Georgia Tech before earning an NCAA Tournament berth.

Duffy's emphasis on player development has been evident in the rise of Carleigh Wenzel, who increased her scoring average from 4.2 points per game in 2023-24 to a team-best 14.0 points per game during her breakout redshirt sophomore campaign in 2024-25. Wenzel continued her ascent in 2025-26, again leading the Hokies with 15.1 points per game while averaging 16.4 points against ACC opponents. Across the last two seasons, she has totaled 11 20-point performances, three double-doubles, and more than 225 assists, earning WBCA Division I Coaches' All-America honorable mention recognition and All-ACC Second Team honors in 2025-26.

Duffy also played a key role in the development of the Hokies' frontcourt, highlighted by the emergence of Kilah Freelon as one of the ACC's top rebounders. Freelon averaged 8.5 rebounds per game and totaled 272 boards in 32 appearances, recording eight double-digit rebounding performances, including two games with a career-high 18 rebounds. She finished the season ranked eighth in the ACC in both total rebounds and rebounds per game while placing ninth in blocks.

Development translated into immediate success in Duffy's inaugural season, as the Hokies won 19 games and earned a WBIT berth. Virginia Tech also secured nine ACC wins, the most ever by a first-year Hokie head coach, highlighted by a victory over previously undefeated and No. 13 Georgia Tech. The Hokies earned the No. 8 seed in the ACC Tournament in Greensboro.

Several players also made significant strides individually during Duffy's first season, highlighted by Matilda Ekh and Rose Micheaux, who both continued their basketball careers professionally following graduation. In the post, senior forward Rose Micheaux produced the best season of her career, highlighted by just the second triple-double in program history with a 19-point, 14-rebound and 10-assist performance against Elon. Micheaux started every game she played under Duffy and increased her scoring average from 4.1 points per game the previous season to 12.2 as a senior. She also led the Hokies with 7.4 rebounds per game and finished with the third-best field goal percentage in the ACC at better than 58 percent.

Prior to Virginia Tech, Duffy guided Marquette University to the NCAA tournament in 2024, after spending five years in Milwaukee where she accumulated a 110-46 record that included a 64-30 mark in BIG EAST play. In five seasons at the helm at Marquette, Duffy owned the best winning percentage of any coach in that program's history at 70.5 percent (110-46). During Duffy's tenure, the Golden Eagles made four postseason appearances, including three trips to the NCAA tournament, and earned a pair of runner-up finishes in both the regular season and BIG EAST conference tournament.

Marquette had a notable beginning to the 2023-24 season with the best start in program history at 12-0. The Golden Eagles were one of 10 teams in the country to go undefeated in nonconference play, including winning the Fort Myers Tip-Off with two wins over Power Five foes – defeating Boston College and Arkansas. She also guided MU to a win over Illinois and her squad earned a ranked victory over No. 20 Creighton.

Under Duffy's leadership, nine different athletes garnered All-BIG EAST accolades, including the first duo to collect first team nods in the same season from Marquette in Jordan King and Chloe Marotta. Other highlights of her tenure in Milwaukee include becoming the fastest coach in Marquette history to the 100-win mark, owning the most road wins in a season in program history, securing the most home wins in a single season in program history and defeating multiple AP top five foes in the same season (No. 3 Texas and No. 4 UConn in 2022-23).

Duffy arrived at Marquette after leading Miami (Ohio) to a pair of WNIT appearances during her two-year tenure with the program. Miami finished the season with a 23-9 overall record and a 13-5 Mid-American Conference mark in 2018-19 and reached 20 wins in back-to-back seasons for the first time since the 1980s.

She was one of just four rookie head coaches in 2017-18 to collect at least 20 wins and the only female to accomplish the feat. The RedHawks finished 21-11 that season, the largest improvement in the nation from the previous season in terms of total victories (nine more than 2016-17, 12-21). Duffy guided the program to a 44-20 (0.687) record during her two years, making her the winningest active coach in the MAC at the time.

Under Duffy's tutelage, Miami produced two all-conference performers, while the team's successes carried into the classroom as well. Miami had a program-high eight student-athletes tabbed Academic All-MAC and the RedHawks were named to the Women's Basketball Coaches Association Top 25 Honor Roll in 2018 after earning the sixth-best team grade point average in the nation among all Division I schools.

Prior to her time in Oxford, Duffy completed stops at BIG EAST school St. John's (2009-12, assistant coach), George Washington (2012-14, associate head coach) and Michigan (2014-17, assistant coach). She helped lead each of the three programs to the postseason (seven total appearances), highlighted by a trip to the Sweet 16 with the Red Storm in 2012 and the WNIT title with the Wolverines in 2017.

Duffy was a four-year letterwinner at Notre Dame (2002-06), helping the Irish to four straight NCAA appearances and two Sweet 16 berths. She is one of six players in school history to total at least 1,000 points, 500 assists and 200 steals.

The Dayton, Ohio, native has translated her extensive playing career, which included All-America selections (finalist for national player of the year awards), USA Basketball participation (Gold medalist), and professional experience in the WNBA (Minnesota and New York) and overseas, into success in the coaching ranks.

Duffy graduated from Notre Dame in 2006 with a double degree in psychology and computer applications. She is married to Kevin Hoyng.
