

Interested in the Career of Hair Braiding & Textured Hairstyling?

Have you ever wondered about the world of hair braiding and textured hairstyling?

Not sure how you can get started in this exciting career?

Are you interested in this explosive and demanding profession?

Do you want to express your creativity and indulge in your passion for beauty while getting paid?

If you ever dreamed of working "behind-the-chair" in a salon professionally, **Braidz N' Thangz Young Adult Internship Program** intends to empower poised, confident professionals in this field! Our educational institute was created with you in mind. We intend to fill the need of a prominent, growing industry with dedicated and talented young adults that will uphold but excel professional industry standards. **Braidz N' Thangz Young Adult Internship Program** is an introduction to the technical and creative aspects of braiding, styling, and grooming hair that is naturally curly, kinky, or multi-textured.

Participants will learn fundamental techniques that can be used as a stepping stone for a number of careers in the professional beauty industry. If you enjoy helping others to look and feel their best, then our internship program is an excellent place to start. Our in-depth curriculum will also help to prepare you for the California Cosmetology Apprenticeship and Cosmetology Licensure. Help others to perfect there look with this fun yet challenging internship program.

Braidz N' Thangz: Promoting Power, Purpose, and Poise!

Braidz N' Thangz (BNT) Internship Program provides at-risk Black/African American women ages 16-24 with hands-on training and experience in braiding, natural hair care, and cosmetology. The training provided to participants offers an opportunity to obtain professional certificates and California State licenses to work in a professional salon environment or open a salon of their own. The BNT program is entirely free of charge for participants.

- BNT is a solution to unemployment, providing financial incentives for participants while learning hands-on and soft skills training to work in a professional salon environment or open a salon of their own.
- BNT is a solution for families and young adults who want to pursue vocational training by creating paid learning opportunities while overcoming financial hardships.
- BNT is a solution for those who want to learn about Black/African American and natural hair care, which is not taught in traditional cosmetology programs.
