

I provide a *unique blend* of education technology leadership services in the following areas.

- Conduct Cybersecurity Self-Assessments and 3rd-Party Evaluations based on the NIST Cybersecurity Framework and the Rubric Designed by the Cybersecurity Coalition for Education.
- Advise the best-of-the-best education solution providers and leaders.
- Support State and National Associations leading education innovation.
- Help CTOs/CIOs, EdTech Leaders, Superintendents, and School Technology Service Teams improve.
- Mentor aspiring leaders pursuing technology leadership positions.
- Develop instructional content and publish inspiring leadership about matters.
