Consider The Many Benefits of Becoming a Student at Stevens School of Music & The Arts:

1. Guitar, Piano, Voice, Drum, Violin, Woodwinds, and Ukulele lessons in one location, saving you time & money.

This saves our students time and money, as one family can take multiple instruments on the same day. Please see our Music Lessons page for more detailed information.

2. Qualified teaching staff who will teach you the songs you want to learn.

We have 10 music teachers, all with either University training or professional performance experience. Our music teachers are dedicated to learning about your personal musical goals and helping you to achieve them. In addition to their teaching credentials, our teachers have warm personalities, are extremely friendly and dedicated to teaching you the style of music that you want to learn.

3. Trophies, certificates and award wristbands to celebrate achievement.

We are the only music school in Central Virginia that gives their students the opportunity to earn special color wristbands (kids and teens love them!), trophies and certificates for passing musical tests while climbing The Musical Ladder. Kids love to show them off to their friends! More importantly, when our students have a test, they practice more, their parents are proud, their teachers are proud, and everybody wins! You can only get The Musical ladder here.

4. Free, all inclusive, "optional" recitals so that your family & friends can share in your musical journey .

Every May and December, our students have the option of performing in our recitals. Students are not required to perform, but many choose to. Parents never have to pay admission or any related fees for these recitals.

5. Fully stocked lesson rooms.

Our spacious (yes, spacious!) rooms are already stocked with high quality pianos, amplifiers, chords, drums, listening equipment, etc. All you need to do is bring your instrument.

6. A comfortable waiting room for parents.

Instead of waiting in a music retail store showroom, our clients enjoy a comfortable, professional waiting room with comfortable chairs, kids toys, books and magazines, free wi-fi, and the option of sitting outside on our beautiful large porch overlooking the countryside. We also provide observation windows on every door so that you can watch your child's lesson while you wait. Or if you prefer you can sit in on their lesson anytime you like.

7. A proven track record of excellence since 1993.

Visit our testimonial page to see what our students are saying. Our school has a proven track record of offering quality music, guitar, voice, violin, piano, drums, flute, saxophone, and trumpet lessons in Fluvanna County, Virginia, year round. *Our full time mission is teaching music lessons. Trusted by many families for over 20 years.*

WHAT OUR CLIENTS SAY:

Stevens School of Music has been an invaluable resource for our family. We have gone through voice, piano, guitar, and drum lessons with the school and have always been very happy with all aspects of the experience. Stevens Music always goes above and beyond to work with my children to accomplish their musical goals.
 - Denise W.

Our family has been an avid supporter of Stevens School of Music since the Summer of 2014. Not growing up in particularly musical households, both my husband and I wanted to bring the gift of music into our home when we had children. Our entire family now takes weekly guitar and piano lessons - even us parents! We have learned new skills such as reading music and patience through practice. The kids have become accustomed to performing at recitals which is a lifelong skill that will improve their self-confidence.
 - Claire P.
