

## Volvo On Demand is adding more electric cars for sharing

**Volvo On Demand is expanding its fleet with fully electric Volvo C40 Recharge in Stockholm, Gothenburg, and Malmö. The new cars arrive in time for one of the most booked periods of the year and are available from SEK 85 per hour.**

The interest in electric cars is big and the Christmas holidays is one of the most requested times of the year for quick and easy access to a car. Volvo On Demand is now expanding its fleet with the Volvo C40 Recharge and can offer even more customers access to a car.

"We are happy to add Volvo C40 Recharge to our fleet and continue to grow our business in Stockholm, Gothenburg, and Malmö. We see a big interest in booking electric cars and today we offer the Volvo XC40 Recharge as well as Polestar 2, and now also Volvo C40 Recharge" says Erik Jivmark, CEO of Volvo Car Mobility, which runs the car-sharing service Volvo On Demand.
