SEC COMMUNITY SERVICE TEAM PLAYER OF THE WEEK

Glenn Dorsey, LSU

LSU senior defensive tackle Glenn Dorsey will be featured this week as the SEC Community Service Team Player of the Week on this weekend's Lincoln Financial Sports telecast of the Vanderbilt at Florida contest.

The Gonzales, La. native, is a regular speaker to youth in the Baton Rouge area, telling children to "dream big. Even if you're from a small town, you can dream big and make things happen."

His list of volunteer efforts include, leading 7th and 8th graders at Kenilworth Middle School in math activities that involved foot, hand, and height ratios and gave the children a motivational talk about going to college. He spoke to a group of young kids at the YMCA in June of 2007 in his hometown of Gonzales and is a regular guest speaker at his former high school in Gonzales (East Ascension HS).

When faced with all of the challenges that Katrina brought to the LSU campus in the Fall of 2005, Glenn stepped up to help out in any way that he was asked, including helping move equipment and boxes. He also had several people affected by the storm staying in his apartment.

Each week during the SEC football season, Lincoln Financial Sports will highlight a representative of the 2007 SEC Football Good Works Team.

Student-Athletes earn SEC Good Works Team recognition for their community service and campus activities.

The SEC sponsors 16 Good Works Teams during the season, including one for each sport in the SEC, combining the indoor and outdoor track & field and cross country teams into one unit.

SEC FOOTBALL VIDEO REPLAY

THE OBJECTIVE

To allow for specific types of officiating calls to be immediately reviewed during all games hosted by SEC teams.

THE COACHES' CHALLENGE

Each head coach is allowed one Instant Replay challenge per game, which is exercised by requesting a team timeout. A head coach may issue a challenge only if his team has one or more timeouts remaining in the half. If the challenged ruling is overturned, the timeout is not charged, but the coach has no more challenges during that game.

THE SOURCE

All reviewable video comes direct from either the television network broadcasting the game (CBS Sports, ESPN, ESPN2, Lincoln Financial) or other TV production facilities that meet established conference standards. The Southeastern Conference, following approval by the NCAA Football Rules Committee, will implement the use of video replay on an experimental basis beginning with the 2005 football season.

THE PROCESS

Each SEC football stadium has a secured replay booth equipped with a DVSPORT Digital Replay System. Three individuals work in the booth for the duration of the game: 1. Replay Official, 2. Communicator, 3. Technician. The Replay Official is selected and assigned by the Conference Office.

A live video feed is sent directly to the replay booth. The Technician watches the feed on an input monitor while capturing/digitizing it into the DVSPORT Digital Replay System. The Technician also marks the beginning of each play as well as any replays as they occur in real time.

Each play and subsequent replay then appears on a touch screen in front of the Communicator. As the Technician marks the incoming video, each view (by mark) will appear as a small picture on the computer touch screen. At any time, the Communicator can touch/click on a thumbnail and immediately send that play/replay to the Replay Official.

With the Communicator's assistance, the Replay Official can quickly jump between replays while playing back the video. All replay video navigation is done via a remote device controlled by the Replay Official. All replays/video are viewed on an output monitor. The touch screen is only used to select the replays.

While most plays are reviewed between the whistle and the beginning of the next play, the Replay Official can stop play on the field by using a pager system. Five onfield officials wear pagers. If play is stopped the Referee announces on the stadium PA microphone that play has been stopped so the previous play can be reviewed. The Referee then proceeds to the sideline headset, which provides direct communication to the Replay Official in the booth. Once the play has been reviewed, the Replay Official notifies the Referee, who then announces the decision on the stadium PA system.

THE EQUIPMENT

Each SEC member institution uses the Digital Replay System developed by DVSPORT of Pittsburgh, Pa. The replay systems are maintained by the home institution with technical support from DVSPORT.

2007 SEC FOOTBALL CHAMPIONSHIP GAME

The SEC's Eastern and Western Division winners will meet in Atlanta's Georgia Dome to battle for the league championship and the right to represent the conference in the Bowl Championship Series. The 16th-annual title game is set for December 1 and will be nationally televised by CBS Sports at 4:00 p.m. ET.

The game is a result of conference expansion, which saw Arkansas and South Carolina become the first members added in SEC history. Under NCAA regulations, a conference with 12 members may play a 12th football game to determine its champion, provided the regular season is played in divisions.

The participants of the game are determined each year during the eight-game regular-season conference schedule as the teams with the best overall SEC winning percentage in each division.

The 1994 SEC Championship Game earned a 10.5 rating and a 26 share, the highest rated SEC Championship Game in history.

The SEC Championship Game has also drawn capacity crowds in its history. 1,120,836 fans have witnessed first-hand the pageantry of SEC Football at the 15 previous Championship Games.

Attendance at the 15 previous championship games has been 102.3 percent of stadium capacity, including 13 sellouts.

QB Don Gaffney leads Florida past Auburn 12-8 for the program's first victory at Auburn's Jordan-Hare Stadium, setting up the Gator consecutive wins against Auburn, Georgia, Kentucky and Miami.

2001 -- Following a 35-24 loss to Ole Miss the week prior, LSU goes to Tuscaloosa and defeats Alabama, 35-21. The Tigers roll off four straight wins to capture the Western Division title and then win the SEC Championship game.

CBS SPORTS - The 2007 season marks the 11th year for CBS as the league's national network television partner. CBS will televise up to 15 games per year throughout the season. CBS will normally broadcast its SEC games in the late afternoon window beginning at 3:30 p.m. ET. CBS provides exclusive national network broadcasts of conference home games during the season. CBS will televise the SEC Football Championship Game, which will be on Dec. 1 at 4 p.m. ET.

ESPN/ESPN2, the SEC's national cable provider, may televise up to 18 regular season games each year, with a minimum of nine on ESPN through the season. ESPN GamePlan offers fans extra college football games and is available on television or online. Viewers can order ESPN GamePlan on ESPN.com (search "GamePlan"), or by contacting their cable or satellite Pay-Per-View provider.

LINCOLN FINANCIAL SPORTS (LFS) (Formerly Jefferson-Pilot Sports) will continue its highly successful SEC Football Game of the Week this season. The Charlotte, N.C. company, holds the rights to televise 13 games annually throughout the nine-state SEC region on a syndicated basis. The games will be broadcast in the early afternoon at 12:30 p.m. ET.

FOX Sports Net South (FSNS), FOX Sports Net Southwest (FSNSW) and SUN Sports (SUN) together form **SEC-TV**, the league's regional cable package. SEC-TV Weekly airs Thursday nights and Saturday mornings during the season, highlighting all of the SEC's athletic teams and events.

SEC BOWL AGREEMENTS

The Southeastern Conference has agreements to send eight of its member institutions to postseason bowl games following the 2007 season. The winner of the SEC Championship Game will automatically participate in the Bowl Championship Series comprised of the Sugar, Rose, Orange and Fiesta Bowls.

The Capital One (2nd), will then make its pick following the BCS selections. The bowl must select the team with the next best overall record or a team that is within one win of the team with the next best overall record.

The Outback, Chick-fil-A and AT&T Cotton Bowls will work with the conference office to determine picks 3-5. The Cotton Bowl has the first preference of teams from the Western Division and the Outback Bowl has first preference of teams from the Eastern Division. The Cotton or Outback Bowl can select teams outside of its divisional preference, but must not select them before the opposite bowl selects from its divisional preference. The Chick-fil-A Bowl has the selection of preference following the Cotton and Outback Bowls.

In selections 6-7, the AutoZone Liberty and Gaylord Hotels Music City Bowls will make their selections, not in any specific order, but in consultation with the SEC Office. The Bowls will rank available qualified teams in order of preference. If there are no similarities in the order of selection, the bowls will be granted its selection. If the bowls rank the same teams in preference, the team involved in the process would get its preference of which bowl to participate.

The PetroSun Independence Bowl will receive the eighth selection of available SEC teams.

2008 BOWL CHAMPIONSHIP SERIES SCHEDULE

Following the 2007 college football regular season, the Bowl Championship Series will determine the National Championship. The BCS National Championship Game, which will stand alone from the four traditional BCS bowls but will be hosted by each of the bowls once during a four-year cycle.

The BCS consists of the FedEx Orange, Allstate Sugar, Rose presented by Citi, Tostitos Fiesta Bowl and the Allstate BCS National Championship Game. The conferences with automatic berths include the Atlantic Coast, Big East, Big Ten, Big 12, Pac-10 and Southeastern Conferences.

FOX Sports will televise all of the Bowl Championship Series games, with the exception of the Rose Bowl, which will be televised by ABC Sports.

The Bowl Championship Series guarantees a matchup between college football's top two teams in a true national championship game.

At the conclusion of the 2007 regular season, the Allstate BCS National Championship Game will be hosted in New Orleans on Jan. 7 at 8 p.m. EST. The Allstate BCS National Championship Game will have the top two teams ranked in the BCS final regular season standings.

The BCS uses regional consideration regarding team selection. Specifically, as a member of the BCS, the Rose Bowl will host the Big Ten and Pac-10 champions in those years in which either the Rose Bowl does not have the national championship game or the Big Ten and Pac-10 champion is not ranked No. 1 or No. 2. Other "regional consideration" tie-ins include the SEC champion in the Sugar Bowl, the ACC champion in the Orange Bowl and the Big 12 champion in the Fiesta Bowl.

Other BCS games following the 2007 regular season include the Rose Bowl on Jan. 1 at 4:30 p.m. EST, Sugar Bowl on Jan. 1 at 8:30 p.m. EST, Fiesta Bowl on Jan. 1 at 8:30 p.m. EST, and the Orange Bowl on Jan. 3 at 8 p.m. ET.

BOLDFACE -- 2007 Season**2007 SEC DIVISIONAL TIE-BREAKER**

In the event of a tie for the division championship, the following procedures will be used to break all ties to determine the SEC Football Championship Game representative. All Conference versus Conference Games (both division and non-division) will be counted in the Conference Standings.

TWO-TEAM TIE. In the event two teams are tied for a division title, the following procedure will be used in the following order:

- A. Head-to-head competition between the two tied teams;
- B. Records of the tied teams within the division;
- C. Head-to-head competition against the team within the division with the best overall (divisional and non-divisional) Conference record, and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
- D. Overall record against non-divisional teams;
- E. Combined record against all common non-divisional teams;
- F. Record against the common non-divisional team with the best overall Conference record (divisional or non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division; and
- G. The tied team with the highest ranking in the Bowl Championship Series Standings following the last weekend of regular-season games shall be the divisional representative in the SEC Championship Game.

THREE-TEAM TIE (OR MORE). If three teams are tied for a division title, the following procedure will be used in the following order: (Note: If one of the procedures results in one team being eliminated and two remaining, the two-team tiebreaker procedure as stated in No. 1 above will be used):

- A. Combined head to head record among the tied teams;
- B. Record of the tied teams within the division;
- C. Head to head competition against the team within the division with the best overall Conference record (divisional and non divisional) and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
- D. Overall Conference record against non divisional teams;
- E. Combined record against all common non divisional teams;
- F. Record against the common non divisional team with the best overall Conference record (divisional and non divisional) and proceeding through other common non divisional teams based on their order of finish within their division; and
- G. The tied team with the highest ranking in the Bowl Championship Series Standings following the last weekend of regular-season games shall be the divisional representative in the SEC Championship Game, unless the second of the tied teams is ranked within five-or-fewer places of the highest-ranked tied team. In this case, the head-to-head results of the top two ranked tied teams shall determine the representative in the SEC Championship Game.

which was during the 2000, 2001 and 2006 seasons. In eight other seasons, the SEC has had eight bowl-eligible teams, the latest coming in 2002.

While six wins is the basic eligibility to participate in post-season bowl games, NCAA rules state that a "deserving winning team" be eligible for bowl-season play.

The SEC has agreements to send eight of its teams to post-season bowls.

NCAA Rule 30.9.2 states, "A contest (bowl game) shall be licensed only if it serves the purpose of providing a national contest between deserving winning teams. A "deserving winning team" shall be defined as wone that has won a minimum of six games against football bowl subdivision opponents and that has more wins than losses."

Exceptions to NCAA Rule 30.9.2 exist. Those are:

"An institution with a record of six wins and six losses may be selected for participation in a bowl game under the following circumstances:

(a) The institution or its conference has a primary contractual affiliation, which existed prior to the first contest of the applicable season, with the sponsoring bowl organization. In the case of a conference contractual affiliation, all conference teams with winning records must be placed in one of the contracted bowl games before any institution with a record of six wins and six losses may be placed in a contracted bowl game.

There shall be no contingency agreements with other sponsoring bowl organizations intended to enable an institution with a record of six wins and six losses to become eligible for those contests; or

(b) All contractual affiliations per Bylaw 30.9.2.1-(a) have been fulfilled and all institutions with winning records

30.9.2.2 Exception—Football Bowl Subdivision Opponent. [FBS] Each year, a football bowl subdivision institution may count one victory against a football championship subdivision opponent toward the six-win minimum, provided the opponent has averaged 90 percent of the permissible maximum number of grants-in-aid per year in football over a rolling two-year period.

30.9.2.2.1 Waiver. [FBS] The Football Issues Committee may approve a waiver of the 90 percent requirement to permit a football bowl subdivision institution to count a victory against a football championship subdivision opponent in football toward meeting the six-victory requirement when a unique or catastrophic situation affects the Division I-AA institution's ability to average 90 percent of the permissible maximum number of grants-in-aid per year in Division I-AA football over a rolling two-year period.

For intercollegiate athletics to promote the character development of participants, to enhance the integrity of higher education and to promote civility in society, coaches, student-athletes and all others associated with these athletics programs and events should adhere to such fundamental values as respect, fairness, civility, honesty and responsibility. These values should be manifested not only in athletics participation but also in the broad spectrum of activities affecting the athletics program. It is the responsibility of each member institution to establish policies for sportsmanship and ethical conduct in intercollegiate athletics consistent with the educational mission and goals of the institution. Furthermore, member institutions are responsible for educating on a continuing basis all constituencies about these policies."
