Industrial Manipulators

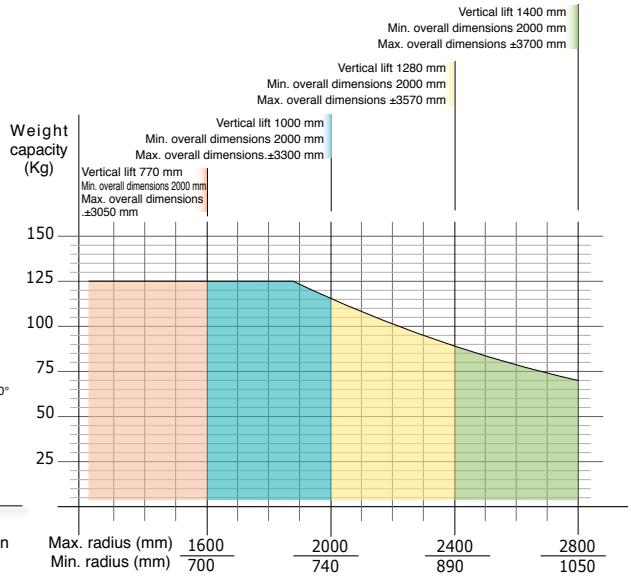

Pneumatic Manipulator MICROPARTNER MI with articulated arms

Due to the reduced dimensions, the MICROPARTNER MI is a lifting device particularly easy to handle, designed to move in a weightless condition medium-light, center and off-set loads in any direction. Equipped with special gripping tools it allows the operator to work quickly, with precision and without effort, in excellent ergonomic and safety conditions.

MICROPARTNER® - MI

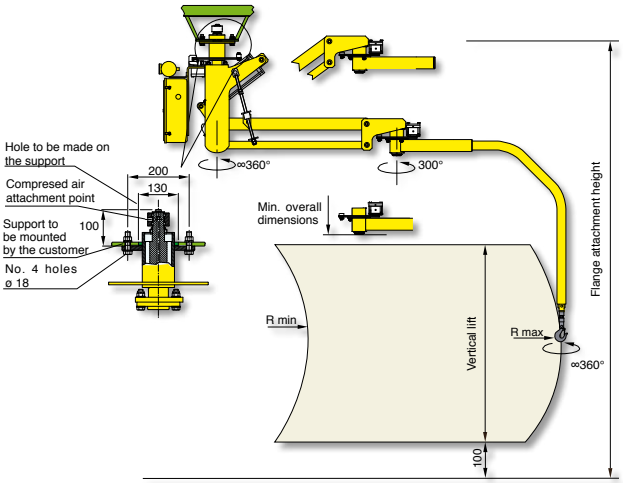

Micropartner column mounted - MIC

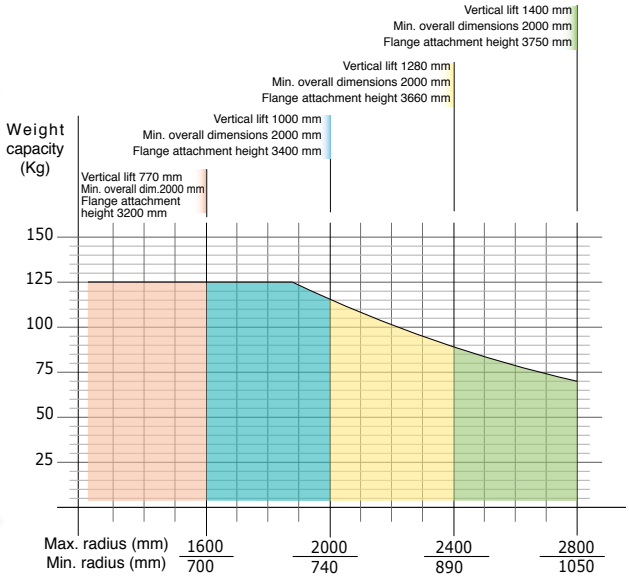

Structural versions: column mounted on fixed base-plate, autostable base-plate of our supply properly dimensioned or with autostable motorised trolley that translates on a simple profile track located on the floor.
