

FINE ART FOR YOUR HOME OR OFFICE

Encaustic art is a striking complement for your home or office. This fine art is a combination of rich colors, complex themes, and high gloss, and is a hit in every setting. As you review this art, think about how it would look in your living or work spaces. Typically, I create 5" X 7" or 10" X 12" paintings, but larger works may be commissioned. Go to the "Contact" page to let me know if you would like to commission a piece of my art.
