

The leading Law resource for Sixth Forms

Our outstanding A Level Law service features over 100 high-quality and up-to-date video lessons, worksheets, scenarios and multiple choice questions covering all aspects of the A Level law syllabus for AQA, OCR and Eduqas/AJEC.

FlippedLaw is ideal for use both pre or post lesson, and for revision too. Don't just take our word for it - see what teachers say:

'THE best financial educational investment I've made in my 15-year long career as a teacher of law'

Ruth M, Cardinal Newman Catholic School

'In twenty years of teaching law, I'd say your platform is a game changer'

Ben L, Spalding High School

'A fantastic resource for anyone teaching A Level Law... an absolutely vital and hugely valuable resource... I cannot recommend it highly enough'

Sarah H, Joseph Chamberlain Sixth Form College

'An effective, well structured, and reasonably priced resource... as a teaching team, we heartily recommend it'

Claire F, Huddersfield New College

Written by experienced and successful law teachers and examiners, our Law lessons are ideal for A Level, BTEC and first year or foundation degree students seeking a clear, accurate, up-to-date, and student-friendly approach.

Our mission is to make law accessible to students by combining clarity with up-to-the-minute legal precision.

At FlippedLaw we believe law can be taught with clarity without sacrificing accuracy. Each of our video lessons is designed with this in mind as we seek to make law as accessible as possible, and ultimately to widen participation in both the study of law and of entrants to the legal profession.

WHO WE HELP

“

An excellent way to engage students in the key aspects of criminal law topics outside of lessons, which in turn ensures that they have a greater focus on application of law in lessons.

Teresa Horan-Hosey, Teacher of Law, Cheadle & Marple Sixth Form College
