

## Our Mission Is Simple

To represent premier lines, offering impactful field solutions

To create the ultimate sales experience for our customers

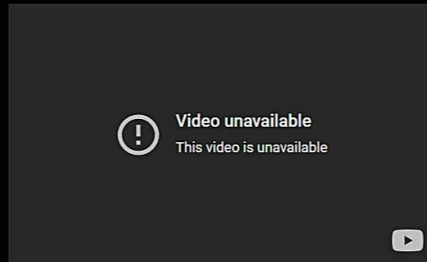

To provide added value for both our customers and manufacturers

To build brand-loyalty at the end-user level

## Our Solutions Are Significant

## Customer Service Portals

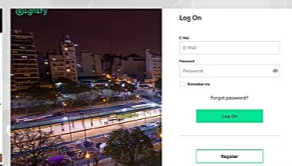

**My.Eaton.com**

My.Eaton.com is a single point of entry to access Eaton's expanded product and services portfolio, training programs, marketing programs, events, tools & resources and order management information

**Southwire Customer Hub**

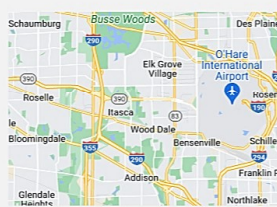

The New Southwire Customer Hub is Here! Loaded with new features and improvements, the Southwire Customer Hub is going to provide you more visibility into order statuses and stock options. More functionality will be added in the future as this is just the beginning!

**Signify MyLighting**

Manage your lighting transactions anytime, anywhere with the Signify MyLighting Portal! This easy-to-use business platform allows you to interact with product portfolios and manage your business with Signify as and when needed.
