

Pirate Hunt setup

Give Emma the **START** card: she looks for **the front door**. At every place hide the clue card that shows the **next** place, plus its letter coin(s). The coins are numbered 1 to 16: laid in order from 1 to 16 they spell the secret message. Once Emma solves it, hide the treasure chest under the bed for the final reveal.

Answer: LOOK UNDER YOUR BED

Happy 6th Birthday, Emma!

Percy the parrot has hidden treasure clues all
around the house!

**Where coats hang high on the wall so tall,
peek by the front door, in the entry hall!**

⚓ STOP 1 ⚓

You found the parrot!

Where heroes zoom and dragons soar,
peek by the TV, right on the floor!

☐ ☐ Take your secret 2 letter coins!

You found the parrot!

Soft and squishy, a comfy nest,
lift up the couch cushions, that's the best!

○ Take your secret letter coin!

You found the parrot!

Tall and full of tales to read,
peek on the bookshelf, take the lead!

☐ ☐ Take your secret 2 letter coins!

You found the parrot!

Where hungry pirates come to eat,
peek beneath the table, by your feet!

☐ Take your secret letter coin!

You found the parrot!

Warm and cosy, but cold today,
peek in the oven, it's tucked away!

☐ ☐ Take your secret 2 letter coins!

You found the parrot!

Round and round the clothes go spin,
peek in the washer, look within!

☐ Take your secret letter coin!

You found the parrot!

Open the closet, don't be shy,
find the sock drawer, give it a try!

☐ ☐ Take your secret 2 letter coins!

You found the parrot!

Behind the curtain, ducks say quack,
peek in the bathtub, then come back!

☐ Take your secret letter coin!

You found the parrot!

Under the covers, soft and deep,
peek 'neath the bed where you go to sleep!

☐ ☐ Take your secret 2 letter coins!

You found the parrot!

You found the very last coin!

Lay all 16 coins in a row, from 1 to 16.

What does the secret pirate message say?

☐ ☐ Take your secret 2 letter coins!
