

Welcome to Deeply!

Thank you for using the Services("Waah") of Deeply Inc.(hereinafter "Deeply"). These Deeply Terms of Service contain information which may help use the Services of Deeply. By signing up and using the Services, you are deemed to have been notified of Deeply Terms of Service. Therefore, we hope you will take a moment to read these Deeply Terms of Service carefully.

Deeply protect your personal information and user data as safe as possible.

Deeply will use your personal information and user data only within the purpose and scope for which your consent is given to Deeply to ensure the provision of Services. Deeply will never disclose your personal information and user data unless consented by you and required by the applicable laws. Please refer to Deeply **Privacy Policy** for details on the efforts made by Deeply to protect your personal information and user data.

Deeply will take responsibility for our fault.

Deeply hopes you will have a more enjoyable life by using our Services. If you suffer from any damage while using Deeply Services results from Deeply's negligence or willful misconduct, Deeply will compensate your damages by applicable law.

However, Deeply will not be liable for following damages.

1. damages incurred because Deeply was unable to provide its Services due to any natural disasters or force majeure events.
2. damages incurred because the user was unable to use the Services due to his/her own negligence or misconduct.
3. special damages, indirect damages, or other punitive damages that are generally impossible to foresee or those that arise from particular circumstances, unless there is a special provision in applicable laws.
4. damage resulting from the transmission of bugs, viruses, adware, spyware or other malicious code by any third party
5. damage resulting from any interruption or cessation of transmission to or from Services caused by a third party
6. damage resulting from unauthorized access to or use of the Deeply servers by a third party
7. damage incurred by you during the course of the use of Services by any third party without Deeply's fault

WE DO NOT GUARANTEE 100% SAFE, SECURE OR ERROR-FREE SERVICE!

DEEPLY'S SERVICE IS NOT GUARANTEED THAT IT WILL ALWAYS BE SAFE, SECURE, SEAMLESS OR PERFECT. DEEPLY HOPES OUR SERVICES WILL BE HELPFUL TO YOUR LIFE. However, YOU SHOULD NOT RELY TOO MUCH ON OUR SERVICES, AND YOU HAVE TO BE CAREFUL NOT TO BECOME AN INDIFFERENT PARENT TO YOUR BABY. OUR SERVICES ARE JUST PROVIDED ON AN "AS IS" BASIS.

You may terminate these Deeply Terms of Service at any time.

If you wish not to use Deeply Services anymore, you can request for the termination of the Deeply Terms of Services and withdrawal membership at any time. All data and personal information related to the member's account will be deleted unless applicable laws and the privacy policy allow Deeply to retain specific user data or your personal information. Even if your service agreement is terminated, you may sign up for Deeply Services again.

Deeply will make sure to notify you of any suspension or modification of its Services.

Deeply will do its best to provide Services 24/7 without interruption. However, as a result of the inspection, maintenance or repair of the equipment and server or any significant operational issues, Services in part or whole may temporarily be suspended. In that case, we will notify it in advance by pop-up message in the Waah app, Waah homepage. If Services are suspended due to causes not foreseen by Deeply, Deeply will notify you thereof immediately after Deeply determines the causes for the relevant suspension.

Deeply will pay attention to your valuable opinion.

You may provide your opinions or suggestions related to the use of Services through the Deeply homepage, Waah homepage, e-mail, or phone at any time. We will always be receptive to your opinions, and we promise the continuous change and development by those opinions.

Deeply will let you know modifications of Terms of Services and Privacy Policy providing prior notification.

To provide improved Services or to reflect changes to applicable laws, Deeply may modify the Terms of Services and Privacy Policy. In such events of changes, Deeply will post a notification thereof on the Waah homepage. The modified Terms of Services and Privacy Policy will become effective 15 days after the posting of such notification. Deeply waits for your comments on modifications from the date Deeply posts the modified terms and conditions until the effective date of such modifications. If Deeply does not receive your feedback during the above period, you will be deemed to have agreed to use the Services according to the modified terms and conditions. If you do not consent to the modified Terms of Services and Privacy Policy, Deeply may not be able to provide Services that are subject to the modified Terms of Services and Privacy Policy.

This English version of the Deeply Terms of Service is a translation based on the original Korean version of the Deeply Terms of Service. If there is any conflict between these two versions, the original Korean version of the Deeply Terms of Service shall prevail. The relationship between you and Deeply about the Deeply Terms of Service or Deeply Services shall be governed by the laws of the Republic of Korea. Any dispute arising between you and Deeply arising out of or in connection with the Deeply Terms of Service or Deeply Services, shall be resolved by the procedures set out in the Civil Procedure Act of the Republic of Korea.
