

The Jury is composed of VIP metaverse-ecosystem leaders and innovators: Venture capital and other institutional investors in early-stage and growth-stage metaverse companies; corporations with strategic focus on the metaverse; Accelerators; and exchanges that connect capital with companies.

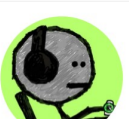

Hailing from western Europe, central-eastern Europe, Scandinavia, UK, US, and Japan, our Jury members are immersed in the ecosystem of the emerging Metaverse.

**Jury Voting**

The Jury will meet at the **Jury Dinner Meeting (26 October, 2022 from 18:30 - 20:30)** one night before the Awards Gala, to review all final nominations, then vote confidentially for one winner in each of the **20** categories. Additional voting takes place on 26 October via the Popular Vote (Brella platform).

At the October Awards Gala in the evening, the envelopes will be opened and winners will be announced on-stage.
