

### Appointment Detail:

- **Appointment times vary by patient and treatment/service. Each patient's needs are unique, and so are treatment plans.**
- **An initial office visit is typically 60-90 minutes. This comprehensive visit includes an extensive interview, physical examination and diagnostics. A personalized initial plan also will be developed for you. Additional diagnostic tests will be ordered if needed.**
- **A second office visit, (45-60 minutes), is usually scheduled 2 to 4 weeks following your initial visit to assess the results of the initial plan and provide any additional treatment suggestions.**
- **Follow-up visits, (30-45 minutes), is typically done on a monthly basis until the issue has been resolved. The need for follow-up visits may vary based on patients and condition.**
- **Short visits for acute complaints, such as flu or a sore throat, are typically 30-45 minutes.**
- **Nutrition consultations are typically an hour.**
- **Free 15 - minute consultation.**

### Cancellation Policy:

- **We require at least 24 hours notice of cancellation in advance of the scheduled appointment time. Appointments cancelled with less than 24 hours notice will incur a \$50.00 charge.**
