	(HOMECOMING)			
Nov. 12	at Hampton*	1:00 p.m.	FloSports	First Meeting

* CAA Football contest

SETTING THE SCENE

- Elon opens the 2022 season Saturday with high expectations. The Phoenix will play at Vanderbilt at 7:00 p.m. ET (6:00 p.m. CT) in Nashville. Elon received votes in both of the two major FCS preseason polls and the Phoenix garnered a No. 25 ranking by Athlon Sports during the preseason.
- For those not in attendance, the game can be seen on SEC Network+/ESPN+ and the audio broadcast begins at 6:00 p.m. ET (5:00 p.m. CT) with Taylor Durham and Gray Aust. The audio broadcast is available for free via The Varsity Network app.
- In the only other meeting between Elon and a school currently playing in the Southeastern Conference, Vanderbilt earned a 45-14 win in Nashville on the same date (Sept. 3) in 2011. That contest was tied 7-7 midway through the second quarter and was just 21-14 after a Phoenix third-quarter score. But Vanderbilt closed the contest with four consecutive touchdowns.
- Elon was quite successful on the road a year ago, going 4-2 away from Rhodes Stadium. Vanderbilt was 1-6 at home in 2021 and is just 1-11 in the past two seasons combined.

AN ELON WIN WOULD...

- be the program's first against an FBS program
- be the team's first season-opening win since defeating Davidson to open the 2021 spring season
- be the team's second consecutive season winning its road opener
- be the team's first non-conference win outside of the state of North Carolina since beating Charleston Southern 31-22 in 2018

BY THE NUMBERS

25

Elon's preseason rank by Athlon Sports. The Phoenix received votes in both the Stats Perform and AFCA Coaches preseason polls.

9

Elon returns nine starters from a stout and aggressive defense a year ago. The Phoenix will lean on that experience early to frustrate and confuse opposing offenses.

17

Kicker Skyler Davis, an All-American candidate, made 17 field goals last year, including his final nine attempts. Three of those makes were from 50 yards, including a school-record tying 52-yarder.

2022 ELON FOOTBALL

TONY TRISCIANI IN YEAR FOUR LEADING THE PHOENIX

- On Dec. 17, 2018, Tony Trisciani was named the 23rd head football coach in Elon history. In 2022, he begins his fourth season at the helm.
- While it is his fourth season as head coach, he is in his seventh year overall with the Phoenix, serving as the defensive coordinator in 2017 and 2018 before his elevation to the lead chair. In 2006, Trisciani coached the defensive backs and ran the special teams for Elon.
- Elon has won at least five games in both fall campaigns he led the program. The 2020 season was competed during a shortened spring campaign due to COVID-19.
- Elon made a five-win improvement from the spring 2021 season to the fall of 2021, finishing 6-5 overall. Elon's 5-3 record in CAA Football was good for sole possession of third place. That came after the team was picked to finish 12th in the CAA Football preseason poll.
- The 2022 season will be his 27th year as a football coach and his 17th at a CAA Football institution. Since his return to Elon in 2017, he has helped the program defeat 11 FCS Top 25 programs.

SOMETHING OLD, SOMETHING NEW

- Head Coach Tony Trisciani has put together an assistant coaching staff that mixes familiar faces at Elon with new staff.
- Offensive Coordinator Drew Folmar has been at Elon since 2017, while Defensive Coordinator Dovonte Edwards is beginning his second season at Elon.
- Edwards joined the program for the 2021 season and was the defensive pass game coordinator and safeties coach last year.
- Offensive Line Coach Andy Marino, Defensive Line Coach Seth Payne and Wide Receivers Coach Chris Young have been at Elon since 2019. Special Teams Assistant Mike Nall also rejoined the program prior to the 2019 season. Nall also coached at Elon from 2005-08.
- Special Teams Coordinator/Outside Linebackers Coach Milo Austin joins Elon in 2022 after a year at Texas Southern. Inside Linebackers Coach Casey Vance is in his first season after spending six years at West Virginia. Tight Ends Coach Will Orbin was most recently at NCAA Division II Barton College and was previously at Elon from 2000-01.
- Running Backs Coach Nate Harris joined the program this year after time at West Alabama. Cornerbacks Coach Ty Greenwood was most recently at North Carolina Central, while Defensive Line Assistant Joe Perri was at Alderson Broadus in his most recent coaching position.

EDWARDS ELEVATED TO DC

- Following the 2021 season, Dovonte Edwards was promoted to Defensive Coordinator after former DC Billy Crocker was tabbed to begin the football program at NCAA Division III Eastern University.
- Edwards joined the program for the 2021 season and was the defensive pass game

coordinator and safeties coach last year.

- In his first year at Elon, Edwards mentored Cole Coleman to first team all-conference honors.
- Prior to coming to Elon, Edwards spent time at North Carolina Central, Morehead State, Furman and Kentucky Christian.
- Edwards was a versatile player at NC State, playing both wide receiver and cornerback during his time with the Wolfpack. He also played on the NC State basketball team.
- Edwards spent time with the Minnesota Vikings, New York Giants and Detroit Lions, intercepting a Brett Favre pass for a 51-yard pick-six on Monday Night Football in 2005 with the Vikings.

HISTORY VS. VANDERBILT

- Elon and Vanderbilt have played just one time previous, with the Commodores earning a 49-14 victory.
- A Dontay Taylor one-yard plunge with 11:00 remaining in the second quarter pulled Elon even 7-7.
- Hall of Famer Aaron Mellette scored on a 32-yard reception with 12:21 to play in the third quarter to draw the Phoenix within a score at 21-14.
- Vanderbilt led 24-14 heading to the fourth and added three touchdowns in a five-minute stretch to pull away.
- Mellette finished with 11 catches for 180 yards in the contest as Elon outgained Vanderbilt 323-309. Turnovers played a crucial role as the Commodores were +2 on the day and scored on an interception return.

HIGH FIVE

- Discounting the abbreviated 2021 spring campaign, Elon has recorded at least five overall wins and four conference wins in four consecutive fall seasons.
- With four straight fall seasons of at least five overall wins and four conference wins, it equals the longest such streak the program has had in FCS. Elon also accomplished that feat from 2007-10.

ELON VS. THE POWER FIVE

- Although Elon is yet to upset an FBS school since moving to the FCS for the 1999 season, the Phoenix do have a win and two ties against teams currently playing in a "Power Five" conference.
- Elon's record is 1-29-2 against schools from the P5, but the Phoenix did record a win over Miami (Fla.) way back in 1928, earning a 21-18 victory.
- Seven years prior to that victory over Miami (Fla.), Elon picked up a scoreless tie against Trinity on Oct. 29, 1921. Three years later, the school would be renamed Duke University.
- Elon recorded another scoreless tie against a current Power Five school in the 1920s, doing so against Wake Forest on Oct. 1, 1927.
- In total, Elon has played a total of eight schools currently in the Power Five -- Clemson (0-1), Duke (0-8-1), Georgia Tech (0-1), Miami (1-2),

MATCH-UP (2021 STATS)

2022 ELON FOOTBALL

North Carolina (0-1), North Carolina State (0-4), Vanderbilt (0-1) and Wake Forest (0-11-1).
 • Elon's most recent contest against a Power Five school was a 49-7 Wake Forest victory on Sept. 21, 2019.

TRISCIANI NAMES CAPTAINS

• Head Coach Tony Trisciani has named Elon's captains for the 2022 season.
 • Devonte Chandler will serve as a team captain for the third consecutive year, while Torrence Williams and Jackson Parham have been named captains for the first time.

SECOND-HALF DEFENSE

• Elon's defense is expected to be a strength in 2022 and, if 2021 is any indication, that defense just gets stronger and stronger as the game wears on.
 • The Phoenix defense allowed just 11 second-half touchdowns in 10 FCS games during the fall of 2021.
 • In the team's ten FCS games, Elon allowed 152 first-half points and just 91 second-half points.

THREE ... THAT'S THE MAGIC NUMBER

• Following the completion of Davis Cheek's fantastic career at Elon following the 2021 season, Head Coach Tony Trisciani has a decision to make at quarterback. But he does have three quarterbacks on the roster with experience as a starter.
 • Redshirt junior Joey Baughman started Elon's first two games at quarterback in the spring of 2021 before a season-ending injury cost him the remainder of the year and the 2021 fall campaign. But Baughman led Elon to a win over Davidson by going 18-of-22 passing for 173 yards and a touchdown in his abbreviated time.
 • Redshirt senior Matthew McKay is a transfer from Montana State, where he led the Bobcats to a 12-3 record and an FCS playoff bid. McKay also played in 11 games at NC State in 2018 and 2019, throwing for almost 1,000 yards and starting five times.
 • Not to be overlooked, redshirt sophomore Justin Allen started two games in the spring of 2021 after Baughman's injury, going 29-of-51 for 290 yards and two touchdowns.

THE 'SKYLER IS THE LIMIT

• Senior kicker Skyler Davis has been one of the most consistent and reliable kickers in FCS football since starting his career at Elon in 2018. He is a candidate for All-American status

heading into the 2022 season.

• Davis was made 17-of-22 field goals a year ago, connecting on his final nine attempts of the year. He tied the Elon school record with a 52-yarder at Towson, becoming the first Phoenix kicker to make a pair of 50-yarders in the same game, doing so in that contest.
 • Davis made 11-of-14 field goals from at least 40 yards, including 9-of-10 from 40-49 yards out.
 • Pro Football Focus ranked Davis as the No. 16 kicker in the country (including both FBS and FCS kickers) a year ago and No. 4 among FCS kickers.
 • For his career, Davis has made 51-of-68 field goals and 102-of-104 extra points.
 • With 255 career points scored, Davis ranks fifth in Elon's FCS history in scoring. He is also first among all returning FCS kickers in career points scored.

THE SAFETY NET

• Senior safety Cole Coleman has been a consistent performer since stepping foot on the Elon campus in 2018. He was named to the 2022 Stats Perform FCS Preseason All-American Team on the third team.
 • Coleman played in 11 games in 2018, 2019 and 2021, adding two more games in the abbreviated 2020 (spring 2021) season.
 • Coleman has 246 career tackles, 7.0 for loss, and a pair of interceptions.
 • In 2021, Coleman had 71 tackles, just shy of his career best 84 in 2019. Coleman also recorded three forced fumbles in 2021.

ACTION JACKSON

• Senior wide receiver Jackson Parham had a breakout season in 2021, ranking No. 31 nationally in receiving yards and No. 43 in receptions per game.
 • Parham had 57 catches for 820 yards in 2021, more than double his career totals entering the season. From 2018-20, Parham had 28 catches for 344 yards for the Phoenix.
 • Parham had a career-best 10 receptions against William & Mary in the CAA opener, posting his first 100-yard receiving game with 106 yards.
 • Three weeks later, Parham added his second century game with 122 yards in a win over New Hampshire.
 • Parham's 820 yards receiving in 2021 were the most in a single season for an Elon pass catcher since Elon Hall of Famer Aaron Mellette had 1,398 in 2012.

2022 ELON FOOTBALL

EARNING THAT DEGREE

• Eleven current players on the Elon football team already have their degrees.

• Joey Baughman, Devonte Chandler, Cole Coleman, Bryson Daughtry, Skyler Davis, Jamarian Hawkins, Jamir Malone, Jackson Parham, Mike Purcell and Torrence Williams are all Elon graduates. Graduate transfer Matthey McKay earned his undergraduate degree from Montana State.

IN THE NFL

• Elon alumnus Olisaemeka (Oli) Udoh was drafted in the sixth round of the 2019 NFL Draft and has been a key member of the Minnesota Vikings offensive line since that time.

• Udoh started 16 games at right guard in 2021 and has now played 24 games over three seasons in Minnesota.

• Udoh is currently slated as the back-up right tackle in Minnesota.

• Quarterback Davis Cheek, who exhausted his eligibility following the 2021 season, was invited to camp with the Carolina Panthers. Cheek was cut after the Panthers traded for Baker Mayfield in the preseason.

TURNING THEM OVER, OR NOT

• Elon had a tale of two seasons in forcing turnovers during the 2021 season.

• The Phoenix generated 13 turnovers through the first five games of the season, posting at least two turnovers gained in each of those contests.

• However, Elon forced only five turnovers in the final six games of the season. The Phoenix did close the season by generating three turnovers (two interceptions and a fumble recovery) in the 43-28 win over Rhode Island to close the year.

HOLDING THE ROCK

• Elon played complementary football throughout the 2021 season, allowing the Phoenix defense to stay fresh throughout the game.

• Elon won the time of possession battle in eight of the team's 11 games, holding onto the football for a season-best 37:59 at Maine.

• Elon held the time of possession advantage just one time in the abbreviated six-game spring 2021 campaign, so it represented quite a turnaround in that area.

• The last time Elon held the ball for more than the 37:59 it did against Maine came when the team had 39:16 in TOP against Samford on Oct. 2, 2010.

PURA VIDA

• As part of Elon's commitment to diversity and global engagement, the Elon Football team spent a week in March in Costa Rica.

• The team's trip included many once-in-a-lifetime opportunities, such as a wildlife expedition, football clinics, investing in the lives of local youth, hiking around an active volcano, swimming in waterfalls, beach cleaning, jet-ski riding, ATV adventures and snorkeling.

2022 ELON FOOTBALL

ABOUT THE PHOENIX

- In 1921, Elon's sports teams were first called the Fightin' Christians. As the department transitioned to NCAA Division I athletics in the late 1990s, a new nickname was sought out.
- A 15-member task force was selected to choose the new identity.
- In 2000, Elon officially changed its mascot to the Phoenix. The choice refers to a 1923 fire that destroyed nearly the entire campus. Soon after the first, university trustees began planning to make Elon "rise from the ashes." The Phoenix was a mythical creature that rose from the ashes of its predecessors.
- The Phoenix's plumage matches the school's maroon and gold colors. Once every 500 years, when it felt its death approaching, the Phoenix would build a nest in an oak tree -- a link to the college name, Elon, which is Hebrew for oak.
- After being consumed in the nest by its own flames, the Phoenix would rise again to fly to the temple of the sun. The bird is a symbol of light, knowledge and everlasting vigor.
- ***As there can only be one Phoenix at any time, please refer to the Phoenix in the singular.***

ELON UNIVERSITY POINTS OF PRIDE

U.S. News & World Report 'Best Colleges' Rankings

- #1 for excellence in undergraduate teaching
- #9 for Most Innovative National University
- #83 among the nation's most prestigious comprehensive universities

For the seventh straight year, Elon is the leader in the "Focus on Student Success" feature – the only college or university ranked in the top-20 in all eight categories of high-impact academic programs.

- #1 Learning Communities
- #1 Study Abroad
- #2 First-Year Experiences
- #2 Service Learning
- #3 Senior Capstone
- #6 Internships/Co-ops
- #9 Undergraduate Research/Creative Projects
- #16 Writing in the Disciplines

Elon ranked among the best colleges in the country by the Princeton Review

- #4 in Best-Run Colleges
- #6 in Best College Theater
- #8 in Most Beautiful Campus
- #9 in Best Career Services
- #13 in Best College Dorms
- #20 in Best Classroom Experience

Other Rankings/Notes

- #1 in Study Abroad for 17 years straight according to the Institute of International Education
- Elon has over 110 study abroad programs in over 50 countries with 73 percent participation in study abroad programs campus-wide
- According to the Wall Street Journal/Times Higher Education Elon is in the top 20 (14th) for student engagement
- Elon pioneered the experiential learning approach 25 years ago with excellent classroom teaching that includes simulations, research, group projects and presentations, along with programs beyond the classroom, called the Elon Experiences
- 88 percent of Elon students complete an internship
- 84 percent of Elon students participate in volunteer service
- 58 percent of Elon students hold a leadership position on campus
- 24 percent of Elon students participate in undergraduate research
