

August 6, 2020

Hi everyone,

Another gorgeous summer day in Vermont! Not too hot. Not too humid. These are the moments when I am especially grateful to be living in such a beautiful place. I snagged the last lemon/blueberry cream pie from the Farmer's Market, along with a brownie bigger than my head and an apple tart. And some great cheese and olive ciabatta. Dinner? Check!

I was on a call today with my CEO colleagues from CCRCs and other senior housing communities in Maine and New Hampshire today. They shared the results of a survey amongst the group that I found quite interesting. I was not asked to participate so the responses do not include Wake Robin.

Dining Survey:

Don't forget to fill out the Dining survey if you haven't already. Kate and the Dining Advisory Committee are looking at all the ways we might be able to open up the Dining Room this fall safely. Your feedback is critical so please take a moment and answer a few questions.

There will be printed copies of the Dining survey available in the Community Center vestibule for anyone who can't access the survey online. And we are hearing a few of you think you may need a Google account to access the survey. That has not been our experience but if you have trouble, come grab a hard copy from the Community Center. Thank you!

Visits with Linden residents:

IL residents are welcome to sign up to visit with a Linden neighbor. As you know, these visits are scheduled on Mondays, Wednesdays and Fridays and last for 45 minutes. They must be outdoors in the designated visiting areas, and must be supervised.

That's pretty much all the news for the week. Ending with some funny "English" humor!

Have a nice evening. Stay well!

A handwritten signature in cursive script, appearing to read "Martha".
