Reviews for Hell's Valley, Book #4 Legacy Found

5 Stars -- Carol's Reviews

--"If you would have told me that a paranormal series about a family of ranchers would be so addicting, I might not have believed you. But it is...Thank you to Jillian David, for taking me on this crazy, wild journey!"

5 Stars -- Jacky

--"This Book was full of action, suspense, mystery, danger, and supernatural powers. Several scenes had me holding my breath in anticipation."

5 Stars -- Cupcakes and Popcorn

--"I'm so glad I got to read this series - and the book's definitely getting in my top list of the year's reads. If you haven't tried out Jillian David yet, folks, you really should."

Reviews for Hell's Valley, Book #3 Legacy of Danger

5 Stars -- Tome Tender

--"Wonderful characters, a family that comes together against danger, a touch of the paranormal and two people with damaged pasts risking their hearts on a chance at happiness in their futures."

5 Stars -- MSthriving

--"The twist and turns with the spice of paranormal make this a must read."

Reviews for Hell's Valley, Book #2 Legacy Lost

5 Stars -- T's Stuff book blog

--"Ms. David has done an awesome job with this book. When I wasn't biting my nails on the edge of my seat I was falling back in my chair sweating. There is a perfect balance of danger, action, suspense, romance, and steam."

5 stars -- Crystal's Many Reviews

--"I love the paranormal aspect of this story though. The story itself just drew me in and I couldn't get enough of it!"

4.5 stars -- Goodreads reader review

--"This is the second book in the series and I loved it!!! Like book one of this series it was suspenseful from the beginning."

Reviews for Hell's Valley, Book #1 Legacy of Lies

5 stars -- Books Laid Bare

--"The story was fabulous, the characters were engaging, the descriptions that the author was able to piece together were fantastic, so evocative and brilliantly illuminating. I adored the scenario and the way the story's pace ebbed and flowed with an almost natural pulse."

5 stars -- Pure Jonel

--"Wow! Just Wow! Oh, and did I mention wow? David definitely launches her new series with a bang with this novel. I devoured it in a single sitting. This world comes to life with vivid descriptions and intricate world building. The plot is unique and had me guessing."

5 stars -- Sweet and Spicy Reads

--"Make sure you have a few hours to spare when you start this book as you won't want to put it down!"

5 stars -- Tome Tender

--"LEGACY OF LIES is a heart-pounding start to what looks to be another fabulous paranormal series from Jillian David who makes her rural settings come to life with jaw-tensing reality. Ms. David brings a feeling of high tension to a fever pitch while tackling small town politics, bullying and fear of the unknown in the deeps woods and plains of Wyoming."

Reviews for Hell to Pay, Book #0.5 (prequel novella) Flame's Dawn

5 stars -- Cupcakes and Popcorn

--"She's one of the few writers who can keep scaring me and making me try to climb the chair I'm sitting on backwards."

5 stars -- Tome Tender

--"(this) is the perfect series sign-off that left me a little sad, yet so impressed with this author's ability to draw her characters with such detail and care. Her plots are intense, the emotions run high..."

5 stars -- Paranormal Romance and Authors That Rock

--"I give her five full bleeding hearts for his story and an awesome closure to the circle of characters I have grown to love so much. As always, the sex scenes are both steamy and sweet at the same time. I'll be rereading these over and over for sure!!"

Reviews for Hell to Pay, Book #3 Flame Unleashed

5 stars -- Koko's Book Blog/Chapter Five Book Blog

--"Ok, seriously, this book has me HOOKED!! Like woah hooked! I feel like I could easily devour ten of these books in a weekend! I'm totally and completely in love!!"

5 stars -- Bodice Rippers

--"...Flame Unleashed surpassed my expectations."

--"Ms. David delivers a potent, breath stealing confrontation teetering on an anything-but-that finale. 'exhaling' Whew!"

5 stars -- Pure Jonel

--"Wow! What a conclusion to David's latest series! She drew me in with her intriguing characters and kept me captive with the intricately crafted plot."

--"David creates the type of characters that I could connect with."

4.5/5 stars -- InDTale Magazine

--"With well-developed characters that are engaging and believable and a well-written story line that flows at a smooth pace, this action packed tale has one turning the pages rapidly to reach its climatic conclusion."

Reviews for Hell to Pay, Book #2 Relentless Flame

5 stars -- Paranormal Romance Guild

--"The scenes are richly detailed and the pace is consistent throughout."

4.5/5 stars -- InDTale Magazine

--"Dante's journey from player to genuinely caring man is amusing to watch, since Hannah does not play any kind of game he is used to, and their relationship is worth all their pain."

3.5/4 stars -- Will Read For Feels

--"This book was a light but solid read with quite a number of swoon-worthy moments. The humor is understated rather than overt, but it does add a sweetness to what would otherwise be your typical bad-boy-meets-damsel-in-distress story."

5 stars -- Ruby's Books

--"There are books in series that are good, and then there are books that kind of set the bar for the next installments in the series. Relentless Flame is that book for the Hell to Pay series."

Reviews for Hell to Pay, Book #1 Immortal Flame

5 stars -- A New Page Book Blog

--"Immortal Flame represents everything a good paranormal romance should offer."

--"A quick, all consuming chemistry and a primal need to protect, Jillian David does not disappoint."

5 stars -- The Reading Cafe

--"Wow!!! Totally different from my usual reading material. Fast paced and full of action."

--"Both the main characters were very well written...The scenes were incredibly detailed...I can't recommend this book enough"

5 stars -- Eat Sleep Read Review

--"Jillian David hits the ground running with her debut novel, Immortal Flame."

--"Packed with scorching love scenes, a bit of mystery and plenty of action, Jillian David keeps you wanting more from the very beginning."

4.5 stars -- Star Angels Reviews

--"The writing is fantastic - and the way Ms. David uses descriptive information, I felt I was playing the movie out in my head. I could see the characters, the scenery and everything else that was going on."
