treeapp

Position: Tech lead manager

Period & Start date: Full time - ASAP

Salary: Competitive + Stock options

History

Treeapp (thetreeapp.org) was founded because our team realised the devastated state of the world's environment. Treeapp enables anyone to have an impact, just by doing a simple action on their phone every day. We chose trees, because deforestation is a pressing issue that needs to be addressed.

About Treeapp

Our vision is to let anyone come on our platform and start living a sustainable lifestyle by discovering / purchasing sustainable products and creating real impact by planting trees online / offline. Treeapp has been growing rapidly and has gained 100,000+ users and 300+ business partners, including L'Occitane en Provence, DPD and HelloFresh.

The role

This role requires both technical expertise and management experience. You will work closely with the product and engineering teams to plan the roadmap, solve engineering challenges and ship new products. Some of the technologies we use include Flutter, Go, Hugo, Postgres and GCP.

What we look for:

- Academic qualifications are not required
- 4+ years of experience in software engineering
- Experience leading engineering team(s) and roadmap planning
- In-depth understanding of both frontend (e.g. web technologies / mobile applications and ecosystem) and backend (e.g. cloud technologies, system design) and have strong experience in 1 of web, mobile or backend engineering
- Be able to design fullstack system in a distributed environment
- Passion for our goal and strong desire to be part of the mission

For bonus points:

- Experience with distributed systems (e.g. as simple as scaling your applications and data leveraging the right cloud services)
- Experience in a scale-up organisation (e.g. grown a team from 2 to 8 engineers)
- Experience with internationalisation (e.g. allowing localised features in your mobile app)

What you'll get:

- Work with the co-founders, serial entrepreneurs who founded businesses valued £30mln+
- Weekly drinks and regular team socials
- Flexible work location (ideally 1-2 days in the office)
- Have your own personal impact on positively contributing to restoring the world forests
- Competitive salary and options to get equity in Treeapp
- Treeapp merchandise

- Pension Scheme
- 28 days off & day off on your birthday
