

**Position:** Account Management Intern [Remote]

**Time Commitment:** Expected approx. 10-12hrs per week [Unpaid] [Conversion to Full Time possible]

**Period:** 4-6 months [possible extension of 3 months]

**Start date:** ASAP

**Treeapp gives the power to its users to plant a tree for free every day in a few seconds.** How does it work? We work with organisations to promote their sustainable products & services to our users. These organisations fund the planting of trees, which is facilitated by our international NGOs partners. Try it [here on iOS](#) or [here on Android](#).

## History

Treeapp (thetreeapp.org) was founded because our team realised the devastating state of the world's environment.

Since 2020 we have partnered with over 150+ sustainable brands including the likes of L'Occitane, HelloFresh and Too Good To Go. With over 50,000+ users on our app, we have planted close to half a million trees in our first year of operations.

## What we look for

The perfect candidate will be passionate about working with sustainable companies to set up the brand's page and products on Treeapp's new in-app e-commerce platform. We are looking for a team player who is excited to liaise with both clients and cross-functional teams in order to tailor the content to clients' demands. Ideally last year's master's student with experience in an analytical and structural environment with a passion for all things sustainable. Minimum 6 months experience required.

## What you will do

- Build relationships with Treeapp's clients: innovative businesses in the sustainability sector
- Manage and navigate internal admin panels and optimise processes
- Test the content of brand and product pages to optimise screens before the go-live date
- Advise clients on their content strategy & build long-lasting relations
- Hold a key position within our e-commerce team to execute the content creation process seamlessly

## What you'll get

- Work with both co-founders, serial entrepreneurs who founded businesses valued £30mIn+
- Monthly drinks with the team
- Have your own personal impact on positively contributing to restoring the world forests
- Opportunity to convert the internship into a full-time role and join the team
- Introduction & connections to key stakeholders in the environmental industry
