

PIANO LESSONS
(for ages five and up))

Our piano teachers teach a variety of styles from classical to popular music. Whether you want to learn Bach or Alicia Keys, our teachers are happy to help you become the pianist you want to be. Our piano faculty will show you the fundamentals of sight reading, technique and theory, but they will also incorporate your favorite songs into your lessons. You do not have to have a piano at home to take lessons. A simple full size electronic keyboard will suffice. Our piano teachers have warm personalities and enjoy sharing their love for the piano with you.

FREQUENTLY ASKED QUESTIONS:

WHAT DO YOU LEARN IN YOUR MUSIC LESSONS?

That question is often asked by prospective students. Our teachers make it a priority to get to know you on a personal level and to become familiar with your personal musical needs and goals.

We do not treat every student the same in terms of what and how we teach.

A seven year old having their first guitar lesson will have very different needs than a fifty seven year old taking up piano for the 2nd time after having had lessons as a child.

The main reason to choose our school as your music lesson provider, is that we are sensitive to the fact that every student is an individual.

If you enroll here for lessons, we will work with you to make a plan that will fit your needs and musical preferences. At the first lesson your teacher will ask you about your favorite type of music, and set goals to help accomplish whatever musical aspirations you have for yourself or your child.

WHAT STYLES OF MUSIC DO YOU TEACH?

We teach all styles from classical, pop, and jazz.

ARE YOUR INSTRUCTORS QUALIFIED?

Our teachers have received their education from prestigious institutions such as James Madison University, Virginia Commonwealth University, Shenandoah University, Appalachian State University, Full Sail University, and The School of Rock In Baltimore, Maryland. Many of our instructors have over 25 years of professional performance and teaching experience. In addition to their teaching credentials, our teachers have warm personalities, are extremely friendly and strive to get to know each student and their parent on a personal level.
