

Position: Business Development Intern [Remote]

Time Commitment: Expected approx. 10-15hrs per week [Conversion to Full Time possible]

Period: 4-6 months

Start date: ASAP

Treeapp enables its users to plant a tree for free every day in a few seconds. How does it work? We work with organisations to promote their sustainable products & services to our users. These organisations fund the planting of trees, which is facilitated by our international NGOs partners. Try it [here on iOS](#) or [here on Android](#).

History

Treeapp (thetreeapp.org) was founded because our team realised the devastating state of our environment. Since 2019 our team has been growing in order to reverse effects of environmental degradation and climate change. By using Treeapp, anyone can make a positive impact, by planting trees on their phone every day.

What we look for

The perfect candidate will have strong people skills, be results-driven, enjoy all aspects of the sales cycle and be passionate about saving the environment. Ideally last year master's student with sales or business experience.

What you will do

- Work alongside the Treeapp Founder and Head of Sales to close deals with business partners
- Join a young & highly motivated business development team
- Contribute to innovative lead generation and growing the sales pipeline
- Learn how to use sales tools such as Pipedrive or LinkedIn Sales Navigator

What you'll get

- Join a fast-growing start-up that has reached 'Hottest App' & 'App of the Day' on the App Store as well as 'Top 10 Downloads' on the Play Store
- Work with both co-founders, serial entrepreneurs who founded businesses valued £30mIn+
- Introduction & connections to key stakeholders in the environmental industry
- Get first-hand business & sales experience in the sustainability sector
- Monthly drinks on the founders (when quarantine is over!) & covered travel costs
- Opportunity to convert the internship into a full-time role and join our growing team
