Q: What format is my project? Which format do I choose for my service?

Social Responsibility Analysis

Turnaround Time: 2 Weeks
File Requirement: .pdf

What is Social Responsibility? In an effort to support and challenge our clients to create their best work, TPP evaluates the social responsibility and cultural competencies in our clients' work to help you become aware of potential blindspots while also helping you to think critically about how your work can affect and impact the reader, executives and viewers. Responsible Writing is evaluated by how the use of story elements such as dialogue, character descriptions and actions, and themes treat its world and characters with care and considerate (on taking the following into account:

Starting @$150.00

PURCHASE SOCIAL RESPONSIBILITY ANALYSIS

SERVICE INCLUDES:

- Implicit bias, stereotypes, tropes, harmful archetypes and cliches
- Treatment of non-male, non-white, and/or queer & LGBTQ+ characters
- Excessive or gratuitous sexual and other violence which does not advance the plot, push the story forward, or create nuanced character development.

Q: What format is my project? Which format do I choose for my service?
