INVITATION FOR EXPRESSION OF INTEREST (EOI)

DB Power Ltd (DBPL) is a company promoted by Dainik Bhaskar Group has set up a coal based thermal power Plant of 1200 MW capacity at Baradarha village in Janjgir Champa District, Chhattisgarh state. This power plant site is located about 15 km south of Robertson Railway Station in Bilaspur division of South Central Railway.

The Power Station generates up to 6000 TPD of dry fly ash approximately.

DBPL invites Expression of Interest ("EOI") from interested parties i.e. Cement Plants / fly ash brick manufacturers / RMC Plant / Road Constructions Contractors / Transporters having approval for filling of abandoned (stone / coal) mines or low lying areas & other users of fly ash, in the prescribed format, for lifting of entire / part dry fly ash from Power Station silos on 'as is where is basis' for the period of 5 years.

Interested parties are requested to submit their EOI duly filled in the prescribed format. The EOI by interested parties, duly filled in the prescribed format may be sent on or before 31.03.2018 up to 17:00 Hrs to the following addresses:

Sh Devinder Batta (CGM), Techno Commercial, DB Power Limited, Naman Corporate Link, 3rd Floor, C-31 G Block, BKC, Bandra (E) Mumbai-400051. Dir: +91 22 71566021 | e mail- devinder.batta@dbpower.in

OTHER TERMS AND CONDITIONS:

1. Issuance of Expression of Interest (EOI) to any of the interested parties shall not be construed that the interested party is considered qualified.
2. The qualification status shall be examined by DBPL during the process of evaluation and the decision of DBPL in this regard shall be final.
3. DBPL reserves the right to extend the date for submission of EOI at its sole discretion and reserves the right to reject any or all or cancel/withdraw the notice for EOI without assigning any reasons whatsoever and in such case no interested party shall have any claim arising out of such action.
