THE NYSDF THANKS OUR 2019 SUPPORTERS
 The Trustees of the NYS Dental Foundation thank all of you who supported this year's **Foundation of Excellence Award**. Thank you for joining us as we celebrated strides in community water fluoridation that we've helped make happen this past year. Together, we are making a true difference.

UPCOMING EVENTS

NYS Dental Demonstration Project

The Dental Demonstration Project (DDP) is a state funded project that began in 2015 and serves New Yorkers across the state. A DDP event is a one day event offering dental care (restorative and preventative) at no cost to patients. Our mission is to link patients to health homes in their communities; to engage support of volunteer dentists and to leverage the clinic partners to improve access to dental care for underserved populations.
