The Rolex has a red triangular second hand sweep and a blue numbered bi directional bezel. The Oyster bracelet has an Oyster lock clasp stamped Swiss Made Rolex Geneva Rolexsa 2HD 750.00
\$72,000.00

M. Mary Clendenning, Graduate Gemologist (Gemological Institute of America)

Mountings can mask important quality factors apparent only before assembly. Mounted gems can only be examined with limited testing, measurements, and observation. Unless specifically stated that stones were removed for grading and evaluation, their weight is estimated by formula using measurements only insofar as mount permitting. Grading based on GIA industry standards. The value expressed herein is based on the appraiser's best judgment/opinion with current information on the date indicated; not a representation of value if offered for sale or auction. Value excludes taxes. No opinion is expressed as to any past or future value unless stated. I shall not be responsible for any action taken on the basis of this report other than its' original intent
