

## FINAL TERMS

**MIFID II PRODUCT GOVERNANCE** – Only for manufacturer's product approval process only, the target audience assessment for the ETPs has concluded that: (i) the target audience for the ETPs is peer-to-peer counterparties and professional clients and retail clients, each as defined in Directive 2014/65/EU, as amended (**MiFID II**); and (ii) all channels for distribution of the ETPs are appropriate, including investment advisory, portfolio management, non-advisory sales and pure execution services, subject to the suitability and appropriateness obligations of the distributor under MiFID II, as applicable. Any person who subsequently offers, sells or recommends the ETPs (a **distributor**) should take into account the manufacturer's target audience assessment. However, a distributor subject to MiFID II is responsible for conducting its own Target Audience Assessment in relation to the ETPs (by either adopting or refining the manufacturer's Target Audience Assessment) and deciding on appropriate distribution channels, subject to the distributor's suitability and appropriateness obligations under MiFID II, as applicable. For the avoidance of doubt, the Issuer is not a manufacturer or distributor within the meaning of MiFID II.
