

# Residential Greeter Program

**BUILDING CONNECTIONS ● BRAND AWARENESS ● COMMUNITY ENGAGEMENT**

The Residential Greeter Program offers an amazing opportunity for business to consumer contact that is extremely valuable. We reach every new home owner in the 60174/60175/60177/60184 area on a monthly basis, and send them a Welcome packet from the Chamber of Commerce, which totals nearly 1000 households per year! Within this packet we have a unique brochure that contains a letter from the mayor, a brief history of St. Charles, contacts, maps, calendars, and welcomes them to our community. We want to put your promotional materials, contact information, and consumer coupons in this one of a kind packet with this program!

## TO JOIN THIS PROGRAM

1. Email [acastro@stcharleschamber.com](mailto:acastro@stcharleschamber.com) to confirm joining

3. Give the Chamber 1000 (or two rounds of 500) flat promotional items that do not exceed 8.5x11
