

**Position:** Media Management Intern [Remote]

**Time Commitment:** Expected approx. 10-15hrs/week [Conversion to Full Time possible]

**Period:** 6 months

**Start date:** ASAP

## Treeapp Overview

**Treeapp enables its users to plant a tree for free every day in a few seconds.** How does it work? We work with organisations to promote their sustainable products & services to our users. These organisations fund the planting of trees, which is facilitated by our international NGOs partners. Try it [here on iOS](#) or [here on Android](#).

## History

Treeapp (thetreeapp.org) was founded because our team realised the devastating state of our environment. Since 2019 our team has been growing in order to reverse effects of environmental degradation and climate change. By using Treeapp, anyone can make a positive impact, by planting trees on their phone every day.

## What we look for

The perfect candidate will have a strong interest in all things media. We are looking for someone who is results-driven, enjoys creating and managing content and is passionate about saving the environment. Ideally, a final year student in media / humanities / languages or a related field.

## What you will do

- Work closely with the NGO & content management team
- Creation of NGO updates and media displayed on treeapp & social media
- Maintenance the media database
- Video creation & editing
- Translations & subtitling
- Creative writing

## What you'll get

- Join a fast-growing start-up that has reached 'Hottest App' & 'App of the Day' on the App Store as well as 'Top 10 Downloads' on the Play Store
- Work with both co-founders, serial entrepreneurs who founded businesses valued £30mIn+
- Introduction & connections to key stakeholders in the environmental industry
- Get first-hand experience in the sustainability sector
- Monthly drinks on the founders (when quarantine is over!) & covered travel costs
- Opportunity to convert the internship into a full-time role and join our growing team
