- in order to pursue Our legitimate interests (Article 6(1)(f) GDPR) related to the ongoing contact, providing you with information about job opportunities, as well as pursuing and defending against claims.

V. WHO DO WE SHARE YOUR DATA WITH

When necessary for the purposes for which we process your data, We may make your data available to:

- a. entities entitled to receive them under the law;
- b. entities processing personal data on our behalf, i.e. companies providing certain services for us, the performance of which involves the processing of personal data. For example, entities providing us

with HR and finance, marketing or hosting services, entities providing us with consultancy services and others (so-called "processors");

- c. entities within the capital group of which Signal OS is a part.

Whenever we share your data, we will ensure that the sharing has a legal basis and includes only the minimum information necessary to fulfill the purpose of the processing for which the data is being shared.

If necessary for the purposes referred to in Section IV., your data may be transferred outside the European Economic Area. In any transfer of your data outside the EEA we will ensure the highest level of security.

VI. HOW LONG WE STORE YOUR DATA

If you are a user of one of the Signal OS Products, we keep your data for as long as you have been granted access to the relevant Product, after which time we process your data for administrative and claims and complaints purposes.

If you are a visitor to the Website, We will retain your personal information as long as necessary for the purposes of operating the Website.

If you are a Subscriber, We will process data until you withdraw your consent.

If you are a Business Partner or its Representative, We store your data for the period of performance of the contract concluded with you or the entity you represent. After that period, to the extent necessary, we will retain your data for the period resulting from legal requirements (e.g. the obligation to keep financial records for 5 years), statutes of limitation on claims (3 years for the statute of limitations on claims arising from business activities), or as necessary to fulfill the other purposes of data processing indicated in this Policy.

If you are a Job Candidate or Candidate for Contractor, We will hold your data until the end of the recruitment process, and longer only if you have consented to us processing it for future processes.

VII. YOUR RIGHTS

In exercising your rights in relation to the processing of your personal data, you may direct the following requests to us:

- a. where we process your personal data on the basis of your consent, you may withdraw that consent at any time; withdrawal of consent does not affect the lawfulness of the processing we have carried out on the basis of that consent up to the time of withdrawal;
- b. you can request access to and obtain a copy of your personal data;
- c. you can request rectification of your personal data if it is incorrect or incomplete;
- d. the right to data portability;
- e. in relation to your particular situation, you may object to the processing of your personal data where we are processing it on the basis of our legitimate legal interest;
- f. in cases provided for by law - e.g. if your data is outdated, redundant, processed unlawfully, and if you have withdrawn your consent to the processing of your personal data (where consent was the basis for such processing) or you have successfully raised an objection to the processing of your personal data - you can request the erasure of your personal data;
- g. you can also request the restriction of data processing.

In order to exercise the above rights, please contact us by correspondence or at the following email address: contact@signalos.io

In any case in which you consider that our processing of your personal data violates the provisions of the GDPR, you also have the right to lodge a complaint with the President of the Office for Personal Data Protection (*Prezes Urzędu Ochrony Danych Osobowych*).

VIII. DO YOU HAVE TO PROVIDE YOUR DATA AND WHERE DO WE GET THEM IF THEY ARE NOT PROVIDED BY YOU
