

HOW TO WEAR, CARE FOR, AND STORE YOUR JEWELRY.

WEARING YOUR JEWELRY

- As a general rule, your Cachet accessories should be the last thing you put on and the first thing you take off.
- Avoid wearing your Cachet accessories when swimming, exercising, showering or bathing, cleaning, or applying personal care products (i.e. perfume, lotion, makeup, or hair products).
- Always use the provided rubber or metal backs with earrings to prevent loss.

CARING FOR YOUR JEWELRY

- Gently wipe your Cachet accessories with a soft cloth after each use to remove oils and dirt.
- Avoid jewelry dips or polishes, as they may contain harsh abrasives.
- For a deeper clean, your Cachet accessories may be washed with gentle soap. Rinse well and dry completely with a soft cloth before storing.

STORING YOUR JEWELRY

- Store your Cachet accessories in a dry, cool place, away from sunlight and humidity.
- Ensure jewelry is completely dry before storing.
- To avoid scratching or tangling, store each piece separately.
