

Inspecting With Integrity

Georgia Pine Home Inspections is veteran owned and operated, dedicated to providing you with the best home inspections in the state. Our guarantee is to be reliable, honest, and time efficient in providing you with an unbiased home inspection report. We understand the stress of home buying and want to be there to answer your questions.

Our goal is to make you feel comfortable and confident in your home buying decision.

What Every Home Buyer In Georgia Must Know

Click on the image below to download a free copy of the Safe Home Book! This free home book is filled with essential tips and facts that every family needs to live safely and comfortably in their home.

Now That You've Had a Home Inspection

All our clients will receive a free copy of this book during their inspection. This \$36 home maintenance book is the ultimate guide for homeowners who want to learn more about maintaining their home.

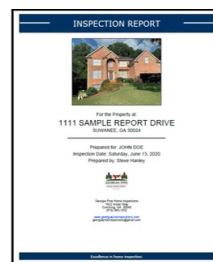

Who Needs A Home Inspection?

If you are purchasing a home you need a home inspection. It doesn't matter if you are buying a new construction home, a friends home or a home through a real estate agent. It is highly encouraged to protect your largest asset. You will need to have a home inspection completed. [Click here](#) for more information on our home inspections services and [click here](#) to view more information on our radon inspection that we highly encourage our clients to do.
